In a nutshell

The Exhibition

Energy companies, operators and suppliers from all over the world.

- Unique exhibition covering the broad energy industry.
- 9 Exhibition halls
- Exhibition and conference content combined throughout.
- Over 20 000 sqm exhibition space.

Energy Stages

6 Energy Stages located throughout the Exhibition. Stay updated and drop by any of the venues with your Exhibition ticket.

- Centre Court
- Net Zero Markets
- Technical Sessions
- Young
- Scale-Ups
- International Markets (separate tickets)

Conference

High-level speakers keep the key players in the energy business up to date on the most relevant issues related to the energy industry. Climate, security, leadership and technology are key topics.

Summit

A closed forum for leaders in energy, politics and civil society. Off-the record discussions on energy markets, security challenges and the geopolitical situation.

ONS+

Official after-hours arena. ONS+ is an open, and unique arena for networking, debates and music downtown in the Stavanger harbour.

We bring the hottest topics from the Conference arena downtown and include everyone.

Free and open to all!

Position - Meet - Connect - Engage

with the global energy industry and decision-makers

The ONS exhibition has since 1974 been a trusted meeting place to connect and do business. Since 2008 we have broadened our vision to include clean and renewable energy.

As we celebrate 50 years we are proud of our position as the leading arena and conference connecting people across and beyond the energy sector.

ONS OUTDOOR STAND

Join our unique and vibrant outdoor area with a ready to go pavilion.

ONS gathers the international energy industry to network, debate, do business and plan the future. Renowned for its wonderful atmosphere and global network nothing embodies the core of ONS more than its outdoor areas. Exhibitor demonstrations, entertainment and top food and drink create a melting pot for business.

And as for the outdoor area itself, we offer you and your company easy access with ready to go pavilions – all you have to do is show up with your message!

ONS OUTDOOR PAVILION

Centrally located between Hall 9 and Hall 10 we create a new plaza filled with various pavilions.

To make it easy, we take of everything. The pavilion comes ready to go, fully furnished and tailored to your company's design needs.

