School Signs Made with Passion

Enhance your school's image and share your school values with bright and colourful signage that students, parents and staff will love.

Scribble Signs is an Australian-owned and operated manufacturer of school signage solutions and other school related products to Government and Non-Government primary and secondary schools throughout NSW.

Only the best quality, built to last in all Australian climates

We utilise the latest large format UV printing technology and print directly on high quality Aluminium Composite Material (ACM) to ensure that your signs will last for many years to come. Using the latest UV ink technology ensures our colours stay vivid and last longer even in the heat, wind, and rain.

We apply an anti-graffiti laminate to protect our ACM signs so that in the case of any vandalism the signs may be cleaned rather than having to be replaced.

Our framed signs, pencils, and totems are all made from aluminium with a powder coated surface before being wrapped in high quality vinyl which will ensure you get many years of quality use.

Installation and Support

Our installation team are all qualified tradesmen and hold the relevant certification to ensure you get a quality installation on the first visit.

As a locally owned and run business, we are always available to provide support when you need it. You can call us on (02) 4319 4919 and speak to a real person.

PBL & School Values Signs

Positive Behaviour for Learning, known as PBL is an evidence-based framework that brings together the whole-school community to contribute to developing a positive, safe and supportive learning culture. The framework assists schools to improve social, emotional, behavioural and academic outcomes for children and young people.

When PBL is implemented with consistency, teachers and students have more time to focus on relationships and classroom instruction.

THE BENEFITS OF SCHOOL PBL SIGNS:

- Establishes positive social expectations for all students.
- Supports students in early childhood settings through to senior years of schooling.
- Enables schools to establish and promote their school values.
- Will provide a framework for the school and its community to collectively
- Support the wellbeing of every student.

EFFECTIVE PBL SIGNAGE WILL:

- Reduce unproductive and challenging behaviour for most students.
- Make students feel safe and cared for at school.
- Deliver consistent expectations for student learning and behaviour.
- Make parents and community feel more involved in their school.
