

# YDISCIPLE

Why YDisciple? It is a completely different method of formation, steeped in critical thinking and listening. YDisciple helps mentors respond with catechesis based on the immediate need of an individual or small group.

In the Universal Church's challenge to form young people in an apostolic time, we are being called to move away from the classroom and large group models of formation. The Diocese of Palm Beach is meeting that call by helping parishes process and implement sustainable and relational youth ministry. To help with this paradigm shift, we have partnered with Ydisciple, the premier formation and discipleship resource for both middle and high school youth, including Sacramental Preparation for Confirmation.

You can set up your YDisciple account at the link below. Be sure to use the discount code PALMBEACH22 to bypass the payment screen.