Included in pavilion

7 m x 6 m pavilion
NOK 259 000,- excl. VAT

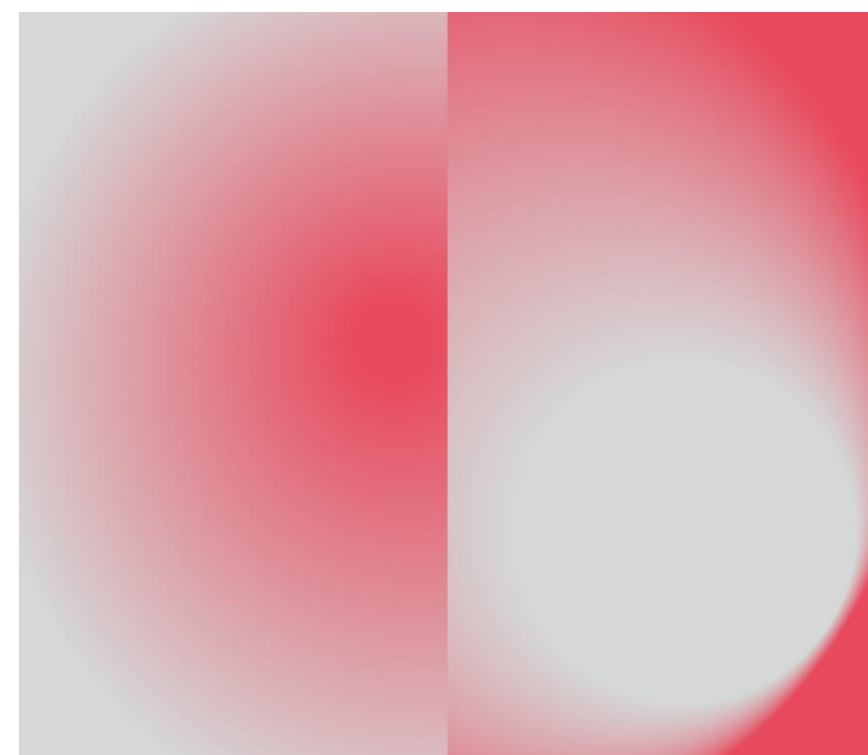

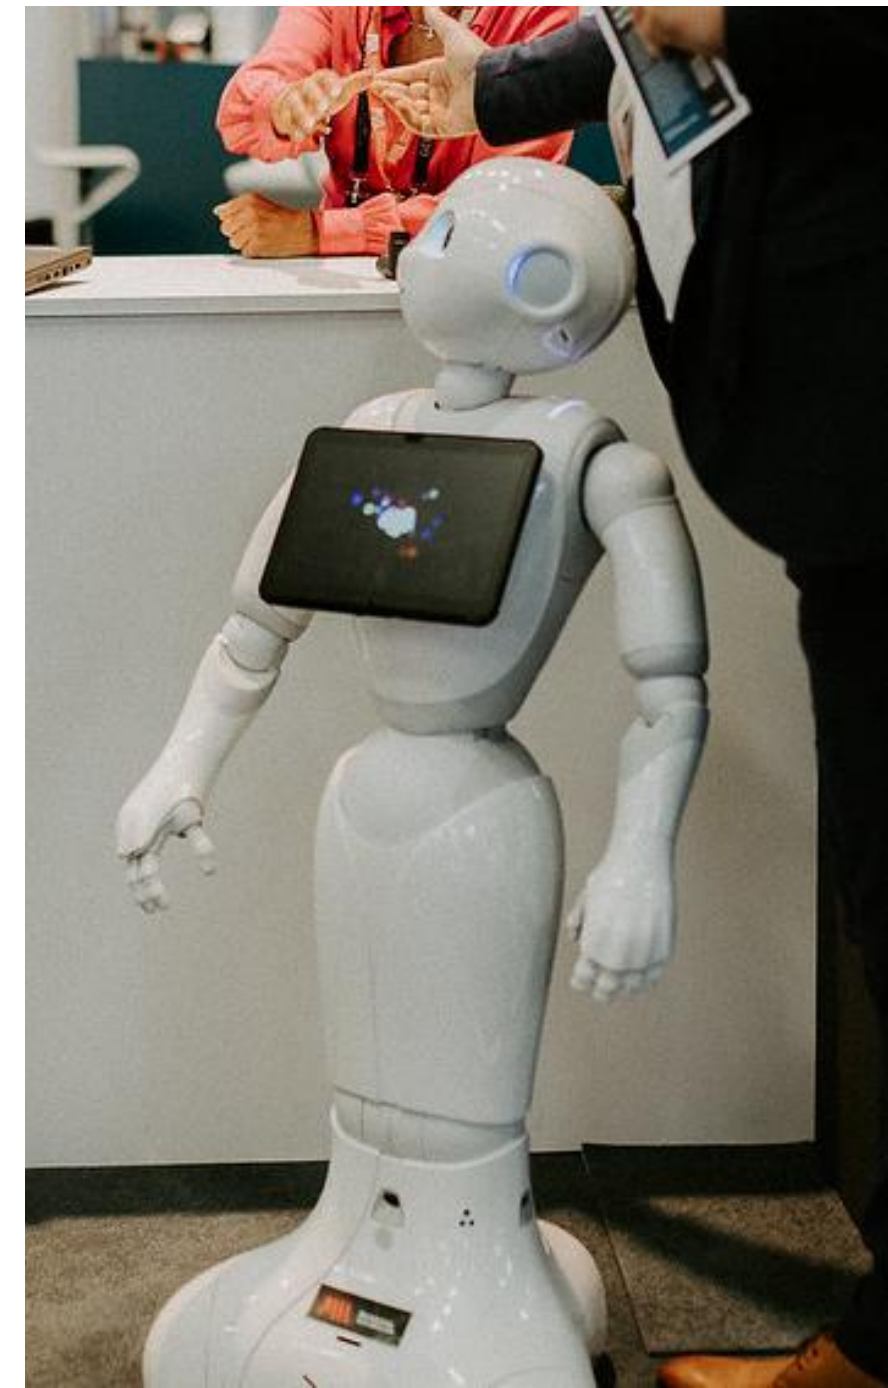

6 m x 3 m pavilion
NOK 137 500,- excl. VAT

Partnerships

How to make the most of ONS

Partnerships

Visibility - Network - Access - Exposure

ONS has become much more than the main biennial event. On a running basis the network and our partners benefit and harvest from a vast offering of meetings, seminars and activities.

As an ONS Partner, you contribute and participate in running activities of network meetings, seminars, promotional activities, and online content and company promotion through social media over a two-year-cycle.

Exhibitors and sponsors are invited to take part in this partner programme and receive rights in accordance with their engagement with ONS.

PARTNERSHIPS

In short

Level of partnership exposure and opportunities are defined by contribution and stand size.

All arenas have one (or more) Main Partners and a range of Supporters based on contribution.

Partner Activities start at 400 000 NOK.

Becoming a partner

What's in it for you?

