FEBRUARY 2023 NEWSLETTER & CALENDAR

CPR CLASS OFFERED

BY WYATT JONES

On Monday January 2, 2023, I was watching the Buffalo Bills take on the Cincinnati Bengals. Like many of you, I was in total disbelief as Damar Hamlin suffered cardiac arrest and had to be revived on the field. This was a very scary situation and thankfully, Damar Hamlin has recovered. A lot of that was due to the administration of CPR quickly which helped save his life.

Have you wanted to learn CPR? Do you want to know how to perform the Heimlich if someone is choking? Do you have kids at home and want a little reassurance that they can react if an emergency were to happen? Do you live many miles from the nearest health care facility and want to know the basics of how to save a life before professionals arrive?

Join me, Wyatt Jones, for a CPR training geared for kids. This is NOT a certification class but rather a chance to learn the basics of these lifesaving maneuvers. Class will be taught by my parents, Daryl & Kara Jones. Outline will include: the purpose & why it's important, brief anatomy, understanding CPR, demonstration, and hands on practice with mannequins.

Each class can accommodate 10 children ages 3rd – 12th grade. You must be enrolled in 4-H to attend. In addition, each class can accommodate 5 adults. There are 3 classes to choose from. Class will begin and end promptly at the listed times so we can begin the next class. Please use the sign-up link to join. If something changes and you cannot attend, no worries, just be sure to remove your name so someone else has the opportunity. There is no charge for attendance, but please bring a love offering to be donated to the New Home Baptist Church for the use of their space.

GET ACTIVE DURING HEART HEALTH MONTH!

BY WYATT JONES

February is American Heart Health Month. Did you know these facts about the heart?

- The heart is in the middle of the chest and has 4 chambers.
- The heart supplies blood to cells in the human body through blood vessels.
- A healthy adult human heart is about the size of a fist.
- In a day, the heart beats around 100,000 times and pumps around 2 gallons of blood.
- Heart disease is the number 1 cause of death worldwide.
- Physical activity is a great way to keep your heart healthy and prevent heart disease.
- Adults should engage in a minimum of 150 minutes of moderately intense aerobic exercise per week and children need at least 60 minutes daily.

Let's take care of our heart and encourage others to do the same. Print this activity tracker and either perform the activity on the calendar or do your own. Get your family involved and make this a fun activity as we love on our hearts.

SOUTH LYNN 4-H CLUB HOLDS JANUARY MEETING

BY KINLEY CLARK, JR SECRETARY

We had a lot of fun at our South Lynn 4-H meeting on January 19, 2023. Jadyn Woodley presided over the meeting. We talked about all of the fun things coming up to do in 4-H. There is livestock judging, duds to dazzle, fashion show, storybook, educational presentation, talent show and public speaking. We talked about how important it is to have goals and how to set goals. What goals do you have for yourself? For community service we made Valentine placemats for the residents at Lynnwood. Our refreshments were provided by Denton and Reese Moore. I hope want to invite everyone to join the fun at our next 4-H meeting!!!

NORTH LYNN 4-H CLUB
HOLDS JANUARY
MEETING

BY LANEY SCOTT, SECRETARY

Having our North Lynn 4-H meeting on January 26, 2023 was a blast! Our North Lynn officers gave all of the important details that we needed to know! Kort Crandall, our president, led our meeting, Mason Scott, our vice president let us know that there are sign ups out now! Make sure that you get signed up for livestock judging, duds to dazzle, fashion show, storyboard, educational presentation, and public speaking! Laney Scott, our reporter, recognized our very successful club members! It is very important to set goals, and habits for ourselves, so we learned a lot of tips and tricks to stay on top of that! Our activity was making Habit trackers so we know exactly how we are keeping up with that! Thank you to the Capps Family, The Martin Family, and The Wied Family for the refreshments! Please come and join us for our next meetings! You will have so much fun!

ARE YOU READING 4-H NEWS?

The only way to know what is going on in Lynn County 4-H is by reading the newsletter, emails, Facebook posts, text messages, etc. Hidden somewhere in this newsletter is a green clover. When you spot the clover, email the office at lynn-tx@ag.tamu.edu and tell us where you found it (page & article). Those who respond by the deadline will be put in a drawing for a Bahama Buck's gift card. The deadline to enter is 11:59 PM on Monday, February 27, 2023.

2023 4-H DAY At the Capitol

TEXAS A&M
AGRI LIFE
EXTENSION

Event Details:

Thursday, March 29, 2023 - Texas Capitol - Austin, TX

Estimated Start Time: 8:30am - Estimated End Time: 4:00pm

Event limited to first 250 youth/50 adults
(registration is non-refundable)

Registration Information:

4Honline Registration will open on at 12:00pm (noon) on February 1, 2023 and will close on February 8, 2023 (or until registration is full)

Cost per participant: \$40.00 (includes lunch and a t-shirt)

The Texas 4-H Youth Development Program will once again host 4-H Day at the Capitol on Wednesday, March 29, 2023. This event is designed as a citizenship experience for 4-H members of all ages to learn more about the state legislative process, as well as meet their state representative and senator through an office visit.

Since this event is held during the legislative session and other organizations/groups are at the Capitol on the same day, the number of participants (youth and adults) must be limited.

Other facts about the day that you should consider before registering:

- This event does occur during the legislative session, therefore, the event schedule may change from what is published and even distributed the day of the event. Changes to the overall schedule as well as House and Senate member visits will be occurring throughout the day and the 4-H Program will do our best to maintain the most up-to-date schedule changes through email and text messaging.
- We request patience of all our 4-H members, parents, and County Extension Agents during the event due to the fast pace of the event. This includes not just schedule changes, but cancellation of office visits or locations of visits.
- For those parents who do not get registered for the event, but their 4-H member did, they are welcome to attend and join in on the gallery and office visits, but due to space, the welcome assembly in the auditorium and the lunch will be limited to only registered individuals. The Capitol does have a cafeteria located close to the room where the event lunch will be served.
- 4-H members attending the event maybe separated from their parents for periods of time when they are in the welcoming assembly or on office visits, please be assured it is the priority of the 4-H Program that each youth member is safe and comfortable in their participation of the event at all times.
- Each registered participant will receive a t-shirt, therefore the dress is casual-nice (blue jeans or khaki pants/skirt, casual closed toed shoes). The t-shirt will be distributed at check-in and youth will have time to change prior to the event starting.
- A detailed information packet will be sent to each registered participant approximately a week before the event with an updated schedule, parking information and other logistical information.

The Texas A&M AgriLife Extension Service provides equal access in its programs, activities, education and employment, without regard to race, color, sex, religion, national origin, disability, age, genetic information, veteran status, sexual orientation or gender identity.
