WARRANTY

JAMES MARTIN VANITIES®

One-Year Limited Product Warranty

When properly installed and under normal conditions of use, James Martin Vanities ("James Martin") products are warrantied against defects in material or workmanship for one year from the date of purchase from a James Martin distributor (the "Warranty"). James Martin retains the right to determine if a product is defective, and its judgment shall be final in such matters. For vanity tops, this Warranty does not apply to any quartz stone tops, which have a separate manufacturer warranty. This Warranty does not apply to any product which is modified in any way or used on any installation or unit other than a residential property.

If you believe your product is defective, please return it and a copy of the dated sales receipt (Proof of Purchase) to the James Martin retailer where you purchased the product.

You may also contact James Martin Customer Service at customercare@jamesmartinvanities.com, or by sending written notification to James Martin that a product may be defective within the applicable Warranty Period via mail at the address below.

This Warranty is limited to the correction of any such defect, replacement or credit, at the discretion of James Martin, not to exceed the original purchase price, and shall not include any installation or labor charges of any kind, except where mandated by law. This Warranty is conditioned upon the following: that (a) James Martin is notified in writing and provides consent to return the product(s) in question, (b) the product(s) is/are returned with proof or purchase date, and (c) upon return and inspection, the product(s) is/are found to be defective as noted above.

This Warranty does not cover any damage to the products due to external causes including without limitation: improper installation or operation, product abuse or misuse, or use of adverse or hazardous chemicals or abrasive cleaners containing alcohol or other solvents, acts of nature, physical damage, environmental conditions, or any other occurrences beyond the reasonable control of James Martin.

This Warranty is not applicable to any product which is marked, advertised or otherwise sold as "clearance" or "closeout" items.

THIS LIMITED WARRANTY IS THE FULL EXTENT OF EXPRESS WARRANTIES PROVIDED BY James Martin, AND James Martin HEREBY DISCLAIMS ANY WARRANTY NOT EXPRESSLY PROVIDED HEREIN, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE PRODUCTS COVERED HEREUNDER.

EXCEPT AS STATED IN THIS LIMITED WARRANTY, James Martin FURTHER DISCLAIMS ANY RESPONSIBILITY FOR LOSSES, EXPENSES, INCONVENIENCES, AND SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OR RESULTING IN ANY MANNER FROM THE PRODUCTS COVERED HEREUNDER.

THIS LIMITED WARRANTY GIVES THE CLAIMANT SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

James Martin Vanities
3575 Moreau Court, Suite 220
South Bend, IN 46628

CUSTOMER CARE + INVENTORY STATUS

In a world full of options, we wanted to take a moment to say thanks for choosing James Martin Vanities. There is truly nothing more exhilarating for us then to get a new customer, and to help you get acquainted with our company we wanted to share some of our best resources so you can make the most out of your experience with us. James Martin Vanities offers stellar customer service through a unique ticketing system that is available to all our customers.

By using this system, we can offer superior service, quickly and efficiently. All inquiries, comments and concerns should be directed via email to:customercare@jamesmartinvanities.com.You will receive an immediate automated acknowledgement that our system has received and logged the ticket. From there we will responsd using that same ticket, directly to your original email. The ticketing system is an excellent way to notify us of any issues, as well as making inquiries, checking product/accounting status or to discuss dealer and delivery policies that are specific to your account.

You will receive an immediate automated acknowledgement that our system has logged the ticket.

You also can use Customer Care Portal to review pending tickets, as well as review comment history, attach or view images and add notes. Our portal also contains helpful information, such as FAQS and a community forum for reviewing announcements from James Martin Vanities.

We also want to take a moment to talk about the Dealer Portal that you can login into from the James Martin website, that is available to you as well. Within this site you can view inventory status, which is indicated with an “in stock” or “out of stock” notification. You can use it to view sales order with notations regarding tracking or estimated shipping dates, as well as placing orders, as you have access to pricing, item numbers and images.