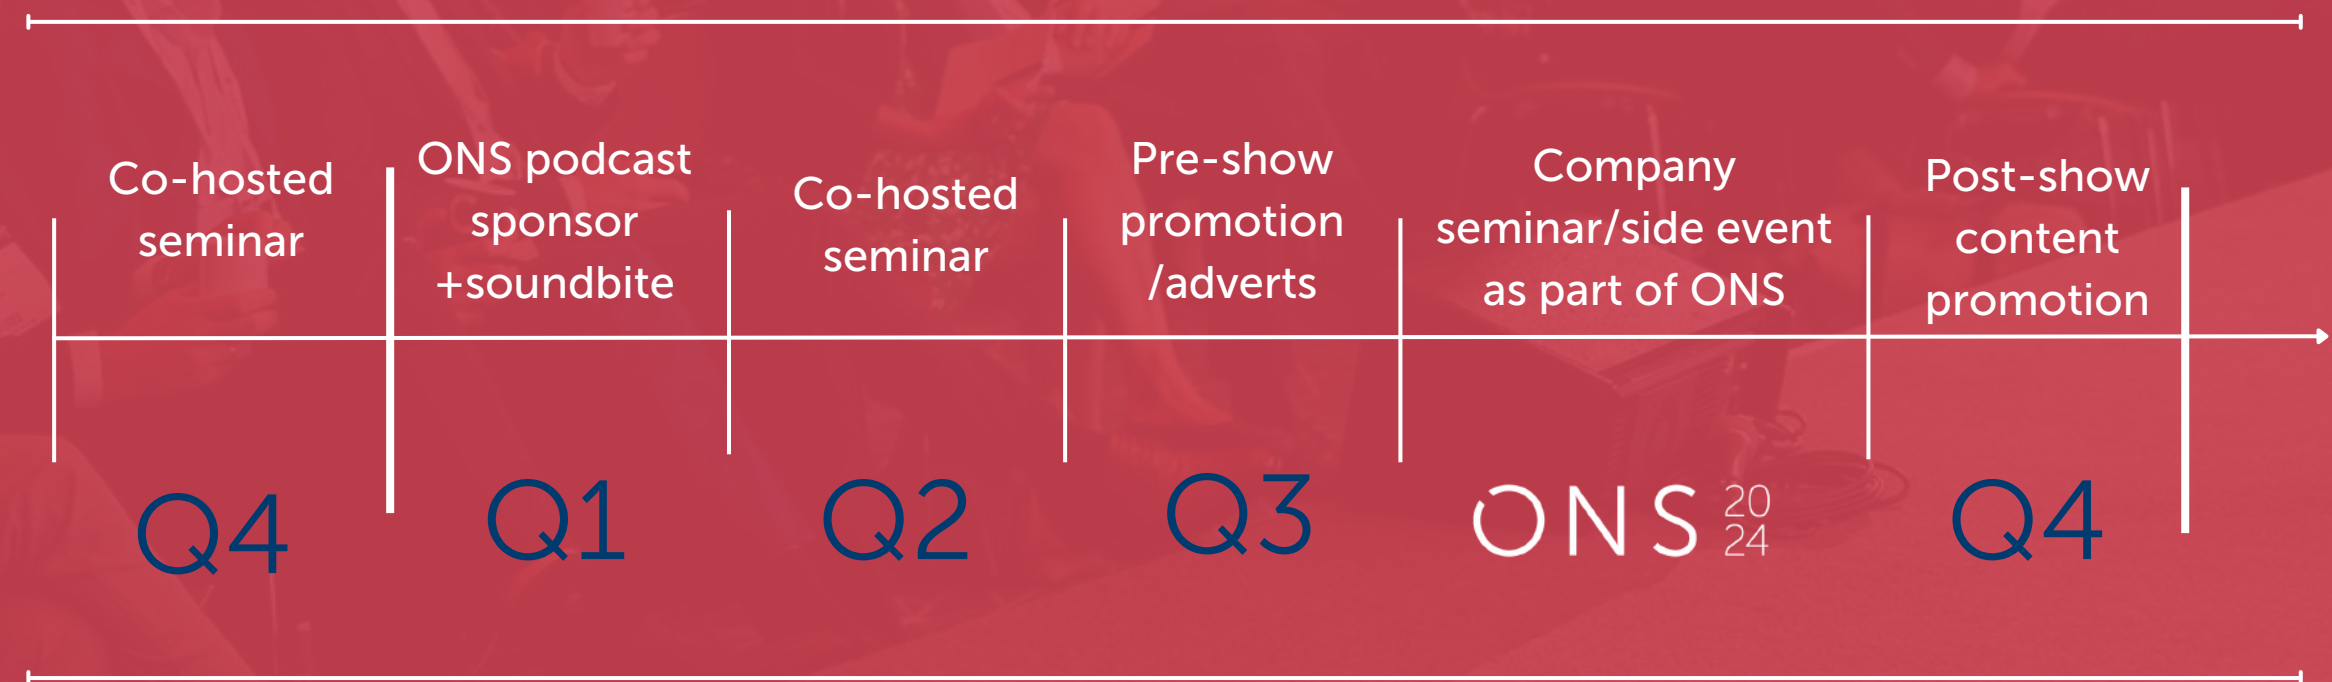

- Visibility
- Network
- Exposure at main event

The level of visibility is determined by the value of engagement

- Logo exposure at ons.no
- Access to the ONS network
- Banner exposure at all entrance areas
- Backdrop logo wall at key areas
- Logo exposure in show catalogue, programmes, ONS advert in third-party media.*
- First claim to additional tickets and accommodation

*for logo exposure on printed material - deadlines April 1 and/1 June 2024

Example of a ONS Partner programme would look like over the course of five quarters

Running activities:

Company inclusion in relevant ONS network activity.
Logo exposure on ons.no and other relevant channels.

Level and partner rights defined by size of contribution and stand.
Partner activities start at 400 000 NOK.

Invite your network to your own ONS event

be a part of the programme - set the agenda *

As the world's leading energy meeting place we aim to set the energy agenda, also outside the exhibition and the traditional conference arenas. We invite partners and collaborators to host their own events at ONS, and to be included in our programme listing.**

*For partners with contributions exceeding 400 000 NOK
** For guaranteed inclusion in the programme listing, all details must be submitted by 1 June 2024

What?

A side event is an activity organized by an external party outside the formal programme of the ONS. You can host a breakfast or lunch seminar, an event on a topic that complement the ONS programme and an arena for networking event etc.

Where?

