# PREFACE BY VILLY KLEPPE

I Was Born to Love You is more than a collection of songs. It is a journey through passion, vulnerability, desire and devotion.

Every melody was shaped with intention. Every lyric carries a heartbeat. This album was created to celebrate love in all its forms — the fire, the tenderness, the longing, the certainty.

These songs are not just meant to be heard. They are meant to be felt.

Some tracks will make you smile. Some may surprise you. Some may awaken something you thought you had buried. But each one carries the same truth at its core:

Love is not accidental.

It is who we are.
