

The background features three minimalist line art illustrations. At the top center is a clock face with dots for hour markers and two hands. On the left side, there is a hand holding a pen. On the right side, there is a stylized bird or wing shape. At the bottom left, there is a stylized bird head with a large eye.

ARCHITECTMADE

Built to last. Born to be passed on.

**ARCHITECTMADE is more than a collection.
It's a philosophy.**

We search archives and drawings of the most acclaimed architects of all time, we discover talented designers to create timeless icons that can be passed on for generations.

At ARCHITECTMADE we care a lot.

We have a mission to create crafted, elegant and minimalistic products, serving as a reminder in today's fast-changing world, that quality is still timeless. We celebrate products that last. The kind of products you never get bored to look at: created using exceptional craftsmanship alongside three rounds of quality control, made to stand the test of time.
