FROM THE GENERAL MANAGER

a holiday im

Dear Lakewood Family,

Happy New Year! I hope your holidays were filled with incredible memories surrounded by family and friends. The start of a new calendar year always re-energizes me—it's a time to reflect and refocus. 2024 was a defining period in Lakewood Country Club's 104-year history, marked by extraordinary transformations that have set the stage for an even brighter future.

One of the most significant achievements of the past year was the restoration of our historic A.W. Tillinghast-designed golf course. This project honored the club's storied past while embracing a modern approach to ensure an exceptional experience for our members and guests. The work that went into this restoration was nothing short of remarkable, blending meticulous craftsmanship with an unwavering commitment to excellence.

But the story of 2024 isn't just about physical changes. Behind these transformations is a group of talented, hard-working, and caring individuals who brought this vision to life. From the grounds crew and contractors to the club staff, leadership team, and board of directors, their passion and dedication turned challenges into opportunities and ideas into reality. Today, their efforts shine in every aspect of the club experience, from the fairways to the clubhouse.

As I look back on the work accomplished over the last several months, I am filled with gratitude and pride. It's not just about the results—it's about the journey, the teamwork, and the shared commitment to creating something truly special.

Over the past few weeks, our team at the Club has been hard at work giving the Clubhouse a top-to-bottom clean and taking some time to recharge. We're gearing up for what promises to be the busiest year in Lakewood's history, and we couldn't be more excited!

A heartfelt thank-you goes out to everyone who contributed to our annual "Adopt a Family" drive. This year, your generosity surpassed all expectations! Thanks to your contributions,

act TO BE PROUD OF

we were able to support families in the Westlake community, make a significant donation to the Big Brothers Big Sisters of Greater Cleveland Toy Drive, and still have enough left over to support the Global Ambassadors Language Academy (GALA) and Salvation Army Greater Cleveland. These organizations provide assistance to 600 families each year, and your kindness helped fill in the gaps for them this holiday season.

It fills my heart with pride to see the Lakewood community come together to make such a meaningful impact. You've not only brightened the holidays for underprivileged children and families but also strengthened the spirit of giving that makes our Club so special.

Looking ahead, 2025 promises to be equally exciting. Building on the momentum of 2024, we are poised to achieve even greater things. Together, we will continue to raise the bar, strengthen our community, and write the next chapter in Lakewood Country Club's legacy of excellence.

As always, we look forward to welcoming you back to your home-away-from-home, Lakewood Country Club, during the off-season. And to our snowbird members—know that you are missed, and we eagerly await your return this spring!

Thank you to everyone who made 2024 such an incredible year. Here's to the opportunities, growth, and successes that await us in the year ahead.

Warm regards,

ALFREDO C. HILDEBRANDT

General Manager/COO

alfredo.hildebrandt@lakewoodcountryclub.com

congratulations to

Lakewood Country Club's Kayla Knaze and the entire Magnificat Golf Team

Magnificat Golf captured the OHSAA Division I State Championship held at NCR Country Club in Kettering on October 14th & October 15th. Despite battling challenging windy, cold, and rainy conditions, the Blue Streaks emerged with the program's first-ever State Title in golf.

Sophomore Kayla Knaze and senior Cammy Reed were the standout performers of the tournament for Magnificat, scoring 151 and 152 respectively. Their exceptional performances earned them accolades as they were both named 2nd Team All-Ohio.

Freshman Calli Reed carded a score of 157, senior Maureen O'Leary a 158 and junior Kristina Chill a 166—all of which helped the Blue Streaks in what was a tight tournament for 36 holes.

The Blue Streaks initially led by five shots after Day #1. They briefly lost their lead after the first

nine holes of Day #2, but they made a remarkable comeback on the back nine, to secure the championship.

As the 2024 state champions, the Magnificat Golf team has undoubtedly left an indelible mark on the OHSAA Division I State Tournament, embodying the spirit and skill of high-level competitive golf. Their achievement not only highlights the individual talents of the players but also their collective strength as a unit, navigating through adversity to emerge victorious.

The 2024 Magnificat Varsity Golf team consisted of Cammy Reed (senior), Maureen O'Leary (senior), Avery Paez (senior), Kristina Chill (junior), Kayla Knaze (sophomore), and Calli Reed (freshman).

Congratulations to the entire team along with Head Coach Danny Gallagher and Assistant Coaches Heather Connor and Chris Reed!