Lastly, we hope this boost your confidence and opinion of James Martin Vanities and wish you all the best in all your future endeavors with us.

PAYMENT

James Martin accepts all major forms of payments (i.e., credit card, debit card, cheque, money transfers, and cash or ACH (Automated Clearing House) disbursements as well as PayPal. Please note that we collect a 2% flat fee for processing credit cards. If you wish to avoid the additional 2%, please consider using the ACH disbursement. All payments are due at the time of shipping. If you have an established credit line, then payment is due 30 days from the date of shipment.

A line of credit is available with James Martin, please feel free to complete a credit application, all credit decisions are made by a third-party credit insurance company (Euler Hermes). If you are denied credit or do not agree with the credit limit, please feel free to contact them to discuss the issue further. Applications are normally processed within 24hours of receiving them by Euler Hermes. Once your credit application has been approved and a credit limit is established your account will automatically be monitor by Euler Hermes, who will then notify us of any changes. If at any time you wish to raise your credit limit, please contact James Martin Customer Care and they will contact Euler Hermes for you.

HOW TO SHIP

James Martin gladly offers to assist any client with freight services. If you have questions or our interested in freight options, please do not hesitate to reach out to the Customer Care Center.

Our freight service consists of LTL, curbside or dockside shipments. We can simply add the cost of freight to your invoice directly, or let us know prior to shipping that you would prefer to have the items placed on “will call” or arrange your own transportation (see below):

While we are unfortunately unable to accommodate quotes, James Martin Vanities does offer very competitive rates on shipping. Also, should any additional accessorial charges occur during shipping, that are not covered by James Martin Vanities service, you will be charged accordingly. This could include any charges not known until the time of delivery such as missed appointments, high rise buildings and island deliveries, etc.

While we do everything possible to minimize damages, if your client does receive an item with damage or potential damage, **it is imperative that we are notified within 48 hours of delivery.**
The customer must also notate in detail, damage on the delivery document.
Failure to follow these requirements may result in the claim being denied.

James Martin reserves the right to send a part and/or attempt to repair the product prior to making any decisions regarding doing a full replacement.

If the item must be replaced, we will place the order and deliver at no charge to you.

After the item has shipped, James Martin will provide you with tracking that can easily and efficiently be tracked online.
We are providing this service to assist you and your customer.

Although we provide this service in order to enhance the customer experience, please understand that we are not in the “freight business” and are obligated to follow the freight companies procedures rules and regulations as dictated by them.

If you have any questions regarding our service, please feel free to email
customercare@jamesmartinvanities.com

MINIMUM ADVERTISING POLICY(MAP)

At James Martin, our vanities and mirrors provide exceptional value to the consumer as well as a reasonable and fair margin to our valued partners and dealers.

In order to help ensure that we maintain a level and fair playing field and to accommodate the wide variety of consumers and resellers of James Martin products, we do enforce and maintain a Minimum Advertised Price (MAP) for our products.

The MAP is specified in the price guide and is the minimum amount that the product can be advertised for sale when adding the price of the product and any related shipping costs.The costs must be able to be verified at the cart level without the need to login or provide any information other than zip code. The use of coupons, store discounts or cart discounts may be allowed provided that the pricing for a particular product is not advertised at less than the MAP. We understand there are countless methods for advertising products and sales. As such, James Martin shall make the final determination as to whether a particular advertisement is in violation of our policy.

James Martin may also, from time to time, adjust MAP pricing and / or product cost for specials for specified periods of time. In addition, any item that has been designated to be closed out may be advertised and sold at any price. MAP does not exist for discontinued items. When we do run a product promotion, the promotion price cannot be adjusted and advertised prior to the event kick off and must return to the prescribed MAP after the event has terminated.

You can notify customercare@jamesmartinvanities.com of any MAP violations and we will do our best to research and adjust the advertisement. In the event, we determine that you are in MAP violation, we will notify you to correct the pricing immediately. You will have 48 hours to adjust the pricing to MAP. Orders for incorrectly advertised items may not be accepted. Repeated violations or failure to adjust the ad may result in a suspension of shipping for your account and could result in a termination of your account.

