WELCOME TO INDIGO LIVING 2026

With a whiff of spring in the air, Indigo Living welcomes you to explore a refreshed collection of our premium furniture pieces, designed to enrich your home. Sit back and let us take you on a voyage of three curated looks inspired by the world.

Metropolitan Glamour captures the essence of a glittering metropolis in a moment of contemporary luxury that exudes style and elegance. Combining urban sophistication with a subtle touch of Art Deco flair, this trend presents timeless aesthetics through clean lines, bold colours, and rich materials.

Tropical Modernism takes inspiration from exotic colonial allure, evoking a sense of nostalgic elegance. Its dark wood and saturated palette create the unique visual appeal of a retreat, helping you disconnect from the daily grind. Subtle details like metal trims and ribbed panels add sophistication and nod to great modernist designs.

Natural Habitat brings you home with soft neutrals and influences from nature. Setting the scene for a contemporary home with sleek, practical furniture, this trend imbues each space with tranquillity and unpretentious charm.

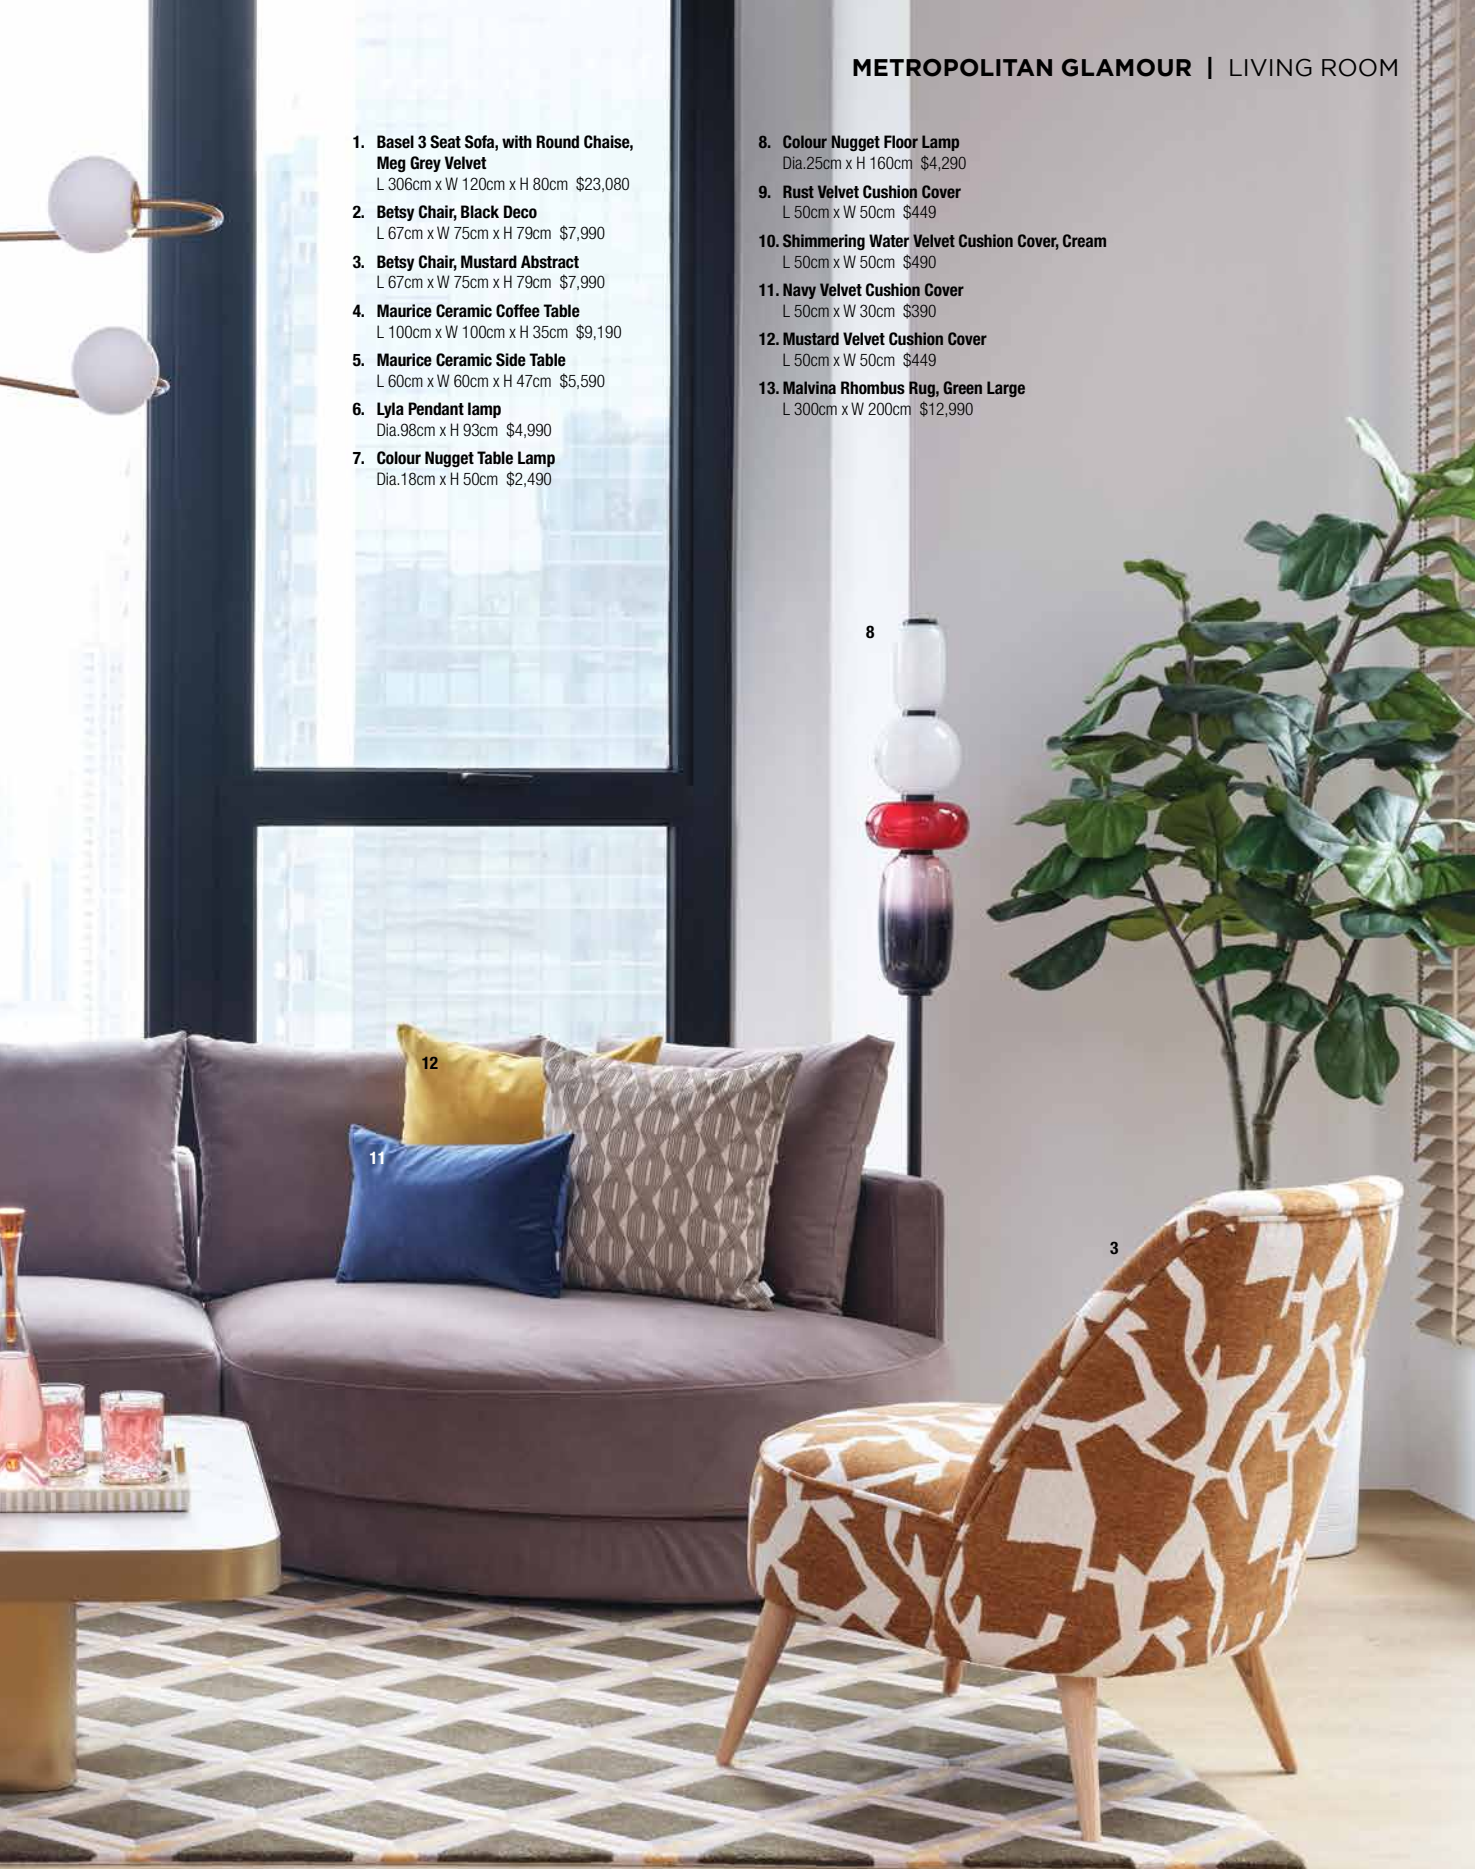

METROPOLITAN GLAMOUR

Inspired by the skylines and streetscapes of a modern metropolis, this trend combines clean lines with a vibrant palette to create a luminous atmosphere. The Basel Sofa in Meg Grey Velvet offers smooth softness, while the dash of gold from the Maurice Coffee Table Set hints at a sense of luxury. It is paired with the patterned Betsy Chairs, which add a touch of Art Deco regality.

! TIPS : RUGS BY ROOM

Not sure how to place a rug in your space?

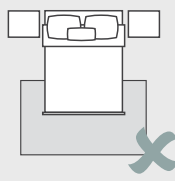

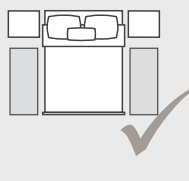

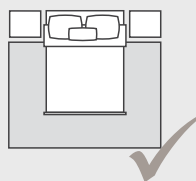

Our easy guide below will help you find the perfect rug placement to suit your furniture grouping, room type and size of space.

LIVING ROOM

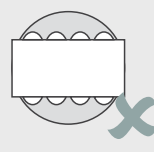

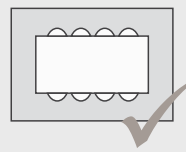

Large living rooms and space should opt for all furniture on the rug with a 1 inch space from the wall and rug. Alternatively if some furniture is against the wall aim to have your furniture's front 2 legs on the rug. Your third option, which works great in smaller spaces, is to just centre the rug under your coffee table.

**BEDROOM**

When it comes to placing your rug under your bed ensure it extends 90 cm all around your bed. Alternatively place 2 smaller runners on either side or 1 at the foot of the bed.

**DINING ROOM**

Your table and chairs should all rest on the rug. Remember you need 60cm extending beyond each side of the table to prevent chairs from going off the rug when pushed back. Match the shape of your rug to the shape of your dining table.
