Farm to Table Directory for Locally-Owned, Middle Georgia, Farms & Friends

LOCAL SOURCING
for
RURAL GEORGIA

Welcome to the
**Meriwether Co. Spring
2024 Love Living Rural,
Locally-Owned Directory
& Agritourism Guide.**

...the Farm to Table Local
Sourcing Directory you've
been waiting for...

**like an invaluable
word-of-mouth referral,
but with more info.**

Valuing the nobility of growing food is an integral part of our daily lives, health & longevity. Farm-to-Table centers around a "local foods system" producing foods locally...but even more broadly, the support system includes:

- *Locally-Owned Service Providers*
- *Makers of handmade artisan goods*
- *Patrons & Friends of Local Owners*
- *Producers you might find at your favorite farmers market*

Shopping around an agrarian local foods system, promotes a vibrant rural economy, returning more of the purchase price back to the rural community where we mutually live, work & play. Share foundations of farmers, artisans & locally owned purveyors. Serve Georgia grown year 'round, as close to nature as possible.
