Live modern

“A delicious life happens when you enjoy a beautifully curated home that makes you feel happy and proud every day.

Each room is thoughtfully designed with purpose, comfort, and personalized style that reflects how you live your best life.”

Spa all day

Creating dream homes
is what we do best.

From new construction and
finish selections to major
remodeling and custom
furnishings, window
treatments and curated art—

Home Frosting provides a
stress-free, turn-key
experience.

Cook like a chef

Our signature look is best described as creative, intentional,
and always a reflective tale of our clients' passions
and personal style.

Entertain all night

Projects styles span from modern to traditional, coastal, organic, eclectic, and everything in between.

Our work infuses texture, color, pattern, innovative materials, smart technologies, new and treasured unique elements and finishes.

Just chill

Building a new home or updating one can be an overwhelming, time-consuming journey.

Our design process removes the day-to-day project management details from you.

Sleep like royalty

Our focus is always on achieving your goals, manifesting the vision and adding value to real estate.

We look forward to learning about your project.
