Welcome

Choosing the right school for your child is one of the most important decisions a family will make.

Across Catholic Education Sandhurst, our schools are places where children are known, supported and encouraged to grow in their learning, in their confidence and in their sense of belonging.

These schools are part of Catholic Education Sandhurst, which supports 52 Catholic schools across the region to provide high-quality teaching and learning, strong leadership and caring school communities.

Catholic schools welcome families from all backgrounds and faith traditions. What unites our communities is a shared commitment to helping young people, families and communities experience 'life to the full' through learning, belonging and opportunity.

We also understand that many families are navigating rising living costs. Catholic schools remain committed to keeping fees accessible and transparent, with support available for families who may need it.

At the heart of learning in our schools is *Magnify Sandhurst*, a system-wide approach to teaching and learning that supports every child to succeed.

Through clear teaching, strong foundations in literacy and numeracy, and highly-skilled teachers, our schools are focused on ensuring every student grows in knowledge, confidence and capability each year.

We warmly invite you to explore our schools by attending an open day or arranging a tour, and experiencing the community and learning environment for yourself.

We look forward to welcoming you and your family.

***Enrolments close

Why families choose Catholic Education Sandhurst

Families choose Catholic Education Sandhurst for many reasons.

For some, it is the strong sense of community and the care shown to each child. For others, it is the confidence that comes from high-quality teaching and learning. For many, it is the combination of belonging, opportunity and values-based education close to home.

Across our 52 schools, families will find:

A place where every child is known

Children are supported as learners and as people, with strong relationships at the heart of school life.

Teaching backed by evidence

Through *Magnify Sandhurst*, our schools are strengthening literacy, numeracy and classroom practice using evidence-informed approaches to teaching and learning.

Education for the whole child

Catholic schools support academic growth while also nurturing confidence, wellbeing, faith, service and belonging.

Welcoming school communities

Catholic schools warmly welcome families from all backgrounds and faith traditions into caring and inclusive environments.

World-class learning, close to home

Families across regional and rural communities can access high-quality education in Catholic schools connected to the places where they live.

A connected system of schools

Each school is part of its local community, while also being supported by Catholic Education Sandhurst as part of a system committed to learner growth and strong leadership.

Teaching backed by evidence

At the heart of learning in our schools is *Magnify Sandhurst*, a system-wide approach to teaching and learning across Catholic Education Sandhurst.

Magnify Sandhurst supports schools to strengthen classroom practice through clear teaching, strong foundations in literacy and numeracy, calm and positive learning environments, and ongoing professional learning for teachers.

Supported by world-class partners and evidence-informed practice, *Magnify Sandhurst* is helping ensure students across our region benefit from the very best thinking in teaching and learning, close to home.

For families, that means confidence that their child is being supported by an approach designed to help every learner grow.

Start exploring

A school tour is your opportunity to go beyond the school gate and get a feel for the people, the learning environment and the community that may become part of your child's daily life.

As you visit, consider:

- How are families welcomed?
- Do students appear calm, engaged and supported?
- What does learning look like in classrooms?
- How does the school support literacy and numeracy?
- What opportunities are available beyond the classroom?
- Can you imagine your child feeling known, safe and confident here?

The right school is about more than location. It is about belonging, learning and connection.

Inside this guide, you'll find dedicated pages for Catholic schools across the Sandhurst Diocese, including open day details, school tour opportunities and key contact information.

You may wish to start with the schools closest to where you live, compare tour dates, or explore a number of communities before deciding which schools to visit.

Take your time, make notes and use this guide to help find the school community that feels right for your family.

Bookings are essential. Phone the school or visit their website to register.

Enrolments for 2027 are now open and scheduled to close Friday 22 May 2026.

Submit an Enrolment Enquiry or Enrol Now via a school's website.

Frequently asked questions

Who can enrol?

We welcome families from all backgrounds to join our community. Our schools provide a high-quality and affordable education for everyone, not just Catholic families.

Does my child need to be Catholic or baptised to attend?

No, you, your child or your family do not need to be Catholic or baptised, we welcome families of all faiths and backgrounds, however, priority will be given to baptised Catholics in the case where schools are at capacity based on an enrolment priority criteria approved by the Catholic Education Sandhurst Limited Board.

Can I afford the fees?

Catholic schools remain an affordable option for most families and is surprisingly more affordable than some may realise. When you enrol your child in a Catholic school your fees are inclusive, with no hidden costs. Families with a Health Care Card are eligible for significant fee relief in our Catholic primary schools. Catholic school fees include all external costs, including camps, excursions, swimming lessons, technology and more!

Do I have to go to my nearest Catholic school?

We do not have zoning regulations for our primary schools, therefore, you are able to enrol your child at any of our Catholic primary schools. We encourage you to visit our schools during open days or tours to find the best fit.

How do Catholic schools cater for Indigenous students?

Catholic schools' welcome Indigenous students and a variety of specialist educational and pastoral care strategies are available to ensure that Indigenous students feel supported and culturally respected.

What can I expect from a Catholic school?

You can expect calm, safe, and predictable classrooms with a strong academic focus. Our *Magnify Sandhurst* program enhances learning and we have a variety of programs in each of our schools to support the emotional wellbeing of students. We offer broad support services and prioritise child safety with a zero-tolerance policy for bullying.

Catholic Education Sandhurst
empowers regional young people,
their families, our staff and
communities to have *'life to the full'*

(John 10:10)

Primary

We have primary schools that reach as far as Kerang in the North West to Corryong in the far North East, down to Heathcote and Bendigo in the centre of the state.
