

PRESS RELEASE

[15-08-2023, Pune, Maharashtra] - Commemorating Independence Day in Pune - Minimac Systems, a leading technology solutions provider, was pleased to announce its first-ever "Freedom Walk" on 15th August 2023, in honour of India's Independence Day. The event brought together the company's enthusiastic employees in a symbolic celebration of freedom, unity, and patriotism. The "Freedom Walk" was an initiative by Minimac Systems Pvt. Ltd. to pay homage to the remarkable struggle and sacrifices made by our forefathers to secure India's independence.

On this historic day, employees united in a spirit of camaraderie and walked together in the local area, reaffirming their commitment to uphold the values of freedom and progress. **"We believe that Independence Day is not just a holiday; it is a time to reflect on the precious gift of freedom that we have inherited from our heroes. Our 'Freedom Walk' is a small gesture to express our gratitude and reverence for those who fought for our nation's liberty,"** said Mr. **Anshuman Agrawal, Founder & Managing Director of Minimac Systems Pvt. Ltd.** The walk started at 11:00 AM, with participants gathering at the company's headquarters. The route covered significant areas within the area, symbolizing the journey towards a brighter and independent future. Each employee was encouraged to wear traditional Indian attire or don the colors of the Indian flag to foster a sense of pride and unity. As part of the event, Minimac Systems Pvt. Ltd. organized interactive activities and engaged in discussions about the importance of freedom, the significance of Independence Day, and how each employee can contribute to the progress of our nation.

"We hope that this initiative will not only strengthen the bond among our employees but also serve as a reminder that we, as responsible corporate citizens, have a role to play in building a prosperous and inclusive India," added Mr. Anshuman. Minimac Systems encouraged employees to share their experiences and insights from the "Freedom Walk" on social media platforms using the hashtag #FreedomWithMinimac. By doing so, the company aims to inspire others to cherish the spirit of independence and engage in meaningful celebrations on this historic day. Minimac Systems is a renowned technology solutions provider offering cutting-edge software and hardware solutions to clients worldwide. With a commitment to excellence and innovation, the company has become a trusted partner for businesses seeking reliable and scalable IT solutions.
