

# Tutorial to Use LearnWorlds's Portal

## About this Tutorial

This guide provides a complete walkthrough of how to use the LearnWorlds portal, including how to sign in, navigate the platform, browse courses, interact with the community, access the Course Player, and make purchases securely. It is designed to help new users understand every feature available on the portal and to ensure a smooth learning experience from start to finish.

Most pictures and explanations are based on the **desktop view**, as it offers the full layout of the platform. However, short notes labeled **Mobile** are included in sections where the layout or navigation differs on mobile devices. These notes ensure that users on both desktop and mobile can follow the instructions comfortably.

Please note that the interface, design elements, and available features may vary slightly depending on your device, browser type, screen size, or any future updates released by LearnWorlds. This tutorial aims to provide general guidance, and actual screens may look slightly different over time. If you encounter differences, the core functions will still remain similar.

# Sign In

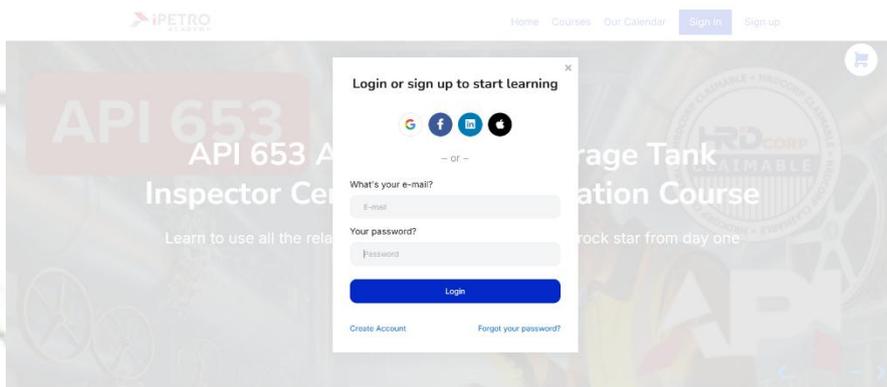

1. When you first visit the platform, you will see the homepage in the before sign-in version.

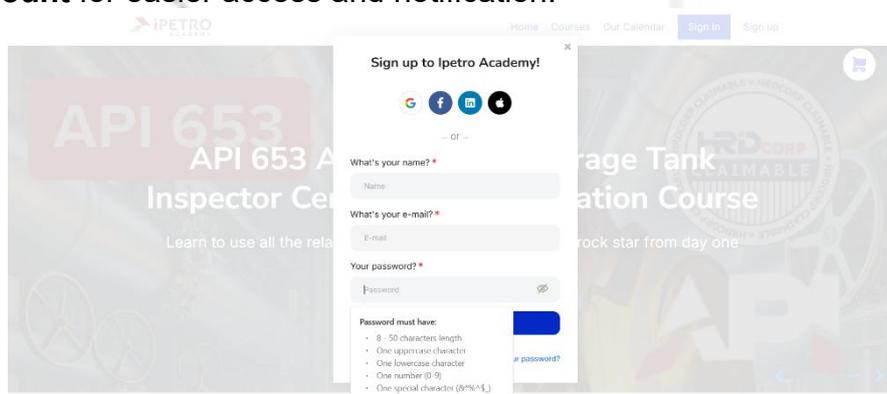

2. You can navigate freely on the **Home**, **Courses** and **Our Calendar** before signing in.

3. To access your existing account, click the **“Sign In”** button.

4. If you do not have an account yet, click **“Sign Up”** to create a new account. It is **advisable to sign up using your personal account or your Google account** for easier access and notification.

#### **Mobile:**

- Tap the hamburger menu icon (☰) at the top-right to open the navigation menu
- The menu slides out showing all navigation options including SIGN IN and SIGN UP
- Tap SIGN IN or SIGN UP from the menu to log in.
- The entire homepage, including the hero section ("Let's make progress together"), courses, testimonials, and team sections, displays in a vertical single-column layout
- All images and content automatically adjust to fit mobile screen width

# Home Page

1. The **Home Page** is the main landing page of the LearnWorlds portal, where users are directed after logging in.
2. After signing in, the Home Page view remains similar to the before sign-in version, but with additional features now accessible:
  - Cart - Add courses and proceed to checkout
  - Dashboard - View your learning activity and courses available
  - Profile - Access your achievements, personal information and enrolled courses
  - Inbox - Read and send messages
  - Other Students - Browse and connect with fellow learners
  - Community - Participate in discussions and view mentions
  - News & Articles - Read the latest updates and industry news
  - FAQs - Access frequently asked questions

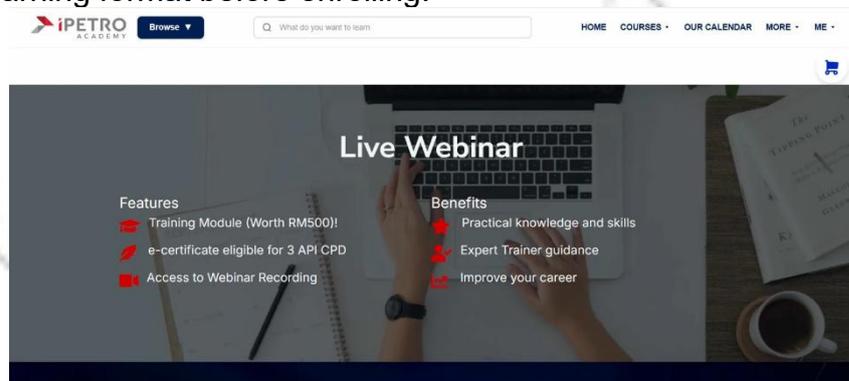

3. As you scroll down, you will see featured **Workshop Offers** like the API 510 Pressure Vessel Inspector Certification Preparation Course. Each workshop displays key benefits (such as live webinars, free eBook, and free Sprintclass) along with available session dates that you can select to enroll.

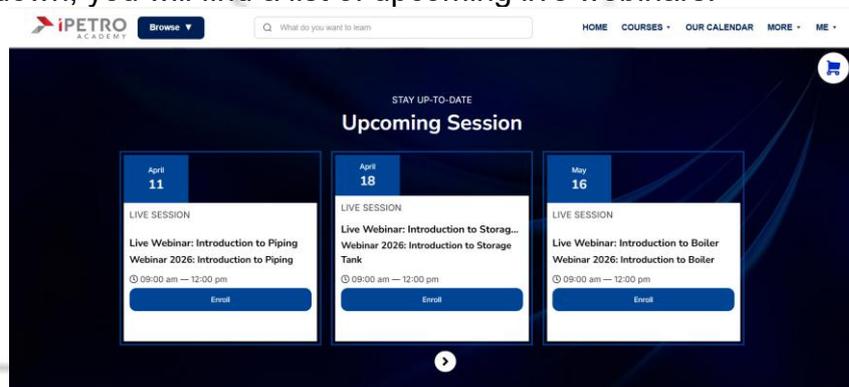

4. Further down the page, you'll find detailed information about specific course formats, such as **Live Webinars**. Each format section highlights:
  - **Features** - What's included in the course (training modules, certificates, webinar recordings)

- **Benefits** - What you'll gain from participating (practical knowledge, expert guidance, career improvement)
- This layout helps you understand the value and components of each learning format before enrolling.

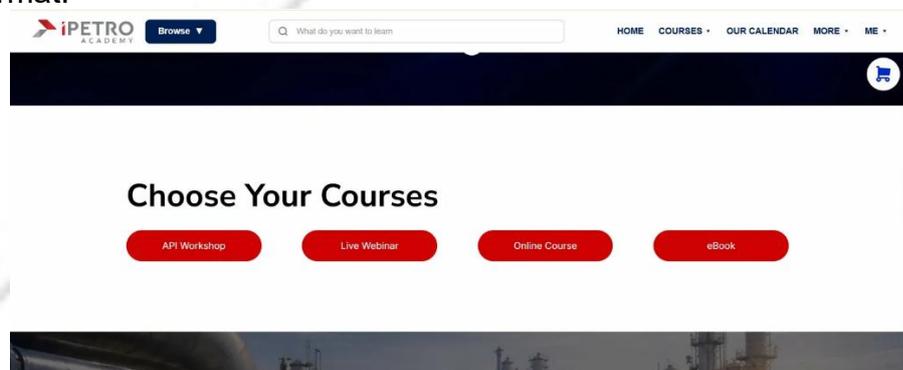

5. Further down, you will find a list of upcoming live webinars.

6. The **"Choose Your Courses"** section allows you to browse courses by category. Click on any of the category buttons to filter and view available courses:

- **API Workshop** - Hands-on certification preparation workshops
- **Live Webinar** - Interactive live training sessions
- **Online Course** - Self-paced learning programs
- **eBook** - Downloadable study materials and reference guides

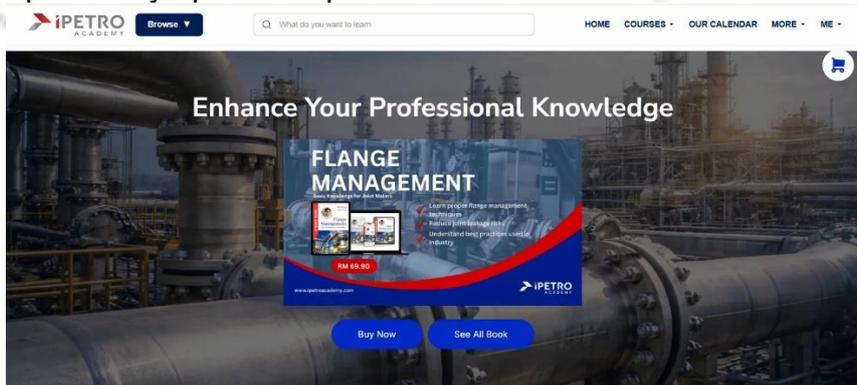

Simply click on your preferred category to explore the courses available in that format.

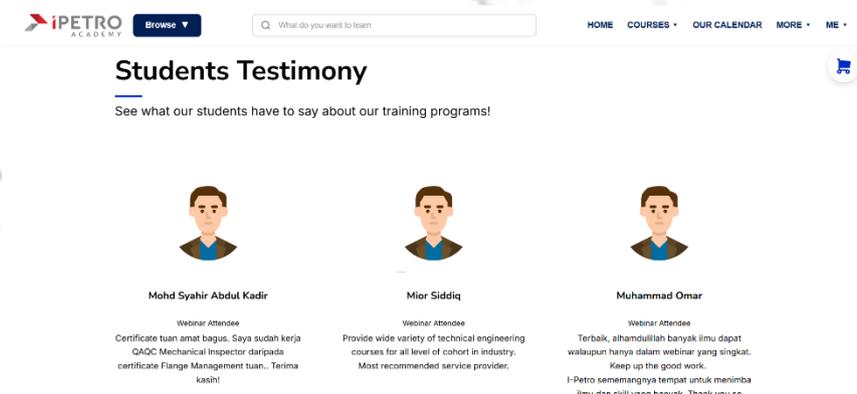

7. The **"Enhance Your Professional Knowledge"** section showcases featured eBooks and learning materials. Each featured item displays:

- Course title and description
- Key learning outcomes and benefits
- Pricing information
- Two action buttons:
  - **Buy Now** - Purchase the featured eBook directly
  - **See All Book** - Browse the complete collection of available eBooks

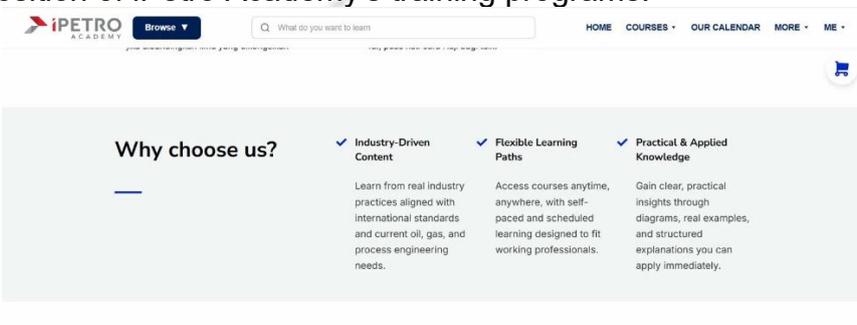

This section highlights specialized technical resources designed to help you develop industry-specific expertise.

