VISION:

Leading design that delivers better solutions, inspiring and equipping outdoor enthusiasts to explore the world.

OUR BRANDS

SEASON'S GREETINGS

A busy summer ahead with trade, adventure, and celebration!

As we wrap up another incredible year, I want to take a moment to thank you for your ongoing partnership and support. 2025 has been a year of progress and momentum across all our brands, and it's been fantastic to see that reflected through your engagement, feedback and results.

This festive issue of *Field Notes* brings you the latest updates from across our business, from exciting new product releases to enhanced B2B tools that make trading easier and more efficient. It's also a time to celebrate the people and partnerships that make everything we do possible.

On behalf of the entire Sea to Summit team, thank you for being such an important part of our journey. We look forward to building on our shared success in 2026, driving new initiatives including The Ascent Program, our new partnership framework that will allow us to all grow together in a sustainable way.

Wishing you a Merry Christmas and a Happy New Year.

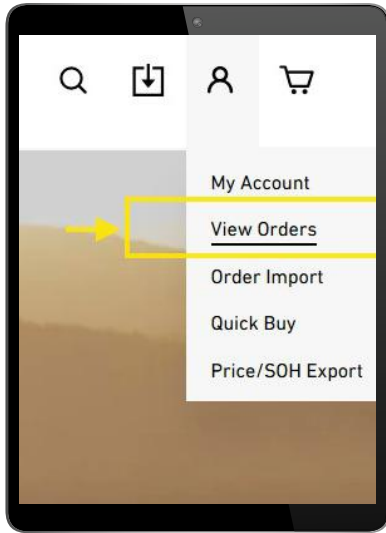

Scott Greasly
General Manager APAC & CCO

B2B WEBSITE UPDATE

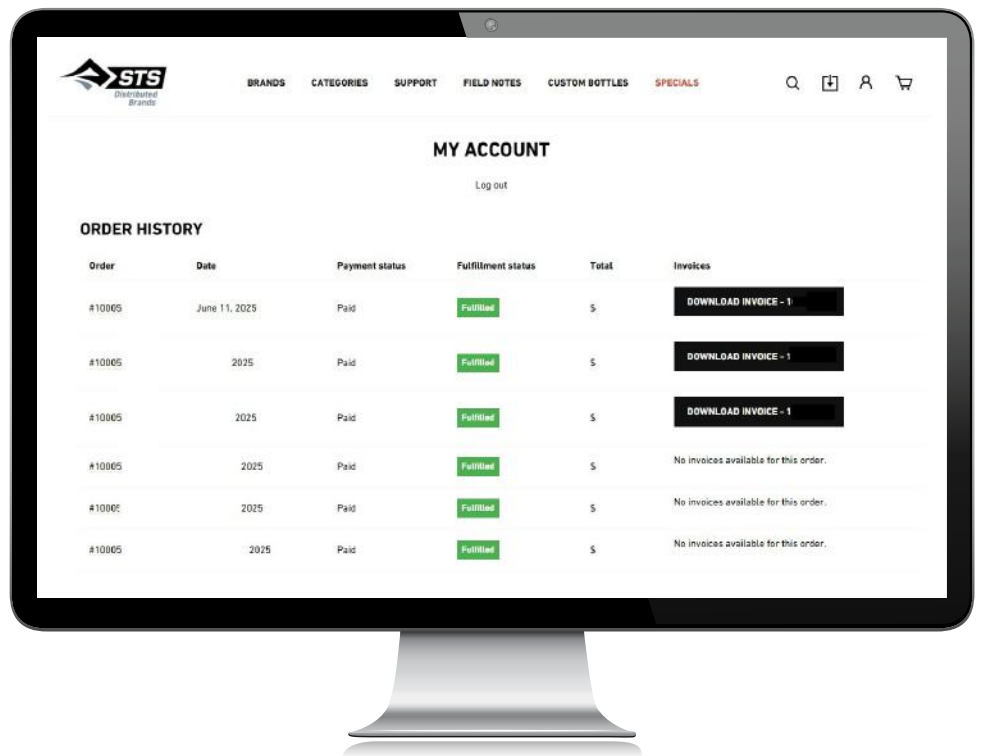

NEW FEATURES

New 'View Orders' Portal

You can now access your own orders, invoices, and track shipping information – all in one place.

Never lose the details again or be left without answers after hours.

Download Your Invoices with One Click!

