NOCELLE FOODS

Established in 1976, we are a proud third-generation Australian family-owned business operating within the FMCG industry. Over the years, we have built extensive expertise across manufacturing, wholesale, distribution, import, and logistics, earning a trusted reputation for consistently delivering exceptional customer service and high-quality products. We are fully accredited to SQF, HACCP, and ACO standards, demonstrating our strong commitment to quality and food safety across all operations, supported by our nationwide sales and distribution network.

As experienced wholesalers, we specialise in sourcing, packing, and delivering premium products to market, with a strong focus on innovation and staying ahead of trends. This drive allows us to continually expand our diverse product range, offering our customers something new and exciting across multiple categories. Passionate about quality food, we are proud to supply artisan and specialty products throughout Australia, from premium nuts and dried fruits to authentic pasta sauces, gourmet treats, and more.

We are also proud to be the makers of the Nature's Delight brand and the exclusive distributors of a premium product portfolio recognised both nationally and internationally. Backed by a strong network of trusted local growers and global partners, we ensure authenticity, freshness, and exceptional quality in everything we deliver. Our curated brand portfolio includes Don Antonio, Nature's Lane Organics, Biancos Fine Chocolates, and many others. Expanding beyond food, we have also leveraged our experience and knowledge into the non-food sector

Don Antonio delivers the finest Italian Durum Wheat Semolina Pasta expertly controlled from wheat selection through to production.

The pasta is dried in a slow and natural way to protect the wheats own organoleptic properties. These classic pasta shapes are drawn through bronze-forms and desiccated at a low temperature for a duration of 42 hours paying homage to time honoured methods of pasta production. The result is a pasta that promises an authentic Italian dining experience.

DUE VITTORIE

Due Vittorie vinegars from Modena are 100% Modenesi, produced according to century old methods of slow fermentation & aged in durmast oak barrels. The name Due Vittorie represents the gratitude to the land of Modena where the Maletti family was raised, the tradition of viticulture, the passion for local products & the awareness of the pleasure of good food.
