### On Our Cover...

... is **HR BRANDYWINES ISLAY MURRAY MFK**, a female Boykin Spaniel. Owned by George Murray.

*"Boykin Spaniels are a small percentage of dogs that participate in HRC hunt tests, and I believe that most people are unfamiliar with this breed and its capabilities as a waterfowl/upland dog."*

### Do You Want Your Retriever On the Cover?

We're always looking for cover photos for HUNTING RETRIEVER magazine. If you have a photo you feel is cover quality, please send it in. Following are the guidelines:

1. All dogs in the photo must be UKC registered.
2. Supply the following along with the photo - the owner's name, contact information and HRC membership number, dog's UKC registration number, and a short write-up.
3. If the photo was taken by a professional photographer, written permission to reprint must accompany the submission; for example, an email.
4. Vertically aligned photos are preferred. All photos must be in focus, of sharp resolution, and in color. Digital photos must be 600 dpi. Send your photos by mail to: HUNTING RETRIEVER Cover, 100 E Kilgore Rd, Kalamazoo MI 49002; email to: [huntingretrievermag@ukcdogs.com](mailto:huntingretrievermag@ukcdogs.com); or via the UKC website, <https://www.ukcdogs.com/cover-dog>.

## INHERENT RIGHTS AND POWERS OF UKC

*\*(Revised December 18, 2009)*

United Kennel Club holds and has reserved to itself certain inherent rights and powers in connection with conducting its business, registering litters, transferring registrations of dogs, licensing events, and awarding titles. These inherent rights and powers include but are not limited to the following:

United Kennel Club has the right to inspect all reports, scorecards and documents related to UKC events. Some, but not all, of the items subject to inspection are:

- a) scores;
- b) disqualifications of dogs for fighting or other reasons;
- c) errors by the recording person; and
- d) documentation excluded for any reason.

UKC reserves the right to correct any mistakes found during such inspection whether or not the document has the signature of a Judge or Club Officer.

UKC reserves the right to itself and in its sole judgement and discretion, to take such actions and impose such sanctions as would:

- a) Bar an individual from entering or participating in any way in any UKC licensed event.
- b) Bar an individual from transferring or registering any pups or dogs in that person's name (joint or full registration) or to any member of that person's family.
- c) Bar an individual from receiving Championship points for any dog registered in that person's name (joint or full registration).

By way of illustration, the following constitute some, but not all, of the situations calling for the above sanctions:

- a) Falsification or alteration of a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- b) Falsification or alteration of any reports of wins issued to UKC.
- c) Falsification or alteration of receipts issued by UKC Judges.
- d) Switching, wrongfully using or attempting to use a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- e) Selling or attempting to sell a dog with false or incorrect UKC Registration Certificate or Pedigree.
- f) Intimidating, threatening, or injuring a Judge, Club/Association member or official, event participant or spectator, or UKC representative.

The six illustrations given above are only by way of example and UKC reserves to itself its inherent right and power to impose such sanctions in any other circumstances deemed appropriate by UKC.

Any individual who is found guilty by a court of law of a crime involving dogs will be barred from United Kennel Club for an indefinite period. A person shall be considered guilty in a criminal proceeding if they are convicted by a judge, jury, or if they enter a plea bargain or other arrangement to plea to a lesser offense, or if their case is disposed of by any form of deferred adjudication; a person shall be considered guilty in a civil proceeding if they are held responsible or liable by a judge, jury, or if a compromised settlement is reached between the parties.

UKC accepts all advertisements placed in *HUNTING RETRIEVER* in good faith. Purchasers should independently conduct any relevant research needed prior to acquiring animals, products and/or services from advertisers. UKC is not responsible or liable in any way for potential issues arising out of sales by advertisers, including but not limited to: dealings between advertisers and purchasers, actions and promises made by advertisers, or quality of products or animals sold by advertisers.

#### MEMBERSHIP INFORMATION

The Hunting Retriever Club is composed of individuals and clubs interested in the improvement of the retrieving breeds, in the training and testing of Hunting Retrievers, in the awarding of Championships to those dogs that pass the testing program, and in the fellowship, cooperation and learning that can take place when people and dogs, rather than competing with each other, are working together to reach mutual goals of excellence.

The hunts have been designed to closely duplicate actual hunting conditions and situations. The training aspect of the program and the four levels of competition allow dogs and handlers at all levels of experience to learn, improve and work toward Championships.

Your membership includes a year's subscription (6 issues) to *HUNTING RETRIEVER*, a membership card and a copy of the *UKC/HRC Rules and Guidelines for Hunting Retriever Tests*. Domestic rates (U.S. and possessions) are \$25 a year, \$30 a year for a family; (\$17.50 per year is designated for the magazine subscription.) Dues cover a 12-month period. Dues are to be sent to: Hunting Retriever Club, Inc., 100 E Kilgore Rd, Kalamazoo MI 49002-5584. Phone: (269) 343-9020.

Greetings all,

As we begin the hunt test season, I am excited to get back into the field and share some updates with you.

This spring, I have the honor of judging four anniversary tests. These events foster a unique atmosphere, and I look forward to the Saturday night banquets and raffles that make them so special for handlers, members, and judges.

On a personal note, my puppy, Coma, is progressing well through transition training. We have developed a strong bond, and I aim to have her ready for finished runs by this fall or next spring. Additionally, my veteran dog, Hootie, reached the 500-point milestone this past weekend. I will be proud to represent our sponsor, Avery/Banded, by wearing the 500-point jacket they designed for our members and judges.

Regarding organizational updates, the Hunting Retriever Club and the United Kennel Club have collaborated for over 40 years. Late last year, the UKC requested my input on a formal contract to outline our respective duties and financial arrangements. We are nearing a final version of this agreement, which will be submitted to the Board of Directors for approval at our National meeting in June. Having served on the Executive Committee for over five years, I believe this contract is a significant step forward for our partnership.

Best of luck to everyone running, judging, or volunteering at tests this spring and summer. Please remember that we are a community of volunteers dedicated to a sport we love.

If you have any questions, please feel free to reach out to me or any member of the Executive Committee.

I Love HRC, the People, & the Dogs...

God bless you all.

**Sarah Krause, Secretary**

Dear HRC Family and Friends,

It has been a wonderful spring so far, filled with hunt tests, judging, and the fellowship of our HRC community.

As a reminder, Charter Fee notices were sent out in February. Please confirm if you have received yours. Additionally, if your club has recently held elections, please visit [hrc.dog](http://hrc.dog), navigate to "Clubs," then "Club Admin," to update your new officer information. We require these updates ahead of our Annual Board of Directors meeting.

The Annual Board of Directors Meeting is quickly approaching, held in St. Louis, MO, on June 12 and 13, 2026. I always look forward to this event, as it serves as a family reunion where we can reconnect with friends from across all regions of the United States and Canada.

On a personal note, my son Kade married his best friend, Emma, at the beginning of March. Kyle and I are thrilled to welcome Emma as our daughter-in-law. They had the perfect, quiet, small wedding they wanted. We celebrated them again at Lone Star's 40th Anniversary test at the end of March. Emma became involved in our sport a couple of years ago after running her first Started test with Kade's dog, Koda. Although Koda is nearly nine and a couple of passes away from his UHCH title, he still loves running those Started tests for Emma.

Please join me in welcoming Mr. and Mrs. Kade and Emma Krause to the HRC family.

**Kristine Odden, Treasurer**

Greetings from hot-cold-hot-cold-hot-cold Oklahoma! Apparently, Oklahoma weather cannot make up its mind whether it wants to be spring or winter...

With spring upon us, it's great to see hunt test season ramping up again! I love seeing those pictures with happy smiles while posing with their retriever and ribbons! Our home club hosted another successful upland test in February, along with a bonus UHCH earned for our Journey girl! In looking back, the days of training seemed long, but the journey itself has gone by more quickly than I thought! I try to remind myself to enjoy the journey of training with our new pup – she has a LOT of energy, and my training time is a bit on the lacking side...

One great trend we're noticing in our area is how many young pups there are, along with a few new handlers joining our club. What about in your regions – new pups and/or handlers? We are always looking for ways to grow our club with new members – what do you do to promote your club? Sometimes, the most casual conversations with people you just "run into" create the best opportunities!

In closing, I want to give a big shout-out and congratulations to our own HRC President, Glen Scarborough, for earning 500 points with his retriever, Hootie! Seeing such great accomplishments like this stirs the drive and desire to keep pressing on with the training with our young pup!

Stay safe this Spring and see you at the line, whether in the judges' chair or at the line... eventually!

Blessings!

# A NEW CHAPTER FOR *HUNTING RETRIEVER* BEGINS

Greetings readers and Hunting Retriever Club (HRC) members. We're glad you found your way into our first-ever digital issue of *Hunting Retriever*, and we wanted to remind you of the changes that have been made to the magazine.

*Hunting Retriever* will continue as a benefit to members and will remain a **bimonthly publication**. We'll continue to publish every other month to deliver retriever coverage throughout the year, now online in this **digital magazine format** to feature the same news, reports, updates, and stories you've come to know and trust.

Be sure to bookmark the brand-new ***Hunting Retriever Magazine* webpage** to view the current issue and back issues, as well as to learn more about HRC and opportunities to become involved with the *Hunting Retriever Magazine*.

Scan the code below or visit: <https://www.ukcdogs.com/hunting-retriever-magazine>

The magazine has also moved to a **biannual print schedule**, with printed editions dedicated to comprehensive post-event coverage of the Spring and Fall Grand events. These two printed issues will allow us to preserve the tradition of commemorating HRC's largest events in a keepsake format.

Thank you for your continued support and loyalty as we launch into our next chapter!

Entries for the 2026 Spring Grand must be **ENTERED** on or before  
**12 noon CST March 25, 2026 at [www.HRCEntry.com](http://www.HRCEntry.com)**  
**Opening date to enter will be March 9, 2026.**

REQUIREMENTS AND POLICIES FOR PARTICIPATING IN HRC INTERNATIONAL GRAND HUNTS

**THE PREMIUM REQUIRES THAT YOU HAVE READ AND UNDERSTAND THE FOLLOWING INFORMATION:**

**ENTRY FORMS:** must be made online at [www.HRCEntry.com](http://www.HRCEntry.com). The participant will have until **12 noon CST March 25, 2026** to enter to be eligible for entry in this Grand Hunt.

### **IN ORDER TO ENTER ONLINE:**

- HRC Membership number for both the Owner(s) and the Handler must be valid as of the entry deadline date.
- A valid UKC Registration at time of entry deadline.
- List only one (1) Handler - the individual actually handling the dog.
- Electronic acceptance of the Release of Liability and certifying the immunizations of the dog are current and appropriate.
- Acknowledgment and acceptance of the terms and conditions of refund policies.

**CONDITIONAL ENTRY:** A Conditional entry may be received on or before **12 noon CST March 25, 2026** without a dog acquiring the necessary 100 HRCH points to enter the Grand event. It is the **OWNER'S** responsibility to ensure that his/her dog is eligible to be entered. Any dog entered in the Grand that does not have 100 points **PRIOR** to the Grand, will not receive Championship Points or Grand Pass credit, if the dog passes the Grand. Please contact the Secretary to remove the conditional entry from the Grand Hunt. Entry fee less \$200 scratch fee will be refunded to the Owner. **Plaque fees are not refundable.**

### **ELIGIBILITY - It is the owner's responsibility to ensure that:**

1) His/her dog is eligible to be entered (has earned HRCH); 2) The Owner listed is the Registered Owner on record with UKC; and 3) Both the Owner(s) and Handler have provided HRC Membership numbers and both must be **valid as of the entry deadline date of March 25, 2026.**

**ANY OF THE ABOVE ITEMS LISTED IN ERROR SHALL PREVENT THE AWARDING OF POINTS AT THE CONCLUSION OF THE EVENT.**

**LOGISTICS:** Handlers choosing to travel in the same vehicle must make their own logistical arrangements in order for each handler to be at the appropriate series when it is their turn to run.

**FLIGHTS/RUNNING ORDER:** Handlers MAY request being in a Flight with someone else and all reasonable attempts will be made to honor the request. Handlers sequence preference of running their dogs will **NOT** be accepted. **No changes will be made after the deadline date.**

**SCRATCHES:** Scratches no longer require a Veterinarian's Certificate (Illness, Injury or Bitch in Season). **The Scratch fee is \$200.00 after the close of entries.** This fee is not imposed on scratches with replacement dogs. Scratches prior to the close of the entries are fully refundable less any processing fees. A dog that has been scratched can only be replaced from that handler's list of dogs. To replace the scratched dog, the handler/owner must fill out the form (on the next page) and submit to the Secretary. Plaque fees **are not** refundable.

**Handlers - Check-In and Meeting:  
Friday, May 15, 2026**

Handler Check-in and Meeting - times will be announced at a later time.  
Bird ordering information will be posted on social media at a later date.

**COURSES:** Ducks, Chukars/Pheasants will be used in all hunts.

**PRIZES:** 40 United Kennel Club Championship Points

**ENTRY FEE: \$400.00**

**PLAQUES: \$42.00** Plaques of participation in the Grand Hunt are available by pre-order only and will be mailed directly to owner/handler by the company. The Grand is not responsible for the plaques. They are ordered through Entry Express. **Fees are nonrefundable for plaques ordered.**

# OFFICIAL NOTICE OF THE 2026 HUNTING RETRIEVER CLUB, INC. AND HRC FOUNDATION, INC. ANNUAL MEETINGS

The Hunting Retriever Club, Inc. and HRC Foundation, Inc. will host the 2026 meeting of their respective Boards of Directors on June 12<sup>th</sup> and 13<sup>th</sup>, 2026 in St. Louis, Missouri. The HRC, Inc. Board of Directors is comprised of the President of each HRC Club and the HRC Executive Committee. Each club is encouraged to send a club member or a designated delegate as proxy to represent their club. The meeting is open to all HRC members in good standing who are encouraged to attend.