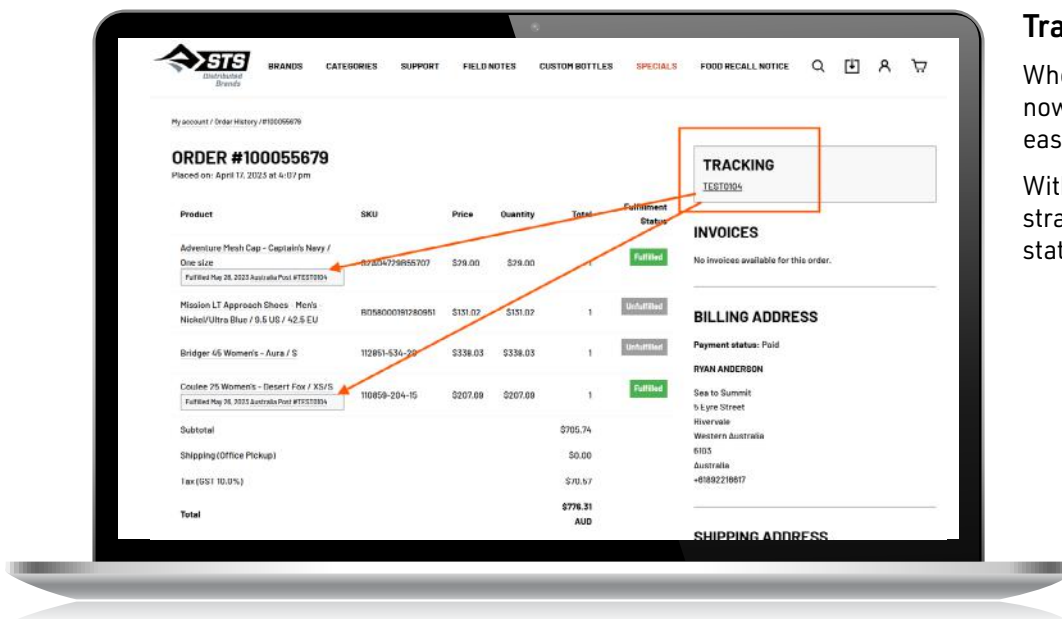

You can now download all past invoices directly from the B2B portal.

We've backdated and included the last three months' worth of invoice IDs for your convenience.

Track Shipping on Orders

When viewing an order, you'll now find tracking details much easier to locate.

With one click, you can go straight to the consignment status history.

HOLIDAY SEASON SHIPPING WINDOWS & WAREHOUSE HOURS

B2B Christmas Order Cut-Off

To ensure the best chance of delivery before Christmas, please place all B2B orders by **COB Friday 12th of December**.

Orders received after this date will be processed and dispatched until the warehouse closes on the **19th of December** at 5pm AWST.

Plan ahead to keep your shelves stocked for the key summer trade over Christmas & New Years!

Warehouse Closure – Christmas & New Year

Our warehouse will be closed for the festive period from **Monday 22nd December** and reopen on Thursday 8th of January.

Please ensure all orders are placed before the EOD 18th of December as our last day shipping B2B orders is the **19th of December**.

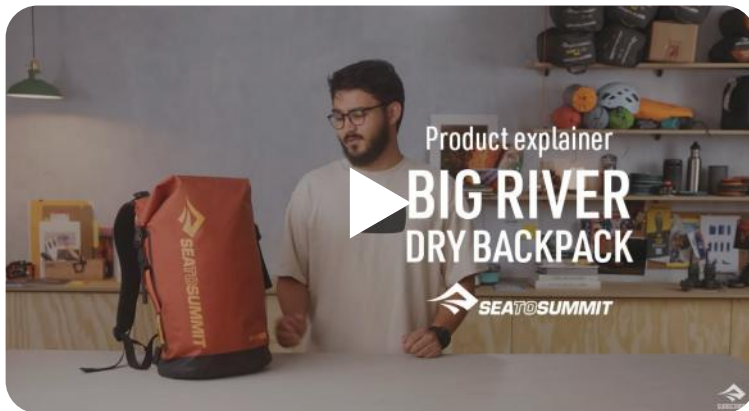

Normal operations will resume once the team returns refreshed in the new year!

BIG RIVER DRY BACKPACK

100% Waterproof,
100% Ready for Adventure

A comfortable way to carry your gear along on any adventure. Big River Dry Backpacks are reliable, abrasion resistant, and waterproof. From the white water to alpine motor bike trails, this backpack keeps everything dry, together, and safe. A white interior laminate makes it simple to find your gear, while the oval shape and lash loops allow secure stacking or attachment to equipment. The hypalon non-wicking roll-top closure keeps water out, and the Field Repair Buckles can be replaced in seconds with just a Phillips screwdriver. So gear up, roll down and get after it.

