

Shrink To Fit

To limit chemical use and save over 5.5 gallons of water per T-shirt, our Tubular Trash Tee Collection is now “shrink to fit.”

Your Trash Tee will fit slightly oversized if worn right out of the box. After its first home wash, the garment will shrink to the intended size, around 5% overall. See our product pages on the website for before/after wash measurements

We offer a Pre-Wash service for orders of 100+ units