LAKEWOOD'S TOP-NOTCH CUISINE IS SURE to impress

Dear Lakewood Family,

I am truly filled with excitement for the promising year that lies ahead. As we bid farewell to 2024, I am thrilled to share there has been remarkable progress and achievements accomplished in 2024, particularly in our culinary department.

The challenges that presented themselves last year were met with enthusiasm and dedication by our team, and it is with great pleasure that I extend my heartfelt gratitude to each and every one of you for your unwavering support and engagement throughout the past year.

Now, as we embark on the journey of 2025, I am excited to announce that we are fully prepared to elevate your member experience to new heights. With Alfredo leading the way and the introduction of your new golf course, we are ready to exceed your expectations and provide you with an unforgettable experience unlike any other.

The growth and development witnessed in our Food & Beverage department over the past 12 months have been nothing short of spectacular. We are committed to raising the bar even higher in terms of quality, convenience, and an ambiance that is truly unparalleled.

I kindly urge you to continue making reservations for all Club events and à la carte dining, as this will ensure we are fully prepared to deliver the best possible experience for you. Additionally, keep a close eye out for our upcoming events, including wine dinners and other exciting activities that we have in store for you throughout the year.

Once again, I want to express my sincere appreciation for your continued support, and I am looking forward to welcoming you back to the Club to create more unforgettable memories together.

Thank you, and see you at the Club!

Cheers,

a new year AT LAKEWOOD

EMBRACING NEW BEGINNINGS, EXPANDING OUR BEVERAGE OFFERINGS, & STRENGTHENING OUR COMMUNITY.

Dear Lakewood Family,

As we welcome the new year, we embrace the opportunity for new beginnings, and I can't help but feel that 2025 will be an incredible year here at Lakewood Country Club. We will continue to build on the energy and vibrant atmosphere we've worked so hard to cultivate over the past year. Our goal remains clear: to make Lakewood a premier golf and culinary destination, while fostering an even more inviting and family-oriented club environment—a place we are all proud to call our home-away-from-home.

This year, we are excited to enhance our beverage offerings, with a special focus on our Bourbon and Wine Clubs, as well as expanding and improving our overall liquor program. Whether you're an enthusiast of rare bourbons, an aficionado of fine wines, or someone who enjoys a top-tier tequila, we are dedicated to curating an exceptional selection for all our members. Expect new tasting events, members-only experiences, and an elevated liquor program designed to delight your palate.

In the next couple of months, we will be taking advantage of our slower season to focus on training our team and preparing for the busy months ahead. We are constantly seeking new ways to enhance your service experience, and we will be offering targeted events and activities for you and your family to enjoy. If you have any questions, concerns, or compliments, please don't hesitate to reach out to me. The team and I are committed to continuously finding better ways to make your experience at Lakewood a memorable one.

Finally, I would like to extend my heartfelt thanks to those of you who have gone the extra mile to support the Club. The strength of Lakewood lies in its members, and your support ensures the long-term success of the community we are building. Lakewood Country Club is truly an extraordinary place, and I am honored to be part of such a wonderful family. Together, we can continue to improve it for everyone who calls it their own. Wishing you a joyous and prosperous new year filled with peace and happiness!

Cheers,

TOM HUTCHINSON

**LAKEWOOD
COUNTRY CLUB**

THE GRAND VISION HAS *become our reality*

Dear Lakewood Family,

2024 was a monumental year for the Club. The project this membership has undertaken to breathe new life into your golf course is something truly remarkable. Every member has sacrificed to make this project possible and on behalf of my team and I, we thank you for letting us do this work.

I took my first walk on this property at Lakewood on November 5th, 2019. I flew in from New York that morning leaving what I had known as home for 10 years. I met some members of the hiring committee and some staff. We talked about the club in the card room for a while and then went out on the course. It was cold, grey, and wet. The golf course looked tired from the season and exhausted from years of deferred maintenance. When I finished the walk with the committee I asked to walk the golf course again alone. Just as I was walking off of tee number two, it started to snow, and continued to snow until I finished. I will remember that walk for the rest of my life.

What I really saw that day was a lot of work. A property that would keep me busy for years to come. There are a lot of courses like that. Old ideas of what golf should be or what a country club looks like, what people want, and what superintendents think their members want over time can create a disconnected feeling between the course and the golfer and the architect and their intentions of how the course is to be played. Underneath these imprudent changes made throughout the years, I could still see a golf course with great routing and classic holes. I saw a piece of property that could be transformed back to greatness.

