WE ARE ON THE WAY TO GO BEYOND

RAFFAELLO ROSSI X SUSTAINABILITY

WE ARE ON THE WAY

Alles auf Anfang. Wir sind weit davon entfernt perfekt zu sein. Doch das soll unser Antrieb und unsere Motivation sein. Wir sind auf dem Weg. Wir hinterfragen unser Handeln jeden Tag neu und machen uns auf die Suche nach besseren Lösungen, um für uns die Nachhaltigkeits-Standards im Premium-Fashion Segment neu zu definieren.

New beginnings. We are far from being perfect. Nevertheless, this is our incentive and our motivation. We are on the way. We question our actions every day and go in search of better solutions, to redefine the sustainability standards in the premium fashion segment.

Alle Raffaello Rossi Hosen werden in Europa produziert. Damit unterstreichen wir die kurzwegige Produktion - überwiegend in Rumänien - bei unseren langjährigen Partnern zu fairen Löhnen und unter Einhaltung von europäischen Sozialstandards (z. B.: geregelte Arbeitszeiten, Mindestlohn, Sozialversicherungen, etc.).

All Raffaello Rossi pants are mainly produced in Europe. Thereby we underline the short routed production – mainly in Rumania – at our long-term partner factories who pay fair salaries and observe the European social standards (such as controlled working hours, minimum salaries, social insurance, etc.).

Wir sehen uns in der Verantwortung den Anbau nachhaltiger Baumwolle zu unterstützen. Deshalb sind wir seit 2021 stolzes Mitglied bei Better Cotton. Gemeinsam setzen wir uns für die Verbesserung der Baumwollanbaumethoden weltweit ein. Wir haben uns verpflichtet, bis 2026 mindestens 50% unserer Baumwolle als Better Cotton zu beziehen. Das Ziel haben wir erfreulicherweise bereits in 2022 erreicht. Mit dem Kauf einer Raffaello Rossi Hose unterstützen wir unser Engagement für mehr nachhaltige Baumwolle. Better Cotton wird über ein System der Massenbilanz beschafft und ist nicht physisch bis zum Endprodukt rückverfolgbar.

We see ourselves in the responsibility to support the cultivation of sustainable cotton. This is why we have been a proud member of Better Cotton since 2021. Together, we are committed to improving cotton farming practices worldwide. We have pledged to sourcing at least 50% of our cotton as Better Cotton by 2026. We are pleased to say that we have already achieved this goal in 2022. By purchasing a pair of Raffaello Rossi pants, you are supporting our commitment to more sustainable cotton. Better Cotton is sourced through a mass balance system and is not physically traceable to the final product.

Ist ein textiler Artikel mit dem STANDARD 100 Label ausgezeichnet, können Sie sich darauf verlassen, dass alle Bestandteile dieses Artikels, d.h. auch alle Fäden, Knöpfe und sonstige Accessoires, auf Schadstoffe geprüft wurden und der Artikel somit gesundheitlich unbedenklich ist. Die Prüfung wird von unabhängigen OEKO-TEX® Instituten auf der Grundlage eines umfangreichen Kriterienkataloges durchgeführt.

If a textile article is awarded the STANDARD 100 label, you can be sure that all components of this article, i.e. also all threads, buttons and other accessories, have been tested for harmful substances and the article is therefore harmless to health. The testing is carried out by independent OEKO-TEX® institutes on the basis of an extensive catalogue of criteria.

ON THE
WAY

Immer einen Schritt weiter. Immer in Bewegung. Der Wandel ist unsere Konstante. Neue Maßstäbe setzen. Besser werden. Angetrieben von Kreativität und Innovationsgeist. Uns ist unser Handeln bewusst. Wir stellen Fragen. Wir halten nicht inne. Wir möchten bekannte Pfade verlassen, um über sie hinauszugehen. Wir möchten die Welt zu einem besseren Ort machen. Wir wachsen an unseren Herausforderungen und begegnen ihnen voller Optimismus. Pro verkaufte Jeans unterstützen wir soziale und ökologische Projekte.

New beginnings. We are far from being perfect. Nevertheless, this is our incentive and our motivation. We are on the way. We question our actions every day and go in search of better solutions, to redefine the sustainability standards in the premium fashion segment. We support social and ecological projects for every pair of jeans sold.

Unsere Denimproduktionsstätten sind Mitglied des SEDEX Ethical Trade Audits (SMETA). Die Produktionsstätten werden auf der Grundlage des Standards der Organisation in den Bereichen Arbeit, Gesundheit und Sicherheit, Umwelt und Geschäftsethik geprüft und bewertet. Dadurch kann die Einhaltung von sozialen Standards gewährleistet werden. Zudem haben die Wäschereien eigene Wasserreinigungssysteme.

Our denim production sites are members of the SEDEX Ethical Trade Audit (SMETA). Production sites are audited and evaluated based on the organization's standard in the areas of labor, health and safety, environment and business ethics. This helps to ensure compliance with social standards. In addition, the laundries have their own water purification systems.

Wir sehen uns in der Verantwortung den Anbau nachhaltiger Baumwolle zu unterstützen. Deshalb sind wir seit 2021 stolzes Mitglied bei Better Cotton. Gemeinsam setzen wir uns für die Verbesserung der Baumwollanbaumethoden weltweit ein. Wir haben uns verpflichtet, bis 2026 mindestens 50% unserer Baumwolle als Better Cotton zu beziehen. Ein Ziel, welches wir schon in 2022 erreicht haben. Mit dem Kauf einer Raffaello Rossi Hose unterstützen Sie unser Engagement für mehr nachhaltige Baumwolle. Better Cotton wird über ein System der Massenbilanz beschafft und ist nicht physisch bis zum Endprodukt rückverfolgbar.

We see ourselves in the responsibility to support the cultivation of sustainable cotton. That is why we have been a proud member of Better Cotton since 2021. Together, we are committed to improving cotton farming practices worldwide. We have pledged to sourcing at least 50% of our cotton as Better Cotton by 2026. A goal, which we have already achieved in 2022. By purchasing a pair of Raffaello Rossi pants, you are supporting our commitment to more sustainable cotton. Better Cotton is sourced through a mass balance system and is not physically traceable to the final product.