CABINET AND COUNTERTOP CARE

For comprehensive information regarding the care and cleaning of cabinets and countertops, please visit our website at jamesmartinvanities.com and review the Resources tab.

silestone®

Designed by COSENTINO

James Martin Vanities is proud to announce our partnership with Silestone Quartz.

Silestone is a division of the Cosentino Group, a global family-owned company which produces and distributes high value innovative surfaces for architecture and design.

With the involvement of its customers and partners, this leading company imagines and anticipates design solutions which bring value and inspiration to people's lives. This goal is made possible by pioneering brands which are leaders in their respective segments such as **Silestone®**, Dekton®, and Sensa by Cosentino®. Technologically advanced surfaces which allow create unique spaces and designs for the
home and public spaces.

The Cosentino Group currently distributes its products and brands in more than 80 countries, from its headquarters in Almeria (Spain). Cosentino is present in 32 countries, with its own facilities in 29 of them.

Silestone® by Cosentino, world leading brand for quartz surfaces, is a material made of 90% natural quartz. Silestone® surfaces are highly stain, impact and scratch resistant as well as having a low liquid absorption rate.
This material also features exclusive bacteriostatic properties for determined colors, numerous guarantees and certifications, and is supplied with the high level of service, quality and responsibility which is shared by all Cosentino Group products.

Silestone® is manufactured in over 90 colors, three textures and various formats making it very versatile; it can even be applied in large, joint-free pieces. It is the perfect material for use in a great many applications in kitchens and bathrooms as well as for laboratories, hospitals, hotels, restaurants and other professional uses.

In 2017, **Silestone®** once again showcased its leadership in the quartz surface industry, presenting the innovative technology **N-Boost.**

N-Boost modifies the surface of the material at a molecular level, thus enhancing further still the excellent technical and aesthetic features of the material. This innovative development, whose patent is owned by Cosentino, facilitates the easier cleaning and maintenance of **Silestone®** countertops. **N-Boost** also achieves a greater intensity of color and increases the level of surface brightness.

Silestone® is manufactured with HybriQ® Technology. HybriQ® is a pioneering and patent-registered technology from Cosentino for the manufacturing of **Silestone®**. This new high-performance blend of premium minerals, quartz, and recycled materials is produced through a sustainable manufacturing process using 99% recycled water and 100% electric energy from renewable sources.

Solid Poplar drawer box 1.5cm (0.6 in.) thickness, crafted with English dovetail joinery. Drawer bottoms are lined with our signature brushed aluminum laminate for easy cleaning.
Decorative hardware (knobs / drawer pulls / handles) is finished in our Burnished Nickel color.
Wood Species & Finish: This cabinet is constructed with Para wood and Poplar solids with Mango veneers over an MDF core, and is sealed inside and outside with our premium moisture and UV resistant coatings.
Countertop: Our James Martin 3cm T30 Countertops are sold separately. Please review countertop options on pages: 289 - 290
Choose from Marble, Quartz and Solid Surface materials.
Note: If you select a James Martin countertop, remember to record the item number on your order.
Special Note: This cabinet has an unfinished top. The T30 countertops are highly recommended for all configurations.

IMAGE	ITEM NUMBER	DESCRIPTION	COLOR	W (in)	D (in)	H (in)	CUBES	LBS	MAP	MSRP
30"	E444-M30-MCA	Addison 30" Rectangular Mirror	Mid-Century Acacia	30"	1"	39"	3.38	31	$295	$447

Item: Solid wood frame, rectangular mirror.
Notes: This mirror has one inch bevel cut glass and premium keyhole style, recessed brackets for secure wall mounting.
Dual sets of recessed brackets allow you to hang this mirror either vertically or horizontally.
Special Feature: This mirror was designed especially for the Addison Collection.
When used with our **E444-V30** 30 inch vanity cabinets and Tower Hutches you may create a built-in appearance for your bathroom.
The mirror works as a bridge to connect the tower hutches. A pair of **M30** mirrors may be used with the **E444-V60D** vanity cabinet (dual sinks) to connect a pair of hutches.
Please refer to pages 19-22/25-26 for examples of our most popular bathroom cabinet configurations using the **M30** Mirrors.
Wood Species & Finish: This mirror is constructed with Para wood and is sealed inside and out with our premium moisture and UV resistant (water based) coatings.