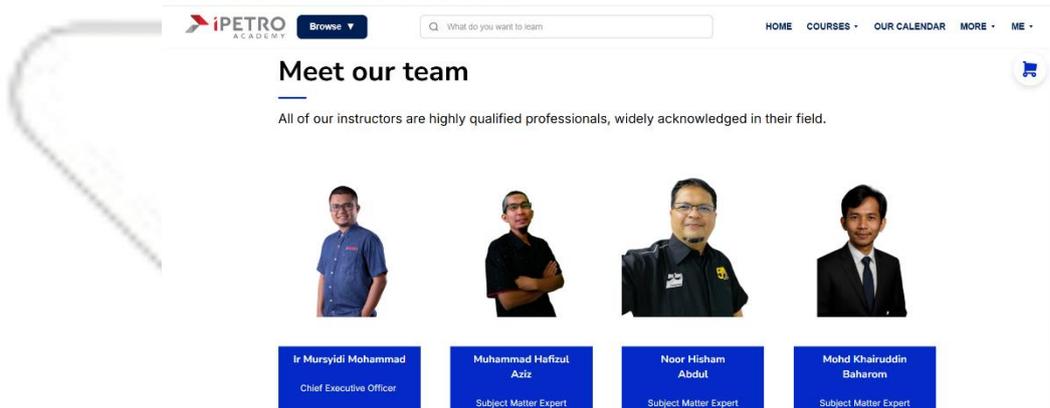

8. You can also read testimonials from learners who have previously taken the classes.

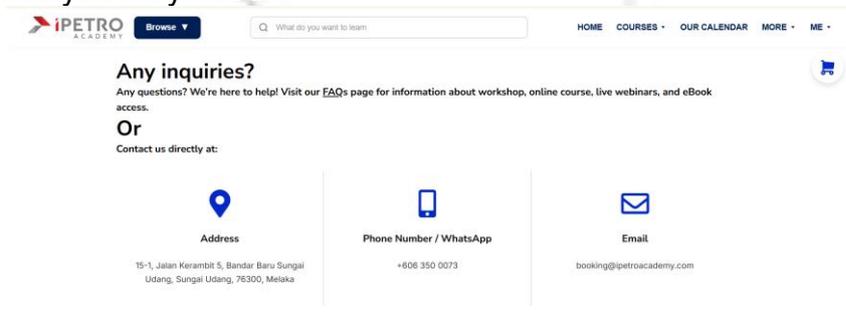

9. The "Why choose us?" section highlights the key advantages of learning with IPetro Academy. This section helps you understand the unique value proposition of iPetro Academy's training programs.

10. There is a Trainers/Instructors section where you can view the names and faces of the trainers involved.

11. A Contact Us / Questions section is also available for any inquiries or assistance you may need.

### Contact us

Get in touch with us. We are happy to answer your questions.

FIRST NAME

LAST NAME

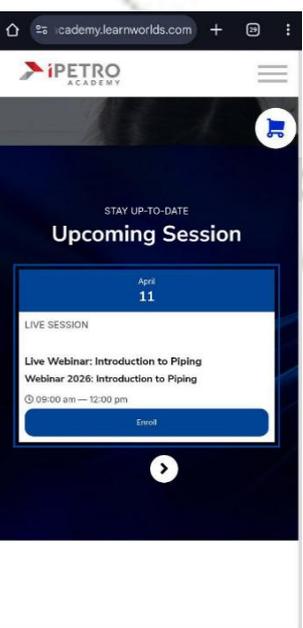

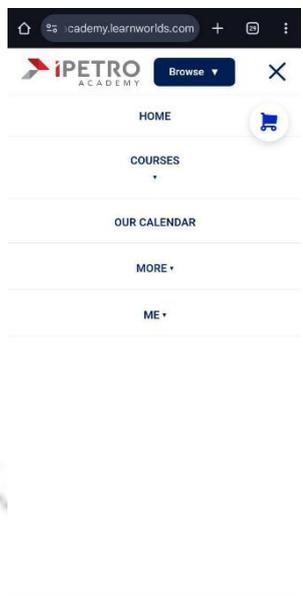

E-MAIL ADDRESS

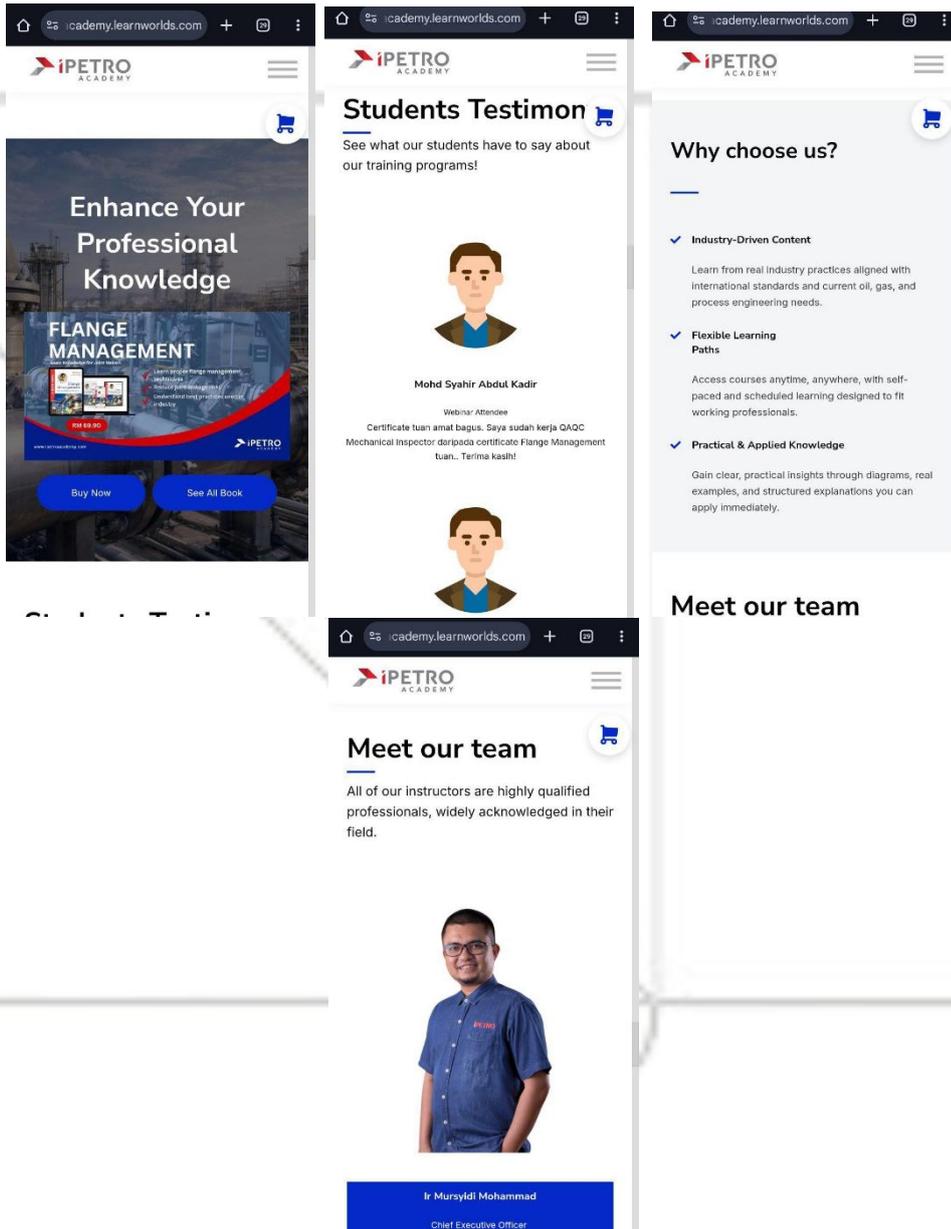

NOTE

### Mobile:

- After signing in, the mobile Home Page displays the same content as desktop but optimized for vertical scrolling
- Tap the **hamburger menu icon (☰)** at the top-left to access all navigation options: HOME, COURSES, COMMUNITY, OUR CALENDAR, OTHERS (expands to show: Dashboard, Profile, Inbox, Other Students, News & Articles, FAQs), ME (expands to show: Profile settings and Log Out), ABOUT US
- The **cart icon** appears in the top-right corner of the header

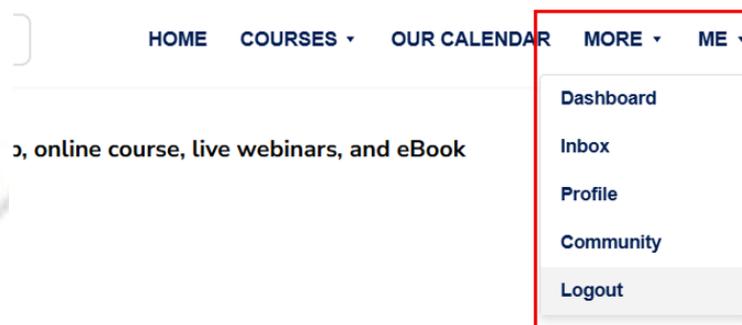

- Course categories and individual courses stack vertically in single-column format
- Testimonials, Trainers/Instructors section shows one testimonial per view with swipe/scroll capability
- Upcoming webinars list appears in full-width cards

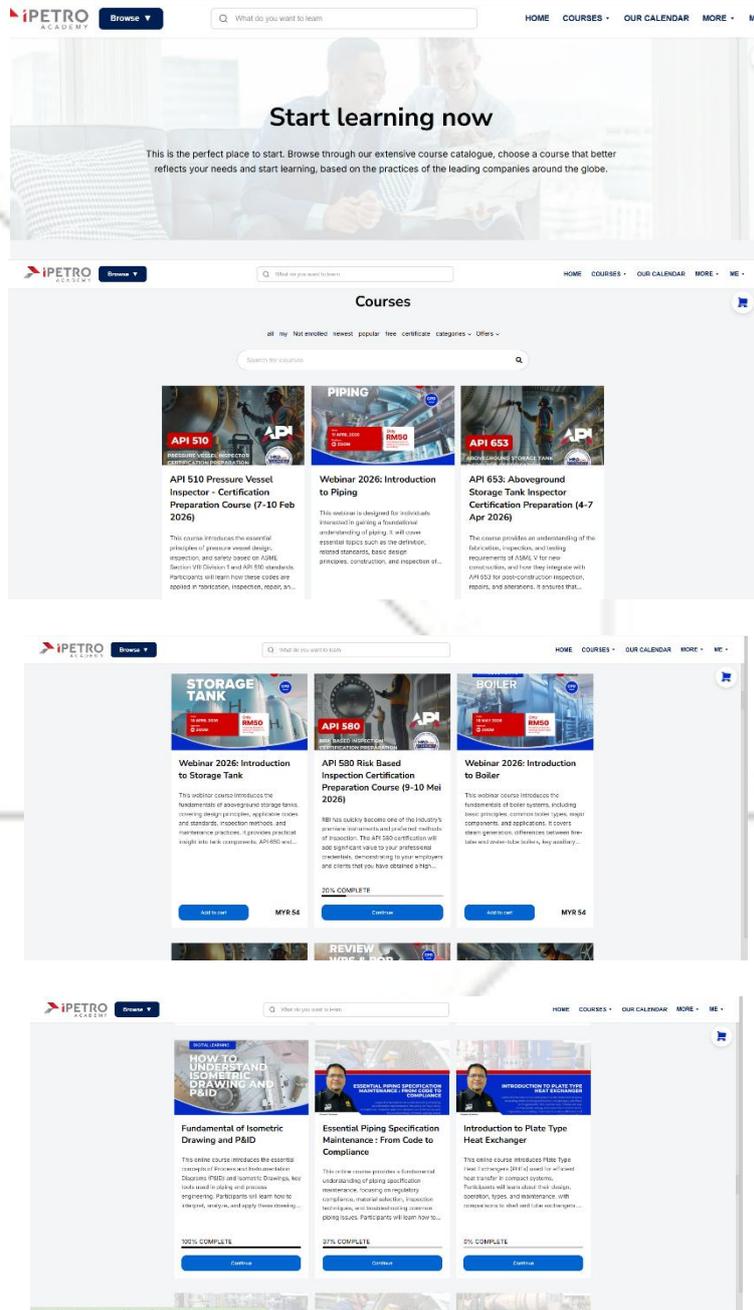

## Log Out

1. You can log out by clicking on the **ME** section and selecting **Log Out**.

# Courses

1. This page displays the complete list of courses offered on the portal.

2. Each course category is organized in a dropdown menu. When you click the dropdown, you will see the list of courses under that category. Clicking any of the courses will take you directly to that specific course. All courses are grouped by category for easier navigation.

