# OVERVIEW OF OUR GLOBAL SERVICES

ExpatRide Car Services are true global mobility programs, designed specifically for Relocation Management Companies and corporations. ExpatRide coordinates car service needs across 176 countries with our One-Point-of-Contact & Billing service directly to the RMC or corporation.

## EXPAT CAR LEASING

Our tailored expat programs allow assignees with no local credit history to individually lease vehicles without having their employer co-sign the lease. Our "Personal Car Shopper Service" gives the assignee the benefit of a skilled and knowledgeable contact person who understands the local auto market. The Personal Car Shopper will assist with vehicle options, quotes, insurance, registration, and delivery.

## CAR RENTAL - 25,000 Locations

The ExpatRide Car Rental Program is for assignees in need of vehicles from 1 day or longer to make their day-to-day or month-to-month rental experience more convenient. Eco-friendlier cars can be provided where available. No volume commitment and no minimum rental period required.

## CHAUFFEUR SERVICE - Weekly / Monthly / Yearly

This service is tailored to the assignee's needs, offering flexible daily chauffeur support, including weekends. It can cover the entire family's transportation—work, school, and errands—eliminating the need for multiple vehicles.

## AIRPORT TRANSFER & FAST TRACK - MAJOR AIRPORTS WORLDWIDE

A chauffeur will greet the assignee at the appropriate pick-up area with a tablet or sign displaying their name. ExpatRide's local provider will monitor each arriving flight to ensure that pickups on time.

## BUS SERVICE

Bus transportation in multiple cities worldwide, be it an airport transfer, a daily shuttle to/from the work site, or shopping trips. Vehicle categories range from 10-passenger minibuses (Mercedes Sprinter) to buses carrying 55 passengers.

## VIP SERVICE

Designed for top executives, our VIP service offers a smooth and premium mobility experience—featuring luxury vehicle rentals, professional chauffeur services, and fast-tracked airport processing.

## ECORIDE

EcoRide is ExpatRide's sustainable mobility solution, offering eco-friendly vehicle options such as hybrid and electric cars to lower CO<sub>2</sub> emissions without compromising on comfort or reliability.

## ECORIDE PROGRAM

### Greener Global Mobility

EcoRide is ExpatRide's award-winning global sustainability program for employee mobility, designed to help your organization reduce CO<sub>2</sub> emissions through smarter, greener vehicle choices.

The easiest and most impactful way of lowering CO<sub>2</sub> during an assignment is choosing the right transportation solution.

#### Vetted Global Supplier Network

Access to electric and hybrid vehicles across more than 100 countries.

#### Greener-First Vehicle Selection

EcoRide choice program is designed to always choose the eco-friendlier option.

#### CO<sub>2</sub> Impact Tracking

Emission reductions per client, region, or vehicle type, ready to support Scope 3 reporting.

#### Lower Daily Costs

Save on fuel, maintenance, and local driving fees.

By switching to hybrid or electric vehicles, the "CO<sub>2</sub> budget" can improve by 5-6 times. Electric vehicles produce zero tailpipe emissions, meaning every mile driven is instantly better for our air and our climate.

**1 ton of CO<sub>2</sub> emissions is equivalent to the following distance travelled by your car:**

## ELECTRIC

13,900 miles or 22,370 km

## HYBRID

5,320 miles or 8,562 km

## PETROL

2,433 miles or 3,916 km

"Our goal isn't to drive further or longer. It's to understand the **impact of every mile we choose to travel and how much cleaner that impact can be**. The point isn't more miles; it's better miles and doing better for our planet."

