### HUMOROUS SPEECH & TABLE TOPICS CONTEST

Thank you for an amazing evening of laughs from our Humorous speakers and to our Table Topics contestants for giving us an insight on "What ... [their] most memorable lockdown moment [was]". Well done to Kate C. & Julie H. for placing first and second in the Humorous speech contest and Yumi B. & Viranga R. for placing first and second in the Table Topics contest. We wish them the best of luck as they will be representing our club in the next round at the Area contest.

## INTERNATIONAL SPEECH & EVALUATION CONTEST

The International Speech Contest is fast approaching. Our club contest will be held on August 26th, 2021. The only prerequisite is completion of Pathways Level 2. The Evaluation Contest held on the same evening and is open to all members. The club contest winner and second place holder will go on to represent Manningham Toastmasters in the Area Club Contest. ## MESSAGE FROM OUR VP OF PUBLIC RELATIONS

" We share a common goal of overcoming our apprehensions about speaking in public, improving communication skills and developing leadership skills. A synopsis of the VPPR role is to 1. Inform members about the outer world (I.e. Of events and educationals organised by other clubs or at district) and 2. To inform the outer world about Toastmasters and our club. My vision as our club's VPPR this new Toastmasters year will be to fulfil the former and to be our club's mascot, cheering us on, motivating us to carry through our goals, to reach and smash them with the content shared through our social media channels and newsletter."

- Julie Hua, VPPR