## Start learning now

This is the perfect place to start. Browse through our extensive course catalogue, choose a course that better reflects your needs and start learning, based on the practices of the leading companies around the globe.

# Community

## Accessing the Community

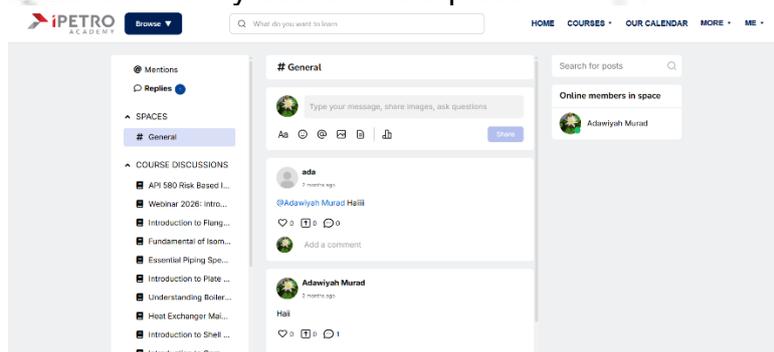

1. To access the Community section, click on the **ME** dropdown menu in the top-right corner of the page. A dropdown menu will appear with several options.

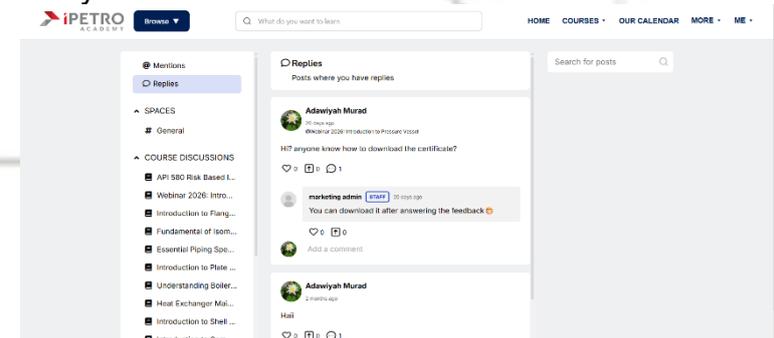

2. On the **Community** page, you will find the **Mentions** section, where anyone who tags your username (@username) will appear.

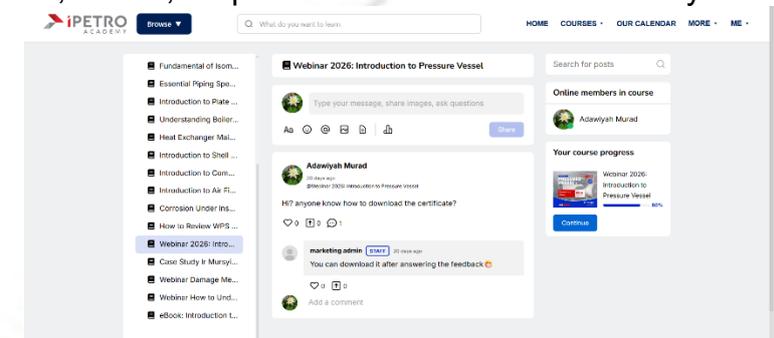

3. In the **#General**, you can see all public messages from other users and view which users are currently active on the platform.

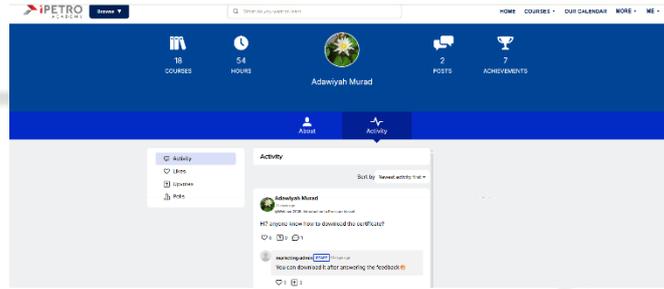

4. The **Replies** section displays all responses you have received on messages you previously sent.

5. There is also a Course Discussions area where you can read or follow discussions, issues, or questions related to the courses you are enrolled in.

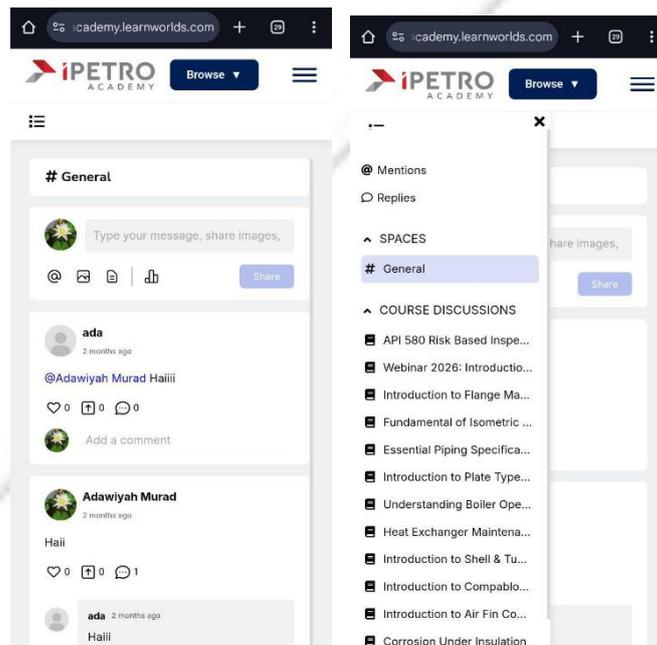

6. Posts you send will also appear in the **Activity** section on your **Profile** page.

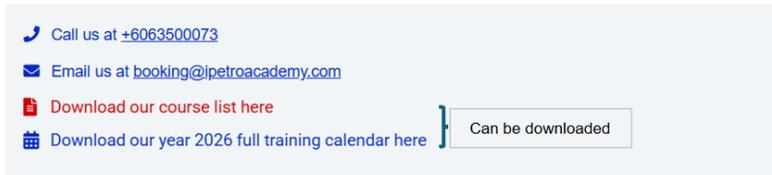

## Mobile:

- Tap the **hamburger menu icon** (☰) at the top-left to access Community sections
- A sidebar menu slides out showing:
  - **Mentions** - where you're tagged
  - **Replies** - responses to your messages
  - **SPACES** section with **# General** (highlighted when selected)
  - **COURSE DISCUSSIONS** section listing all enrolled courses (e.g., "Webinar Damage Mechanism", "Introduction to Flange Management", etc.)
- The **# General** feed displays in full-width vertical format
- **Creating a new post:**
  - Message input box appears at the page with "Type your message, share images," placeholder
  - Tap the input field to start typing
  - Use icons below to: mention users (@), attach images, add documents, or insert polls
  - Tap the **Share** button to post
- **Adding comments:**
  - Tap "Add a comment" field below any post
  - Type your comment and submit
- All posts stack vertically for easy scrolling

# Our Calendar

1. On the **Our Calendar** page, you can download the training schedule and course list for reference.

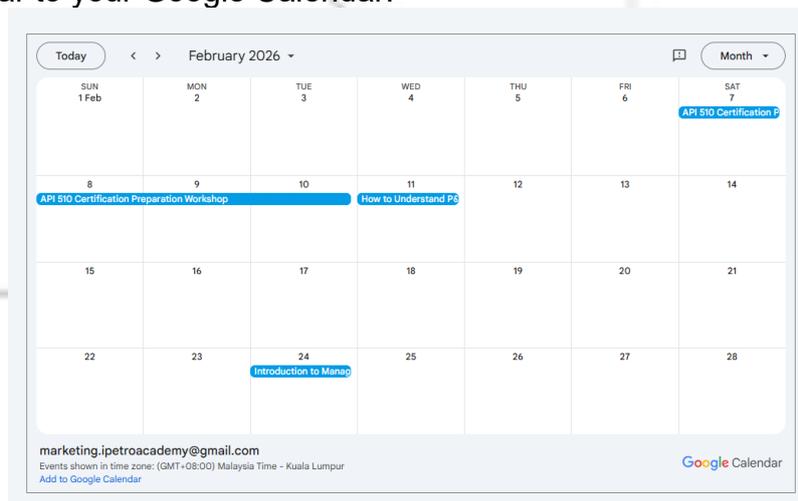

2. This page also provides contact information.

Explore our training calendar below to view the upcoming training schedules. Alongside our comprehensive courses, we also offer tailor-made programmes for groups to suit your specific needs and objectives.

If you have any questions about any of the trainings or would like to register, please reach us using the contact details below.

Call us at +6063500073  
Email us at booking@ipetroacademy.com

3. You can view the training schedule in a calendar format, and you may add the calendar to your Google Calendar.

## Mobile:

- The **cart icon** remains visible in the top-right corner
- Descriptive text about training calendar and contact information displays in full-width format
- Contact details are presented as clickable links:
  - **Call us at +6063500073** (tap to dial)
  - **Email us at [booking@ipetroacademy.com](mailto:booking@ipetroacademy.com)** (tap to email)
  - **Download our course list here** (tap to download)
  - **Download our year 2026 full training calendar here** (tap to download)
- The interactive calendar displays in full-width below the contact information
- Calendar navigation:
  - Left/right arrows (< >) to navigate between months
  - Month/year dropdown (e.g., "Dec 2025") to jump to specific months
  - Grid view icon to toggle calendar display format
- Training events appear as colored badges on specific dates (e.g., "API 5" on January 3)

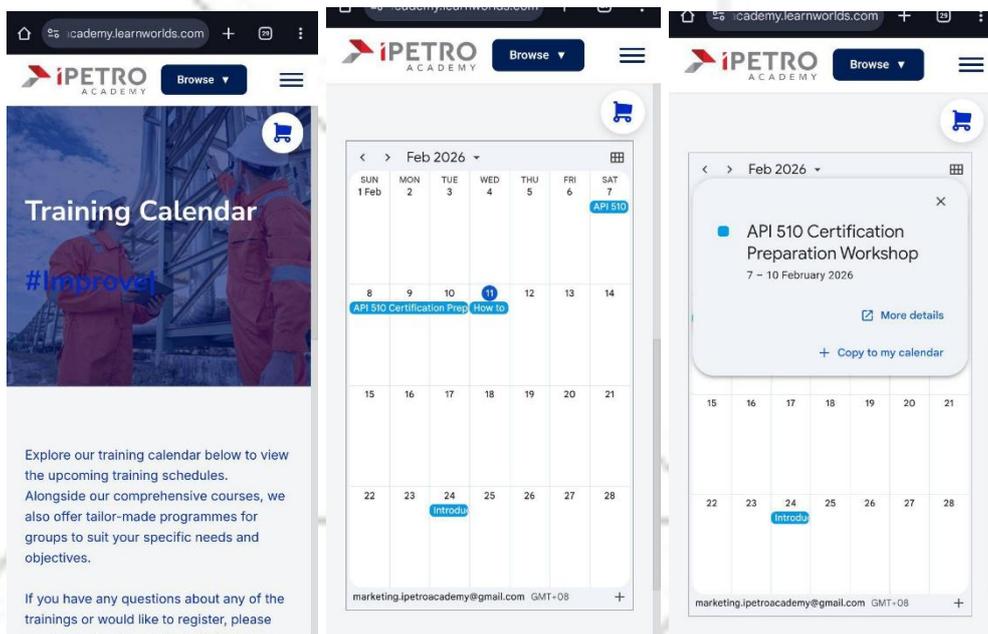

- **Viewing event details:**

Tap any event badge on the calendar

A popup card appears showing:

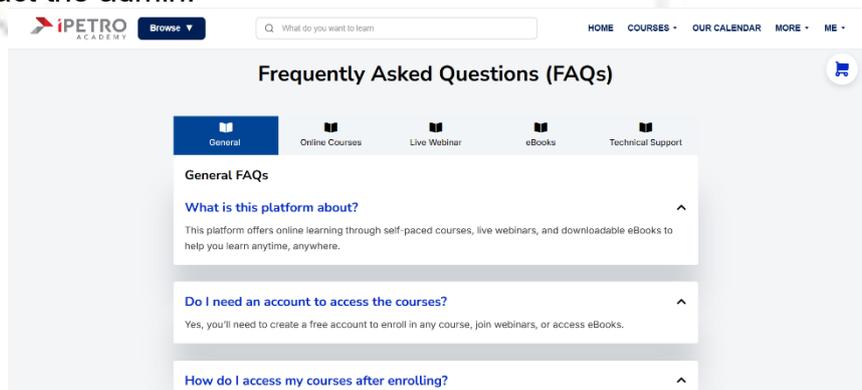

- Event title (e.g., "API 580 Certification Preparation Workshop")
- Event dates (e.g., "3 - 4 January 2026")
- "More details" link (tap to view full information)
- "+ Copy to my calendar" button (tap to add to your personal calendar)
  - Tap the **X icon** at the top-right of the popup to close it

