How It Works...

WE MATCH YOU WITH YOUR PERFECT HOUSEHOLD

The work is general house cleaning to a high standard and you will clean for the same regular clients each week or fortnight.

- You can do anything from 4 hours to around 16 hours per week
- You tell us when you want to work and we find the clients to fit*
- Mon - Fri daytime hours
- You will use the clients cleaning materials and equipment
- Having your own transport is an advantage as you do need to get yourself to and from clients homes

- Fits well around school hours but you need to be able to clean during some school holidays
- Also fits well around other part time jobs you may have and are wanting to top up your hours
- As a self employed role, you may accept /decline any jobs we offer

*(Please allow a few weeks for the initial build up of hours if you are looking for a lot of hours)
