LETTER *from the* CHIEF EXECUTIVE OFFICER

Dear Inspirica Friends,

I hope this year has been a happy and healthy one for you and your family. We have seen unprecedented challenges regarding housing affordability in our state. Inventory is at an all-time low and our clients are staying in shelter and permanent supportive housing for longer periods of time due to this shortage. Despite the numerous challenges we faced this year, we served more clients than ever before, and Inspirica's talented team continued to work with clients to ensure that they all attained their employment, education, and financial goals.

As I reflect upon this past year, I am grateful for individuals like you, who continue to support us. We could never have touched so many lives without the generosity of our donors, the many corporations, foundations, local schools, houses of worship, and our Board of Directors who contribute to Inspirica in a myriad of ways. Together we are finding solutions that transform people's lives today and provide stability for future generations.

In addition to focusing on our clients' successes, we have made great strides in meeting the six imperatives of the three-year strategic plan that were identified as critical to furthering Inspirica's mission. Feel free to learn more and get involved with us by either volunteering, attending an event, or making a philanthropic gift.

Once again, on behalf of everyone here at Inspirica, thank you.

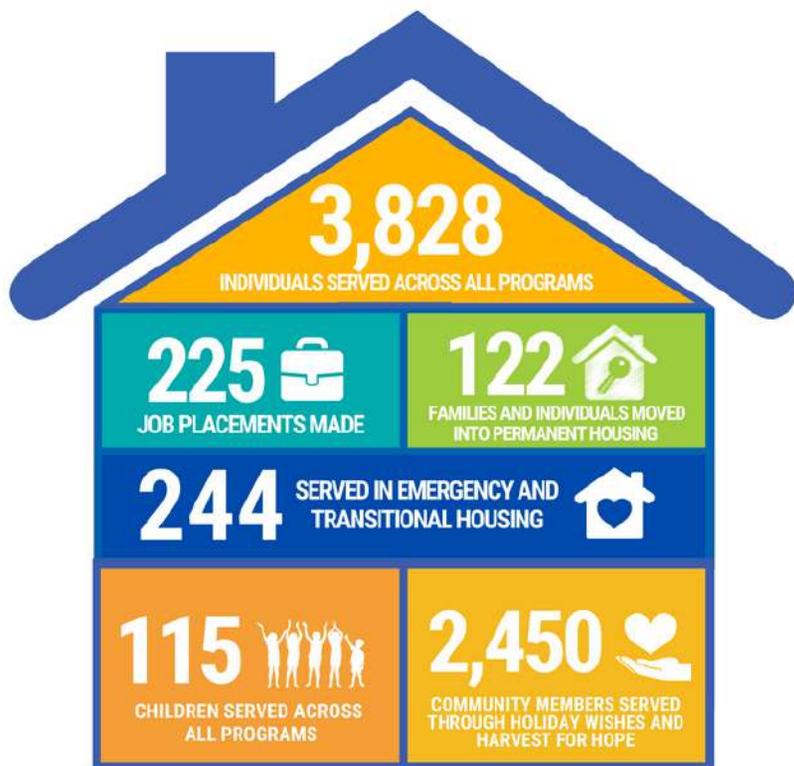

In Service Together,

DENISE DURHAM WILLIAMS
Chief Executive Officer

A YEAR *of* IMPACT

Our **vision** is a community where **everyone** has a stable, affordable home and *hope* for a bright future.

Results from Fiscal Year 22 (7/1/21 - 6/30/22)