Calendar account info displayed at bottom (e.g., "[marketing.ipetroacademy@gmail.com](mailto:marketing.ipetroacademy@gmail.com) GMT+08")

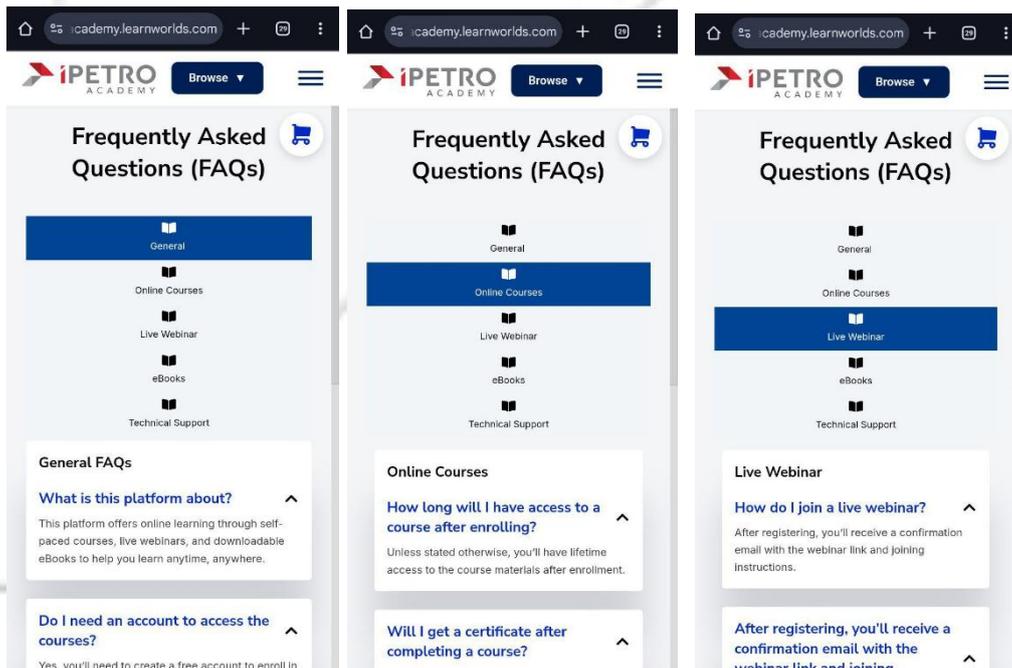

# Frequently Asked Questions (FAQ)

1. The **FAQ** page contains a collection of commonly asked questions — including general questions, course-related questions, and technical questions. This page helps you quickly find answers without needing to contact the admin.

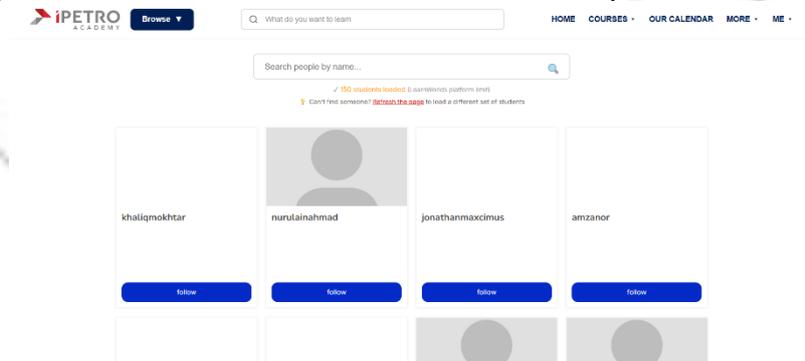

## Mobile:

- FAQ categories (General, Online Courses, Live Webinar, eBooks, Technical Support) display as full-width expandable sections
- Tap any category to view questions within that section
- Questions are presented as collapsible cards - tap to expand and read the answer
- The cart icon remains visible in the top-right corner

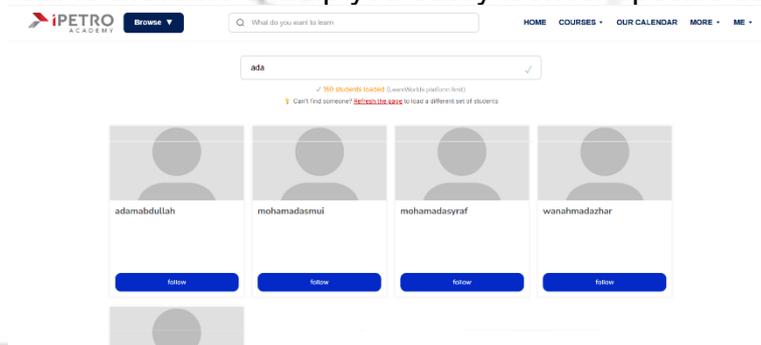

# Other Students

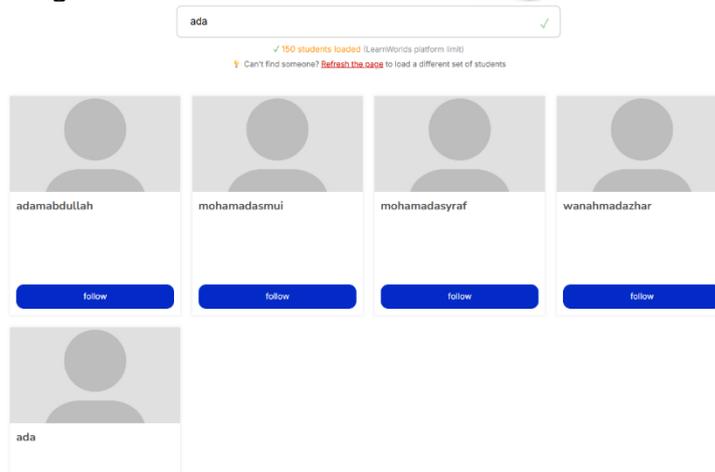

1. Here, you can view a list of other students on the platform.

2. A search bar is available to help you easily look for specific usernames.

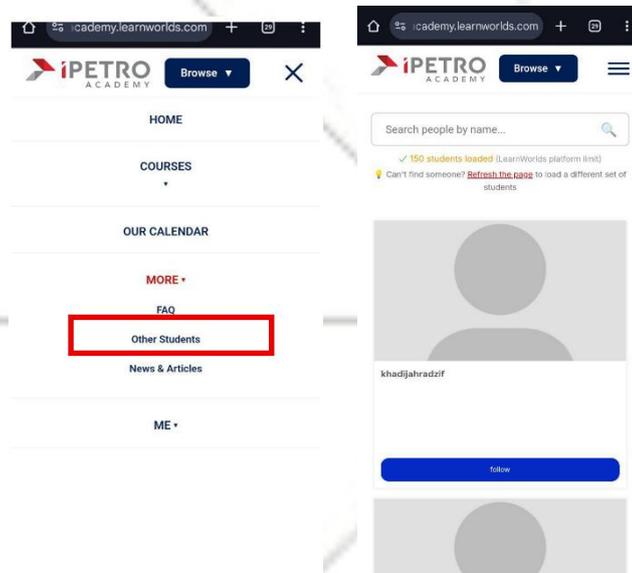

3. If the username you enter does not appear, please refresh the page.
4. This is because LearnWorlds only displays 150 usernames per page load, and refreshing will load a new set of usernames.

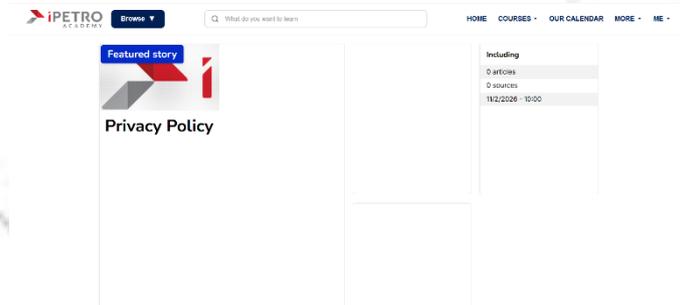

## 📱 Mobile:

- Access Other Students by tapping the **hamburger menu icon (☰)** at the top-right
- From the navigation menu, tap **MORE** to expand the dropdown
- Select **Other Students** from the submenu
- The search bar ("Search people by name...") appears at the top in full-width format with a search icon
- A confirmation message displays: "✓ 150 students loaded (LearnWorlds platform limit)"
- A helpful tip appears: "💡 Can't find someone? Refresh the page to load a different set of students"
- Student profiles display in vertical card format showing:
  - Profile picture
  - Username below the picture
  - **Follow** button (full-width red button) below each profile
- Profiles stack vertically for easy scrolling
- Tap any profile card to view the student's full profile

# News and Articles

1. On this page, you can read the latest news related to the portal or the IPetro industry.
2. You can also access newly published articles prepared for users.

## Mobile:

### Important Mobile Notice

Some elements of the Daily News page may **not appear in portrait mode** due to LearnWorlds' built-in mobile layout rules.

If the page looks empty or some news cards don't load:

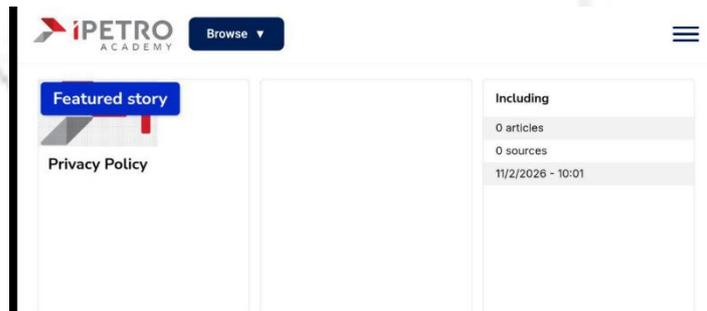

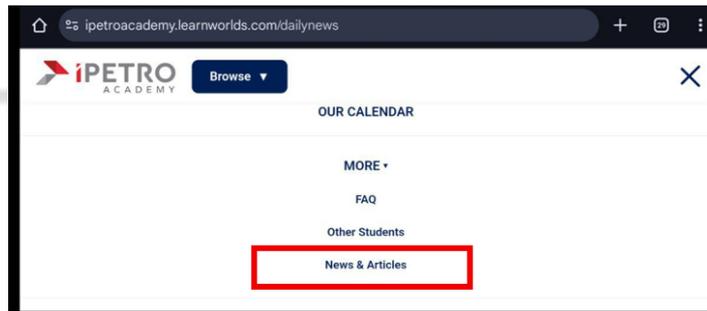

- **Rotate your phone to landscape mode** to make all articles visible.
- How to Access News & Articles on Mobile
  - Tap the **hamburger menu icon (☰)** at the top-right of the screen
  - From the navigation menu, tap **MORE**, then tap **NEWS & ARTICLES**
  - The page will open to the **Daily News feed** (default LearnWorlds system page)
- How the News Page Appears on Mobile
  - In **portrait mode**, LearnWorlds may hide some article blocks to fit the screen
    - If you see blank space, simply switch to **landscape mode**
  - In **landscape mode**, all article cards will appear normally
- Daily News Feed Layout (Mobile View)
  - Articles appear in stacked vertical cards
  - Cards are optimized for easy scrolling
  - Tap any card to open the full article
  - Use your phone's **Back** button to return to the list

### Helpful Tip

If the page looks incomplete or articles don't load:

