NYLON AIR BRAKE TUBE FITTINGS

- Brass Construction w/internal stainless-steel tube supports
- Pipe **thread sealant** featured on several fitting styles
- Designed for use w/ nylon air brake tubing
- DOT Compliant. Fittings meet SAE J246 Requirements

This pre-applied sealant offers many benefits.

- Provides no-leak assembly instantly. Saves application time & expenses
- Will not contaminate systems such as tape shredding or liquid sealant washout
- Can be used up to 5 times
- Provided excellent thread
