

ATHLETICS

READY TO COMPETE

RECTORY'S ATHLETICS AIM TO INSPIRE A LIFELONG PASSION FOR PHYSICAL FITNESS AND HEALTH WHILE ENCOURAGING RISK-TAKING AND BUILDING SELF-CONFIDENCE.

While inter-school competition is a key component of our program, emphasis on individual success, enjoyment, skill development, teamwork, and sportsmanship are at the core of our program.

Rectory offers multiple levels of coed sports, allowing students to practice and compete with athletes of similar skill set, regardless of age. Varsity teams are extremely competitive and successful, while other levels help students develop fundamental skills.

Participation in the Athletics program is mandatory for all students during each of the three seasons. Every student has a chance to participate on a team at the level that suits his or her skill level, ensuring every student can thrive, succeed, and grow.

ATHLETIC FACILITIES

Our facilities are designed to support a wide range of athletic activities, ensuring that every student has access to top-quality resources. From well-maintained fields and courts to a modern fitness center, we are committed to providing an environment that fosters athletic excellence and personal growth. Explore our facilities and discover the perfect place to train, play, and achieve your athletic goals.

COACHES

Our coaches are more than educators—they're passionate mentors, driven to inspire and push athletes to their full potential. With energy and dedication, they instill the values of sportsmanship, teamwork, and relentless effort in pursuit of shared goals. Every practice and game is an opportunity to experience the thrill and challenge of the sport, all while promoting a strong, healthy lifestyle.

ATHLETIC TRAINER

Our Athletic Trainer provides critical support in preventing, diagnosing, and treating sports-related injuries among students. Their expertise ensures that athletes receive immediate and appropriate care, which minimizes the risk of long-term damage and facilitates faster recovery. Additionally, athletic trainers educate students on safe practices and effective training techniques, promoting overall health and well-being.

WOLFIE - OUR BELOVED MASCOT

In the 2011-2012 academic year, the Rectory community voted for a mascot—and the Rectory Wolves were born! By spring 2021, 'Wolfie' made its official debut, quickly leaving its mark with paw prints on gear, a life-sized cutout in the halls, and a fierce Wolfpack spirit everywhere!