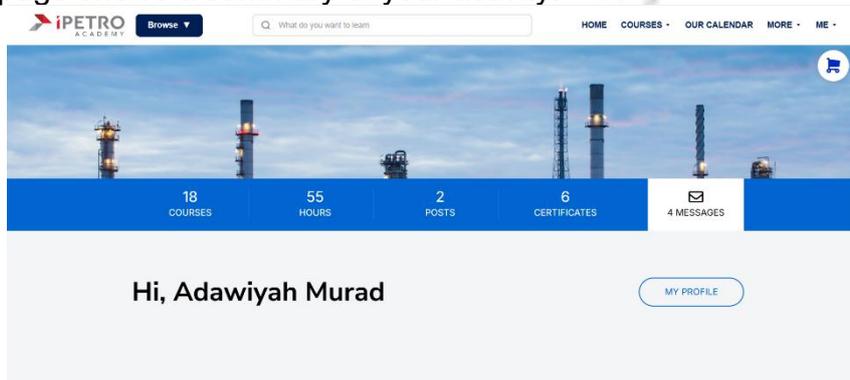

- **Refresh the page**, or
- **Rotate to landscape** for the full layout

Below is an example of how the News & Articles page appears in landscape mode on mobile:

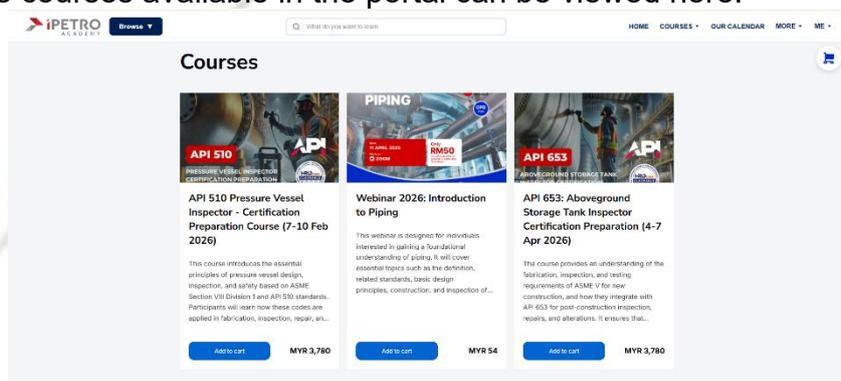

## Dashboard

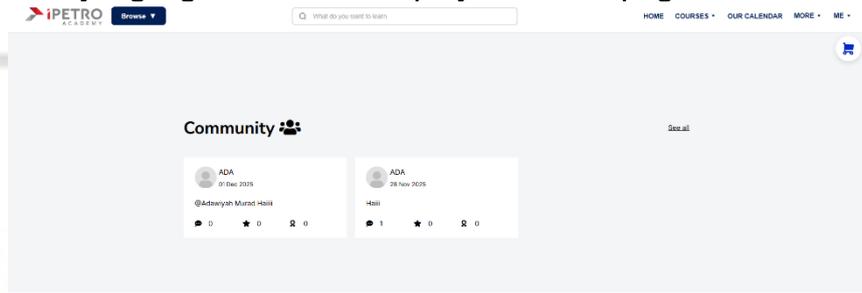

1. This page shows a summary of your activity.

2. All the courses available in the portal can be viewed here.

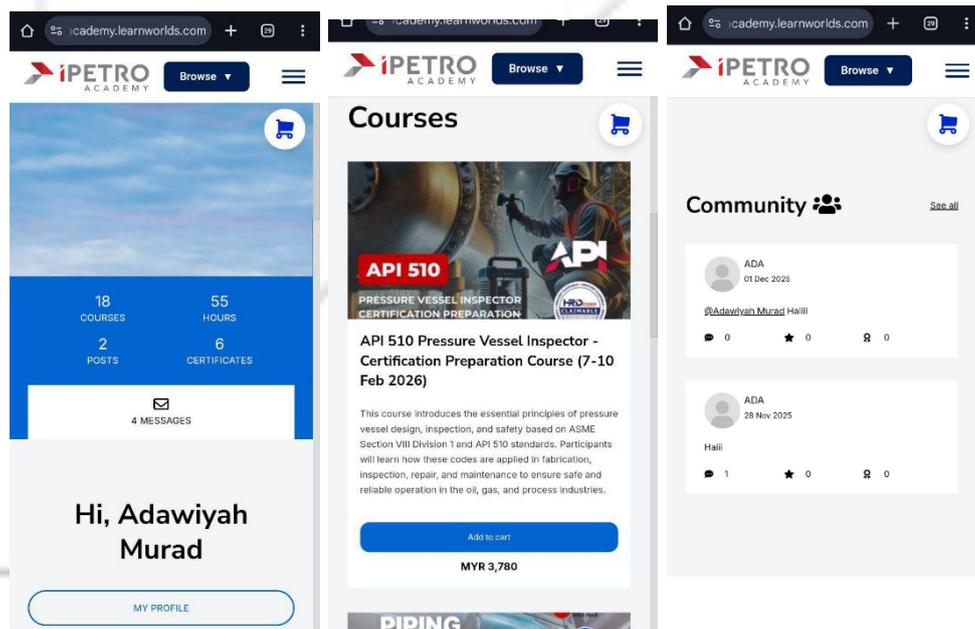

### 3. Community highlights are also displayed on this page.

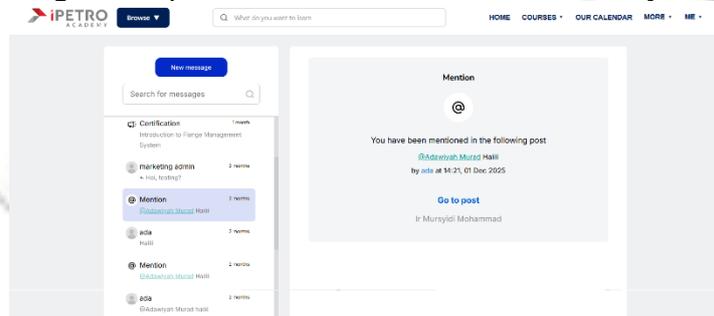

#### Mobile:

- The **cart icon** appears in the top-right corner throughout
- **Courses Section:**
  - Displays "Courses" as the section header
  - Course cards show in full-width vertical format
  - Each card includes:
    - Course thumbnail image
    - Course title overlay at the bottom
    - "In the cart" status or price (e.g., "MYR 108") ➢ Scroll vertically to view all available courses
- **Community Section:**
  - Displays "Community" as the section header with a red underline
  - Community activity cards appear in full-width blue background
  - Each activity card shows:
    - User profile picture (circular avatar)
    - Username (e.g., "ADA")
    - Message content or mention (e.g., "@Adawiyah Murad Haiiii", "Haiii")
    - Interaction counters: comments count, stars/likes count, badges count
    - Cards stack vertically for easy scrolling

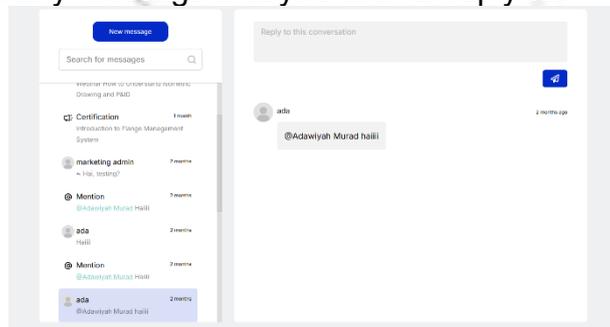

# Inbox

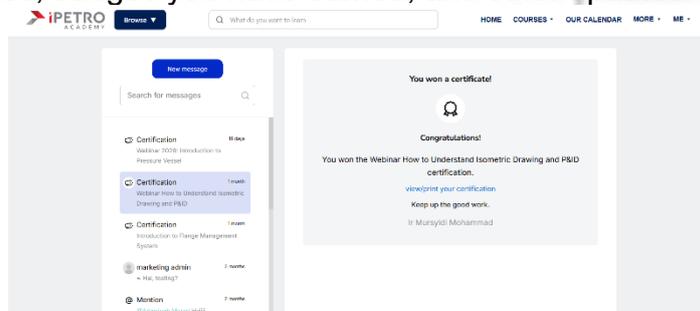

1. In the **Inbox**, you will see all the new messages you have received.
2. These messages are private communications between you and the sender.

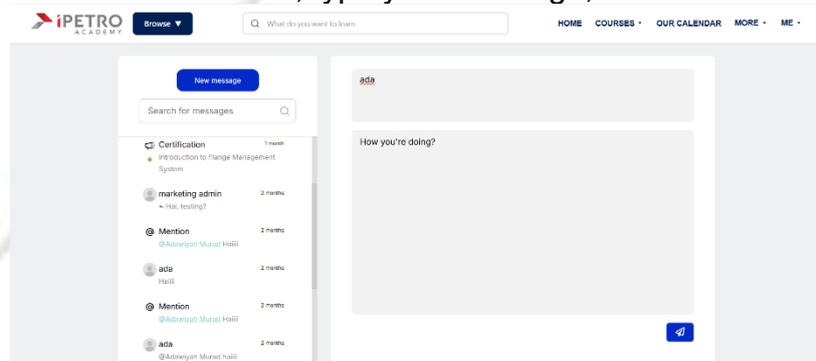

3. Messages may come from LearnWorlds, other students, or the admin.
4. You may click any message that you wish to reply to.

5. Messages from LearnWorlds are usually notifications about courses, such as e-certificates, badges you have earned, and other updates.

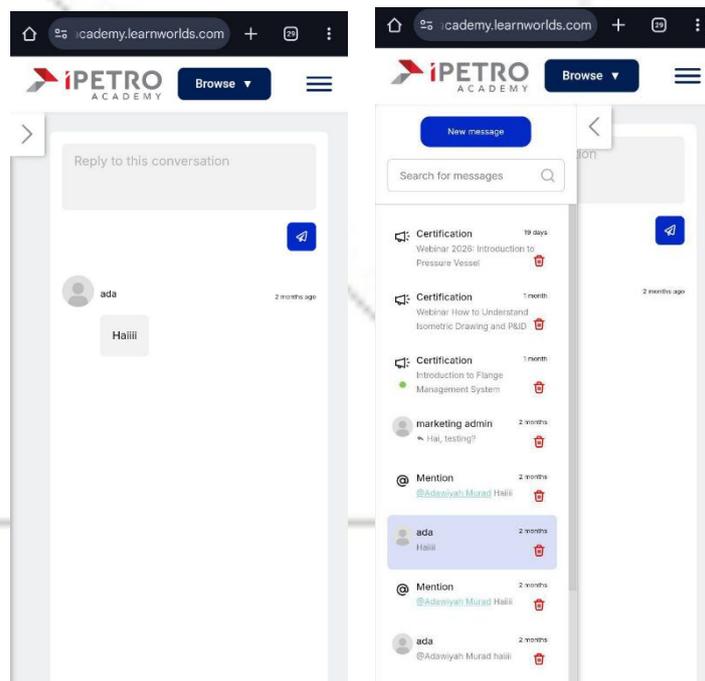

6. You may also send new messages to other students for interaction or to the admin for any question.
7. Simply enter the username, type your message, and click the send icon.

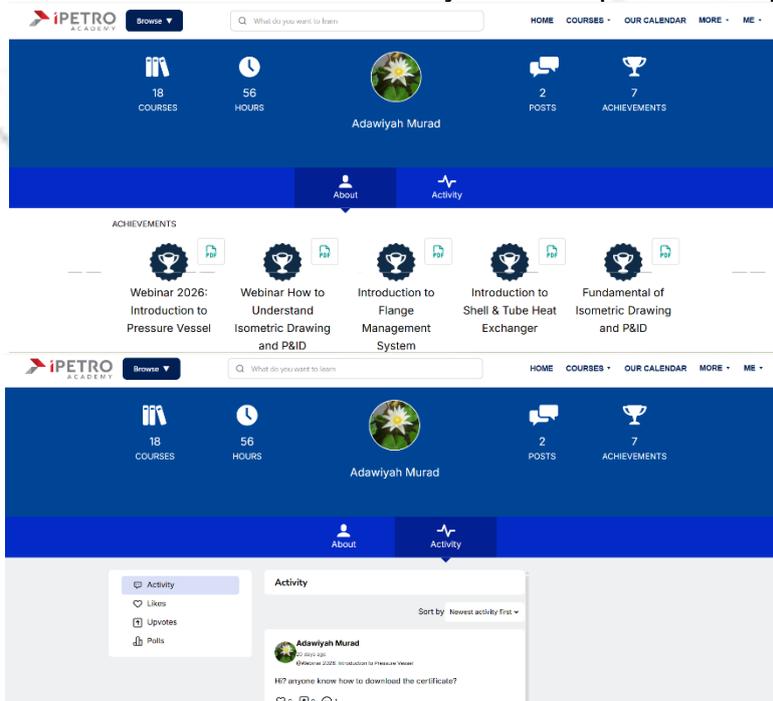

## 📱 Mobile:

- Tap the '>' **button** (right arrow) on the left side to open the inbox list view
- **"New message"** button (red) appears at the top to send any message
- Search bar available to find specific messages
- Messages display in vertical list with sender name, preview, timestamp, and delete icon (trash)
- Pink highlight indicates selected messages
- Tap any message to open the conversation thread
- **Reply:** Tap the "Reply to this conversation" field, type your message, and tap the red send button
- Tap the '<' **button** (back arrow) to return to inbox list

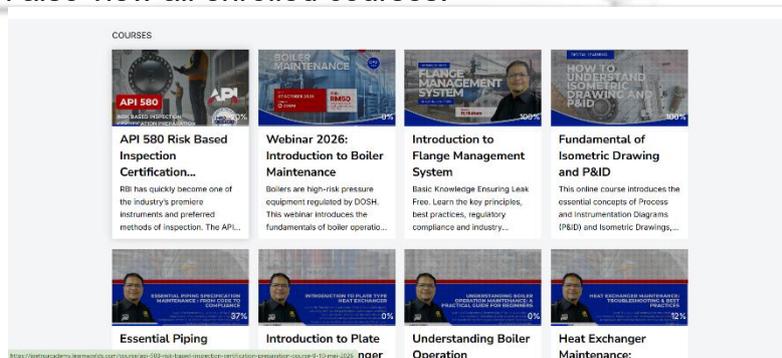

# Profile

1. The **Profile** page shows all your achievements and **Activity** (community messages) in one place.
2. You can see the total number of hours you have spent on the platform.

