MISSION

Our mission is to provide a complete academic program and collaborative family supports that empower children and families to thrive beyond the circumstances of homelessness.

VISION

To help break cycles of generational poverty, The Boyce L. Ansley School will be a pathway for our students to reach their fullest potential and thrive beyond their circumstances.

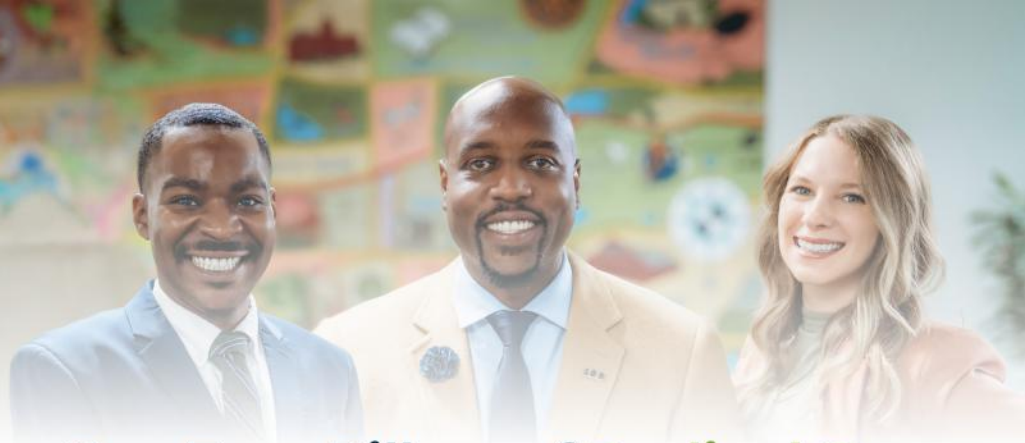

THIS IS HOW WE CARE.

Our values guide how we learn, lead, and show up for one another every day.

- Liberation – Freedom in learning, healing, and thriving together.
- Joy – Uplift through the highs and the hards days.
- Excellence – High standards that pushes us to refine every detail.
- Consistency – Predictable systems that build trust and safety.
- Partnership – Shared power between families, staff, and community.

EVERY CHILD DESERVES A SAFE, JOYFUL PLACE TO LEARN AND GROW. AT THE BOYCE L. ANSLEY SCHOOL, RADICAL CARE MEANS PROVIDING EDUCATION THAT HEALS, SUPPORTS, AND UPLIFTS. TOGETHER, WE CAN HELP CHILDREN AND FAMILIES THRIVE BEYOND THEIR CIRCUMSTANCES.

Our Four Pillars of Radical Care

Pillar 1

SUSTAINABLE SYSTEMS

Building the foundation to sustain and grow through 2028 and beyond.

- Prepare a permanent, fully equipped campus that serves students from K-8th grade.
- Strengthen financial health for long-term stability.
- Create vibrant learning spaces for academics, arts, and family wellness.

Pillar 2

LIBERATED LEARNING

Empowering every child to learn, grow, and lead.

- Empower students through real-world projects and mastery-based learning.
- Encourage ownership and confidence with student-led progress conferences.
- Achieve 100% high school acceptance for 8th graders.

Pillar 3

FAMILY WELLNESS

Supporting families for lasting stability.

- Provide therapy, family success plans, and wraparound support for all students.
- Launch an Alumni Network that keeps families connected long after they leave Ansley.
- Partner with community organizations to ensure lasting stability and care.

Pillar 4

INSTITUTIONAL & STAFF EXCELLENCE

Investing in people who make our mission possible.

- Launch staff residencies and leadership pipelines.
- Strengthen wellness, leadership, and operations to sustain excellence.
- Build a culture of wellness, growth, and belonging.

We are Radical Care in Action.

Radical Care is more than a philosophy — it's how we operate, teach, and connect. It is seen in our classrooms, in our family partnerships, and in the way our community shows up for one another.