Judges & Handler Seminar will be held on Friday, June 12th, 2026. This Seminar is open to the public.

**SHERATON WESTPORT PLAZA**  
900 Westport Plaza St. Louis, Missouri 63146  
Please make reservations by May 8, 2026, for discounted rate.

We are excited to once again be at the Sheraton Westport Plaza Hotel for our annual meeting! The hotel is located in the beautifully renovated Westport Plaza District and offers a variety of restaurants, shopping and entertainment venues within walking distance! Courtesy shuttle from the airport, as well as ample parking on site is available.

Registration information will be emailed to the Club President of record in April and links to online hotel reservations will be posted on the HRC website at that time.

**RESERVATIONS: 1-888-627-7064**

**DISCOUNTS:** to receive HRC's discounted group rate, you must register before the deadline and mention you are attending "the Hunting Retriever Club event at the Sheraton Westport Plaza".

**DISCOUNT DEADLINE:** May 8, 2026, for the group rate.

**QUESTIONS?:** Contact National Secretary, Sarah Krause If you need assistance or have questions, please email [secretary@hrc.dog](mailto:secretary@hrc.dog) or text **214-724-9724**.

# 2026 CIMARRON VALLEY HRC WOMEN'S SEMINAR

**W**omen coming from four states were welcomed to the Cimarron Valley HRC Women's Handling Seminar held on January 17. Despite 30-degree temperatures and brisk winds, participants arrived eager to learn and expand their knowledge of hunt tests and dog handling.

Beginning the day with classroom-style instruction covering hunt test terminology, test structure, scenario elements, and equipment, the goal was to build a strong foundation by clarifying commonly used terms and helping participants better understand how Started-level tests are organized and executed.

*Loading the gun.*

With holding blinds set up, participants moved into hands-on work. Women practiced heeling to and from the line, proper positioning at the holding blinds, maintaining control with "four feet on the ground," and managing the natural excitement of their dogs. Once bumpers were introduced, energy levels rose, bringing plenty

of laughter and learning opportunities along the way.

Gun safety was a major focus of the seminar. Attendees were instructed on the parts and operation of a shotgun, as well as proper loading, unloading, and safe handling procedures. Each participant had repeated hands-on practice to build confidence and familiarity. Approximately half of the attendees had never handled a shotgun, and only four had previously run a hunt test.

Dr. Julia Johnson of Britton Road Veterinary Clinic in Oklahoma City provided an informative session on field first aid. Topics included recognizing and treating heat

stroke, swimmer's tail, and other field-related concerns. She also led a question-and-answer session and offered guidance on assembling an effective field first aid kit.

Following a short lunch break, the group moved outdoors to run a Started test setup. As expected, there were a few "no birds," some enthusiastic duck tossing, victory laps, and playful moments—all valuable learning experiences. With the sun finally breaking through, participants practiced running two marks with a dog at their side. Each woman worked through the full sequence: approaching the line, sitting with the dog under control, loading the shotgun, blowing the duck call, shouldering and firing at the top of the arc, sending the dog, and safely securing the gun.

By the end of the seminar, many participants were already asking when the next event would be scheduled. Since that day, several women who had never entered a hunt test are now registering to compete.

*Safety and shooting the gun.*

*Working with guns and dogs.*

Cimarron Valley HRC is proud to support and encourage women in the sport. As more women step to the line, we encourage fellow members to offer support and applause—pass or fail. Every handler starts somewhere, and each team grows through experience.

Instruction was led by Sherri Rains (Three Rivers HRC) and Kathy Roll (Cimarron Valley HRC), with assistance from Katie Smith (Cimarron Valley HRC). The club extends sincere thanks to the HRC Foundation sponsor and all who contributed to the success of this event.

# GETTING YOUR DUCKS IN A ROW

*Two drakes on the left dropped as a double that made a challenging in-line retrieve. I'm already ready for next duck season. And some snow and cold weather up north before season!*

Rich Carpenter | 22039 County Rd 9, Weldona, CO 80653 | rich@theriverbottom.com

**B**y the time you get this, duck season will be well past, and you will be training or running spring hunt tests. For this hunter, the duck season was pretty much a disappointment with a combination of balmy weather and no snow. Maybe putting a heater in a duck blind causes warm weather like washing a car causes rain. But it's nice to dream of duck weather with some snow, no moon, and 13° below zero temperatures. For my area, I dream of my retriever and me rolling out at zero dark 30. The snow is dry and light, with each flake a little jewel in the headlights. With no traffic, we make great time, until maybe we come up behind the flashing

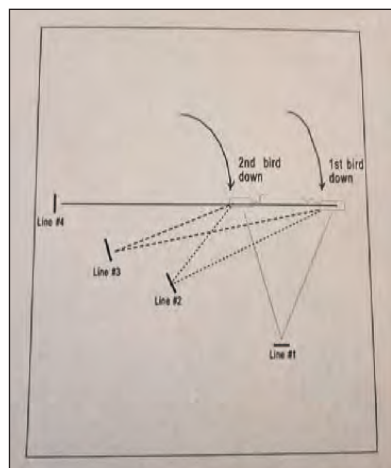

yellow and blue lights of a snowplow. Suddenly, the Christmas-card beauty of the fluffy flakes took on a new look, like the inside of a sack of flour. Our rapid pace hits a real snag, but we continue to our date with the ducks.

Cold weather with the river frozen. A duck blind on a steaming spring creek, with a heater, a trained retriever, not another hunter within a mile...It just doesn't get any better than this. We are there, get set up, and are waiting. Soon, the dog slips out through the dog hole to check things. She returns and rolls her eyes, as if to say, "A few flippin' ducks would help!" Truly. Everything seems right except the birds. It continues to snow.

I go about 35 yards downstream of the blind, on one of the trips to slesh snow off the decoys, when a small hawk sails past. I notice the hawk is pulling up to land. Land it does, on a branch used to brush the blind, about 3 feet above the dog's head. She sits frozen while the hawk approaches and perches there for two or three minutes, then flies off. She still sits. Standing there in the water, I can't help thinking, "That's why I train several times a week for most of the year and run Finished HRC tests." Sure, it wouldn't be the end of the world if the dog starts bouncing around and keeps the hawk from landing or shags it upstream for a couple hundred yards when it flies. But it would have been a different moment and certainly a pea-into-orbit whistle blast, and old geezer Rich, bellowing "SIT!" in the frosty air, would have shattered the tranquility of the moment. And, at this stage, tranquility is all we are tucking into the game bag.

It's amazing what a duck-less day will do to a hunter's mind if he also trains his hunting dog. The dog never gives up hope, but I usually take to daydreaming about the kinds of shots and retrieves that could (hopefully) be presented from this blind. Once it got so bad, I finally smoothed a crumpled receipt on the side of a box of steel BB's (no geese flying either), grabbed a pencil, and started jotting notes on this topic.

Now I'm sure you don't want to hear all the fine shots and retrieves that were daydreamed about, but I do want to address one of the retrieves: The in-line multiple mark. What is an in-line multiple mark? From the dog's viewpoint, it is a situation where two or more birds fall in a straight line from the retriever. Over-under is another term used for these marks. If you hunt alone and shoot like I do, you probably don't need to worry. But if you hunt doves, are a good shot, or hunt your retriever out of a blind with several hunters, you are going to see in-line marks fairly often. A few hunting scenarios: You have a hot spot at the edge of a water hole during dove season.

There are various ways to teach in-line marks. This way seems to help some dogs having trouble with the concept.

It's late afternoon, and the birds are coming to water. Here comes several. Bang. One down in the heavy cattails at 45 yards. Bang. The second falls 25 yards out in knee-high cover, but in line with the first bird down. Or you are calling your ducks, but they seem reluctant. You decide to take them if they come within range. They turn over land and come over you

Old graybeard retriever says, "Wake me when you got an in-line triple of big honks the young dogs can't handle."

from behind, low. You drop the first at the far edge of the decoys, and the second drops about 30 yards beyond in the cattails. Or you and a friend are in the blind with your retriever. Three teal are screaming upriver. You have no safe shot, but your friend manages a triple, with the falls scattered in a straight line on the near bank. These last two situations are basically the same to the dog, with the triple obviously more complicated than a double, but these scenarios where the last bird down is the farthest tend to be harder for most dogs to keep straight in their minds than the first situation, where the near bird is the last down. With a lot of dogs, especially if inexperienced with in-line marks, they run across the first bird down while heading for the last bird down. Now the confusion comes. In any event, these are tough marks, and one does not see triples as often as doubles, though in hunting and hunting tests, two of three birds may fall in-line.

Why this retrieve? Well, the in-line mark seems to be one that doesn't get trained for much, despite its value in hunting. And it generates a lot of heat in training and testing circles, even though it is a fairly common hunting situation that a retriever needs to deal with. In HRC hunt tests, when judges have offered up an in-line double, and I've surveyed the gathered handlers, I sure see a lot of eye-rolling and camo britches getting damp just above the hip boots. Later, there is a lot of gallery chatter among the handlers and spectators.

The topic of in-line marks doesn't get much attention in retriever training books, and most of the attention it gets is field trial related, and one is often warned off the whole notion in testing situations. Many feel that any in-line marks, but particularly landmarks, are trick tests and have no place. This variety of retrieve has been the subject of some strong words between trainers, a number feeling that you shouldn't train for in-line marks. They feel it screws up a dog and doesn't fit with a lot of training programs, and may delay a dog's progress to a title. Well, you'll have to decide your priorities if there

*No in-line birds in Finished test this day, but always good fun to see one of your club members or training group members float their hat at the HRCH title swim.*

is indeed a need to choose between quick ribbons and having a hunting dog that takes real-life hunting situations in stride. I don't know how it is elsewhere, but I've seen in-line tests a number of times in both Seasoned and Finished. Anyway, for what it's worth, here are a few thoughts on training for in-line doubles. If you want to work on in-line triples, I think you can see ways to apply the notions. I think you can also see that for triples, the combinations and opportunities to add complexity to an already difficult set of marks increase rapidly.

I'd guess you new HRC members are probably here because you want a good hunting dog. Fortunately, we have the good fortune of having good, realistic hunting scenarios in HRC tests, so it doesn't have to be either a good hunting dog or a good test-running dog. However, if you are purely ribbon-driven or want to see your dog run tests like a field trial dog, there are a number of things that you'll probably choose to do a bit differently than some of us muddy hunters whose primary goal is the hunting field. We hunters may choose to give up some spit and polish in order to have some other things more important to us. For example, many of us choose to ride the fine line between giving the dog the almost excessive independence needed to be a great hunting dog and yet keeping the control that makes that great hunting dog hunt for us, not for itself.

Before we start, if you are new, recognize that dogs are like people: each dog is different, each learns at a different rate, and different dogs find different things hard to learn. In-line marks may be your dog's cup of tea or Waterloo. If it's the first, be happy. If it's the latter, smile and slow up, try some different ideas, go away from it, and let the dog mature and get more experience. Be sure you have the basics done before you start worrying about advanced

concepts like this. If the dog isn't steady, doesn't know how to deal successfully with marks that involve a variety of terrain, wind, cover, order, etc., go back to square one and do it right. At any rate, here are a few thoughts on training for in-line marks. No gospel, no promises. I'm no expert and no pro. I'm just another HRC muddy hunter who enjoys training my hunting companion.

Not to beat a dead horse further, Gentle Readers, but again, this is not beginning marking work, so be sure your dog is well along with doubles. If you are having problems with the dog switching areas or birds on marks (leaving one bird or area of fall to go to another bird or area), you are not ready to be trying to teach in-line marks. If you have just been through one of the drills to stop switching, like corn-cobbing or dirt-clodding, the timing isn't right to work on this without introducing confusion.

But how do you actually teach in-line marks? Well, one way I've seen is just to start the dog on them, usually on a football field or other area where both dummies are clearly visible. To start with, the falls are separated by a considerable distance, and the farthest bird is thrown first, so that the dog is likely to retrieve it last. This avoids starting right out with a problem the dog will later need to work through, grabbing the near bird while heading for the far bird. Once this is working OK, then the order of throws can be reversed, and the spacing of throws and the distance from the line to the marks can be varied. In these marks, depth perception and visual acuity are likely quite important and may explain why it comes much easier for some dogs than others. After the no-cover marks have been run with the different variables, the teaching can be moved to some moderate cover. This is not likely to be during the same training session. You have to know your dog, but I don't see many people who want to wear the dog out or frustrate it with a drill that can be pretty confusing for some dogs. It's probably good to just work on this a bit now and then, along with the regular mixture of normal marking practice and blind retrieve practice.

When moving to cover, remember, we are teaching. We are not testing. The quiz doesn't come until there is reason to think that the skills have been learned. Since we are teaching, we should try to do everything to make the dog successful. What does that mean? Start simple, don't make the first cover in-line double a set of marks in head-high cattails or a uniformly knee-deep grass or alfalfa field. Look for some separation between the kinds of cover that the first bird falls in and the cover the second bird falls in. Think about having the far bird in no cover if it is the memory bird. Perhaps have the near bird out of sight in cover, if the second bird down is the far bird. Have the thrower ready to help the dog find the bird immediately on the instruction of the handler, if the dog is having difficulty.

