CBS Athletic Vision

Developing athletes committed to Competing for Christ And Leading for Life!

CBS Athletic Mission

The CBS Athletic Department exists to attract and develop student-athletes who desire both Christian education and athletic opportunity. Our department is committed to discipling student-athletes and instilling biblical worldview, leadership, integrity, discipline, and teamwork values.

The athletic program directly advances the CBS mission by:

1. Expanding the reach of CBS to student populations not previously accessed.
2. Creating a distinctive program that enhances the reputation and visibility of CBS.
3. Providing practical discipleship opportunities aligned with the spiritual formation goals of CBS.
4. Developing servant-leaders through athletics to equip student-athletes to impact their communities for Christ.