Hardware & Construction: Premium soft-close hinges on the doors.
Wood Species & Finish: This cabinet is constructed with Para wood solids and Walnut veneers over MDF (medium density fiberboard) cores.
This cabinet is sealed inside and out with our premium moisture and UV resistant (water based) coatings.
Countertop Configuration: This countertop has one rectangular shaped, integrated basin sink.
Countertop Material: This countertop is fabricated from durable, easy to clean, Composite Stone which is resistant to mildew, staining, UV fading and impact damage. (These countertops are Imported from Europe.)
Dimensions Note: The countertop height listed above is for the visible edge above the console frame.
Width of basin sink: 19 inches Back to front of basin sink: 11 1/8 inches Depth of basin sink: 3 1/2 inches ICC-ES Certifications on file
Faucets and drains are not included.
Features & Cleaning: Learn more about the features and benefits of Composite Stone countertops, please visit the James Martin Vanities Website - *Countertops Menu*.
Stainless Steel Base: This metal base is crafted from durable stainless steel and has built-in, adjustable-height feet (levelers).
This base is finished in our **Radiant Gold** color and has a clear top-coat sealant to prevent tarnishing and is resistant to fingerprints.
Note: This listing is for the floor standing cabinet. For the wall mounted (floating) version of the E303-V24-WW Cabinet, do not order the Stainless Steel Base.

Special Feature 1: The bottom drawers are double height to allow for convenient storage of taller items.
Special Feature 2: This cabinet includes optional metal legs. You may remove the legs if you wish to wall mount (float) your vanity.
***NOTE: The height of the cabinet without the metal legs is 27 1/2"**
Hardware & Construction: Premium soft-close hinges on the doors and Full-extension, undermount soft-close slides on drawers.
Drawer bottoms are lined with our signature, brushed aluminum finish laminate for easy cleaning.
Decorative hardware (knobs and metal legs) are finished in Champagne Brass
Wood Species & Finish: This cabinet is constructed with Yellow Poplar solids and Plywood and is sealed inside and out with our premium moisture and UV-resistant coatings.
Countertop: Our James Martin 3cm Countertops are sold separately. Choose from Marble, Quartz and Solid Surface materials.
Note: If you select a James Martin countertop, remember to record the item number for the countertop on your order.

	388-B31.5-BNK	Columbia 31.5" Stainless Steel Base	Brushed Nickel	31 1/8"	14 3/8"	16 1/2"	6.71	31	$665	$1,008

Cabinet Configuration: Two door cabinet.
Special Feature: This cabinet ships with three colors of drawer pulls, so you may easily match faucet and room accent colors. Two drawer pulls in each of these colors are included with the cabinet: **Brushed Nickel, Matte Black** and **Radiant Gold.**
Hardware & Construction: Premium soft-close hinges on the door.
Wood Species & Finish: This cabinet is constructed with Poplar solids and plywood cores. This cabinet is sealed inside and out with our premium moisture and UV resistant (water based) coatings.
Countertop Configuration: This countertop has one rectangular shaped, integrated basin sink.
Countertop Material: This countertop is fabricated from durable, easy to clean, Composite Stone which is resistant to mildew, staining, UV fading and impact damage. (These countertops are Imported from Europe.)
Dimensions Note: The countertop height listed above is for the visible edge above the console frame.
Width of basin sink: 26 3/4 inches Back to front of basin sink: 8 3/8 inches Depth of basin sink: 3 1/2 inches
ICC-ES Certifications on file
Features & Cleaning: Learn more about the features and benefits of Composite Stone countertops, please visit the James Martin Vanities Website - *Countertops Menu.*
Stainless Steel Base: This metal base is crafted from durable stainless steel and has built-in, adjustable-height feet (levelers). This base is finished in our **Brushed Nickel** color and has a clear top-coat sealant to prevent tarnishing and is resistant to fingerprints.
Shelf Note: Because James Martin offers this 31.5 inch Columbia vanity in four different cabinet colors, the matching shelf for this metal base ships with the cabinet. (Not with the metal base)
Notes: This listing is for the floor standing cabinet. For the wall mounted (floating) version of the 388-V31.5-GW Cabinet, do not order the Stainless Steel Base.