When you are throwing these marks, use surveyors' tape to mark a target, and then have each throw land in the same place, if you need to re-run the set of marks. We are teaching a concept, not challenging the dog on the individual mark at this point. Make the throws short enough to guarantee accuracy. If one misses the mark, take the dog off line, toss it a few fun bumpers or other marks in another area, and come back for fresh thrown marks on the targets.

On these introductory in-line marks in cover, again start with the near bird as the last bird down, to get initial success. If the dog is having trouble getting the separation and order in mind, try throwing one bird on land and one on water. Here, it is probably best to have the water bird be the last bird down and be the near bird. Many young dogs are much more excited about a water mark than a land mark and are apt to change their normal order of retrieve of a double (last down, first picked up).

Remember, we are training for hunting, so begin adding in the shotgun and use birds as well as dummies. Use dead birds. If a hunting dog notices a live bird on the way to the far bird, it doesn't seem reasonable to expect the dog not to divert to this "cripple." Later at the Finished level, you'll probably want to be able to exercise this control in the unusual circumstance when it's needed. Speaking of Finished, as you advance, you may want to revisit this drill, with two of the three birds of a triple being in-line. The difficulty of these triples will be affected by which birds fall in-line, how far out they are, sequence, etc., as well as the normal factors affecting triple marks.

Be alert when sending your dog. You need to know your dog, giving it time to sort out the puzzle, but not delaying enough to where the dog's attention moves to the other mark. If you are working doubles and paying attention to your dog, you know this; you just need to remember it, so you don't add to the challenge.

There is another way to teach the in-line, and it is the one I think that eases the learning for many dogs. So, you may want to try this right out of the box, rather than the previous method. Certainly, if your dog is having trouble grasping the concept, try this. It seems to work better for some dogs than others, but it seems to have been helpful for most dogs I've seen running it. I do think dogs learn differently, and that some dogs seem to be more "thinking" dogs, giving the impression that they are solving a puzzle in their fashion, rather than just dealing with the challenge straightforwardly as it appears on the surface. Some dogs seem to look at a mark and say, "How can I get to that fastest?" Others just crash the straight line. Training will alter this for many dogs, but they do seem to differ in their natural approach.

Anyway, the other way to approach this is based on the notion that a dog will dope out some situations if given an opportunity. If you don't buy that notion, then you may

*If you are not a member of a local HRC club, please find one. Membership can help you be a better trainer and enjoy lots of fun at club events, like this annual fundraiser auction that this club holds. Doesn't get much better than running your bud's bid up one too many times and ending up with more junk you can't use.*

want to toss this approach on the scrap pile. What we will do here will use the same clear field before moving on to more and more challenging cover that we did the other way. The difference is that we will let the dog see the marks as separate marks, then gradually shift the position of the dog from the broadside view to the in-line view, with a couple or so intervening lines to run the marks from. Again, the marks MUST go in exactly the same spot. The notion is to show the dog how a set of in-line marks really land in relationship to one another. This becomes just critical as cover is introduced. Re-tossing the marks Willy-Nilly is worse than not running it for most dogs, as you'll just screw them up and frustrate them and you. The accompanying diagram may make this approach clearer.

As you work with this, remember to work up gradually in the challenges of cover, separation in distance, etc. Don't forget, you tighten the same set of marks by backing up, and you reduce the apparent separation of the in-line falls when the distance is increased. Use these things to your advantage and adjust to each dog. Add more intervening retrieving lines in the arc between broadside and in-line, if needed for an individual dog. The dogs will differ in how they pick this up. Don't worry about it if your dog wrestles with this and does most things well. Some of us find math difficult, and others of us are really challenged figuring out which way to turn a nut to tighten it. If the dog bogs down, go back to the previous successful spot and re-run. If it's all going down the toilet, toss each as a single from the broadside position, give the dog a fun dummy in another location, and call it a day. Remember, this should be fun for the dog and us, even though we are teaching some serious skills. Once the dog understands the concept, what's normal for dogs varies. Some will always go for the near bird first. Some will always go for the last bird down. Some will randomly mix it up. As long as they succeed in getting one after the other, I don't

*Now there's a bird that frequently doesn't play fair! If you give your retriever an in-line double of roosters, you better be sure they are graveyard dead, or the mark locations could be moving targets with these running rascals.*

think it matters.

Good luck. I hope that come next hunting season comes, your dog has lots of opportunities to get your ducks (or doves or geese) in a row! Maybe you'll even be glad to see an HRC hunt with the judges tossing in a nice in-line mark that is part of a good, realistic hunting scenario. Good training 'til it's time for more good hunting.

#### **ON A DIFFERENT TOPIC**

This is the time of year when many new HRC members come on board. Welcome. I hope you and your dog benefit as much as my dogs and I have from the associations with a lot of people who love to hunt and love to train hunting dogs. Perhaps even more importantly, a good number of these HRC people are also sort of retrieving evangelists and are just driven to pass on the good fortune they have enjoyed. Get active in your local HRC club and try to attend and participate in every event. Run licensed HRC hunt tests that have setups with hunting realism. Help out with events. Plan to become a judge. You'll learn a lot, help the club, and find out who the knowledgeable people in your club are. And soon you'll be an old hand, helping out newcomers like you are now. If you are just starting out training, you'll hear a lot of conflicting information, or information that at first seems conflicting.

Hang in there. Don't be afraid to ask questions, and particularly the question, "Why?" Don't be critical of the excellent trainer who has no idea "why," but knows that it works and whose dogs show it works. You can learn from that person. By the same token, lend an ear to the trainer who has a lot of ideas and knows a lot of "whys," but somehow lacks the ability or desire to train a dog to perform according to that knowledge. Most of all, read everything you can get your hands on and watch every training video you can find. Train with everyone you can wangle an invitation to train with. Go to licensed hunts and watch some Seasoned and Finished dogs. Ask handlers how they trained their dog to do the things you are still dreaming about with your pup. Ask to judge a fun hunt with an experienced judge; it's a great way to see and learn a lot.

There are a lot of different ways to train, and you'll no doubt develop your own style. But it's easier and will save you a lot of delays if you can shop from a variety of styles. Try to become part of a training group with some more experienced members. If you have the luxury, see how different training groups operate, in case you want to start one sometime. You'll likely find that different people in training groups have different functions in the group: for example, different people focusing on different aspects, like the planner, the set-up brains, access to grounds, bird source, teacher, equipment, providing primer poppers, etc. In our group, my special functions are harassing my training buds and, when done training, sipping a cold one while talking dogs on the tailgate. Generally, it's best if all in the training group tend to approach training with similar philosophies.

Hey, in case someone neglected to tell you. This hunting retriever stuff is about having fun. If you aren't having fun training dogs and running HRC events, you are doing something wrong. It ain't all beer and skittles, but seriously, even though we all have frustrating training sessions and maybe get our underwear in a bunch over some club business, this is about having fun and enjoying getting your dog and you ready for some great future hunting experiences. See you in the gallery. Get trainin', hear?

# THE SENIOR GAMES

By: Lynne Frady

**M**any of you have just renewed your love for the Olympics. That fantastic two-week span of sports and athletes that you love to cheer for from Team USA. I have no problem saying I am an Olympic junkie of both the Summer and Winter Olympics. Most of these athletes are under 30 years of age, with a few older athletes sprinkled in.

How many of you have heard of The Senior Games? The Senior Games is an Olympic-style multisport event held at the local, state, and national level across the United States and engages over 100,000 participants ages 50 and over.

At the National level, these games, held biannually, host over 11,000,00 participants competing in over 25 different sports. This world-class competition gives athletes 50+ the opportunity to show their talents and

accomplishments and to inspire others to do the same.

Why am I writing about this in the HRC magazine? What about our senior dogs? Is there a time when they are too old to compete in HRC Hunt Test and hunting? This is not an easy answer because each dog is different, just as each athlete is different. To think your dog is not an athlete is a mistake on your part. Think about the hours we put into our dogs' training to get them to the level we want. Some of my clients train their dogs for hunting only, and others get the bug and train for a hunt test. I have always believed that the two go hand in hand. Hunt tests fill the void between hunting seasons and help keep our dogs' skills honed and in top physical shape.

The question of "when is your dog too old?" is a hard decision to make. Your dog may be telling you that their body is not capable of doing 100-yard blind retrieves in a

swamp or where there is thick marsh. Sometimes pride gets in the way of good judgement, and we run our dogs past their capabilities. Your dog may have been on fire when they were 5 years old. Now they are 8 years old, and the heart and desire are still there, but their body tells them something else.

We have to understand that our dogs give us 110% everyday, no matter their age. You get out the shotgun, and a few ducks, and that 8-year-old dog is once again 3 years old.

Sky is 10 years old now and is a prime example. Her muzzle is white, as are her eyebrows and the fringe up her back legs. She takes a daily regimen of Cosequin and a Galliprant twice a week. On this regimen, she still acts as if she is 5 years old, only with a few more naps. She will train as hard now as she did when she was younger. Give her the opportunity to blow the bottom out of any body of water, and she will do it. The only problem is that if we let her train like she did when she was 5 years old, she won't be able to walk for two days, and will barely move.

At what cost are we willing to push our dogs for that next title or hunt? Your dog will never tell you, "OK, I guess I need to slow down now because there ain't enough Aspercreme and Tylenol on the plant to fix that training session." It is up to us to make the call.

As our dogs age, does that mean they are ready for the recliner and the life of a couch potato? Absolutely not! It means we have to learn to train, hunt, and do hunt tests smarter.

Hunting on rivers and big water, no, but you can hunt potholes and ponds where the water is not so big that you have to worry about them going under on the way back from retrieving a duck. What about training? Of course, you want your dog to stay in top physical condition no matter what their age. Do shorter training sessions with shorter marks and blinds. Your dog loves to train no matter the distance. It is more about spending time with you and doing what they love, rather than the distance. This gives you both a chance to learn how to train a little differently and smarter, and still have fun.

What about HRC Hunt Test? This one is a little tricky. Can your dog learn to slow down and run at their own pace, or are they still going to run like a thoroughbred at the Belmont Stakes? This is where you have to make the

call and understand that it's not worth risking your dog's health to run a test. This might be the time you think about bringing in a pup and letting your older dogs help them learn the ropes. Hunting a young dog with a well-seasoned dog is a bonus worth considering. The older dog still has plenty of life, and it should be lived to the fullest.

I have a client who hunted his lab this past season. He is 14 years old now. Now they hunt small bodies of water and have to hunt when the temperatures are not too cold. They also only go out for a few hours in the morning, come in for lunch and a nap, and on good days, they go back out in the evening. Nonetheless, he still loves to hunt, so the modification was made, and he is still an incredibly happy, well-seasoned dog.

As for Sky, she still has her daily training sessions, just modified; she still helps me with my obedience clients, she has never met a dog she didn't like, and she loves to upland hunt. Upland hunting is a great form of exercise. She does not care if it's wild birds or birds on a preserve; they all have feathers, and she gets to do what she loves. As for hunting waterfowl, we have had to stop hunting water. I have never been able to teach her to just slide into the water. She leaps in with such force that too many water retrievers leaves her lame for a week. Don't think that she doesn't get to go swimming anymore. We leave the shotgun at home, and we throw only a few bumpers, and the rest is just a fun time in the water for her. Is that what I want? No, because I know how much she loves it. It is worth breaking her down, no, that is not fair for her.