3. You can also view all enrolled courses.

## Mobile:

- Access Profile through the **hamburger menu** (☰)
- Blue header displays profile picture, username, and statistics (courses, hours, posts, achievements)
- Two tabs: "**About**" (achievements and enrolled courses) and "**Activity**" (community posts)
- Achievements shown as trophy badges with PDF download options in grid format
- Enrolled courses display as vertical cards with images, titles, descriptions, and progress percentage

# Add to Cart

## 1. Where the Cart Icon Appears

You will see the cart icon on the top-right corner of almost every page in the portal.

However, the cart will NOT appear on the following pages:

- Community
- News & Articles
- Other Students
- Profile
- Inbox

This limitation is system-wide in LearnWorlds and isn't something we can modify.

## 2. Locating the Cart

On all other pages, the cart icon will appear normally and will show:

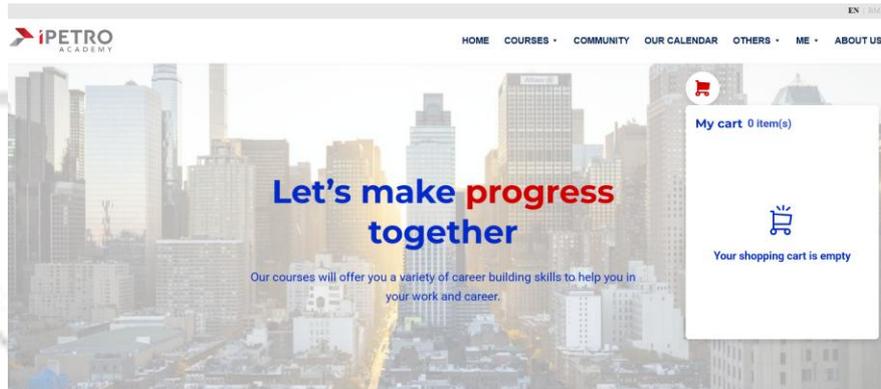

- The number of items currently in your cart
- A dropdown preview when you hover over it

## 3. Hover Preview

When hovering the icon:

- If the cart is empty, you'll see an empty-cart message.

- If the cart has items, you'll see:
  - Total number of items
  - List of products currently added

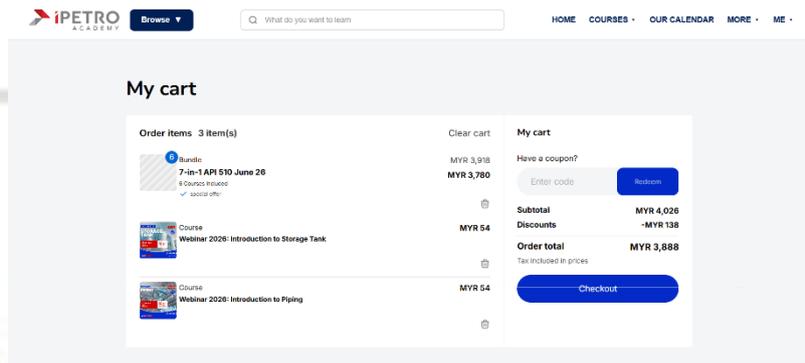

#### 4. Cart Options in Hover Menu

- Inside the preview:
  - a) Clear All  
Click to remove all items instantly.

- b) View Cart  
Opens the Cart Page, where you can:
  - Review products
  - Delete specific items
  - Clear the entire cart
  - Proceed to checkout

## 5. Checkout Button

The hover menu also includes a Checkout button. Clicking it will take you directly to the payment gateway.

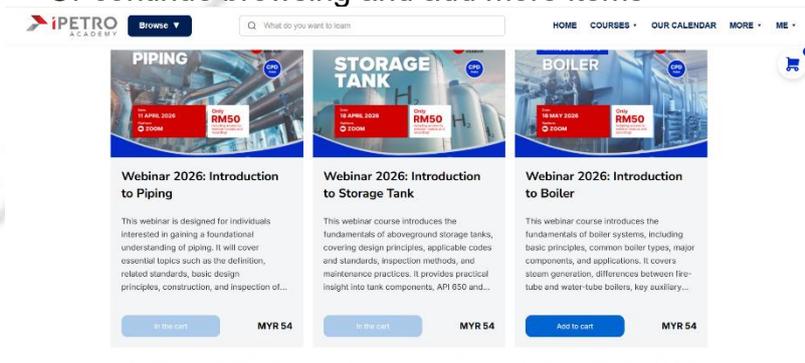

## 6. Adding Items to Cart

Browse any course you're interested in.

Click "Add to Cart" to include it.

You may then:

- Click the cart icon to review or checkout
- Or continue browsing and add more items

## 7. Completing Your Purchase

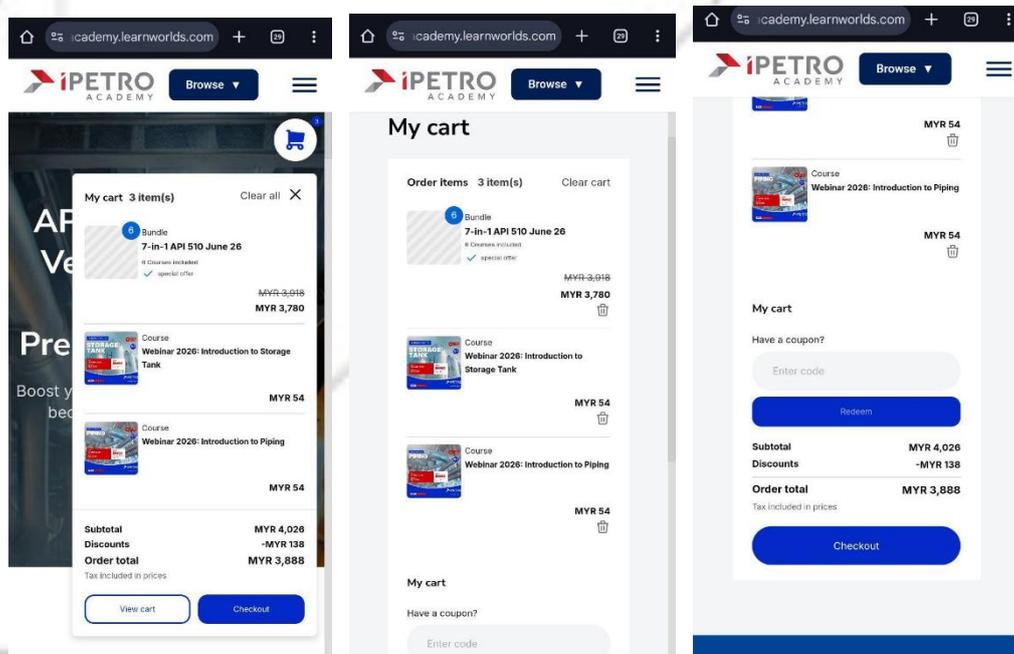

When ready, click Checkout from either:

- The hover preview, or
- The Cart Page

You will be redirected to the secure payment gateway.

### Mobile:

- Tap the cart icon (top-right) to view cart contents
- A slide-out panel displays showing:
  - "My cart" with item count
  - Course thumbnail, title, and price
  - Subtotal and Order total
  - "Clear all" option (top-right with X icon)
  - "View cart" button (outlined in red)
  - "Checkout" button (solid red)
- All cart information displays in vertical, touch-friendly format
- **Cart Page:** Shows order items with thumbnails, prices, delete icons, coupon field, and subtotal
- **Checkout Page:** Displays order summary, user details, billing form fields, payment method options (Google Pay/Card), order summary, and Terms & Conditions checkbox

# Buy Product

The screenshot displays a checkout interface with the following sections:

- User Details:** Fields for NAME and E-MAIL.
- Billing Details:** Fields for NAME (Adawiyah Murad), ADDRESS (No.1, jalan 12345), CITY, POSTAL CODE (12345), COUNTRY (Malaysia), BUSINESS TAX ID, PHONE NUMBER (e.g. 60123456789), and POSITION.
- Payment Method:** A section for card payment with fields for CARD NUMBER (1234 1234 1234 1234), EXPIRATION DATE (MM / YY), and SECURITY CODE (CVC).
- Order Summary:** A table listing items and their prices:

Item	Price
Course Webinar 2020: Introduction to Piping	MYR 54
Course Webinar 2020: Introduction to Piping	MYR 54
Bundle 7-in-1 API 510 June 26 (4 Courses Included) Special offer	MYR 3,780
<b>Subtotal</b>	<b>MYR 4,026</b>
<b>Discounts</b>	<b>-MYR 138</b>
<b>Included tax (8%)</b>	<b>MYR 288</b>
<b>Order total</b>	<b>MYR 3,888</b>

At the bottom, there is a 'Buy' button and a security notice: 'GUARANTEED SECURITY USING ONE OF THE MOST ADVANCED ENCRYPTED SYSTEMS ON THE MARKET. The information in this page is being processed and encrypted securely using industry-leading encryption and fraud prevention tools.'

## 1. Review Your Order

On the Checkout Page, you will see:

- A list of all products currently in your cart
- The total price, which includes:
  - Course/product prices
  - SST (Sales & Service Tax)

Take a moment to review everything before proceeding.

## 2. Apply a Redeem Code (Optional)

If you have a redeem or promo code:

- Enter it in the Redeem Code section
- Click Apply
- The system will automatically reduce your total price according to the discount provided

This step is optional, but useful if you have a valid code.

## 3. Choose Your Payment Method

The platform supports two types of secure payment:

### a) Credit or Debit Card

You can pay using a standard card by filling in:

- Card Number
- Expiration Date (MM/YY)
- CVV (3-digit security code)

### b) Google Pay

On mobile devices, Google Pay may appear for fast checkout.

## 4. Confirm and Buy

Before clicking **Buy**, double-check:

- The product list
- Total amount
- Any discounts applied
- Your payment details

Once everything looks correct, click the **Buy** button to complete your purchase.

You will then be redirected to a confirmation page or receive a confirmation email.

#### 5. After Successful Purchase

Once your payment is completed:

You will be redirected to the **Thank You Page**

On this page, you can:

- **Download your invoice** directly
- Click **Start Learning** to go straight to the **Course Player** and begin your lesson immediately

### Thank you for your purchase!

Your purchase was completed successfully. [Download invoice](#)

#### Order summary

Course  
Heat Exchanger Maintenance: Troubleshooting & Best Practices

Start learning

Course  
Introduction to Plate Type Heat Exchanger

Enjoy your new product!  
This is just the beginning of your learning adventure.  
Happy learning!

#### 6. Emails You Will Receive

After buying a product, you will receive two important emails:

##### a) Purchase Receipt / Invoice Email

This email includes:

- Your official invoice
- Purchase summary
- Payment confirmation

##### b) Course Access Email

This email contains:

- The **course link** to the product you purchased
- Confirmation that the course is now available in **My Courses / Dashboard**

Make sure to check your inbox — and spam folder if you don't see it.

