Dear [Patient's Name],

Welcome to Youngman Eye Specialists!

We are delighted that you have chosen us for your optometry needs. Our team of dedicated professionals is committed to providing you with the highest quality of care in a compassionate and friendly environment.

As a new patient, your health and well-being are our top priorities. To ensure that we have all the necessary information to offer you the best possible care, please take a moment to complete the new patient forms available on our website or arrive 15 minutes early to your first appointment to fill them out in our office.

We believe in a patient-centered approach, which means we value your input and involvement in your healthcare decisions. During your visit, feel free to discuss any health concerns or questions you may have. Our goal is to work collaboratively with you to achieve optimal health outcomes.

If you need to reschedule or have any questions before your appointment, please do not hesitate to contact us at 602.225.9090. We are here to help and ensure your experience is as smooth as possible.

Thank you for entrusting us with your eye care. We look forward to building a long-term relationship with you.

Warm regards,

Dr. Youngman and Team

Personalized Vision Test Pads

Convenient, daily vision testing. With a fresh grid for each day, tracking progress has never been simpler.

Each 5½" x 8½" notepad contains 50 tear-off sheets

Patients can easily monitor changes in their vision by marking any differences directly on the sheet. Plus, they can bring the results back into the office to share results with the doctor, encouraging at-home compliance and follow-up appointments. Empower your patients with the tools they need for effective vision management.
