Dear Alumni and Friends,

Join us on a unique summertime expedition through the remote waterways of Alaska's Inside Passage aboard the 76-guest *Chichagof Dream*. While exploring some of nature's more secluded landscapes, encounter Alaska's abundant wildlife, breathtaking scenery, and ice-blue glaciers of unfathomable proportions.

Alongside expert naturalists and knowledgeable on-board crew, navigate narrow channels and remote coves inaccessible by larger vessels. Witness enormous whales breaching next to your boat, bears hunting along the shoreline, and eagles soaring overhead—all thrilling performances of nature's amazing show.

This program also offers an optional pre-tour to Denali National Park—home to Denali, the highest mountain in North America. Ride the Alaska Railroad, stay at a hilltop lodge just north of the park entrance, and explore this vast and stunningly beautiful wilderness, recognizing why it's become one of our nation's most breathtaking conservation areas.

Space is limited. With significant savings of more than \$1,000 per couple, we anticipate this tour will fill quickly. To reserve, visit ua.orbridge.com or call (866) 639-0079.

Sincerely,

Julia Service
Assistant Director of Alumni Engagement

Discover Southeast Alaska | Itinerary Highlights (subject to change)

The itinerary and daily activities (including skiff rides, kayaking and hiking) are subject to change based on weather, wildlife viewing and navigation conditions.

Day 1 ARRIVE IN SITKA, AK – EMBARKATION (D)

Welcome to Sitka, where Alaska's untamed beauty and rich history set the stage for the unforgettable adventure ahead. Meet a local guide to tour the Alaska Raptor Center—Alaska's foremost bald eagle hospital and educational center. Next visit Sitka National Historical Park and learn the history of the area that served as the battle site between Russian traders and the indigenous Tlingit. Late afternoon transfer to the port to board the *Chichagof Dream*. As embarkation begins unpack and become familiar with the ship's welcoming public spaces. Tonight gather with fellow travel companions for your first dinner on board.

Day 2 ICY STRAIT (B,L,D)

Glide through Icy Strait with prime viewing on deck to spot for wildlife including orcas, Steller sea lions, seals, porpoises and magnificent humpback whales. For those seeking additional activities perhaps join a skiff ride or hiking excursion on land. The crew will lead skiff rides and land excursions, offering deeper insight on the surrounding flora and fauna and the area's geography.

Day 3 GLACIER BAY NATIONAL PARK (B,L,D)

Explore awe-inspiring Glacier Bay National Park, where colossal glaciers meet rugged mountains and a temperate rainforest. Marvel at the face of Margerie Glacier—a 21-mile-long river of ice that stretches down from the towering peaks of the Fairweather Range. Further into the park is Johns Hopkins Glacier, a massive, actively advancing ice sheet. Continuing to Bartlett Cove visit the park lodge and visitor center or participate in a guided forest walk.

Day 4 EASTERN BARANOF ISLAND | LAKE EVA (B,L,D)

This morning cruise through the Peril Strait to Hanus Bay. In the afternoon enjoy free time at Lake Eva to take a guided hike or join a skiff excursion (conditions permitting). During leisure time on the ship take advantage of the open wheelhouse policy. Visit the captain and officers on the bridge, view the charted course, hear ship-to-ship communications and listen to stories from experienced Alaskan mariners.

Day 5 HIDDEN FALLS (B,L,D)

Experience a rare tour of Hidden Falls Hatchery for an up-close look at one of Alaska's most productive salmon enhancement facilities. This hatchery plays a crucial role in sustaining the region's commercial, sport and subsistence fisheries by releasing millions of salmon smolts annually. Gain insight from the knowledgeable staff about the hatchery's operations as they explain how the facility raises and releases chum, coho and Chinook salmon. Before dinner gather for an enlightening discussion with your onboard naturalists, whose deep knowledge and passion for Alaska's wilderness provide a deeper understanding of the locations and cultures you're witnessing.

Day 6 PETERSBURG | FREDERICK SOUND (B,L,D)

Step ashore in Petersburg, a charming fishing village with deep Scandinavian roots. Strolling through downtown admire the architecture, colorful murals and decorative folk painting adorning the buildings. The surrounding waters of Frederick Sound are among the best places in Alaska to observe humpback whales, which frequently display dramatic behaviors perfect for viewing and photography. After lunch take a skiff ride across Wrangell Narrows for a beautiful hike on the Petersburg Creek Trail.

Day 7 TRACY ARM FJORD (B,L,D)

Venture into Tracy Arm Fjord, an impressive 30-mile-long fjord that's part of the Tracy Arm-Fords Terror Wilderness and host to hundreds of waterfalls. Tonight gather together for a special Captain's Farewell Dinner to celebrate your adventures touring this remarkable Alaskan wilderness.

Day 8 AUKE BAY | JUNEAU – DISEMBARKATION | DEPART JUNEAU (B)

After breakfast and disembarkation, guests departing during the suggested times take the complimentary transfer to the airport for flights home. If you reserved an additional night in Juneau, take a complimentary shuttle to your accommodations.

(B = Breakfast, L = Lunch, D = Dinner)

What Guests Are Saying...

I am still aglow due to the wonderful experience on the ship. All the crew were friendly and helpful and very accommodating. The experience was so amazing due to Mother Nature but the crew flowed with what she presented and the education presentations and chats with the crew were so good. I loved the natural and education side of it. How it got me to places I could not get myself. I could not ask for a better experience. Thank you for a wonderful experience.

~Jeanne and Jim P., Bloomington, IN

We took our first Orbridge tour; seven days on an expedition cruise of Alaska's Inside Passage. It was wonderful! Soup to nuts, it was a great experience. The Orbridge staff were patient, helpful and willing to discuss all of our questions. Everything about the boat was wonderful...the crew was fabulous.