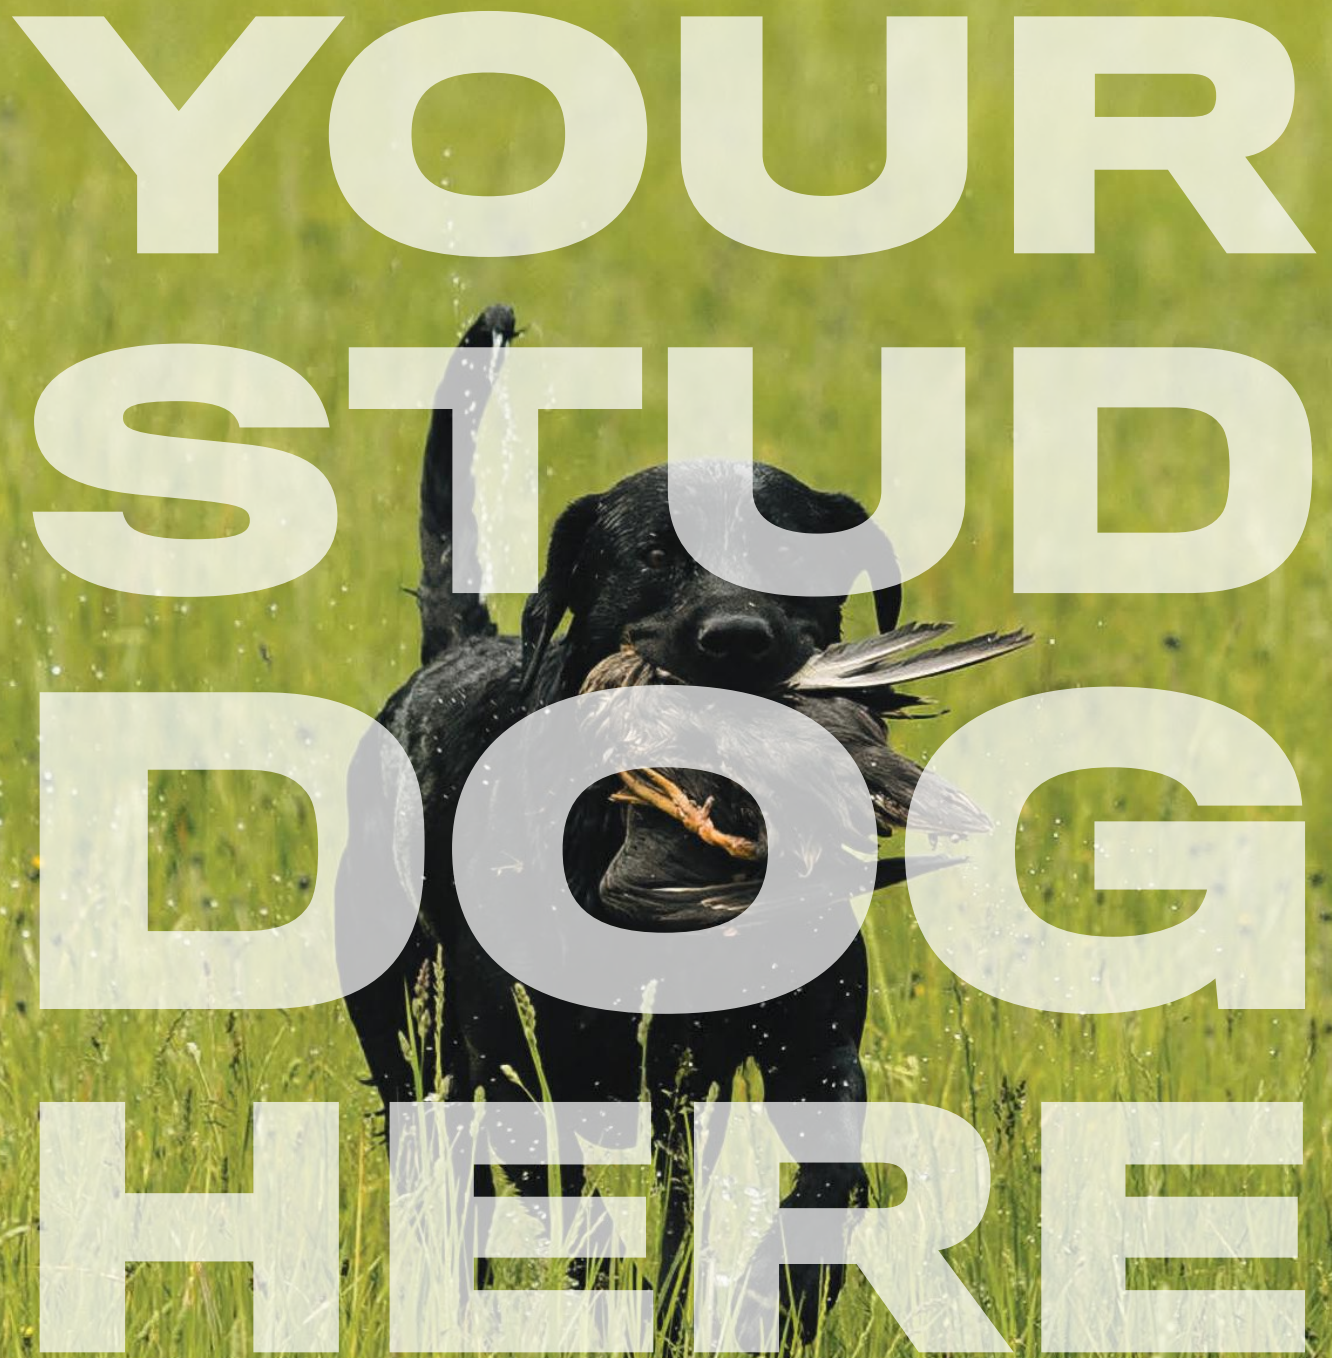

I would still love to play softball at the top of my game, but injuries and time do not allow that anymore. So instead, I shoot archery tournaments and hunt, not a bad trade.

The next time you spend a day in the field and see ole Rufus get up off his bed the next morning with a stiff body and a limp, maybe it's time to think about your senior dog and the modifications you could make to keep him healthy and injury-free. We have to remember our dogs are giving us all they have to fuel our ego. Maybe it's time for us to put our egos aside and make sure our dogs are living their best lives. Lord knows they deserve it after all the years of hard work they have put in training, hunting, and running hunt tests. An extra nap on the recliner: Priceless! To the Senior Games, we go!

Until next time, keep your nose in the wind!

## ATTENTION, ALL HRC CLUBS!

If you would like to have your club report included in the Region Reports section of HUNTING RETRIEVER, please follow these guidelines.

- First and foremost, be aware of the magazine deadlines. Each Public Relations Representative must observe the magazine deadlines, so make every effort to get your material to them well ahead of each deadline. They will need time to compile all the club reports into one document, so don't wait until the last minute to send or e-mail your information to them.

The deadline is the 15th of January, March, May, July, September and November (or the next business day thereafter if the deadline falls on a weekend or holiday). That is the final date the material must be into the magazine, therefore, ideally, all club reports should be received by the Representative no later than the 10th.

- Any club reports sent directly to HUNTING RETRIEVER magazine, bypassing the PR Rep, will be returned to the sender.
- If your club is not going to submit a report, be sure to let the Representative know so they are not waiting on it.
- Very Important! If you are emailing photos, please send each one as a separate

attachment, and please supply photo captions for each photo. Please don't embed the photos in your text document as this changes the values of the photos, making them unusable.

- Please don't alter the photos in any way - including changing the file size or the resolution, and cropping. Please remember that all digital photos will reproduce at the same resolution at which they were taken. A photo taken at a low resolution photo will remain "low res" even if it is "bumped up."
- Please furnish clear descriptions and/or captions for all photos.
- \*If the photos were taken by a professional photographer, written permission to publish must have been obtained, and a photo credit must be included.
- Region Report Content Guidelines: The following can be included in the Region Reports: Hunt test descriptions; hunt test photos (group pass photos, for example); items that will be of interest to all national members; photos that relate to the report.
- Please proof all of your material before sending it to the Public Relations Representative.

**Luther Marsh HRC – Submitted by Sue Snow.**

We are only just into 2026, and our club has already been very busy! January brought our AGM, where a new executive board was elected: Dwayne Clark (President), Gerry Wickens (Vice President), Dave McClennan (Treasurer), and Sue Snow (Secretary). February brought Luther Marsh sponsoring a Judges' and Handlers' seminar, and in early March, we held an upland training day for members and potential members. Club members will be able to put this training to the test at the end of March with our annual Upland Hunt on March 28th. The preparations have begun for our Regular Hunt, August 8th-9th. If you are interested in our training days or joining the club, please reach out to [luthermarshhrc@gmail.com](mailto:luthermarshhrc@gmail.com). Looking forward to seeing everyone throughout the year!

**Conowingo HRC – Submitted by Tom Clifford; Scott Fosterling, President.**

Although the winter was unusually harsh in the Chesapeake region, many Conowingo HRC members enjoyed their best waterfowl hunting in years. The last few weeks of the hunting seasons were fantastic for those who had access to open water.

Now that Spring is arriving on the Susquehanna Flats, CHRC members are getting back to their training routines and readying for hunt test season. We are looking forward to hosting our spring test, along with our famous tailgate dinner and raffle, at Gaby Buck's beautiful Mt. Ararat Farm at the end of May. Please look for the date to be announced.

Our training days take place on the 4th Sunday of every month. If you would like to participate as a guest, please contact us through our website or Facebook page. We look forward to seeing you and your pup.

**Granite State HRC – Submitted by Jeffrey Enos, President.**

The Granite State HRC would like to welcome our new board of directors:

Michelle Light, President; Kevin Ostrom, Vice President; James Cropsey, Treasurer; and Thomas Loeff, Secretary.

Everyone would like to thank Michelle and Joe for hosting the annual meeting again. The prime rib was outstanding. Everyone's contribution was delicious. As the club enters the spring season, it's good to see members actively participating in group training. Watch our Facebook page for more information and be proactive in sponsoring a training day.

A member welcomed a new baby; Kevin and Victory had a baby girl, Elouise. I am sure she will be throwing marks for Kevin soon enough. Jeff Enos has welcomed a new litter of puppies, just in time to give Whiskey enough recovery to go to the Spring Grand. No, don't ask, they are all spoken for. The club would like to welcome new members, Alana Cholewa and John Deperrio. John is getting one of Whiskey's puppies, and we expect big things from that team.

**Guns Up HRC – No report submitted. Tim Soucy, President.**

**Hudson Highlands HRC – No report submitted. Robert Tunney, President.**

**Lake Audrey HRC – Submitted by Luann Ribel, President.**

Well, it's that time of year, and Spring Hunt Test season begins. Here at Lake Audrey HRC, we are working on our upcoming April 2026 Hunt Test. We hope to see you all there. Saturday, we will have our Tailgate, play raffles, give out ribbons, and enjoy spending time with friends. Come and help make our hunt test a success!

Hello HRC Family, duck season across the Carolinas ended with 10-16 inches of snow, depending on where you're located throughout the region. And as usual, the polar blast brought the birds along with it,

but it was a little too late for most to salvage the season after a fairly warm winter. Looking forward, BHRC members are looking forward to training days and testing. Good luck to everyone campaigning this year.

This spring, we kicked off our test season with a Upland Quad. It was a great time, and I want to thank all the judges and club members who worked hard to ensure we pulled this event off smoothly. It was a good change of pace to see the versatility of these dogs.

With no time to rest, we kicked off our spring hunt test just two weeks later. It was good to see all our HRC friends and the progress they have made with their dogs. It's always a good time testing the dogs at Shadow Creek. Can't thank Clint and Lisa

enough for allowing us the opportunity to use their beautiful property.

Wish our members the best of luck as they chase their 2026 goals.

**Middle GA HRC – Submitted by Brittany Maxey; Lane Blanchett, Club President.**

Middle Georgia HRC has kicked off the year with great momentum. We are excited to welcome several new members to the club and look forward to continuing to grow our community of handlers and dogs. One of our goals this year is to host frequent training days to help members develop their skills and strengthen the bond with their dogs.

Our hunt test, held March 7–8, was a tremendous success. We celebrated multiple new titles, had an outstanding turnout for our

youth handler event, and enjoyed a weekend filled with great dogs, sportsmanship, and fellowship. Keep an eye out—our fall test will be our TEN YEAR ANNIVERSARY!

We would like to extend our sincere thanks to all the handlers, volunteers, and supporters who helped make the event possible. Your continued support plays a vital role in the success and growth of Middle Georgia HRC.

By the time everyone figures out where to find this magazine issue online (with the exception of two issues), most everyone will have already had training days, run spring hunt tests, and the weather here in the south will probably feel like summer! It sure was a long, cold winter down here with some very unusual weather patterns.

Midlands had a busy February with a well-attended training day and our annual Club meeting. This article is being written in March with our spring hunt test a week out, and unfortunately, my deadline is before the test. So news of that will have to wait until the June/July issue.

Our training, as mentioned, was well attended. We had many new faces in attendance and gained some new Club members. It was a beautiful, sunny day, and we were on some great property. The setups were a bit advanced for some dogs, but they gave it a shot. With some help from the bird techs, most of the dogs ended on a successful note. I even ran our older dog, Maverick, who is my resident house dog and pretty much a couch potato without the couch! He was thrilled to get some birds, but, being out of shape and the marks being longer than mine just throwing a bumper, he decided he did not want to do the blind and just lay down! Sadly, I didn't get to try my hand at handling on a blind if needed, but Maverick was happy. Our lunch was prepared by Drew, who had brought his griddle to cook hot dogs and hamburgers on. Chips, drinks, and cookies were provided.

Our annual Club meeting was held at the Palmetto Shooting Club, where we have had our meetings before, and, as has been the case, Midlands provides for the members to shoot a round of sporting clays before the meeting. It was a day that started out rainy and cold, so some members opted out of the shoot. The Club provided lunch, and our meeting started with the outgoing president, Steven Highsmith, speaking of his time in office, and mentioning some ideas he had looked into and hoped the new Board would follow up on. Outgoing treasurer, Lee Lybrand, gave us a treasurer's report. Drew Ellyson, our region's new Running Rules Rep and Club member, then presented the running rules changes that have been submitted, and we discussed the pros and cons, and then voted yay or nay. Our votes will be presented at the National Meeting of HRC in June, after

which these changes will be made going forward. Our next order of business was the election of Club officers. All four positions were available. Our new officers are Lee Lybrand, President; Cameron Ellyson, Vice President; Ann Mitchell, Treasurer; and Chris Bass, Secretary. Don and Donna White were appointed as Members at Large. Thank you, Steven and Heather Highsmith, for your time and effort as President and Secretary. We appreciate the time and effort you gave to the Club and our hunt tests with the great raffles, the new signs, and the awesome food prepared by Steven's brother.

I know that some of you would prefer to have an actual paper-in-hand magazine as I do, but times are changing, and we have no choice but to go with the flow and accept the change. I hope you will continue to read the magazine online. Until next time.

**Central Florida HRC – Submitted by Carol Caito and Kelly Riggs; Todd Tharp, Club President.**

CFHRC kicked off the year with our annual meeting held immediately after our January training day at the beautiful Gey Ranch. It was a bittersweet moment as the previous board members who had served our club for so long turned over the reins to a new set of board members. Many thanks to our outgoing

board: Ray Caito, President; Alan Wilcox, Vice President; Pam Harper, Secretary; Melissa Grant, Treasurer; and David Barnett, Director. We thank you for your dedication to our club. And congratulations and welcome to the following new board members: Todd Tharp, President; Kelli Riggs, Vice President; and Sue Barnett, Secretary. We are looking forward to a great year ahead!

