Build your financial fitness for a bright future

The money habits you develop now set the pattern for years to come. One tip to help you build financially healthy habits is to use the 50/30/20 rule for budgeting your money.

This rule states that your after-tax income should be roughly divided three ways:
50% to needs • 30% to wants • 20% to long-term savings

Protecting Smiles Across New Mexico

More than 3 million teeth will be knocked out this year while practicing or participating in youth sports across the country. The **Delta Dental Mouth Guard** provides 2x the impact absorption of traditional mouth guards & was the first mouth guard to receive the ADA Seal of Acceptance from the American Dental Association.

Delta Dental of New Mexico is proud to provide Delta Dental Mouth Guards to school athletics programs across the state FREE of charge!

» Thin design ensures it stays in the athlete's mouth, making it easy to breathe and speak

» Patented fitting material provides a comfortable custom fit and works with braces

» Scientifically proven to provide up to 2x the impact absorption of traditional mouth guards

In 2023, we've provided over 10,600 mouth guards to student athletes across the state of New Mexico!

GUARD YOUR GRIN

Delta Dental of New Mexico is committed to improving the overall health and smiles of the people we serve. Our Mouth Guard Program benefits schools, students, and their families.

PREVENTING INJURY

Wearing a mouth guard minimizes the impact of concussions & other injuries to the teeth, tongue, lips, jaw, & face.

ORTHODONTIA FRIENDLY

The patented fitting material molds comfortably over braces, and can be remolded again and again as teeth move.

SAVING FAMILIES MONEY

Preventing sports-related orofacial injuries can save a family thousands of dollars over a lifetime.

MORE TIME FOR LEARNING

Reducing orofacial injuries in school sports keeps kids in the classroom, and out of the emergency room.

Welcome from NMAA Executive Director

Sally Marquez
NMAA
Executive Director

Welcome to the NMAA State Championships!

It is an honor for the New Mexico Activities Association to host you at this culminating event. The student-athletes, coaches, and officials who are participating in this championship have worked tirelessly throughout the season to make it to this level of competition and we are looking forward to an exciting time from start to finish.

While we are together at this event, let us keep one thing at the center of what we do on the sidelines, on the bench, in the stands, and on the playing surface – **this is education-based athletics**. This is the true extension of the classroom, where students learn lifelong skills through their participation. This is the final bastion for the purity of sport. This is where the lessons learned, and the relationships made far outweigh the final score. Yes, champions will be crowned, and trophies and medals will be awarded, but the real win achieved through interscholastic sport is much greater than that.

National statistics show that fewer than 2% of all high school athletes go on to play Division I college athletics. In New Mexico, it is far less. For many student-athletes, high school sports are the final stop in their athletic careers, but the skills they develop through their high school athletic experiences prepare them for the rest of their lives. They learn about responsibility, dedication, teamwork, dealing with adversity, interpersonal skills, commitment, leadership, and countless other qualities that will make them champions in life.

Unfortunately, we know that education-based athletics are in crisis. Club sports, the changing landscape of the NCAA, bad behavior, lack of officials, lack of coaches, and an overall decline in societal values are threatening the world of interscholastic sports. We cannot let that happen. Our students need all of us to fight for education-based athletics. Our sports are worth fighting for, as are the students we serve.

We cannot forget that every decision we make and the way we conduct ourselves should be about kids. The things we say are important must be mirrored in the way we act and the words that come out of our mouths. The student-athletes are here to play their hardest and to represent their schools and communities at the highest level, and they expect the same standard of behavior and respect from those coaching them, officiating their contests, and cheering for them in the stands.

Every one of us must set a positive example for communicating effectively, building relationships, encouraging positive behavior, and ensuring that interscholastic athletics are protected and revered to the best of our abilities. The NMAA and its member schools will continually communicate and be readily available to those who need us. We must show everyone that the experiences student-athletes receive in interscholastic athletics cannot be replicated elsewhere. The value that we possess is priceless and we must champion it in every possible way.

We hope that this event is memorable and enjoyable for you. Remember that we are all in this together. Every one of us plays a critical role in the interscholastic sport environment, where student-athletes get to play the games they love and where they develop the skills to become lifelong champions, even when their playing days are over.

Sincerely,

Sally Marquez

2022-23 State Championship Recap

CLASS A-3A BOYS SANDIA PREP

Sandia Prep has dominated Class A-3A boys soccer for the past five years and this season was no different. The Sundevils won their third straight state title with a 2-0 win over Hatch Valley at the 2022 State Soccer Championships.

Sandia Prep got a pair of goals from senior Finnegan Saunders. His first came in the 23rd minutes and Saunders added another less than 10 minutes later.