Cabinet Configuration: Four door cabinet with two interior shelves and three drawers. The two top drawers have "U" shaped drawer boxes to allow for centrally located plumbing.
Hardware & Construction: Premium soft-close hinges on the doors and full-extension, undermount soft-close slides on drawers. Drawer bottoms are lined with our signature, brushed aluminum finish laminate for easy cleaning.
Special Features: This cabinet has two premium standard features. A soild bamboo drawer organizer and a built-in (UL Rated) 120V electrical component with dual power and USB (Type A) ports.
Wood Species & Finish: This cabinet is constructed with Poplar solids and Poplar veneers over plywood cores. This cabinet is sealed inside and out with our premium moisture and UV resistant (water based) coatings. Decorative hardware (knobs / drawer pulls / handles) is finished in our Satin Nickel color.
Countertop Configuration: This countertop has one rectangular shaped, integrated basin sink.
Countertop Material: This countertop is fabricated from durable, easy to clean, Composite Stone which is resistant to mildew, staining, UV fading and impact damage. (These countertops are Imported from Europe.)
Dimensions Note: The countertop height listed above is for the visible edge above the cabinet frame.
Width of basin sink: 49 1/2 inches Back to front of basin sink: 14 1/2 inches Depth of basin sink: 2 1/2 inches
Certifications: ICC-ES PMG-1568
Basin Sink Note: This is an angled surface, trough-style sink. The slope is flush with the countertop in the front and slopes down toward the drain at the back.
Faucets and drains are not included.

Hardware & Construction: Premium soft-close hinges on the doors and full-extension, undermount soft-close slides on drawers. Drawer bottoms are lined with our signature, brushed aluminum finish laminate for easy cleaning.
Special Features: This cabinet has two premium standard features. A soild bamboo drawer organizer and a built-in (UL Rated) 120V electrical component with dual power and USB (Type A) ports.
Wood Species & Finish: This cabinet is constructed with Para wood, Poplar solids and Walnut veneers over plywood cores. This cabinet is sealed inside and out with our premium moisture and UV resistant (water based) coatings.
Decorative hardware (knobs / drawer pulls / handles) is finished in our Satin Nickel color.
Countertop Configuration: This countertop has one rectangular shaped, integrated basin sink.
Countertop Material: This countertop is fabricated from durable, easy to clean, Composite Stone which is resistant to mildew, staining, UV fading and impact damage. (These countertops are Imported from Europe.)
Dimensions Note: The countertop height listed above is for the visible edge above the cabinet frame.
Width of basin sink: 49 1/2 inches Back to front of basin sink: 14 1/2 inches Depth of basin sink: 2 1/2 inches
Certifications: ICC-ES PMG-1568
Basin Sink Note: This is an angled surface, trough-style sink. The slope is flush with the countertop in the front and slopes down toward the drain at the back.
Faucets and drains are not included.

James Martin 3 cm (1 1/8 inch) Countertops for Vanity Cabinets

Notes for Ordering: All countertops have eased edges and are pre-drilled for 8 inch (wide spread) faucets. Faucets are not included and must be purchased separately.
All ceramic undermount sinks shown below are finished in a standard white color.
Sink prices are included in the countertop prices shown below. Sinks ship in separate cartons and must be installed.
James Martin recommends you always consult with professionals regarding the installation of our products.