Thank you to the following club members who judged for our sister club, Northeast Florida HRC, at the end of January: Kristie Gilford, Pat Kopco, Mike Orloff, and Ray Caito. Without the dedication of members who also give of their time to judge, clubs wouldn't be able to host tests. Also, congratulations to our club members who ran the NEFHRC test in the 'snowy' cold conditions and earned passes. It was an unusually cold weekend for Florida, and we are thankful that we don't have those weather conditions very often down here.

Congratulations to Carol Caito and Hank, who placed 5th at the Windy Hill Retrievers SRS and earned their SRSC title. Also, congratulations to Clint Beaty and Rigg on placing 3rd at the Feliciano SRS.

The CFHRC continues to hold monthly training days focusing on building strong fundamentals and mentoring new and novice handlers and dogs. It has been super exciting to watch our teams progress, and the handlers & dogs improve with each training session.

Many members of our group will be running their very first Started tests at our upcoming Spring test. Some of these teams have never stepped up to the line at a hunt test before. What is even more impressive is the amount of "minority" breeds that are working hard to keep field in their breed. Participants in our monthly training days are not only learning how to train and handle their dogs, but they are also learning the importance of productive drills, good bird placement on a set-up, safe gun handling, and how to be a helpful bird-tech.

West Mississippi HRC – Submitted by Karen Davis.

West Mississippi had its hunt test on February 14 and 15th. WMHRC club members are some of the best. They see a need and pitch in to help. The weather was only nice

for the Saturday tests. Sunday morning, it rained, and as per usual, trucks got stuck. One thing I love about HRC is that everyone pitched in and pulled or pushed each other out of the mud. We had lots of fun, two full flights of Finished dogs, 23 Seasoned dogs, but a small Started flight showing. We always have a fish fry for our social, catered by a local restaurant, cooked on the spot, fresh and hot out of the oil. This was enjoyed by all. Then, a ribbon ceremony and a raffle with some GREAT prizes. Our club members beat the bushes and work hard to get us lovely raffle items. We awarded several titles this weekend. Andrea Lewis, our club member, earned an HR title for one of her dogs: HR Briley's Watermelon Moonshine (aka "Whiskey"). We always LOVE it when our club is successful.

As springtime comes about, everyone is starting to get out and enjoy the warmer days with their four-legged friends. We have had several of our members running tests and judging in the region to help support the other clubs. It's always great to see everyone work together toward a common goal. I encourage everyone to get out and participate with a retriever club in your area. Join a club and help them put on a test in any way you can. I would say 80% of the people who run dogs have no idea what it actually takes to pull off a hunt test from start to finish. I have met some of my best friends through these amazing animals we all love so much.

If you haven't heard about the new Youth program, please check it out. It's going to be a great opportunity and encouragement for our youth to grow in the sport. We need as many young people as possible involved to keep our sport thriving.

We will be hosting our 40th Anniversary Hunt on April 18-19 at the M. Barnett Lawley Field Trial area (State cattle ranch). We would love for all of you to attend. We will have an old-school tailgate party and raffle on Saturday evening. We can't thank Omar Driskill and the other founding members for getting this great organization started. Butch Gandy is coming to our test to judge. He was very instrumental in helping Omar get this organization started. We hope to have the Gun Safety Rapper himself, "Bobby Williams," stop by and visit with us. He's one of the founding members of our club.

**Deer River HRC - Submitted by Billy Carey.**

Deer River members are gearing up for the spring hunt test season and preparing for club training days. Deer River test weekends are always a great time, and we hope you will join us sometime in 2026. We have a lot of exciting events on the agenda for this year.

**Tennessee River HRC - Submitted by Hannah McCurley.**

Looking Forward to an Exciting Season with Tennessee River HRC

As the new season approaches, the members of Tennessee River HRC are excited and ready to welcome another year of great dogs, great people, and great memories. Each season brings new opportunities to enjoy the sport we love, strengthen friendships, and celebrate the hard work of both handlers and their dogs.

Our club takes great pride in hosting events that bring together dedicated retriever enthusiasts from across the region. We are especially looking forward to seeing everyone at our upcoming Hunt Tests in April, July, and October. These events are always a highlight of the year and give handlers and their dogs the chance to showcase their training, determination, and teamwork in a fun and supportive environment.

Of course, events like these don't happen without the incredible effort of many volunteers. From the judges and bird technicians to the workers, organizers, and everyone behind the scenes. Your dedication is what makes our tests run smoothly year after year. Tennessee River HRC is deeply grateful for the time, energy, and passion each of you brings to our club. Because of you, every event continues to be a success.

Beyond the competition, what truly makes our club special is the community. The friendships formed in the field, the shared knowledge, and the willingness to lend a

helping hand are what make Tennessee River HRC such a welcoming place. Whether you are a longtime member or attending one of our tests for the first time, we are always excited to meet new people and welcome new faces into our retriever family.

As we head into the upcoming season, we encourage everyone to come out, bring their dogs, enjoy the camaraderie, and be part of another fantastic year with Tennessee River HRC.

Here's to great dogs, great friends, and another outstanding season ahead. We can't wait to see you at the line!

**West TN HRC – Submitted by Jeremy Browning.**

West Tennessee members just finished up hosting its first hunt test of the season. Thanks to all the handlers, judges, marshals, and bird techs for a successful weekend. Special thanks to the Pattersons for the use of their beautiful grounds at Maple Ridge Retrievers. We hope you will join us for a future West TN test.

The Central Kentucky Hunting Retriever Association held our Upland Hunt Test on February 28 & March 1, at Quail Point Preserve in Winchester, Kentucky. We would once again like to thank our Judges: Steve Earick, Bane Robertson, Leroy Mason, and Bow Switzer. We had great dogs and handlers from Kentucky, Michigan, Ohio, Indiana, Tennessee, and Georgia.

Kyle Knight and Susie passed the Upland both days to top off her 500-point run. Congratulations! Another great accomplishment at our hunt was achieved by Luwana Hobbs and Cody. They passed their 10th Upland Test, earning their Upland Champion Title. A huge congratulations to Carolyn Elam and Trent Livingston on their hunts and new titles. They had a great weekend and ran the following dogs: Fern, Kase, Bolt, Fury, Buzz, Molly, Powder, and Frites. Hunter Jones and Dixie also took home some blue ribbons and a Upland Title. Bill Mason and Woody also titled that weekend.

**Tri-State HRC – Submitted by Heather King.**

The members of Tri-State HRC and West KY HRC have been working hard together behind the scenes, preparing for the 2026 Spring Grand in Kevil, KY. Volunteers from both clubs recently came together to build bird racks and deliver supplies to the West KY WMA. The clubs also held a joint meeting where members reviewed important details and coordinated efforts to ensure everything runs smoothly for the upcoming Grand.

In addition to planning for the Grand, Tri-State HRC has still been working hard preparing for our spring test at the new location, Doc Jenkins' Farm in Onton, KY. We are excited for everyone who is coming to run with us; it's going to be a great weekend. Members also recently gathered for our annual banquet, enjoying a great evening of fellowship and recognition. During the awards ceremony, several members were honored for their accomplishments, earning their Hunting Retriever Champion title, and one member was recognized for joining the prestigious 500 Point Club.

After some hormonal Pennsylvania weather and one rescheduling, SWPAHRC finally kicked off the 2026 season with our first practice in March. It was a nice turnout of old members and some new members. Pretty much all the dogs showed us how rusty they were out of the gate, but by the end of the day, they all exhibited much improvement. It was great to see every dog improve throughout the day, and the camaraderie of the club members lending each other a hand to help each other get better. Hello to all our HRC friends! Looks like winter is finally letting up on us here in Southern Michigan/ Northern Ohio,

We are in full swing of our upland test season and having a good time running dogs and seeing some great dog work.

Central Michigan HRC just had our Upland test, and what a great time it was. We had great judges and test grounds, and more help than you could hope for.

I would like to thank the Landowners at G&L and Sons Game Farm for allowing us to use the property, the judges for volunteering their time, and, last but not least, the club members (AKA the Central Michigan Gang) for all that you do. This would not be possible without all of you!

Hi everyone, we are in full swing of last-minute touches for our annual upland hunt here. Spring keeps threatening to kick in any minute. We've had record snow and cold this winter, so our dogs are more than ready for grass, soft water, and sunshine. We're also planning and finalizing our 40th Anniversary Spring test. Our premium is located on the HRC page and will shortly be open for entries. We would love to have you come and help our club celebrate 40 years in HRC. Looking forward to another fun hunt test season, hope to see you all soon.

In closing, I'd like to share some sad news. One of our longtime members, Charlie Kitchel, passed away this winter. If the club needed help, Charlie was always there. He held an officer position, was a board member, and was just one of the guys who always had some insight to provide. He was an old school sportsman and was always eager to introduce youth to waterfowl hunting, wood duck box hanging, and just general mischief. We will miss him!

Charlie Kitchel.

**Michigan HRC – Submitted by Caitlin Weller; Bob Zapalski, President.**

Michigan HRC members are off to a strong start to the training season, focusing on sharpening skills and building consistency in their dogs. Several members are concentrating on pre-Grand training as they prepare for the challenges of competing at the highest level, while others have already found success at recent upland and hunt tests—showcasing the hard work put in over the winter months. The club's young dogs are also progressing well, developing solid foundations and working towards their first Started tests.

Members are especially excited about the club's new training grounds, which are already providing expanded opportunities to develop dogs at every level and will play an important role in future training and club events. As the club marks 40 years of training, competition, and camaraderie, Michigan HRC is excited for the goals and accomplishments that lie ahead.

Hello everyone, our weather here in Northwest Ohio is finally starting to warm up, and I think everyone is looking forward to getting back to our regular training schedule. We do have our first training day scheduled at Pioneer on April 18th. Most of our membership has been concentrating on upland training and testing when possible. We have had several training days at Myzak, G&L, and Norbert's place.

We just finished running at the Central Michigan and Southern Michigan test yesterday, with all doing really well! Steve with Sam and Rusty; Cher with Charlie and Trapper; Randy with Issac; Tim and Rip; Vickie and Claire; Tim H. and Jimmy; and Kim and Greg with Junior and Lainey. Congratulations to all!

Looking forward to seeing everyone at Great Lakes soon, and good luck to all of our friends running at the Grand!

**St. Clair Flats HRC – Submitted by Ken Frazee; Russ Duesett, President.**

St. Clair Flats HRC had a memorial dinner early this year for our founding club president and lifetime member, Donald Williams, who passed late last year at 88. Don was an important part of our chapter, sharing his knowledge for more than 30 years, and he will be missed.

Our January Upland Hunt Test was a success thanks to the judges and all who attended. Maya Schulz, age 12, was our youngest handler present and was quite impressive with her young dog, Amber, earning a UH Title. Awesome to see this duo go 6-for-6. Our chapter values youth participation and family support at our events.

Congratulations to recent titles to James Amthor with Willow UHCH; Bill Ferrans with Logan and Brody both UHCH; Jack Latour with Willie UHCH; Ben Patterson with Dexter UH; Robert Oliver's Scout earning her UHCH with Sean Houtekier, who had run Scout and Grainger in the 2025 APLA Triple Crown with each lab earning 4xGMPT TC 1 designations to add to their other titles. In February, our annual chapter gathering was a hit, with honors noted for all our dogs who showed progress. A special recognition to our two 2025 HOF dogs, Favor and T, plus our three new 500 out club inductees, was noted at our gathering. Collectively, we are looking forward to spring training and seeing our HRC friends in our travels in the year ahead.

It's been a long, cold, unpredictable Winter in Michigan. Members and dogs are so ready to get back to a training routine. Hurry up, Spring!

Our first monthly club training day was held on State land on February 28th. We had a good turnout despite the cold. Tim Dawson hosted and challenged us with a nice setup.

We have also managed to get some Upland training in. Thank you, Norbert Weinstein, for making lunch and providing the good flying birds! Our members are running Upland Tests and doing well. We are all looking forward to the start of the regular Hunt Test Season in April-May. Who is ready to hear, "Dog to the line!?"

Ending on a sad note, Southern Michigan HRC has lost a good friend and dedicated member. Carol Haas will always be remembered for her tough outer shell, yet her giving, caring nature. She loved the dogs and our sport and has made a lasting impression on so many handlers. Rest in peace, Carol! "Run like a Golden."

With spring beginning, the club is finishing up upland training. It has been a great training and testing season. A special thank-you to Zach McFarland and Dave Pesch for their dedication to coordinating upland training for the last two months. Our members have been working hard, and it showed during our annual quad upland test at Bong State Recreation Area. Congratulations to all the members who had a great upland season.

With the upland training finishing up, we now start to look forward to retriever training, starting with our Fun Hunt on April 4. Club members have been busy with workdays out at Bong, cutting down trees, trimming branches, and cleaning up brush. Thank you to all our members who helped with the work.

Plans are underway for our annual spring hunt test on June 27–28 at Bong State Recreation Area. This year, our spring hunt will be dedicated to the memory of club member Jerry D’Aprile and his dog, Chance.

We look forward to seeing everyone at training and our tests.

