UNFORGETTABLE SCHOOL MOMENTS

CLASSROOM MOMENTS

From solving tough math problems to group presentations and laughter between classes, these were the everyday moments that taught us more than just academics.

TRYOUTS & EXAM PREP

Yes, even the stressful moments turned into memories — study groups, late-night revisions, and that relief when it was all over.

ART & CREATIVITY DAY

A day when colors, music, and talent filled the air. Students unleashed their creativity through painting, singing, drama, and more.

BEHIND THE SCENES

Not every moment made it to the spotlight — but hallway talks, helping juniors, or just sitting on the bench sharing stories were the real heart of our school life.