Designated conference rooms and venues in and around the ONS exhibition and conference area, or at external venues in the Stavanger region. ***

For whom?

Open or by invitation only.

What's in it for you?

Set the agenda by creating your own event and make yourselves relevant in the discussions. An opportunity to invite your network, partners and clients to start a dialogue on energy related issues.

***Prices may vary due to location and organizational requirements. Catering is not included.

Become our ONS 50th Jubilee Sponsor!

50 years as a key platform for the energy industry is truly worth celebrating.

ONS is planning for at least 50 more years where we explore synergies and collaboration across energy, and put energy on the agenda for the discussions on global politics, security and society.

To make it all happen and prepare for the following 50 years we invite you to be our Jubilee Sponsor for 2024.

As our proud Jubilee Sponsor, you get extensive company visibility at the:

- Anniversary Concert
- Downtown at the ONS+
- ONS Jubilee Area at ONS Exhibition
- Tickets to the Jubilee Concert

ONS 50th ANNIVERSARY

Sponsor

- 1 Full week Conference pass
- 10 Tickets for the Opening Concert
- 10 spots in the roadrace Run for Fun

Invite your network and host exciting debates

Host your own pavilion

We are eager to give you a place to really invest in the value of business after hours. One way of doing this is by hosting a pavillion for network, debates and receptions.

We offer a ready-to-use pavilion where all the basic infrastructure is set up in advance. This includes tent, flooring, lighting, water, electricity, heating, and garden area.

ONS coordinates several energy debates and might request to use the pavilion as a location for some of these activities. The pavilion should be open to all during the official opening hours of ONS+.

What's in it for you?:

- A unique hub for meeting, networking and setting your own agenda.
- A branding opportunity also beyond the exhibition audience.
- To be one of the preferred venues for business after-hours.
- See details for set-up next page

Invite your network and host exciting debates

Host your own pavilion - the alternatives

1. One main host all week

- Create your own events or receptions alone or with your choice of partners and network.

2. Host a pavillion ONE night only

- Create your own event one night alone or with partners.

For both alternatives:

- The host is free to include other partners or network to create events in or with the pavilion as a hub.
- Option for ONS tickets is available
- Possibility to organize debates in the pavilion on the sponsor-night. ONS may also request access to the pavilion as a debate location.
 - This gives visibility of your company in the official ONS+ programme

The downtown arena

Host a boat

We are eager to give you a place to really invest in the value of business after hours. One way of doing this is by hosting a boat for network, debates and receptions.

ONS has a close cooperation with Stavanger Harbour and boats are an integrated part of the ONS+ area. Any company interested in docking their boat in the harbour during ONS can do so by registering their boat with the harbour authorities.

You can have closed events onboard or open up your boat to the public and organize energy debates. If your boat is open to the public, your events can be listed in ONS' official programme.

Final mooring location depends on the size and type of vessel. This will be sent out in August 2024.

Podcast, debates, network and socializing

Energy Square partner

The Energy Square is the main focus hub downtown for ONS' new energy debate concept.

The Energy Square is open to the public every night and hosts debates, podcasts and social gatherings.

As an Energy Square Partner your company becomes a member of the ONS Partnership programme with:

- Exposure throughout the entire ONS
- Preferential access to delegate passes
- Right to organize side events
- Available meeting rooms
- Access to hotel booking through ONS quota

What's in it for you?:

- Invite guests to the Energy Square every night (approx 140)
- Organise your own social event one of the three nights from 20:00 – 23:00
- Available catering partner that can provide food and drinks
- Co-host 1 energy debate with ONS in the Energy Square
- 20 tickets for the Opening concert+ option for additional tickets (at cost)
- 1 rep from top management to be invited for the Opening Ceremony (conference), Royal Luncheon & the Opening Concert
- 2 Full-week conference passes
- Logo exposure in the ONS+ Debate Pavilion and in all relevant communication and marketing channels prior to, during and after ONS 2024.

ONS+

Energy Square Partner
