STEP FOUR

QUESTIONS TO ASK BEFORE YOU TRAVEL

Not all wellness retreats or luxury experiences are created equal. Before you commit, take time to ask the right questions—so your destination truly aligns with your needs, preferences, and intentions. This quick guide will help you book with clarity and confidence.

- What wellness services are included? (massages, classes, consultations?)
- Is the retreat focused more on fitness, mindfulness, or relaxation?
- How flexible is the daily schedule?
- Is there support for dietary needs or food allergies?
- What is the group size or guest capacity?
- Is the location remote or easily accessible?

STEP FIVE

PREPARE YOUR MIND & BODY

A luxury wellness journey begins long before you arrive. Preparing your body and mind helps you transition from daily demands into a space of calm, presence, and renewal. These simple practices set the tone for a deeply restorative and meaningful experience.

- ✓ Begin stretching or gentle movement at home
- ✓ Adjust your sleep schedule if traveling across time zones
- ✓ Hydrate well before travel
- ✓ Set intentions: What do you hope to release or invite in?
- ✓ Create a calming playlist or download guided meditations
- ✓ Pack a personal comfort item (crystal, photo, affirmation card)