**Gateway Retrievers HRC – Submitted by Ben Kurn.**

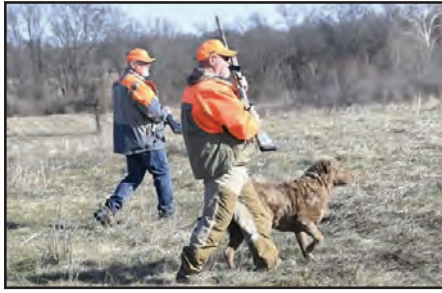

The Gateway Retrievers HRC kicked off the season in outstanding fashion with its first Upland Hunt Test, which proved to be a tremendous success for the club, participants, and spectators alike. Handlers and their dogs demonstrated impressive teamwork and skill throughout the day, making for an exciting and memorable event that showcased the true spirit of the upland hunting tradition. The club would like to extend a sincere thank-you to all the dedicated handlers, volunteers, judges, and supporters who helped make the event run smoothly. From the individuals setting up the course to those assisting behind the scenes, the collective effort and commitment of everyone involved played a vital role in the test’s success. Events like this simply would not be possible without the time, energy, and enthusiasm of the retriever community. This year is especially meaningful for the club as Gateway Retrievers HRC celebrates its 35th anniversary. Adding to the excitement, the 2026 Fall International Grand will once again be returning this fall. With a successful upland test already in the books and major events on the horizon, the future looks bright for Gateway Retrievers HRC as it celebrates our 35th anniversary.

We're excited to be organizing our inaugural HRC Hunt on June 27-28 this year, just north of the Des Moines area at Chicaqua Bottoms Greenbelt. We have a lot of members who have been active in HRC events, so we're super excited for MIRC to be hosting HRC Hunts. We'll be using the best public dog training grounds in central Iowa to host our test. This year, we're hosting our first HRC Hunt, so please make note of our hunt on September 12-13 in the Oskaloosa, IA area.

We've got a lot of great support from other clubs in the area (looking at you, HCCRA!) that have really helped us as we get into the HRC game. Many of our members are long-time HRC participants and are looking forward to seeing our friends in the surrounding areas at our hunts.

Our hunts will be hosted on some terrific private grounds in the area with lots of "ducky" water to choose from.

Meanwhile, our members have been making use of the unusually warm weather over the past several weeks to start getting our dogs tuned up and settled back in, especially those of us who chase pheasants a lot. Water work is still a long way in the future, though.

**Retrievers Unlimited – Submitted by Stephanie Schroeder.**

With duck and goose season wrapping up, Retrievers Unlimited hosted four upland training days. Some of our members judged, helped, or ran at Gateway Retriever HRC's inaugural upland test at Busch Wildlife. Congratulations to Bill Novak, Gigi Strauss, and Dave Rasmussen on their passes.

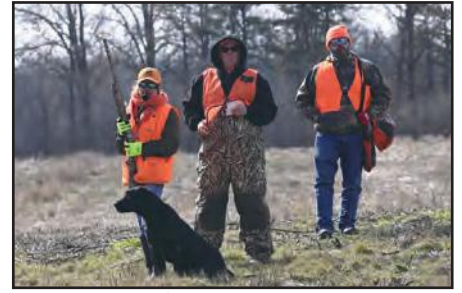

We are now turning our attention to the spring hunt test season and training. Winter has held on a little longer in mid-Missouri/Southern Illinois, so water work has been hard to come by. Thankfully, our hunt test is a week later than usual, due to Easter weekend. We are looking forward to hosting our spring hunt test at Peabody River King, with our banquet at Bull Pen in New Athens. **Arrowhead HRC – Submitted by DeAnn Zimmer; Jace Tramontin, President, mnretriever@gmail.com.**

In March, our Arrowhead HRC club enjoyed a 'Beat the Winter Blues' potluck, including games and an upland hunt demonstration. Thank you to Mark Kailanen, Greg Bryant, and his hunting companion, Brody, for the excellent education on the sport of upland hunting, NAVDA upland tests, and the foundations for dog training. We appreciated your patience in answering all our questions, and it made for a wonderful exchange of ideas and training concepts.

Upcoming 2026 Arrowhead HRC Events:

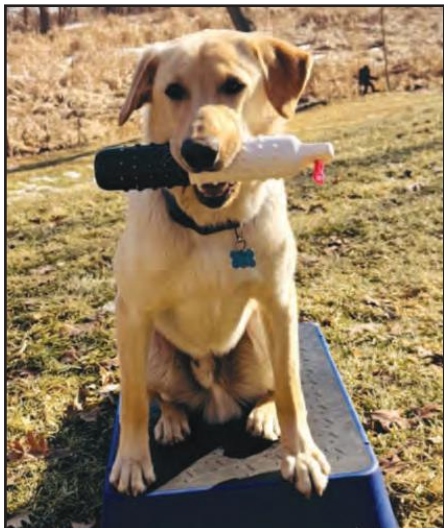

In collaboration with the Minnesota Iron Range Retriever Club (MIRRC), the Informal is scheduled for May 2nd and 3rd. We are having a Seasoned and Started stake on Saturday, the 2nd, and upland demonstrations on Sunday, the 3rd. Other stakes offered will be open, qualifying, derby, puppy, and hunter's special. Day of entries only. Our Annual Regular Hunt Test is scheduled for August 8-9th, with a banquet and raffle to follow on Saturday. We hope to see you there! There is nothing quite like Northern Minnesota in the summertime.

On a somber note, our dear Arrowhead member, Sandy Zandlo, passed away in January. The Mass of Christian Burial was held at Holy Cross Catholic Church on February 6, 2026. This was a day of reflection and an opportunity for several fellow HRC members to celebrate Sandy's life together. Sandy was a knowledgeable HRC and AKC hunt-test judge. She upheld testing standards and was passionate about supporting junior handlers and sustaining HRC traditions. She was a compassionate and caring individual who supported not only Arrowhead HRC but also our entire 8B region. During our hunt tests, her husband, Jerry, was always an upbeat volunteer helping anywhere from the line to the kitchen. We are saddened by Sandy's passing. Jerry, you are in our thoughts and prayers.

Be sure to say I love you and never go to bed mad. Life is too short. Live each day to its fullest and don't sweat the small stuff.

Our Midwest winter is almost behind us, so we are planning for our 2026 season, which will include our annual Hunt Test in August, at the same place, same weekend. We would love to see you there.

The club has several dogs getting a head

start with the training by getting some great land and water training in Texas with Casey. Club dogs that were fortunate enough to escape the winter conditions are Dice, Echo, King, Twig, Dex, DeJa, and keeping everyone in line is the truck dog, 'Wiggles'. In addition, club members had the opportunity to join Casey for some valuable training and a chance to enjoy the warmer weather.

**Lake Country HRC – Submitted by Steve O'Tool, President, [sotoollaw.com](mailto:sotoollaw.com).**

It is with a heavy heart that we report that Bill Johnson, our president since inception, passed away this past December. He was instrumental with LCRC and an integral part of putting together the HRC component of our club. He will be greatly missed by all.

Lake Country HRC is entering its third year of Hunt Test competition. Last year's late May test was viewed as a resounding success, with a full complement of finished contestants and well-attended Seasoned and Started dogs. It is important to give a shout-out to the local toller trainers who turned out in great numbers and had great success at all stages of the testing.

Congratulations! Hope to see you again this year! We are on the calendar for the last weekend in May. We have just completed/compiled our judges' list, which has been submitted for approval. Please look for our premium at Hunt Secretary soon.

Since last fall, members have been in the fields and the sloughs, enjoying the good weather and success whenever possible. That could be sloughs in Minnesota, the Dakotas, or the open fields of Minnesota, the Dakotas, or Iowa. We are blessed with a great opportunity to pursue the birds of our choice.

So far, the weather looks very good for early spring, which will bring more opportunities to train and get ready for the summer testing season. Many of our members have had the opportunity to cross over and train with Land O Lakes members for various upland tests. With any luck, the ponds and sloughs will open early, giving us a chance to get the dogs wet and ready for the testing season. The accompanying pictures show testing success and progress as well as hunting prowess.

We hope to see as many of you as possible at our upcoming test in late May. Good luck to everybody this coming season! Safe travels.

How our Club Came Together for an Unforgettable Weekend

Let me tell you about one wild ride as the new President of the Land O Lakes Hunting Retriever Club. If you've ever organized a hunt test, you know the pressure is real—especially when you want everything to go off without a hitch. About a month out, I started sweating bullets over handler participation.

I'd lined up Bird Techs way in advance, but then—bam!—a whole family of five had to drop out just a week before the test.

Cue the scramble. I called up the local high school trap team (they helped us last year), and one of the guys was pumped to jump in. Then, our club Treasurer, Sherry Aadland, called with a lifesaver: she'd found another family of five who could help as Bird Techs and could really use the extra cash. Suddenly, we were back in business, with even a few extra hands.

Friday before the test, the club started buzzing. We had four brand-new members learning the ropes from our seasoned crew. By the end of the day, we were feeling ready for three flights on Saturday and Sunday, and there was still room for walk-ups. As folks started rolling into camp for the weekend, I spotted a group with Nova Scotia Duck Tollers—turns out Sherry had invited them. Their dogs were a hit, and we all ended up swapping stories and giving out plenty of ear scratches.

Saturday morning was pure chaos (the good kind). I tried to give directions without being "that bossy president." The toller folks got their dogs registered and headed to the Started test. Meanwhile, I was juggling impromptu training for scouts, trap team kids, and even a few parents.

That's when Alan Faust, one of our longtime members and one of the owners of The Kettle River Retriever Grounds, stepped up. He's the guy who's always there to help, and this weekend was no different. Alan guided the kids to the Started test, helped them set up the wingers and hides, and even sat with the nervous newbies for their first few birds. When things got hot, he offered the new Bird Tech family a break in his air-conditioned trailer—talk about hospitality!

Saturday's tests ran smoothly as butter. That night, we had our banquet and raffle. Sherry brought this gorgeous basket full of dog toys and treats—a heartfelt donation in memory of her toller, Junie. She helped me hype up the raffle, and her toller friends were having a blast with their prize tickets and ribbons.

Sunday brought new faces and more stories. The high schooler who'd joined at the last minute was back, excited to tell me about his family's new lab puppy and all the "training" they'd tried at home, but he was struggling with force fetch. His dad was there too, watching the finished test and soaking it all in. When he asked if he could buy three live ducks to take home for training, he didn't have any sort of bird crate. Alan swooped in again, offering to store the ducks on the ground and inviting them to train with him the next weekend.

That's the kind of guy Alan is—always ready to help, always welcoming new folks. By the end of the weekend, Austin (our rookie Bird Tech) and his family were the first to sign

up for a 2026 club membership at Game Fair.

Honestly, people like Alan and Sherry are the heart and soul of our club. They don't just volunteer—they spread their love for the sport to everyone they meet. If you ask me, you won't find a more perfect HRC couple anywhere!

Hello from Felsenthal HRC! I hope you're all doing fantastic!

Our spring test was a rousing success! Lots of dogs, lots of handlers, and great tests set up by amazing judges. We got to renew old friendships, make new friends, and play with our dogs. Many thanks to our judges, bird techs, landowners, and, of course, our handlers. Y'all are what make this work!

I'm proud of our members for jumping in and going the extra mile to ensure the success of our test! Kudos to all of you!

Good luck to all in all your tests this spring. Get ducks!

Four States Retriever Club completed our second Quad Upland Hunt Test February 21-22, 2026! Huge shoutout to judges Jeff Cooper, David Hausman, and Kyle Krause for stepping up at the last minute to fill a judging spot, and to club member Damian Stroder as an apprentice.

As always, thank you to property owners Wade and Cathy Scroggins.

Congratulations to Damian's "Delta and Foxy" earning their Upland Championship Titles, and Damian's "Foxy" has reached her 500-point status! Way to go!

We plan to host our next Upland Test in a couple of years.

We met lots of new handlers and appreciate them greatly for choosing Four States RC.

Thank you to Nathan Stewmon for leading us in our Sunday morning devotion before beginning our tests for the day. Great job!

It is not only rewarding to observe these dogs at their best, but also the handlers working as a team. Our club members never fail to amaze me by stepping up to get the job done.

Thank you, Four States, for being such an awesome club with awesome members. If you are looking to connect with like-minded trainers, come join us!

Now on to our Spring Hunt Test, March 14-15, 2026. Hope we get to see you there!

Hill Springs HRC has kicked off Spring with an exceptional “open” training day. The weather was impeccable, and the training was just as good. Our goal for this year is to acquire some new folks for the club and for HRC.

We had two new-to-hunt test handlers show up, who plan on running HRC in the future. In total, we had seven handlers and several level dogs attend, which allowed us to really break down and practice problem areas and spend time with new puppies.

The club will be planning another training day sometime after our March 28/29 Spring test. Our next line of business is our Spring hunt test, set for March 28-29. Hill Springs will host three hunt tests this year: March 28-29; June 20-21; and September 26-27.

As always, we look forward to seeing a lot of familiar faces and seeing a lot of great dogs work here on the farm in Mammoth Spring, Arkansas.

We're excited for what the next two years will bring!

Kansas delivered quite a ride this year, shifting from warm spring days to sudden freezes, then straight into tornadoes and powerful thunderstorms. The unpredictable weather certainly added a layer of challenge to the hunting season, but hopefully you all found memorable moments out in the field.

With training days and hunt tests on the horizon, our members are gearing up for a busy and rewarding season. We send our best wishes to all Sunflower and Region 9A members heading to the 2026 Spring Grand—safe travels and good luck!

Here's to a strong and successful 2026 Hunt Test Season!