RRP \$169.99

ORDER NOW

DOWNLOAD ASSETS

Features:

- **Reliably Dry:** Waterproof, roll-top closure secured with our patented Field Repair Buckles for a reliable seal and double-stitched, fully taped waterproof seams
- **Minimalist Carry:** Streamlined and adjustable EVA foam pack harness with sternum strap and removable 38mm webbing hipbelt holds pack firmly in place
- **Built Tough:** Heavy-duty 420 denier ripstop nylon fabric is super-strong, abrasion and puncture-resistant with a triple-coated oval base for increased water-shedding and durability

BOTTLES, STRAWS + TUMBLERS

ON THE GO

Hydration, Wherever Life Takes You.

From airport gates to gym bags, LifeStraw's travel-ready water filter bottles are designed for life on the go. Whether you're commuting, running errands, or exploring new destinations, they reduce bacteria, parasites, and chlorine, while improving taste. So you can refill with confidence, anytime.

LifeStraw Go Series is the ultimate sidekick for safer, better-tasting water for travel and everyday use. The BPA-free bottle filters out nasties, so you can fill up from airport bathrooms, a tap in Mexico, or a gas station while road-tripping. The advanced 2-stage filter improves taste and protects against bacteria, parasites, microplastics, chlorine, silt, sand, and cloudiness.

\$19.99 RRP

ORDER NOW

OFFGRID was born from a love of adventure and the Australian land.

Our time on country—learning about sustainable cooking, wild ingredients, and local traditions—inspired us to create purposeful, truly Australian food that could travel anywhere.

We're committed to responsible sourcing and making choices that help reshape our planet.

Every OFFGRID meal is crafted with honesty, purity, and respect for the land—because a world that's good for plants and animals is good for us all.

James Viles, Founder of Offgrid

COMING SOON: THE ASCENT PROGRAM

Rewarding Growth. Elevating Partnerships.
Launching February 1st 2026.

The Ascent Program is Sea to Summit's new partnership framework, designed to strengthen relationships and reward growth with our retail partners across Australia.

Built on a foundation of transparency and shared success, The Ascent Program delivers a consistent structure for our trading terms – incentivising retailers who champion our brands and driving mutual growth through collaboration, category excellence, and strategic investment across our broad portfolio.

Together, we're setting a higher standard for partnership performance and shared achievement.

OUT & ABOUT

We've been busy getting brands in front of customers—and here's the proof. Take a look at some of the marketing we've rolled out recently.

REMINDER: BACK COUNTRY CUISINE BOLOGNAISE RECALL

We wanted to share a quick update and reminder regarding the Back Country Cuisine Bolognese product recall announced last month.

The recall was issued for the following products due to the presence of an **undeclared allergen (egg)**:

- **Mushroom Bolognese** (90g and 175g)
- **Spaghetti Bolognese** (90g, 175g, and 440g)
- **Best Before Dates:** 7 April 2029 – 29 September 2029

Since the initial announcement, we've made **great progress** with retailers responding quickly and following the required steps – thank you to everyone who's already taken action.

If you haven't yet done so, please ensure:

- The **Food Recall Notice** is displayed in your store (front of store or point of sale) and/or posted online where the product was sold.
- Any **remaining stock** is returned to Sea to Summit for relabelling, following the usual returns process.

- **Refunds** are provided to customers returning affected products, and a record of these is kept for credit coordination.

If you sold these products to other retailers or via pro deals, please make sure they've been notified too.

We appreciate everyone's continued cooperation in ensuring this recall runs smoothly – and again, thank you for your prompt action so far.

Return address:
Sea to Summit Pty Ltd
5 Eyre Street
Rivervale WA 6103

We appreciate your cooperation and support.
The STS Distributed Brands Crew

Food Recall

Back Country Cuisine brand Mushroom Bolognese (90g and 175g);
Back Country Cuisine brand Spaghetti Bolognese (90g, 175g, 440g)
Date Marking: Best before dates from 7 Apr 2029 through to 29 Sep 2029

Sea to Summit Pty Ltd are conducting a recall of the above product (s). The products have been available for sale at outdoor and camping retailers in NSW, QLD, VIC, SA, TAS, NT, ACT and WA. The product (s) was also available online nationally. This recall does not affect any other Back Country Cuisine brand products. This Recall **only** applies to those products that do not declare the allergen(s) listed below.

Problem: The recall is due to the presence of an undeclared allergen (egg).

Food safety hazard: Any consumers who have an egg allergy or intolerance may have a reaction if the product is consumed.

What to do: Consumers who have an allergy or intolerance should not consume this product. Consumers should return the product to the place of purchase for a full refund. Any consumer concerned about their health should seek medical advice.
