The host receives a nice gift from Wine Attitude

If 12 or 24 people, the price per person remains the same, 25€/pers, because...

- If 12 people, we open 1 bottle = +/- 50-60 ml/pers
- If between 12 and 24 people, we open two bottles per wine

Ex: If there are 16-18 people, we open two bottles of each wine, so the cost of these bottles will have to be shared equally between the 16-18 people.

The wine is at a wine merchant/restaurateur (B2B) price during our tastings, but only if it is ordered on the spot and in a group.

Orders are delivered on a per-order basis:

- If less than 2 boxes per order, delivery only to one address (normally that of the host/hostess)
- If more than 2 boxes per order, free delivery in Brussels.

Our tastings take place with a minimum of 1-2 bottles ordered per participant or a group order.

EXTRA

- Traditional fresh poultry liver pâté is a tasty alternative to foie gras (homemade, traditional recipe)
- Fresh vegetarian pâté with bread (optional: beans or peas or lentils or hummus, with fried onions and a little garlic, corn oil, traditional homemade recipe)
- Traditional Moldavian-Romanian vegetarian 'Mamaliga' (made with maize flour)