As One Season Ends, Another Begins

With hunting season drawing to a close and the first hints of warmer weather arriving, retriever clubs across the country begin shifting gears. The long days in the upland fields and waterfowl marshes may be winding down, but for retriever handlers and their dogs, a new season is just beginning.

Spring marks the start of training days—those early mornings spent working dogs on land and water, sharpening skills, and preparing for the upcoming hunt test season. It's a time when handlers reconnect with training groups, young dogs gain valuable experience, and seasoned retrievers knock the rust off after months in the field.

At TripleMark Retrievers, we're already getting things lined up for a busy spring. Training days are ramping up, birds are being ordered, equipment is being checked, and the grounds are being prepared for the next big event on the calendar. Our focus right now is the Keystone Lake HRC Spring Hunt Test. As always, the goal is to put on a quality test that challenges dogs, supports handlers, and brings together the great community that makes the retriever world so special.

Hunt tests aren't just about ribbons or passes. They're about watching young dogs develop, seeing seasoned retrievers perform at their best, and enjoying time spent outdoors with people who share the same passion for good dogs and good hunting.

With winter behind us and spring training underway, the countdown to the first hunt

test of the year has officially begun!

Duck season has come and gone, and our club members are already getting back to work training dogs, judging, and running hunt tests. It's always exciting to see everyone gearing up for another active season.

We are currently planning a Handlers Seminar in the coming months. This will be a great opportunity for both new and experienced handlers to gain a better understanding of what judges are looking for and how to continue improving in our sport. If you are interested in attending, please contact me for more details.

By the time this report is published, we will have completed our Spring Hunt Test. I would like to extend my sincere thanks to everyone who gave their time and effort to make the event a success. It takes a dedicated group of volunteers to put on a quality test, and we truly appreciate each person who stepped up to help.

We look forward to seeing everyone at upcoming events and continuing to grow and strengthen our club.

Cajun had our Spring Hunt test on March 7-8th. We had a great time except for the rain on Sunday morning. The kids enjoyed their time with the dogs. We would like to congratulate David Suter, Elli, Mike Feverjean, and Windy on earning 500 points. We also want to acknowledge the hard work the marshals did for the test to keep everything moving smoothly. We would also like to praise the chefs who cooked supper for our workers' supper and tailgate supper, Maxie Hebert and Carl Brown. Everyone enjoyed their delicious food. We would also like to thank the great group of handlers and their wives from Michigan who pitched in and helped us with our event. We can't wait to see them next March.

While many reading this are still training in snowshoes, early spring has arrived in Texas, along with weekly training opportunities and several area hunt tests already in the books.

Hopefully, the hunting season exceeded your wildest imaginations, but for those like me, it also provided unexpected insights into areas still needing attention. Actual hunting in the field has a special way of demonstrating our retrievers' ceilings with respect to both training and confidence, while inadvertently providing valuable information on previous years' training deficits. Good planning and repetition in training are two key components ensuring success on everything from basic standards to advanced concepts, so now presents a good time to evaluate these successes and failures from the hunt season in order to focus attention and implement concepts which build towards the most capable retriever.

Big D HRC wishes you the very best in your endeavors with respect to training your retriever and success at the line in this spring's tests!

After a couple of cancellations due to weather, Cowtown finally had a club training day. It was well attended with 14 members and one guest. We had a beautiful day to enjoy and ran both land and water setups as we prepared for the Spring Hunt Test season. Everyone pitched in to help with setup and rebirding, so everything went smoothly. Hopefully, we got the kinks out! While we were training, Bruce Heikkinen and John Tomb were busy passing Started and Seasoned tests at Ravensway HRC. This past weekend at Lonesome Dove, Bruce and John picked up more Seasoned passes. At Started, John Schoolfield and Johnny Moon picked up Started passes. In the Finished tests, Joel Moore and I picked up some more Finished passes, while Natalie Hill picked up her first Finished pass. It looks like it is going to be a great season, with great enthusiasm. One last reminder about our 30th Anniversary Hunt Test, April 25-26. Don't miss it. Hard to believe, but the spring hunt test season is already in full swing and is starting to wind down here in north Texas. Lone Star members are collecting those titles and racking up the points. We've had a few productive training days that have proven very helpful.

We have been diligently preparing for our 40th anniversary hunt test on March 21-22, and things are really coming together. Can you believe it? THAT'S 40 YEARS! It's sure to be a great time, as all hunt test weekends are, but we're adding some things to make this one extra special. We're hoping to have a great crowd to help us celebrate. Stay tuned for the next issue of *Hunting Retriever* magazine. We'll give you the lowdown on how it went and include some pics, too.

**North East Texas HRC – Submitted by Amie Kelly. Sharon Beall, President. [sharonlabs@aol.com](mailto:sharonlabs@aol.com).**

As the days start to get longer and hotter, the hunt test weekends in Texas are in full swing. Members are training, running tests,

and some even whelping puppies. One thing that comes to mind in all these situations is the Good Ol' Texas heat and the humidity. The humidity can be just as deadly as the heat. Just a good personal tip I would like to pass along: check the temperature and humidity before running your dogs. If the temperature and the humidity added together total more than 130, you might want to just work on obedience or line manners that day. This is just a personal tip. We all want to keep our dogs safe and healthy from the heat, as it can creep up on us before we know it.

We want to give a shout-out to the members who will be traveling to the HRC Spring Grand in Kentucky. Safe travels and good luck. All the long hours you have spent and the traveling you have done have led you to this point. You did not choose at the spur of the moment to go to the Grand, you have trained for this, and you have faith in the dog that you walk to line. Every dog that signs up and walks to that line is a winner, and no matter how the chips fall, that always needs to be at the forefront of everyone's mind. Even though we all want them to win. They are ALL winners!

North East Texas wishes everyone a great hunt test season and safe travels to the 2026 Spring Grand!

Gracie running Hunt Test. Owners Ken and Connie Starling, Handler Ori Matthews.

Many Club members are taking advantage of the warm weather here in Wyoming and have started training earlier than usual. Boom Town will start their regular training days in April. We look forward to a successful testing season for everyone. Our summer hunt test is approved for July at the Riverbend Hunting Shooting Preserve on the famous North Platte River.

**Dakota HRC – Vernon Oosta, President, Hull, IA, [vernonoosta@gmail.com](mailto:vernonoosta@gmail.com).**

Dakota HRC is excited to kick off the 2026 season. Many club members are getting an early start on training this year with a mild last couple of months. Dakota HRC is also excited to announce that we have secured a training lease for 2026, with land, technical water, and regular water access for training setups. Dakota will start hosting four weekday trainings and one weekend-day training each month, starting April 1st and running through September. We are looking forward to getting some consistent training and seeing if we can add some more members through this training lease.

**Elkhorn Valley HRC – Chase Gartner, President, Norfolk, NE, [cgartner7@gmail.com](mailto:cgartner7@gmail.com).**

Greetings to all and happy spring! After a long winter, warmer temperatures are arriving, and our members are getting back into their dog training routines. With training days starting up, the anticipation for upcoming hunt tests is high.

As a club, we are excited about everything 2026 has in store, including various events, demonstrations, and our late-summer hunt test. We look forward to seeing everyone throughout the testing season. Good luck at the line!

**Flatlander HRC – Chris Jobman, President, Bayard, NE, flatlanderkennels@gmail.com.**

Flatlander HRC is in the process of coming up with a date for our 2026 hunt test. It will be later in the summer or early fall. We will offer Started, Seasoned, and two Flights of finished.

Hope everyone has a great summer of training.

**Great Plains HRC – Nate Krizek, President, Kearney, NE, natekrizek@yahoo.com.**

With the training year underway, we anticipate another excellent year for GPHRC as we have started meeting to plan and schedule weekly training events for members, as well as planning our hunt test this spring near Wood River, NE.

Many of our members' pups have blossomed over the hunting season. Because of the nice winter, they were able to turn slow days in the blind into ideal training opportunities for their four-legged companions. It's always fun to get together and train.

From all of us at GPHRC, we hope to see you down the road this year.

KCHRC members have been wrapping up the season with their last few Missouri hunts and changing gears for the test days ahead. We have had two back-to-back club training days and several hunt test planning meetings. Our 20th Anniversary Hunt Test is in April, and we can't wait to see everyone and watch some amazing dogs!

Will share the Hunt Test photo highlights next time.

**Midway HRC – Bryan West, President, brynwst@aol.com.**

Midway is in the process of electing officers and preparing for our fall hunt test at Habitat Flats in Marceline, Missouri, again this year.

The mild winter we have had has allowed a lot of our members to get a little extra training in, in preparation for running some spring hunt tests.

Midway HRC would like to wish those people the best of luck at their upcoming test.

I hope to see everyone next fall at our hunt test. Everyone else, best of luck, and see you at the line!

**Mount Rushmore HRC – Alan Case, President, Rapid City, SD, alan.case60@gmail.com.**

Mount Rushmore HRC members have been keeping busy. On February 13th, 14th, and 15th, we had a booth at the Black Hills Sports Show. It is our best new member recruiting tool. The next Saturday, February 21st, members did some property clean-up in the morning, and in the afternoon, we had a canine first aid class from a veterinarian from Edgemont. She was very informative and gave us an idea of what you should carry in your field first-aid kit. Then, on March 7th, we had a newcomer orientation. These were people who signed up at the Sports Show. Dale Christensen put on the class in the morning, then we had a lunch break and went outside to see where their dogs were, with bumpers, dead birds, and live pigeons. We are preparing for our hunt tests last weekend in May, which will keep us busy until then. We hope to see some of you there or at other tests in the area.

**Platte Valley HRC – Rudy Krupka, President, Arvada, CO rudykrupkajr@gmail.com.**

Platte Valley HRC hosted their fall hunt test at a new location – Stillroven Farm in Berthoud, Colorado. With four different flights, including 20 Started dogs, 20 Seasoned dogs, and 54 Finished dogs, we had perfect fall weather, with partly cloudy conditions and intermittent rain all weekend. You can never thank all the people involved in putting together a weekend HRC hunt test, but I would like to send a “shout-out” to a few folks for their contribution to a very successful hunt test weekend: Jeremy Lowry and David Heldt, Hunt Chairman; Curt Lacey, Hunt Marshall; Allan Goff, Bird Tech; LeeAnn Heldt, Hunt Secretary; Mike Kuetemann, Raffle Coordinator; our Judges, Hunt Marshalls, Bird Techs, and the countless people that lend a hand during set-up and moving equipment from test to test. It takes a large group of volunteers to put on these weekend hunt tests, and Platte Valley members always step up! I’d also like to thank all the people who came out from HRC clubs throughout the Rocky Mountains. It’s great to see so many people from other HRC clubs. Congratulations to all of you who earned a ribbon and/or a new title; there were too many pictures to share, so I picked out only a few. PVHRC has one more event this year in October, our Youth Upland Hunt. I look forward to seeing you there. And, before you know it, we’ll be sharing pizza at our annual year-end meeting, tentatively planned for January 14, 2027. Thanks to all for another great PVHRC year.

**Salt Valley HRC – Submitted by CJ Bolan; Joe Giola, President, Union, NE, giola@windstream.net.**

It is that time of year again; we are in hunt test preparation mode! Our annual hunt test will be this spring in Unadilla, Nebraska. This is our 20th anniversary! Thank you to all the dedicated club members and supporters who have helped us along the way. This is a huge milestone, and we hope to celebrate it with as many of you as possible. So far, the weather has been kind to us (mostly). Most club members are beginning to get back into their training routine. The dogs may have had one too many snacks in the duck blind this year and could use some light conditioning before stepping on the gas. We are excited to see what the future holds and can’t wait to have some parking lot refreshments with you all after a test!

**Swan Lake HRC – Eric Teson, President, Marceline, MO, eric@habitflats.com.**

The Swan Lake Hunt Retriever Club is excited to announce its formation and introduction into the HRC community. The club is based on the well-known retriever training grounds located at Habitat Flats Kennels, near Marceline, Missouri.

While Swan Lake HRC is a new name within the HRC program, the grounds themselves have a long history in the retriever world. For many years, numerous retriever events have been hosted here—Midway HRC, Swan Lake RC, and the Super Retriever Series—giving the location a strong reputation for quality tests and excellent training opportunities.

With the formation of Swan Lake HRC, the goal is to continue building on that tradition while bringing additional opportunities to retriever handlers and hunting dog enthusiasts through the HRC format. The club plans to host multiple HRC events each year as it grows and develops its calendar.

Looking ahead, Swan Lake HRC also plans to introduce an upland test in the spring of next year, giving handlers another venue to showcase their dogs’ versatility in both retriever and upland work, and to host a late summer/fall test in 2026—dates to be announced.

Although Swan Lake HRC is a newly formed club, the grounds, experience, and passion behind it are well established. Many successful events have already taken place on this property over the years, and now the club is excited to continue that tradition under its own name.

The Swan Lake HRC looks forward to welcoming handlers and retrievers to the grounds and building something special for the HRC community in the years ahead. Contact Eric Teson at (636) 235-1122 for club information.

**Western Colorado HRC – Roey Rehbeck, President,**

WCHRC has started the New Year with our annual meeting. New officers were voted on and include: Rory Rehbeck, President; Jake Wertz, Vice President; Chelsey Teskey, Secretary/Treasurer; and Board Member at Large, R C Weller. The club extends a great thank you to our retiring board members, Harley Metz, President; Chip Brazelton, Secretary/Treasurer; and Keith Winch, Board Member at Large. Dogs’ legs are getting stretched and readying for the new hunt season. Preparation is beginning for our hunt test later this summer at the Grand Mesa.