"Finn did what Finn does, he scores goals for us," said Sandia Prep head coach Smith. "I was hoping he would get one more to set the all-time scoring mark for a career, but he tied it."

Sandia Prep (19-4) lost to Hatch Valley (17-5-1) earlier in the season at their own tournament in Albuquerque. That loss served as motivation for the Sundevils in the rematch. "When we lost that game back in September, I made the boys sit and watch them celebrate and told them, 'I want you guys to remember this'," said Smith. "We wanted a chance to play them again."

The championship is the 14th state title for Tommy Smith, one behind all-time state leader Jorge Tristani, Jr. of St. Pius X. Sandia Prep now has 22 state championships overall, more than any other soccer program in New Mexico.

CLASS A-3A GIRLS SANDIA PREP

Sandia Prep came into the state tournament as the top seed and the Sundevils lived up to the top billing with goals from a pair of seniors in a thrilling Class A-3A Final. Sandia Prep beat district rival Bosque School 2-1 to win back-to-back state titles at the 2022 State Soccer Championships.

After a scoreless first half, the Bobcats (16-6) got on the board with a goal by Ainsley Capps, giving Bosque a 1-0 lead. Senior Kiran Hill converted a penalty kick eight minutes later to tie the match 1-1. With only minutes of extra time remaining, Sandia Prep senior Maddie Hashagen put in the game winner, giving Sandia Prep (19-3-1) their sixth title in seven years and 10th championship overall.

"It's the most emotional soccer game I've ever been a part of as a high school coach," said head coach Matthew Westerlund. "Kiran Hill scoring in the final as an eighth grader and Maddie Hashagen scoring the game winning goal in the final last year, what better way than to have both of them score in the state final their senior year to send them off? I couldn't be more proud."

CLASS 4A BOYS LOVINGTON

The third time is the charm for the Lovington High School boys soccer team. The Wildcats beat Hope Christian 2-1 to claim the 2022 Class 4A State Soccer Championship. It was the third straight trip to the finals for Lovington (20-2-1) and the third straight year facing the Huskies in the postseason. The Wildcats beat Hope Christian (18-5-1) each of those three meetings.

Lovington got on the board in the 27th minute with a 40-yard direct kick from senior defender Lucas Contreras. Ten minutes later, Dylan Gallegos gave the Wildcats a two-goal lead heading into halftime. Hope Christian's Tyler Burks would cut the deficit to one late in the second half, but the Wildcats would hold on for their first-ever state soccer title.

CLASS 4A BOYS HOPE CHRISTIAN

The Hope Christian girls soccer team capped off the perfect season with a dominating finish. The Huskies beat St. Pius X 5-0 to win the 2022 Class 4A State Soccer Championship. Hope Christian wrapped up the season with a 23-0 record to win their second consecutive state title and seventh overall.

Hope Christian jumped on St. Pius X (14-5) early with a goal from Savannah Sanchez in the 12th minute. Ashlyn Salas gave the Huskies a 2-0 lead ten minutes later. Jaime Landavazo would give Hope Christian a three goal cushion off a free kick late in the first half. Sanchez would add a second goal in the second half in the 46th minute and Bryson Fankam would give Hope Christian their 5th goal of the day.

2022-23 State Championship Recap

CLASS 5A BOYS CLEVELAND

Cleveland's journey in the 2022 postseason will be remembered as a classic underdog run through the bracket. The 12th seeded Storm (13-6-5) upset #1 Centennial 2-0 in the Class 5A final to win the 2022 State Soccer Championship.

Cleveland was the last school in the 12-team bracket and went on the road to win three matches before taking down the Hawks (20-2-1) in the title game. After a scoreless 40 minutes, the first goal of game was the most surprising. Cleveland's Brayan Ramirez booted the opening kickoff of the second half 60-yards into the net to give the Storm a 1-0 lead.

Justin Cantrell gave the Cinderella Storm a 2-0 lead with a goal in the 63rd minute to cap off the scoring in the match. It's Cleveland's second state title in a five season span.

CLASS 5A BOYS ELDORADO

The girls Class 5A final was the most dramatic of the 2022 postseason. 100 minutes of action wasn't enough to decide a winner, so the champion was determined by penalty kicks. Eldorado beat Cleveland in PKs to claim the Class 5A State Soccer Championship.

All the scoring in regulation came in the first 20 minutes of the match. Eldorado sophomore Haley Robinson started the scoring just three minutes into the match. Cleveland would tie it up 1-1 on a goal by senior Maleah Quinones in the 17th minute. There were no goals scored in the second half, or in each of the two overtimes. By a 5-3 count, Eldorado beat Cleveland in PKs with Eldorado senior Serena Davis kicking in the game winning goal.

It was Eldorado's first appearance in the title game since 2015 and their first championship since 2013. The Eagles have won 12 titles overall.
