4512000

\$159.95

Created in Quebec in 2002, manimo® has become a trusted name in the world of sensory tools. Its weighted plush animals provide proprioceptive input: deep pressure applied to the body that helps promote calm and reduce stress. This sensory stimulation is known to reduce stress and support focus during learning or anxious moments.

### manimo® - Weighted Lizard

Worn around the neck or placed on the thighs, its large legs gently wrap around the child, providing a sense of comfort and security. Ages 3+

0185-2 • Green • 2 kg

# Fine Motor Skills

## Precision, coordination, and independence

Playful tools that strengthen dexterity, hand-eye coordination, and precise movements used in everyday activities.

### Slant Board - Black

Slanted board providing a 20° angle, ideal for writing and reading.

Includes document clips and non-slip feet. 30 x 32 cm  
3513100 \$33.95

### Rigid Slant Board - White

Its 20° angle promotes proper posture and positioning for writing or reading. A clip secures papers and prevents them from slipping.

Made of plexiglass | 38 x 33 cm  
3547100 \$119.95

### Magnetic Gel Board

Innovative and ultra-durable board. Allows children to create lines using the stylus or magnetic shapes, then erase them easily with a simple press of the finger. Ideal for calligraphy activities.

2927100 • Small • 22 x 11 cm \$13.95  
2927000 • Large • 28 x 22 cm \$22.95