Dear **Adawiyah Murad**,

Thank you for choosing **ipetro** Academy for your education. You can find your invoice attached to this email.

You can now access the following:

Introduction to Flange Management System [Start learning](#).

Or go to your dashboard and [start learning](#).

If you have any questions or need further assistance, please don't hesitate to reach out to us.

Best,

Ir Mursyidi Mohammad

## Course Player (Learning Page)

1. The **Course Player** is the page where users complete and progress through their courses.
2. Each section of a course must be completed in sequence.
3. This means you must finish the current section before the next one unlocks.
4. **How to Access the Course Player**

- **From the Home Page**

- Scroll down to the course list.
- Click **Continue** on the course you want to resume.

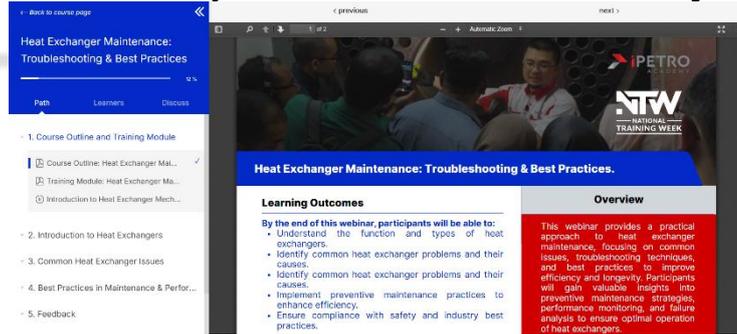

- You will be redirected to the **Course Player**.
- If you click the course image or course description, you will be sent to the **Course Page** instead.
- Refer to the [Course Page](#) Tutorial for more details.

- **From the Courses Page**

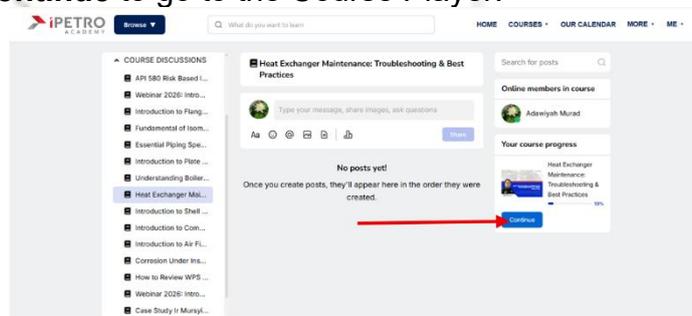

- Select any course category.
- Click **Continue** on the course you want to resume or complete.

- You will automatically be redirected to the **Course Player**.

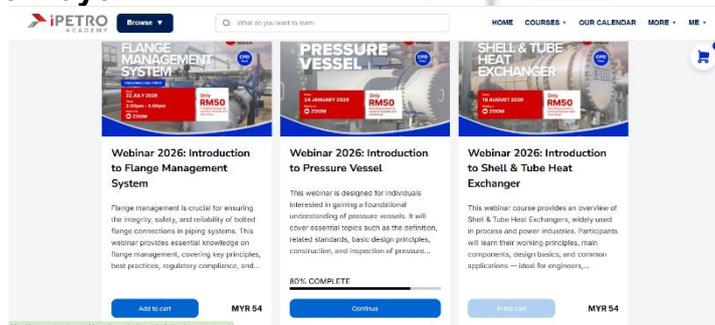

➤ **From the Community Page**

- In **Course Discussions**, click any course listed.
- On the right side of the Community page, you will see your course progress.
- Click **Continue** to go to the Course Player.

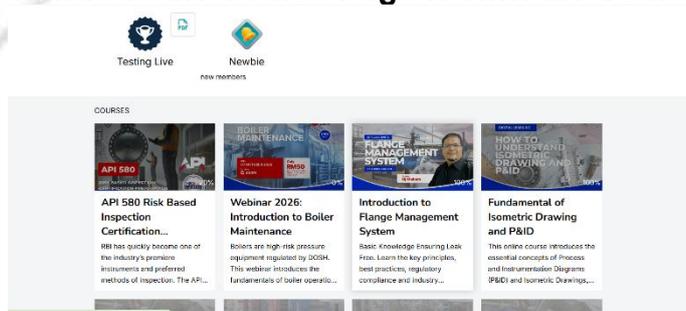

➤ **From the Dashboard**

- The **Dashboard** shows all the courses.
- Click **Continue** on any course you enrolled to go directly to the **Course Player**.

➤ **From the Profile Page**

- Select any course listed in your **Profile**.
- You will be redirected to the **Course Page**.
- Click **Continue** on the **Course Page** to enter the **Course Player**.

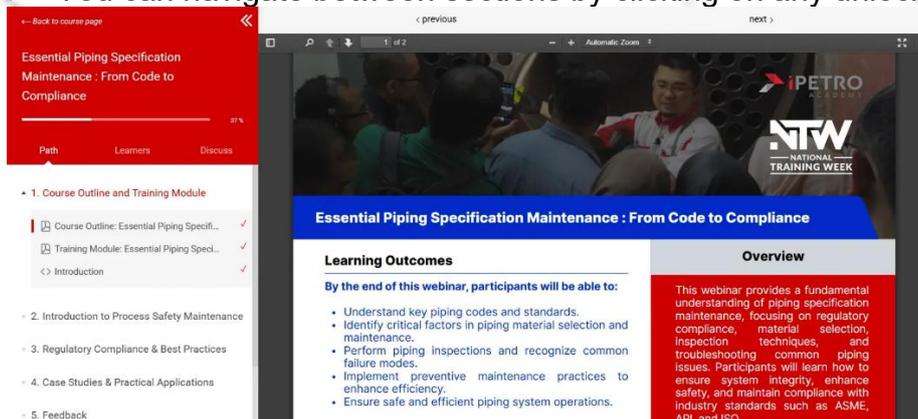

## Course Player Interface:

The Course Player consists of three main tabs located at the top of the page:

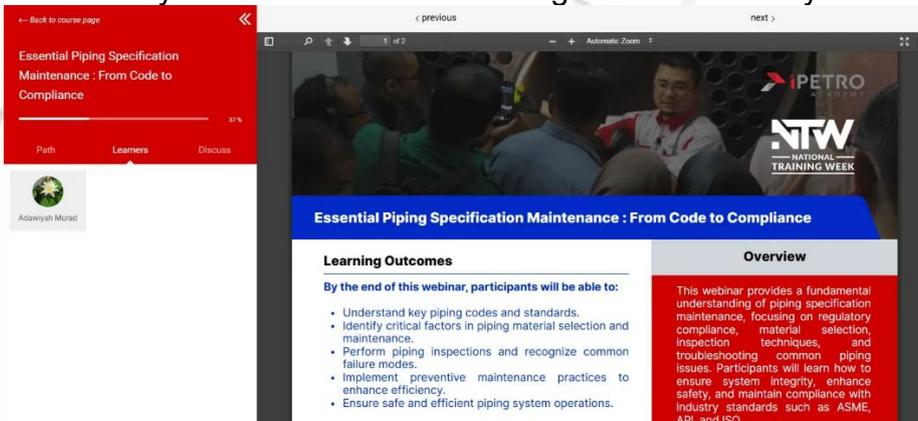

- **Path Tab (Default View):**

- Displays the complete course structure with numbered sections
- Shows all learning materials (PDFs, videos, presentations) with corresponding icons
- Completed items are marked with checkmarks
- Locked sections display a padlock icon
- You can navigate between sections by clicking on any unlocked item

- **Learners Tab:**

- Shows a list of other students enrolled in the same course
- Displays profile pictures and usernames
- Allows you to see who else is taking the course with you

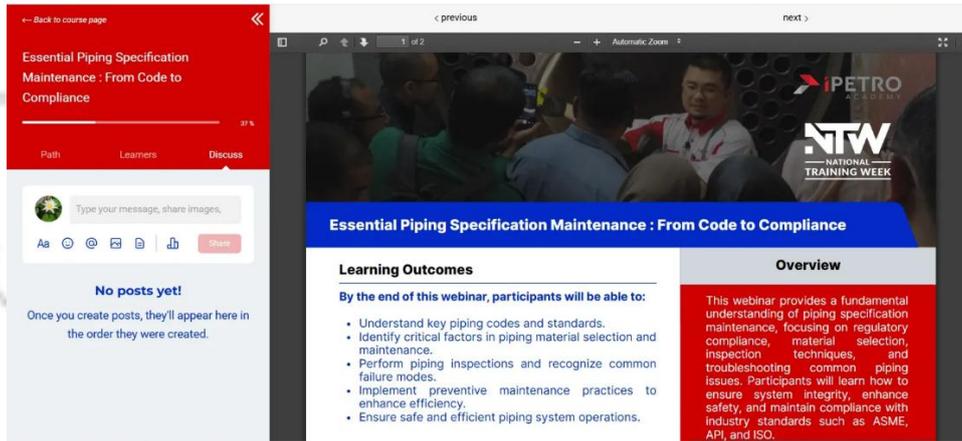

- **Discuss Tab:**

- Provides a discussion forum for course-related conversations
- You can post questions, share insights, or discuss course content
- Other learners and instructors can reply to your posts
- All course discussions appear in chronological order

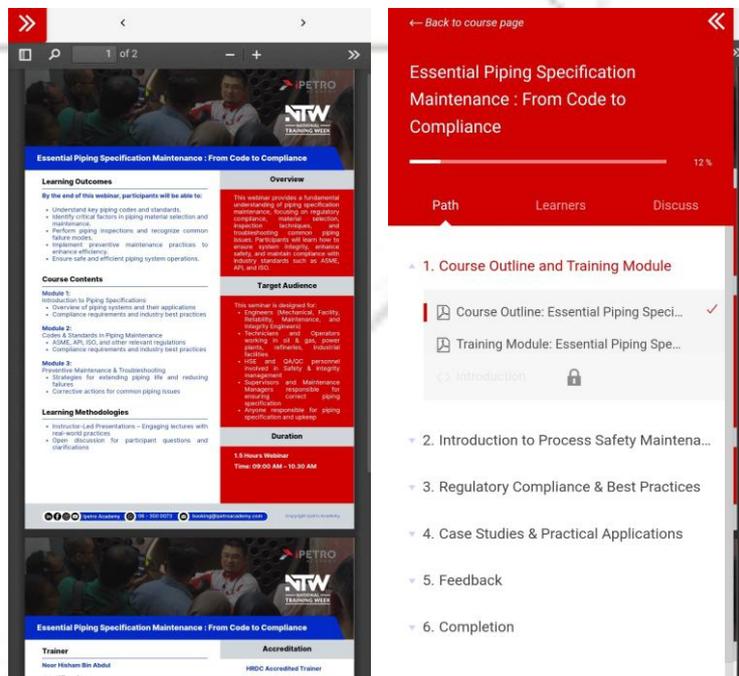

- **Progress Tracking:**

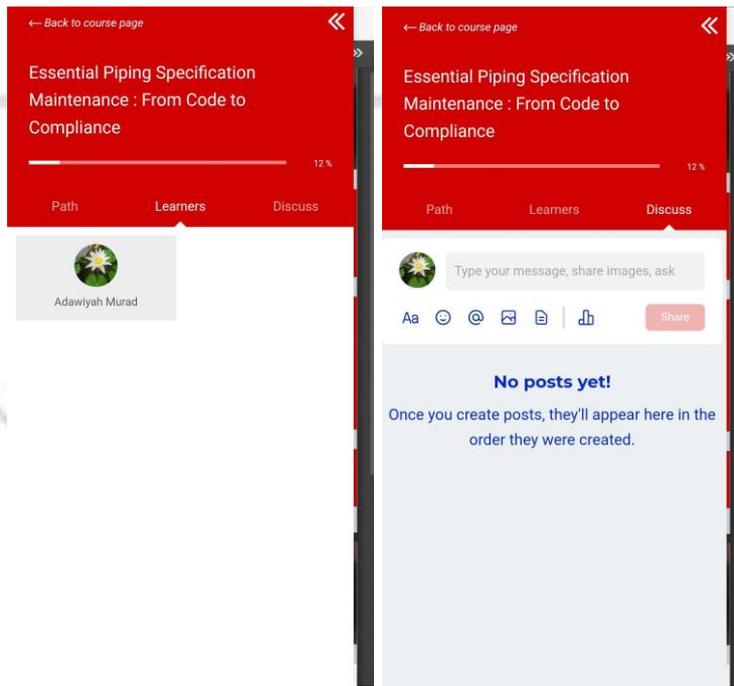

- A progress bar at the top shows your course completion percentage
- The "Back to course page" button allows you to return to the Course Page at any time

