100. INTRODUCTION

101. Preservation of Beauty and Quality of Life in the Community

Rules and Regulations have been established to preserve the look and quality of life at The Meadows, protect property values and assure pleasant and harmonious living for all residents and their guests. These Rules and Regulations are based on, and supplemental to, the Declaration of Covenants, Conditions, Restrictions and Easements and Governing Documents of The Meadows at Saint John's Owners Association, Inc. ("The Meadows" or the "Association").

102. Deed-Restricted Residential Community

The Meadows is a deed-restricted residential community. Deed restrictions are legally binding covenants, often referred to as Covenants, Conditions, and Restrictions (CC&Rs), and are filed with real property records. Being a deed-restricted community means that there are certain rules and restrictions that all homeowners agree to abide by at the time they purchase their home. Generally, the regulations are common-sense rules designed to enhance and protect the value, attractiveness and desirability of the subdivision.

103. Governing Documents

The Governing Documents include, but are not limited to, (a) Florida Statute Chapter 720; (hereafter referred to as 'Florida Statutes'), (b) Declaration of Covenants, Conditions, Restrictions and Easements for The Meadows at Saint Johns (hereafter referred to as 'Covenants'), (c) Articles of Incorporation, and (d) By-Laws of The Meadows at Saint Johns Owners' Association, Inc. (hereafter referred to as 'By-Laws').

The governing documents are binding upon all homeowners, residents, and, if applicable, their tenants and their guests; and should be fully understood by all.

104. Establishment of Association Rules and Regulations

Article IV (4.1.2) of the Covenants and Article III (B.1) of the By-Laws provides for the Board of Directors to adopt rules, regulations and policies. Article V (5.1) of the Covenants and Article III (B.8) of the By-Laws specifies the Enforcement procedure for violations. All Owners, as well as residents, renters, guests and invitees shall be subject to and held responsible for compliance with the Covenants, Articles of Incorporation, Bylaws and these and all future Association Rules and Regulations.

105. Amendments to Association Rules and Regulations

The Rules and Regulations outlined in these documents have been established and approved by the Board of Directors ('BOD') of the Homeowners' Association ('HOA'), and are enforced by the Association.

The BOD may, from time to time in accordance with the governing documents, in any open meeting amend, revise, or restate the Association Rules and Regulations with a majority vote from the Board.

When the Board desires to make changes to the Rules and Regulations, notice of the meeting at which the vote will be held must be delivered to all owners at least 14 days before the meeting. Should the Board make changes to the above, it shall deliver to all members a copy within 30 days of the effective date the change.

However, if a copy of the proposed change is provided to the members before they vote on the change and the proposed change is not changed before the vote, the Association, in lieu of providing a copy of the change, may provide notice to the members that the change was adopted and that a copy of the change is available at no charge to the member upon written request to the Association.

Generally, the rules and regulations are common-sense rules designed to enhance and protect the value, attractiveness and desirability of the community. Any part of Rules and Regulations that do not comply with Covenants or Federal, State, and Local law shall not be enforceable.

7. A fine less than \$1,000.00 may not become a lien against a Homeowner.
8. If the violation is cured and the Homeowner later repeats the violation, the repeat violation may be treated as a new violation by the Association and any fines levied against the Homeowner for the repeat violations will be treated as separate fines for purposes of calculating the maximum allowable fine amount.
9. Pursuant to Florida Statute 720.305(4), the Association may suspend the voting rights of any Homeowner who is ninety (90) days or more delinquent in the payment of any fine.

239.6 The Association performs weekly inspections for exterior non-compliance. Homes noncompliant to these Rules and Regulations or the Architectural Guidelines will receive a violation notice with a picture. A copy of the violation will be

sent by USPS mail to The Meadows residence and the Homeowner's last known mailing address, if applicable, as described in Section 314.1 (1) of these Rules and Regulations, above. Violations may be noted in the Minutes of the Board Meetings and added to Homeowner records.

239.7 After 10 days of written notice, any improvements or structures that have been added to any residential lot, without ARC approval, or if any conditions exist that are in violation of the Governing Documents, Architectural Guidelines, or these Rules and Regulations, the Association has the right, but is not obligated to, enter upon your residential lot to correct, or remove any items. This will be done at the sole expense of the Homeowner. Pursuant to the Declaration of Covenants, Article 10.5, Homeowners are responsible to pay on demand the actual costs of performing the enforcement plus 20% of the actual costs. The Association may, upon forty-five (45) days written notice to the Homeowner, record a Claim of Lien against the Lot and sue to foreclose on the Claim of Lien. The Association may also bring an action for damages and/or injunction against the Homeowner for the purposes of curing or correcting the violation.

239.8 The failure of the Association to enforce any rules, regulation, covenant, restriction, obligation, right, power, privilege, authority or reservation contained in these Rules and Regulations, the Architectural Guidelines, or the Governing Documents, however long continued, shall not be deemed a waiver of the right to enforce the same thereafter as a breach or violation.
