"Honor Our Children" Theme Song

Hawaii is the land of Aloha
The sun, the sea, the rainbows in the sky
And everywhere you see, is peace and harmony Our children are the apple of our eye
We Honor Our Children, We Honor Our Children We celebrate their future here today
We
honor our children, because we believe
Our children show the way

Peace and Harmony, Peace and Harmony Our children hold the key!

We honor them and pledge to protect them
In our cities and our schools and at home
We'll always lend a hand, and even take a stand
And give them what they need to be strong

We Honor our Children, We Honor Our Children We celebrate our future here today We
honor our children, because we believe
As children grow, they come to know

A safer, better way