- Jesper Lovendahl, Founder & CEO, ExpatRide International

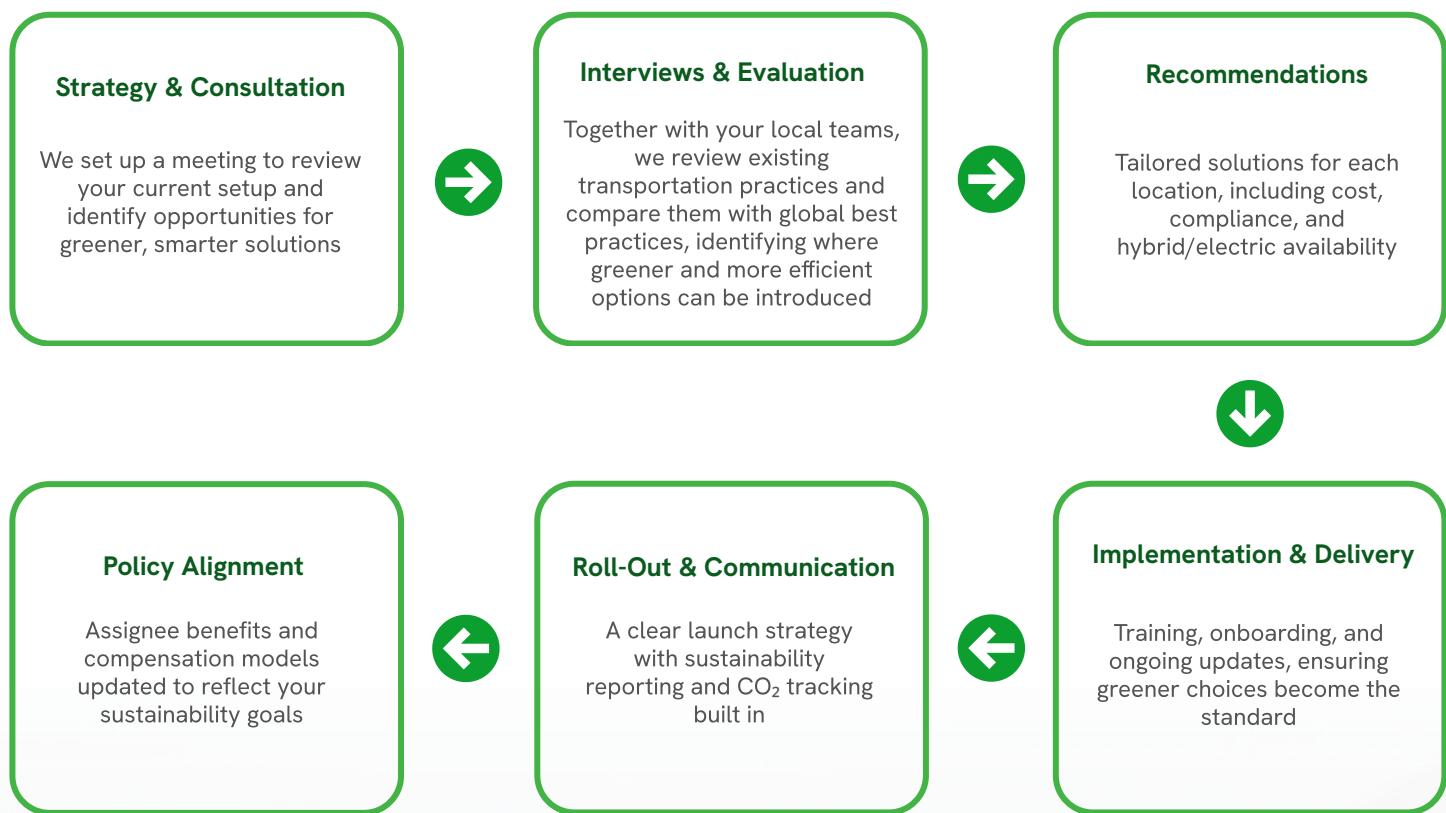

## Maximize the Impact

The **EcoRide Transportation Plan** combines ExpatRide's Corporate Global Mobility Transportation Program with our award-winning EcoRide sustainability initiative. This one-stop solution ensures your assignees have seamless and environmentally responsible transportation options wherever their assignments take them.

### The Benefits of a Transportation Plan

The **EcoRide Transportation Plan** is a crucial piece of your sustainability puzzle. Many companies overlook how assignees will get around in their new locations. We design a custom plan for your assignees, tailored to location, tier, and budget. By mandating sustainable vehicles in your mobility policies, you ensure lower emissions and real impact.

### How it Works:

## Minimize the Footprint

Significantly lower CO<sub>2</sub> emissions

Improve air quality

Reduce noise pollution

Help your assignees make better choices for a better planet -  
**Choose EcoRide** - Mandate sustainable vehicles - Accelerate the change.
