MARVEL GALA

A journey through nature's most amazing masterpieces, a collection of precious stones inspired by Earth's most striking landscapes. Marbles, crystals, granites and quartzites in bright and deep colors, reproduced with extreme realism and attention to graphic detail.

An homage to nature that recalls the intense colors of five natural stones, to elegantly explore and define new languages in the architecture of interior spaces.

MARVEL X SLAB

A range of marble-effect porcelain tile surfaces inspired by contemporary marbles, designed with close attention to every detail. Soft shading, graphic depth, and attention to detail create an extraordinary marble-effect porcelain tile to be experienced on a daily basis. The rich details of natural marbles are reproduced with astonishing realism. Color matching, high definition of details, soft shading, and graphic depth combine the beauty of the surfaces with the technical performance of porcelain tiles.