## REGION 14

**Kate Szilard**

**Cascade HRC – Submitted by Pam Ulsh, President.**

Spring has sprung, and Cascade members are busy training in the rain, hail, sunshine, and fog. The ever-changing weather does not affect our training schedule. We are very fortunate to have many tests coming up in Region 14 this spring, from Vancouver Island to Corning, California. It will be great to catch up with old friends and make some new ones.

Cascade started their training days on February 7th. True to Cascade’s history - it

was wet! That did not slow things down. Everyone was eager to get started, especially the retrievers. It was great to see new pups as well as dogs continuing on with their training. There were also tears shed for the four-legged friends who were no longer with us. A month later, we had our AGM, followed by a free training day for members and open to all. Again, it was wet. We are hoping that wet training days mean we will have mild weather for our hunt test in April.

Cascade has already teamed up with Whistling Wings for two events this spring. (We hope to have more.) First, we co-hosted a Judges'/Handlers' seminar. This event was well attended with 25 participants. As usual, our Regional Rep, Elroy Olson, did a great job. His seminar allowed for great discussions between participants, allowing for great learning and clarification. Then, in March, the two clubs worked together to offer an upland training day. Participants were able to work on all of the components of an upland test with guidance and support from members and judges who were happy to help.

The Cascade Board is working to get ready for our hunt test the second weekend in April. Our test is open, and we will have Started, Seasoned, and two flights of finished both days, and a Upland test on Saturday. Our tailgate will have the Cathouse Pizza truck on site for dinner, followed by the ribbon ceremony, silent auction, and raffle. We are thankful to be able to use the training grounds at Cascade Retrievers and the nearby state land at Cherry Valley. We appreciate our judges giving their time to judge as well as the participants who attend and support our tests. And a great big thank you in advance to all the volunteers who we couldn't do without. As anyone who has been involved with a hunt test knows, it is a huge undertaking to put on a test weekend. But in the end, it is so worth it. Spending time with good people and excited retrievers makes it all worthwhile.

Wishing you a happy spring with great training and fun hunt tests.

Newaukum River Retriever Club kicked off its Club Training season on February 14. Braving the typical Northwest cool, wet winter weather, members came filled with anticipation for the upcoming test season and ready to go to work. It was a day to assess our dogs and develop a training plan to help meet our goals for the year. Previously, members were given a format for creating a training plan that set specific goals and strategies for meeting them. We look forward to seeing the commitment to training pay off in the months ahead.

Greetings from the Western States Boykin Spaniel Club (WSBSC). We are dedicated, Boykin Spaniel Owners representing the breed in 11 Western States. On the 4th weekend in March, the WSBSC held its annual HRC/UKC Regular Hunt Test in Corning, California. We also put on a double Upland on Monday.

The event was held at the Clear Creek Sports Club in Corning, located in the Sacramento Valley, a hunting mecca for waterfowl and upland birds. This 3,000-acre hunting venue provides a beautiful setting, with rolling hills of spring wildflowers and grasslands sprinkled with ponds and vernal pools. Most of the club members have been busy finishing the waterfowl and upland bird hunting season, where many of the Boykins in the west worked lakes, marshes, uplands, and forests in the region.

The balance of the season, the club has been working with pups to prepare for the next series of title runs in 2026. Many of the pups will be working on their Seasoned levels, with some new pups entering the club, trying their hand at Started. We look forward to a productive season of events. The training meetings in the Greater Sacramento Area are held every Sunday at venues such as Folsom

Lake and Elk Grove wetlands. Contact us via Facebook for more details.

Well, hunting season is over, and it's time to get back into training for the hunt testing season. As we start this new year, Whistling Wings HRC has a new board. I would like to personally thank Eric Wightman, our new Vice President; Lisa Seeb, our Treasurer; and Stephanie Wightman, our Secretary.

Last month, we had our club's annual meeting potluck. Congratulations to all of the members whose dogs achieved new HRC titles last year. We look forward to those dogs and handlers in the upper stakes.

Whistling Wings HRC and Cascade HRC got together and sponsored the Judges'/ Handlers' Seminar. Thank you, Elroy Olson, for your wonderful presentation.

See you at training days and Region 14 hunt tests!

**Treasure State Retriever Club – Submitted by Margo Ellis-Lingohr; Mike Heard, President.**

This winter has been extremely mild to the point that some of us have barely missed a weekend training. A few of us have been getting out almost every weekend. The footing has been safe, and the dogs are staying in shape.

This year's events are shaping up to be fun and challenging. We've added a preliminary upland test on Monday after our regular test. HRC graciously agreed to send us Pat Johnson to help get our apprentice judges up to speed.

With the lack of snow, there is always the concern for high forest fire danger. We

really need Mother Nature to drop copious amounts of snow and rain on us this spring.

By the time you read this, we will be well underway with the hunt test season. I always like to remind everyone to start training slow if you haven't been doing much with your pups. Build them up slow and steady to avoid any injuries. Once the grounds are fully open for the year, we will try to schedule training days and seminar workshops.

See you at the line.

**Five Valley Retriever Club – Submitted by Kay Donahue; Ted Hays, President.**

Hello from Five Valley Retriever Club. We are already busy with preparations for our annual hunt test. This year, it will be held on July 11th and 12th, and we are hosting it on the Treasure State Retriever Club's property again in Butte, Montana. We are incredibly thankful that TSRC has allowed us to utilize their beautiful grounds yet another year. As soon as the weather warms up and dries out here, we will be getting back to our weekly group trainings. Happy training and testing!

**South Hills Hunting Retriever Club – Submitted by Terri Sanders; Randy Both, President.**

Things are starting to get busy for South Hills. We recently held an indoor seminar to discuss training techniques, HRC rules, and other items to prepare our newer handlers for the upcoming season.

Our first training day will be held on March 21, where we will hold a mock test at each level so handlers can see what they need to work on. This will be followed by a short seminar on running blinds. We are planning another training day in April, prior to our May test.

**Mountain West Hunting Retriever Club – Submitted by Lauren Cabrera; Christian Martir, President.**

The Mountain West Retriever Club kicked off the season with a fantastic first training

picnic. We set up a fun and challenging land series featuring plenty of decoys and two longer blinds, while keeping the setup scalable so handlers and dogs of all levels could participate and learn.

It was great to see so many people out—several new members joined us for the day, and many longtime members brought their families along as well. Between running dogs, we shared good conversation, grilled hot dogs, and wrapped up the day with an impressive raffle that everyone enjoyed.

With Utah experiencing such a warm winter, many of our members are already beginning to get their dogs back into the water. We have two more training days planned before our hunt test in April, and we're looking forward to another great turnout.

## Hunt Reports

The number of dogs who earned Champion points indicates those dogs participating who were UKC registered on the day of the hunt.

Attention Clubs! Your hunt report write-ups and photos must be sent to your Region Public Relations Rep to be included in your club's region report. This allows you to share your hunt & club news in one section!

This issue contains all 2025 Event Reports processed from November 14, 2025 through January 14, 2026 .

GATEWAY RETRIEVERS  
 HUNTING RETRIEVER CLUB,  
 INC.  
 September 26 & 27, 2026

**UNITED KENNEL CLUB/HUNTING RETRIEVER CLUB, INC., HALL OF FAME**

The following have been designated as Hall Of Fame retrievers.  
 To qualify, the dog must have earned 1,000 points and have four Grand passes.  
 Following are the dogs, and their owners, that have met the qualifications as of March 16, 2026.

Dog's Name	Breed/Owner(s)
GRHRCH(4) DUDE'S BIG BLACK FRANK HOF	LABRADOR RETRIEVER/CAROL CAITO

**HUNTING RETRIEVER CLUB, INC. Point Club RECOGNITION PROGRAMS**

The 500, 1,000, 1,500, 2,000, 2,500, 4,500 & 5,000 Club Programs are recognition programs for HRC members who own dogs achieving 500, 1,000, 1,500, 2,000, 2,500, 4,500 and/or 5,000 UKC Championship points in the HRC Hunt Test & Upland Hunt Programs.

The HRC member-owner of the dog must be a member in good standing with HRC, Inc. for a minimum of 12 months prior to the time the dog earns the qualifying Championship Points (500th for 500 Club & 1,000th for 1,000 Club, etc.).

HRC recognizes the 100 Championship points that count toward the retriever's HRCH title & all additional points (including Preliminary Hunts) earned in Finished, Grand & Upland Hunt Tests toward the Point Clubs.

The Programs consist of the awarding of a specially designed distinctive jacket embroidered with the HRC logo, owner's name & the qualifying retriever's name. Only

one jacket will be awarded for each 'qualified' dog. However, additional jackets may be purchased by the owner through the HRC Administrative Secretary. This is to allow co-owners, spouses, family members, handlers, etc. to participate in the recognition of the accomplishment of the dog.

A Certificate of Accomplishment & Letter of Congratulations will be issued & sent to the 'qualified' dogs announcing their induction into these prestigious Clubs. An order form for the jacket will be included with the Certificate.

It is the desire of HRC & UKC, due to the significance of the accomplishments of these Hunting Retriever Champions, that the jackets be presented at a ceremony to the recipients at a National HRC event/by their home HRC Club with special ceremony.

Direct questions to Tammy Cobb, HRC Administrative Coordinator, at 269-364-2054/tcobb@hrc.dog

*Following are additions to the list of all dogs & their owners that have met the qualifications for the clubs, compiled as of March 16, 2026.*

## Notice of Suspension

UKC makes every attempt to maintain an accurate and up-to-date “Notice of Suspension” list, and the list is updated regularly. However, as there may be lag time between disciplinary action and adding an individual to the list, and also because mistakes and omissions can and do happen, UKC will not guarantee the accuracy of this list. If an individual is in question, customers should call UKC directly to obtain the most up-to-date information regarding that individual’s disciplinary status. UKC can only confirm or deny a person’s disciplinary status and cannot provide details on that person’s case.

The following is an updated list of individuals who have been suspended or barred until the date indicated. During the period of suspension or barring, a person who is suspended or barred may be prohibited from, but not limited to, one or more of the following:

1. They are barred from registering any dogs in their names (joint or individual ownership). They may, however, transfer any dogs currently registered in their names (joint or individual ownership) to another individual(s), except they may not transfer dogs to any member of their families, spouses, or companions. Companion is defined as anyone who resides at the same address as the suspended individual.
2. They are barred from registering any dogs in their names (joint or individual ownership) and they may not transfer any dogs currently registered in their names (joint or individual ownership).
3. They are barred from registering any litters and from signing any litter registrations in any capacity. No offspring of a dog registered in their names (joint or individual ownership) is eligible for registration with UKC.
4. They are barred from entering or participating in any way in any UKC licensed event, including, but not limited to, co-owner, handler, back-up handler, judge, guide, spectator, or UKC licensed official.
5. They are barred from holding office in any UKC approved club or association.
6. No dog registered in their names (joint or individual ownership) may be entered or participate in any way in any UKC licensed event.
7. No championship points, wins toward a title, or monetary payouts from any UKC specialty program will be awarded for any dog registered in their names (joint or individual ownership).
8. They are barred from advertising in any UKC publication or UKC internet site.  
Any violation of these sanctions or any other UKC rule or policy during the time period in which the individual is barred or suspended may result in their being suspended indefinitely.

CARPENTER, Alan, Traverse City MI (Indefinite Suspension) • GABRIEL, Mary, Farmington Hills MI (Indefinite Suspension)  
KELLY, Robin, Malvern AR (Indefinite Suspension) • NELSON, Earl Ed, Sioux Falls SD (Indefinite Suspension)  
POLK, Gene, Jr., Corinth MS (Indefinite Suspension) • SIMPSON, Cally, Georgetown, KY (January 13, 2026)

## Did You Know ...

UKC offers an Offspring Report that lists the registered names and birth dates of all UKC registered offspring produced by any given dog.

## This report also includes:

- The names, cities and states of the registrants of those UKC registered offspring
- The total number of titles earned by those offspring

### ATTENTION ADVERTISERS

**YOUR ADS NEED NOT BE CAMERA READY! LET OUR TALENTED DESIGNERS PREPARE YOUR AD TO YOUR SPECIFICATIONS.** Prior to submitting "camera ready" advertising copy to HUNTING RETRIEVER magazine for publication, please call the advertising department at (269) 343-9020 for specific guidelines.

UKC accepts all advertisements placed in HUNTING RETRIEVER in good faith. Purchasers should independently conduct any relevant research needed prior to acquiring animals, products and/or services from advertisers. UKC is not responsible or liable in any way for potential issues arising out of sales by advertisers, including but not limited to: dealings between advertisers and purchasers, actions and promises made by advertisers, or quality of products or animals sold by advertisers. Please note: The use of trademarked or copywritten material without the authorization of the owner or any licensee is a violation, and leaves the advertiser and publication open to lawsuits, monetary damages and attorney fees.

### PHOTO REQUIREMENTS

- Photos sent via e-mail must be at no less than 300 dpi and sent in tif or jpeg format.
- We prefer to not use printouts of low-end digital photos. We will evaluate any that are sent in and notify you if we question the quality.
- If hard copies of photos are being submitted, photos in the form of 35 mm glossy prints reproduce the best. Please note: do not cut your photos. If you want them cropped, just indicate how you want them cropped. We will crop them electronically without harming the original photo.
- Please include a stamped, self-addressed envelope to ensure the return of your valuable photos.