Five years later we made so many impactful changes to the golf course. The investment in the golf course, the club and our staff has seen more than just the golf course change and I am blessed to be a part of it. The future of Lakewood is strong, the 2024 golf course renovation is the cornerstone of the club and the people who have helped bring

this project to fruition and lead us through to completion are the keystone of the club.

Again, I want to thank you all for being a part of the history of Lakewood Country Club through the project. I look forward to you all enjoying the future of this great club. I hope when we open in 2025 you are proud of your accomplishments and share them with your friends and family. Until then my staff and I will be working to get the golf course ready for your return, we still have a lot of work to do but we are excited to do it and to present the

golf course for play

again. We are all in

agreement that construction is exciting, but it is a lot of work and we have a better time maintaining the golf course for our members than we do tearing it apart and putting it back together.

AARON ARCHAMBAULT

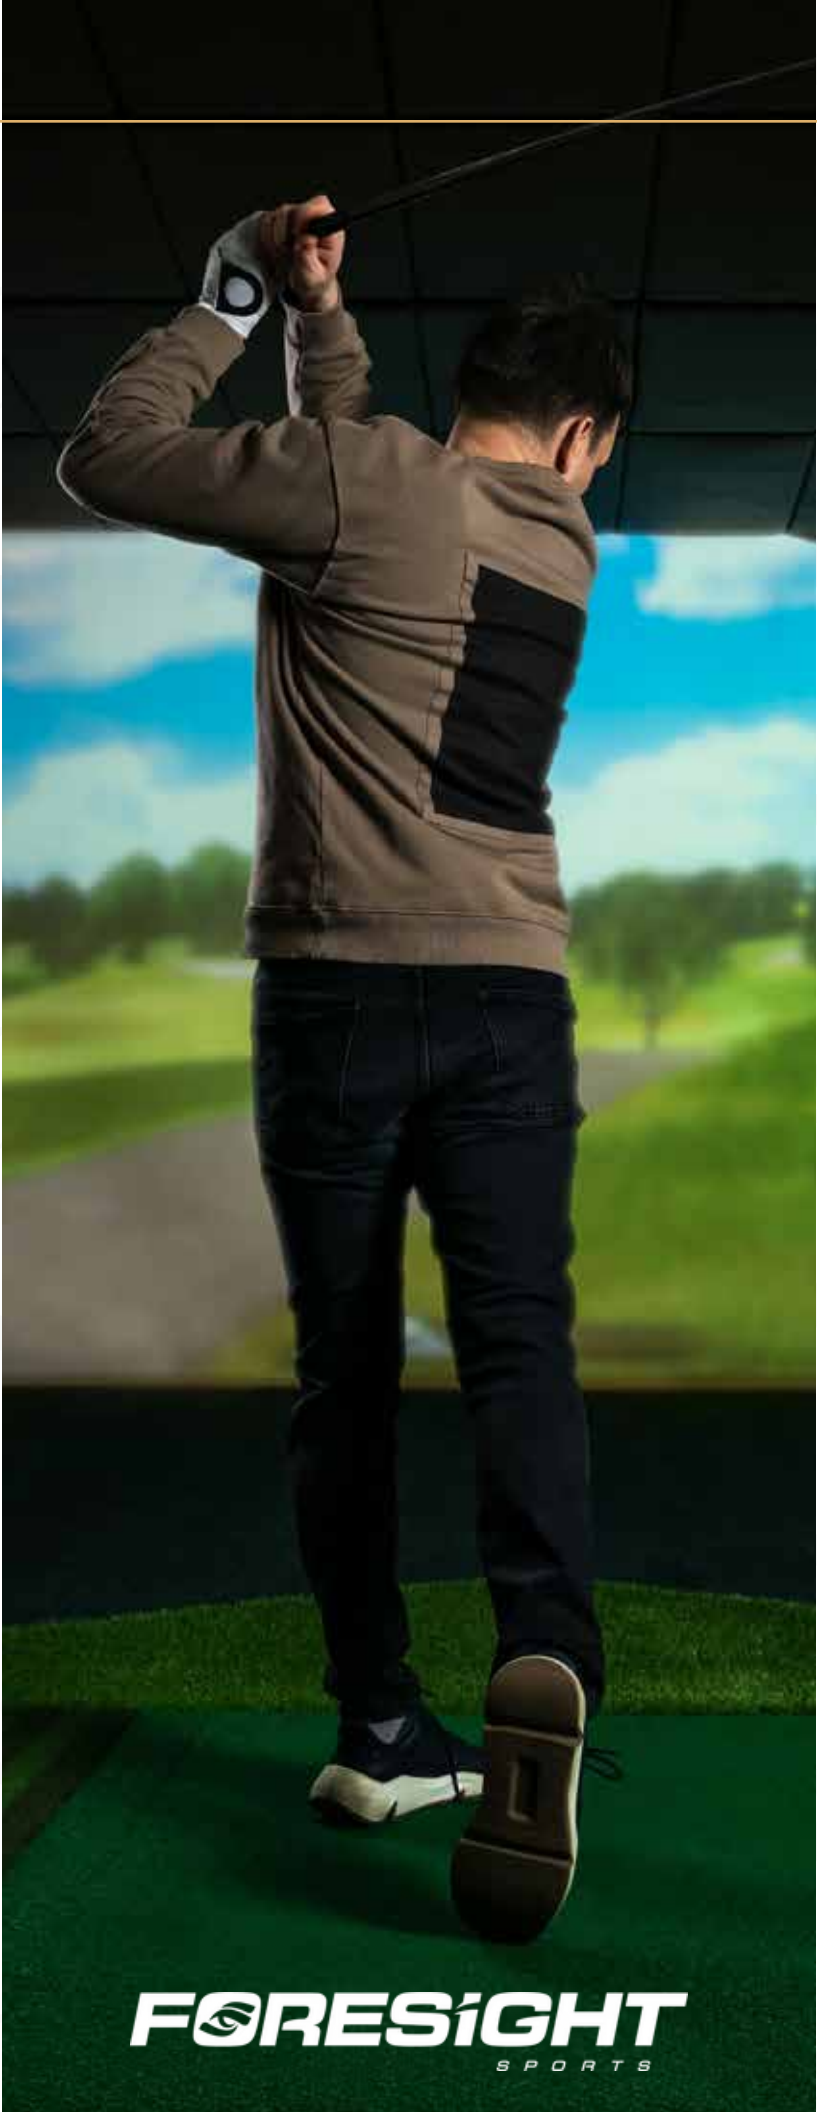

Grounds Superintendent

440-835-4398

aaron.archambault@lakewoodcountryclub.com

FROM OUR HEAD GOLF PROFESSIONAL

get ready FOR TEE-OFF

Dear Members,

I want to personally thank everyone for supporting the Golf Shop and Club during this unusual 2024 season. I also want to thank everyone for participating in our four golf course tours throughout the fall. The turnout was incredible and was comforting to see the excitement on our member's faces during the tours and knowing everyone else is as proud of Lakewood Country Club as I am. Like every offseason, this is our opportunity to look at club policies to see if we need to update any of them for the following season. I will be sending out an email in the springtime with any changes.

By request, below are some important tournament dates to mark on your calendar:

2025 DATES:

Any gift exchanges or returns can be done in January after New Year's. If you have any Ship Sticks needs throughout the winter, please call or email the Golf Shop.

SIMULATOR HOURS:

Wednesday-Thursday	10:00AM-6:00PM
Friday	10:00AM-9:00PM
Saturday	9:00AM-9:00PM
Sunday	9:00AM-3:00PM

You can reserve your simulator time through the ForeTees app. If you have an interest in taking golf lessons and working on your game during the offseason, please contact the Professional Staff.

STAFF UPDATE:

For those who have not heard, our Assistant Professional, Blake Rudy, will not be returning for the 2025 golf season. Blake will be pursuing other career opportunities outside of golf and we wish him the best during his search.

We started to search this Fall for a new Assistant Professional and are happy to announce that we have hired Zac Cork. Zac's impressive background includes working at the esteemed Pepper Pike Club under the mentorship of legendary NOPGA Hall of Fame inductee—and Lakewood Country Club alumnus—Rob Moss. In addition, Zac has honed his skills at other prestigious clubs, including Skokie Country Club in Illinois and Mirabel Club in Arizona, where he developed his expertise in delivering exceptional guest experiences. We hope you stop down and welcome Zac to the Club.

I cannot wait to kick off the 2025 golf season toward the end of May. This year, we are going to make a continuous effort to educate the membership on the turf benefits of walking the course vs taking carts. Where is the best place to drive our carts, down the fairway, or stay in the rough? How close to the greens and approaches should we be taking our carts? All in an effort to protect the investment you have made in your golf course and provide the best possible playing conditions day in and out. Please look for more best practices emails throughout the off-season.

I want to wish you and your families a very Happy 2025! I look forward to seeing everyone at the club. As always, if I can make your experience more enjoyable, please feel free to reach out.

