A NOTE ON WEIGHTS

Many of our items now list both the **actual** and the **dimensional** or shipping weight as follows:

actual/dimensional
or
1/3, 3/7, etc.

When multiple cartons are shipped, commas separate the weights as follows:

2, 5 (2 ctns)
or
3, 5/8 (2 ctns), etc.

Sustainability.

Certainly one of the most important and sensitive topics on the planet today – especially as it applies to the business world. **NAHANCO** endeavors to be ever more sustainable with each passing year.

Here’s what we’ve been doing recently:

Recycling / Waste Management

All of the scrap we use in the manufacturing and shipping process, and during our day-to-day operations – plastics, cardboard/paper, and metal – is collected, processed and/or baled and recycled.

Any additional, non-recyclable waste, is compacted and picked up just 3 times per year.

A More Sustainability Facility

-  **Cleaner Fuel** – we’ve converted our entire manufacturing facility from oil to Propane
-  **Better Lighting** – all incandescent lighting has been replaced and florescent fixtures have been fitted with environmentally friendly bulbs
-  **Upgraded Air** – our new compressed air system has resulted in lower operating costs and a reduction in water usage of 100,000 gallons a year

Sustainability and NAHANCO Hangers

WOOD

All of our Wood Hangers are made from sustainable materials – Lotus wood and Bamboo – that are grown in China.

PLASTIC

Plastic Hangers have a useable shelf life of over ten years. And if damaged, the hanger can be recycled. We recycle our own scrap plastic from the manufacturing process. A granulator (and we have a big one!) is used to grind the scrap so we can re-use it. **Zero** plastic goes into the waste stream.

RECYCLED PLASTICS

Our black hangers are made of up to 80% internal and external recycled plastic material. All other hangers we manufacture use up to 20% of internal recycled plastic.

BENEFITS OF WORKING WITH US:

98 years in business

Our US-based industry professionals are available to consult with you on your business needs.

We offer **customizable reporting** on your historical usage and spend.

We have unmatched experience in building and executing **custom programs** designed for your individual business needs.

We leverage our buying power to offer highly **competitive prices** on the items you buy – whether a one-off need or a high-volume, ongoing supply program.

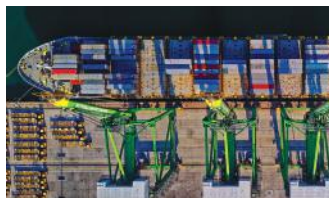

SERVICES WE PROVIDE:

SOURCING

Custom, branded or generic merchandising supplies; domestic or imported, we have you covered.

LOGISTICS & DISTRIBUTION

Services are scaled to fit your needs: to your warehouse, direct roll-outs or consolidated shipments.

WAREHOUSING & INVENTORY MGMT

We can maintain inventory of the items you buy from us, so they are ready to ship when you need them.

E COMMERCE ORDERING PLATFORM

Our web-based ordering platform can be customized to your brand-specific catalog.

Custom Creations

NAHANCO offers a robust custom program, that includes something for every customer no matter how big or how small. The program divides into 3 general categories:

1. BUILD A BRAND

Considered our “bespoke” option, for customers looking for something completely unique to their brand. We develop custom plans, executed with full involvement of both your creative teams and ours.

KITH

WE CREATED KITH'S ICONIC BLACK LINE OF HANGERS, WHICH GREW TO INCLUDE A LINE OF KIDS HANGERS.

AN ANNIVERSARY LINE WAS LATER CREATED TO CELEBRATE ALL OF THE COLORS OF KITH

2. INSTA BRAND — custom items ship in DAYS, not months!

A popular option for customers looking to add branded elements to their store supplies. Hangers are the most common choice, we can print custom designs onto size dividers, bags, and other objects. Select products from our extensive inventory and add your logo.

3. CUSTOM CREATOR TOOL

This is our easy-to-use, Do-It-Yourself online customization tool.

A curated selection of our most popular wood hangers are sold in small 24-piece batches, ready for your logo, text, photos... whatever you want to create. Or work with a fun collection of elements available in the tool.

Ideal for smaller boutiques, offices, wedding parties, gifts, and home closets. It can also be employed as a fun way to “test” out logo designs with a small-scale order.

Shipping Information

Shipments are made F.O.B. our warehouse or point of origin. Small orders ship via UPS. Some packages bill as oversized by UPS. When orders exceed UPS limits, we ship via common carrier.

Returns

If you're not satisfied with your purchase, please contact us, explain the problem and we'll take the necessary steps to resolve the problem to your satisfaction. At times there may be a 25% restocking charge for items returned plus freight costs. Customer service will advise you of these charges should they apply to you. Sorry...**No Returns after 30 days.**

Carrier Damage

Our products are inspected prior to shipment and any customer claims for visible or concealed damage must be made with the delivering carrier. Our responsibility ceases when the merchandise is turned over to the carrier.

Backorders

Unfortunately, on occasion we may have to backorder an item. As soon as the item is available, we will ship it - unless otherwise requested not to. If an item is out of stock for more than 30 days, we will notify you.

Please note that we are not responsible for typographical errors.
