Destination: Billings

Here's a look back at an absolutely amazing year from America's #1 Monthly Catalog Horse Sale - Billings, Montana!!

We are proud to live and work in the west where rodeo, roping, ranching, guest ranches, trail riding, outfitting, agriculture, and recreation - are king - AND pave the path we walk everyday - to create our unique "lane" of the horse sale biz.

That's why this sale rocks - month in and month out - both catalog and loose - as a direct result of the consignors who bring the quality, build the market confidence, come back year after year, and forge the relationships that are the foundation of our business - thank you - some of you for right on 28 years.

Our buyers - YOU ARE THE BEST!! Some who have been customers long before we took over management in 1998 - yep - and to the new customers who trust us each month. Thank you for choosing Billings Livestock.

And - a thank you to the staff and team that makes Billings roll - you like horses, too - and it shows - thank you for a stellar job - month in and month out, inside and outside, in the sale ring and beyond.

It's coming - here are the deets on 2025!!

~Nine on premise sale events

~Eight online-only sales

~6,471 head of horses in and out of these gates - the second -largest on premise volume since 2016 - and only 47 head short of #1 - all that with NO November Sale!! We really do have something for everybody.

~Yes, it was a fabulous year.

Three sales - March, August, and October - the best sales on record at Billings Livestock. March and October sales both added days to accommodate the volume and

selection, August knocked it out of the park with the best August to date, and - September - oh, yes, you did - offered 1,047 head over the three days.

Here's my take on the market - Every single day the bar moves up. The market continues it's solid run, driven by strong demand for quality, proven programs, people who represent their product honestly, answer their phones, and for horses that can go to work. Whatever that work may be.

There are always going to be ups and downs, but honest representation matched with top-tier marketing of a good horse, mule, or pony will continue to be sought after. And - there will always be value, too - as "one person's good is not another person's good." **And, that, is what makes volume matter.**

In summary - this is a repeat, but true, true, true: First class effort matched with a first class product reaps first class results. Combine that with the marketing your sale company offers and be rewarded with a positive outcome. We work hard to set the bar, to move the bar, and to deliver as the leader in both catalog and loose horses. Every month. On premise and online.

Online Only sales - So proud of our expanded schedule this past year and an A-team that make our online sales successful. We have some really cool things coming for our online events in 2026!!

Up next it's the big one - February 27-28 and March 1. Hope to see you there - under the Big Sky or online!!

You can consign, see what's coming, and sign up for online bidding right here www.billingslivestock.com

And - just like that - we're off to an exciting 2026.

Three days, quality driven, big volume = big selection!!

February 27-28 & March 1

Like good horses?? We do, toooo!! It's our biggest sale of the year and it's complimented by our popular "Sons and Daughters" sale session - it's loaded with the business!! Wait 'til you see!!

ONLINE SESSION - HIGH BROW FLEA - 2020 AQHA Bay Gelding x City Slicker Cat x Hellen Cat out of Miss Wiggly Reed x Docs Whiskey Blizzard. True Montana ranch gelding. I raised this gelding and have used him in every season of our ranch operation from roping and tagging calves, dragging calves at branding,

pairing and trailing out in the Spring and big country gathers in the Fall. He's always been in good hands and has a super nice handle on him. He has a ton of speed and eats a cow plumb up. Easy to be around. Guaranteed to be the first one you'll catch and has never taken a lame step. Sells sound. VIDEO: Contact Seller. FMI: 406-350-0778. Coggins. FO49

ONLINE SESSION - KS DANDY DELUXE - 2016 AQHA Red Roan Gelding x Queenies Lil Dandy x Hot Dandy Frost out of Hancocks Deluxe Girl x Hancocks Mr Blue Boy. 15hh. Strawberry has been one of my go to ranch horses since I started him as a 4 year old. He'll do it all from roping bulls, cows, halter breaking colts, working calves in a feedlot, to dragging calves in the spring. He's not fancy broke by any means but he is broke. Definitely not a kid or grandma horse but if you want to get a job done or trot for miles to the far end of your big pastures, Strawberry is your guy. I've lead a packstring in the mountains on him. Packed salt on him. Strawberry's biggest down fall is he can be kinda watchy with new things on the ground that he's never been around and can occasionally be cold backed after several months of time off. He's absolutely not a bronc and he won't buck you off but if he does show that sign of him it'll be at the hitch rail when you saddle him not with you on him. He's not your go to town horse or parade horse but he is as solid as can be. He's great to shoe. Wears an O all the way around. Does not bite or kick. If you're looking for a great ranch horse he's your guy. I'm not leaving anything out on Strawberry because I know how good he is and he's never let me down. VIDEO: https://youtu.be/30_QbIfFymY FMI: 406-600-1658. Coggins. FO51

ONLINE SESSION - JIMMY - 2006 GRADE Gray Gelding. 15.2hh. Jimmy has spent his entire life on the ranch. Gary Cooper out of Cody Wyoming started him as a 2 year old. Jimmy can and will do it all. Rope anything in the world on him. He's picked up broncs, shagged bulls, been all the over the mountains, will pack anything, and he's gentle. He's big, solid, and good to shoe. Wears a 2s and 1s. He's never bucked a day in his life. His only fault is he can be hard to catch outside. Other than that he's great and he won't let you down. VIDEO: Contact Seller. FMI: 406-600-1658. Coggins. FO52

ONLINE SESSION - FLC LAREDO REY CAT

- 2019 AQHA Blue Roan Gelding x Frosty Little Cat x Cats Merada out of Pepto Rey Roan Flit x Little Pepto Rey. Let me introduce you to Cotton, he goes by Cot for short. He's a 15 hand 1250 pound gelding that wears a 1 shoe all the way around and has the perfect conformation to go any direction. I've used Cot like a Swiss army knife at the Glennie Ranch and I'm not going to go into detail, but we don't own 4 wheelers and we don't use a chute to doctor cattle up here. We've been heading steers on Cotton all winter in Arizona and he's started very correct and wants to be one. He'll stop and turn around like a real using horse should, between your feet and hands and goes where you point him. Sound and safe. We appreciate any calls for any questions or additional video or to set up a time to come try him. Thank you for your time.