Best regards,

TIM PERIN

JAKE SCHNEID WINS THE EVANS SCHOLARSHIP!

Jake Schneid, a dedicated caddy at Lakewood Country Club, has achieved a remarkable milestone in his young life: he has been awarded the prestigious Evans Scholarship. This full-tuition and housing scholarship is a testament to his hard work, perseverance, and the strong character he has demonstrated both on and off the golf course.

A JOURNEY ROOTED IN DEDICATION

As a senior at North Olmsted High School, Jake has spent four years caddying at Lakewood Country Club, completing over 200 rounds. Beyond carrying golf bags and reading greens, Jake has built lasting relationships, demonstrated an exceptional work ethic, and embraced the values of responsibility and commitment. These qualities, coupled with his academic achievements, helped him stand out as an exemplary candidate for the Evans Scholarship.

WHAT IS THE EVANS SCHOLARSHIP?

The Evans Scholarship, established in 1930 by famed amateur golfer Charles "Chick" Evans Jr., is one of the nation's most esteemed scholarships. It provides full tuition and housing to high-achieving caddies with strong academic records, financial need, and outstanding character.

Administered by the Western Golf Association, the program has helped thousands of young men and women pursue higher education, creating a legacy of opportunity and success.

Each year, hundreds of caddies across the United States apply for the scholarship. The rigorous selection process includes academic reviews, letters of recommendation, and interviews. Jake's receipt of this honor places him among an elite group of scholars who embody the values of hard work and perseverance.

A BRIGHT FUTURE AT THE OHIO STATE UNIVERSITY

In the fall, Jake will begin a new chapter of his life as he attends The Ohio State University to study civil engineering. His choice of major reflects his passion for problem-solving and a desire to contribute to building the infrastructure that supports communities. With the support of the Evans Scholarship, Jake can focus entirely on his education and aspirations without the burden of financial stress.

"The Evans Scholarship has given me an incredible opportunity to chase my dreams and make a difference in the world," Jake shared. "I'm beyond grateful for the support of the Western Golf Association and everyone at Lakewood Country Club who has encouraged me along the way."

A COMMUNITY OF SUPPORT

Jake's success is not his alone; it's a reflection of the supportive community at Lakewood Country Club and North Olmsted High School. From his mentors

ht future:

on the golf course to his teachers and family, Jake has been surrounded by individuals who believed in his potential.

A special thank-you goes to the membership of Lakewood Country Club for their unwavering support of the Evans Scholarship program. Their commitment to fostering opportunities for young caddies like Jake has been instrumental in making dreams like his a reality.

The Evans Scholarship not only rewards Jake's individual efforts but also highlights the power of mentorship and the importance of investing in young people. His story serves as an inspiration to fellow students, caddies, and aspiring engineers alike.

LOOKING AHEAD

As Jake Schneid prepares to embark on his journey at The Ohio State University, he carries with him the values instilled through years of hard work as a caddy and the unwavering support of his community. The Evans Scholarship is more than just financial aid; it's a gateway to opportunity, a testament to Jake's character, and a stepping stone to a promising future.

Congratulations, Jake Schneid, on this well-deserved achievement. Your story reminds us all of the incredible potential that lies in dedication, perseverance, and a little help along the way.

OUR SPECIAL EVENTS TEAM:

*every moment will
be unforgettable*

Dear Members,

As we wrap up this incredible year, I want to take a moment to extend my heartfelt thanks to each and every one of you for your unwavering support during my first year as the Director of Special Events. It has been an absolute joy and privilege to be part of such a vibrant and welcoming community.

Over the past year, I've had the pleasure of planning a wide variety of events, from intimate gatherings to grand celebrations, each one tailored to create lasting memories for our members and their families. Seeing you come together, laughing, celebrating, and sharing special moments has been the highlight of my role and truly what makes Lakewood feel like home.

Looking ahead to 2025, I am thrilled to share that we are planning an even more exciting and dynamic calendar of events for you to enjoy. From cherished traditions to brand-new experiences, there will be something for everyone to look forward to. This

year, event sign-ups will be available earlier than ever, giving you the opportunity to plan ahead and secure your spot for all the fun and festivities we have in store.

Thank you again for welcoming me into this incredible community and allowing me to contribute to the magic that makes Lakewood so special. I can't wait to see what 2025 brings, and I'm excited to continue creating unforgettable moments together.

Warm regards,

ALIYA VOLDRICH