## Mobile:

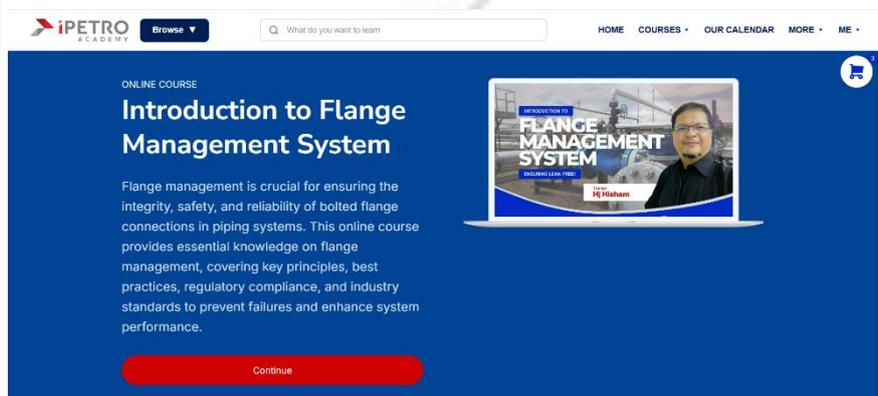

- When you click "Start Learning" or "Continue", you will be directed to the first section of the Course Player, which typically displays the course outline
- Red header shows course title and progress percentage
- **"Back to course page"** button at top-left to exit
- Three tabs: **Path** (course outline), **Learners** (enrolled students), **Discuss** (course discussions)
- **Path Tab:** Numbered sections with learning materials, checkmarks for completed items, padlock icons for locked sections
- **Discuss Tab:** Message input field with formatting icons and "Share" button to post
- Progress bar at top tracks completion

## Course Page

1. The **Course Page** is where you can view all important information about a specific course.
2. Here, you can view the detailed description, learning outcomes, course outline, participant feedback, and trainer/instructor information.
3. You can also click the **Continue** button or select any learning material in the course outline to go to the **Course Player**.

The screenshot shows the iPETRO ACADEMY homepage. At the top, there is a navigation bar with the logo, a search bar, and links for HOME, COURSES, OUR CALENDAR, MORE, and ME. Below the navigation bar, there are four featured course cards:

- Understand Flange Management Importance**: Learn how effective flange management prevents leaks, ensures plant safety, and supports overall operational reliability.
- Identify Flanges, Gaskets, and Bolting Materials**: Recognize the various types of flanges, gaskets, and bolting materials commonly used in industrial piping systems.
- Apply Correct Flange Assembly Procedures**: Gain the skills to perform flange assembly following proper steps and industry best practices to achieve leak-free joints.
- Implement Proper Bolt Tightening Methods**: Understand and apply correct bolt tightening techniques, including torque and tensioning, to ensure joint integrity and safety.

Below these cards, there are three smaller images showing industrial equipment and workers.

The screenshot shows the 'Course Outline and Training Module' page. The page has a dark blue header with the iPETRO ACADEMY logo and navigation links. The main content area is white and contains the following sections:

- 01 Course Outline and Training Module**: A paragraph explaining that flange management is crucial for ensuring the integrity, safety, and reliability of bolted flange connections in piping systems. It mentions that the webinar provides essential knowledge on flange management, covering key principles, best practices, regulatory compliance, and industry standards to prevent failures and enhance system performance.
- Course Outline and Training Module**: A section with three sub-items:
  - ✓ Course Outline: Introduction to Flange Management System
  - ✓ Training Module: Flange Management System
  - ✓ Introduction
- 02 Introduction to Flange Management**: A section with a blue header and a white background.

The screenshot shows the 'Students Testimony' page. The page has a white background with a dark blue header. The main content area is white and contains the following sections:

- Students Testimony**: A section with a blue header and a white background.
- See what our students have to say about our training programs!**: A paragraph introducing the testimonies.
- Three testimonies**: Three columns, each featuring a student's profile picture, name, title, and a testimonial quote.
  - Mohd Syahir Abdul Kadir**, Webinar Attendee: "Certificate tuan amat bagus. Saya sudah kerja QA/QC Mechanical Inspector daripada certificate Flange Management tuan... Terima kasih!"
  - Mior Siddiq**, Webinar Attendee: "Provide wide variety of technical engineering courses for all level of cohort in industry. Most recommended service provider."
  - Muhammad Omar**, Webinar Attendee: "Terbaik, alhamdulillah banyak ilmu dapat walaupun hanya dalam webinar yang singkat. Keep up the good work. iPETRO sernamangnya tempat untuk menimba ilmu dan skill yang banyak. Thank you so much for all the knowledge."

The screenshot shows the 'Meet the instructor' page. The page has a white background with a dark blue header. The main content area is white and contains the following sections:

- Meet the instructor**: A section with a blue header and a white background.
- Noor Hisham Abdul**: A section featuring a profile picture of Noor Hisham Bin Abdul, a Subject Matter Expert in Operations and Maintenance.
  - Noor Hisham Bin Abdul** is a Turnaround and Project Management Leader with over 30 years of experience in the Oil and Gas industry. He specializes in downstream operations and has worked across Malaysia and the Middle East. Passionate about operational excellence and continuous improvement, he is dedicated to sharing his extensive industry knowledge and leadership experience to inspire others in achieving efficiency and transformation in their projects.

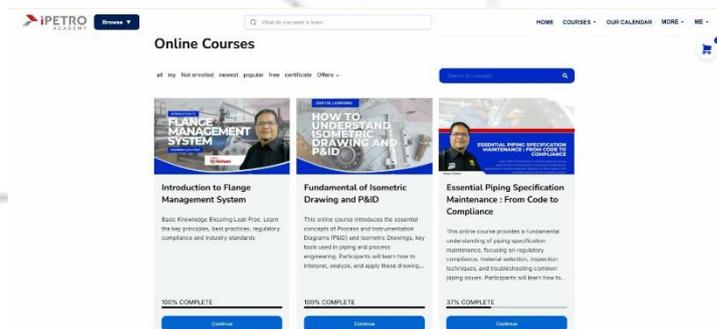

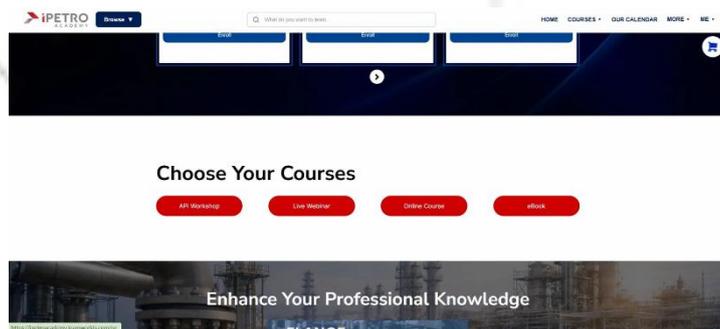

#### 4. How to Access the Course Page

##### ➤ From the Home Page

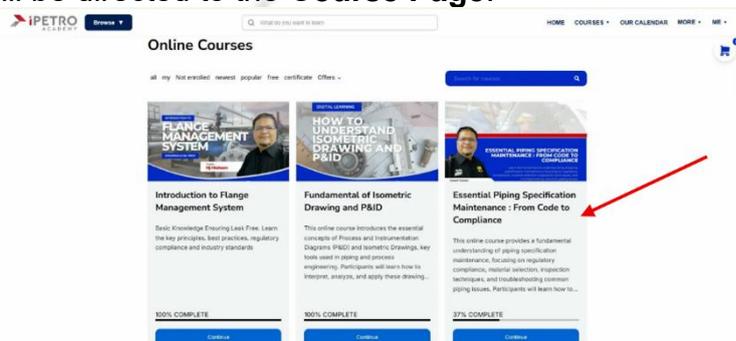

- Scroll down to the "**Choose Your Courses**" category section and click any categories you want.

- Browse through the available courses displayed with course thumbnails, titles, and descriptions
- Click either:
  - **"Continue"** button - if you're already enrolled in the course and want to resume learning
  - **"Enroll"** button - if you haven't enrolled yet and want to join the course
  - The course image or title - to view more details about the course

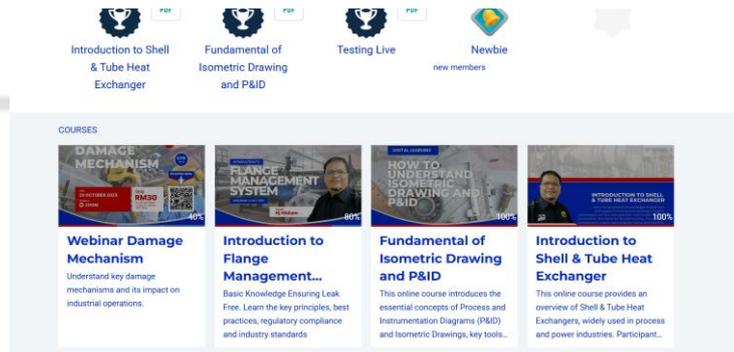

You will be taken to the Course Page where you can access course content or enroll.

- **From the Courses Page**
  - Select any course category.
  - Click the card of the course you want to view.
  - You will be directed to the **Course Page**.

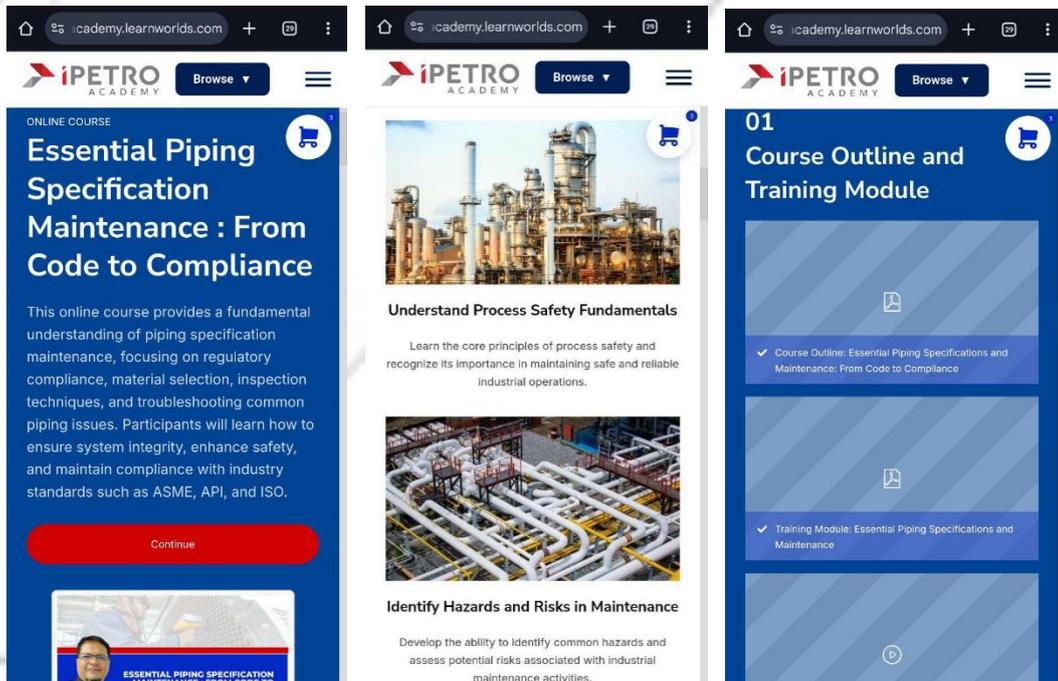

- **From the Profile Page**
  - Go to your list of enrolled courses.
  - Click any course to open its **Course Page**.

## Mobile:

- Open the course on mobile to view the **course banner** with course title, main image, and instructor preview
- Course Description section shows:
  - Overview text
  - Multiple supporting images
- Scroll down to view **Course Outline / Training Modules** displayed as:
  - Vertical stacked blocks
  - Icon placeholder + description area
- Students Testimony section:
  - Appears as a review slider with short student feedback displayed in cards.
- Meet the Instructor section
  - Shows the instructor's photo with a short bio below it.
- All course information appears in a **vertical, touch-friendly layout** optimized for mobile
- Images, text, and sections auto-adjust to fit mobile screen width

## Students Testimon

See what our students have to say about our training programs!
