Finishes

Satin

The Satin finish that started it all. Our Classic Satin Towers boast a smooth, matte finish that both looks and feels great. With a wide variety of colors and styles available, there is a Satin Tower for everyone.

Glitter

Need more sparkle? Our Glitter finishes are made with a translucent material with glitter inside the plastic, so you won't have to worry about losing that shine over time. Now that's brilliant!

Specialty

This is where we have some fun! Specialty finishes are limited print runs that test the boundaries of injection mold finishing. This is where you can find some of your favorite prints and effects come to life!

Styles

Tower

The durable, injection molded plastic shell is designed to store and protect 100+ standard size trading cards in Ultra PRO Deck Protector® sleeves and includes a spacious bottom compartment for dice, coins, or life counters. The unique snap-fit locking mechanism causes a tight closure that keeps your valuable cards and components securely stored.

Cube

Everything you love about the Satin Tower, in a perfect compact size. The Satin Cube provides a durable, injection molded plastic shell that can store and protect 100+ standard size trading cards in Ultra PRO Deck Protector® sleeves, now in a compact size. Want to add some flare to your Classic Satin Cube? You can mix and match tops between Satin Cubes or any Satin Tower.

PRO-LINE

ACCESSORIES FOR EVERYONE

25 years ago, Ultra PRO put our mark on the gaming industry by creating the first TCG accessories. When we had only one line of deck boxes and sleeves, calling them the "Solid Line" was sufficient, but our line has grown, and today we have hundreds of amazing accessories for you to choose from.

To celebrate the 25th anniversary of the Solid Color Accessory Line, we are rebranding as simply the PRO-Line, featuring PRO-Matte, PRO-Gloss, and PRO 80+ Deck Boxes. While maintaining the same 16 colors you know and love, packaging and naming have been updated to bring the line together aesthetically for retailer shelves.

YEARS OF
INNOVATION

Ultra•PRO®

SIMPLIFIED PACKAGING MAKES CHOOSING EASIER THAN EVER.

Our PRO-Line packaging includes all the information you need in an easy, at-a-glance view.

- Large font for Gloss, Matte, and Deck Box
- Black tab for Standard Sleeves & white tab for Small Sleeves
- Simplified text on front to focus on size and count only

Additionally, "Deck Protector® sleeves" have been renamed to "PRO-Gloss Deck Protector® sleeves" to better differentiate from and align with PRO-Matte Deck Protector® sleeves.

AVAILABLE IN 16 VIBRANT COLORS - CONSISTENT ACROSS ALL PRODUCTS.

* 15+ PRO Boxes not available in all colors.

CHARACTER CLAMP

PROTECT | PRESENT | PLAY | PAINT

Ultra•PRO®

Ultra•PRO®

The Character Clamp securely holds a single figure's base in a spring-loaded clamp while a clear display surrounds the figure from all sides and above.

The display is secured to the base with a strong magnetic closure, ensuring your most prized minis are protected but accessible when you are ready to play. The base serves as a stable base for painting, allowing for more control both on the table or in-hand. Stack and display with confidence thanks to the recessed base design.

FEATURES:

- Miniature figure display and storage
- Sized for 28mm scale / 22mm base miniature figures
- Magnetic closure for secure storage and easy access
- Stable base for painting or display
- Base is recessed for easy and secure stacking
