on accessibility

Why Choose Equipsy?

One Stop Shop

Streamline your search for home modification solutions with all products in one place.

25 Years of Building Experience

For over 25 years, we've been committed to safer living by collaborating with builders, OTs, and elderly and disabled individuals.

Custom Manufacturing

Not everything is a one-size fits all. We deliver client-specific products tailored to their homes, ensuring the perfect and safe fit every time.

Quick Turnaround

Our vast range of products comes with fast turnarounds and prompt deliveries.

Tailored Service

Communicate with our experienced team to get personalised solutions for a safe and accessible home.

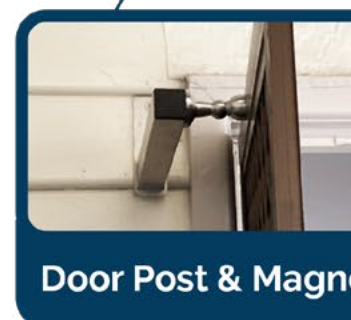

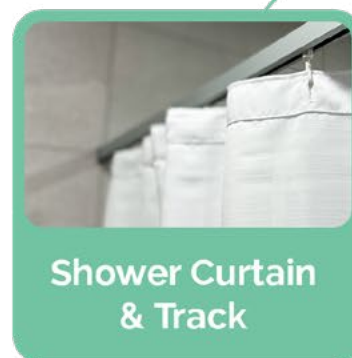

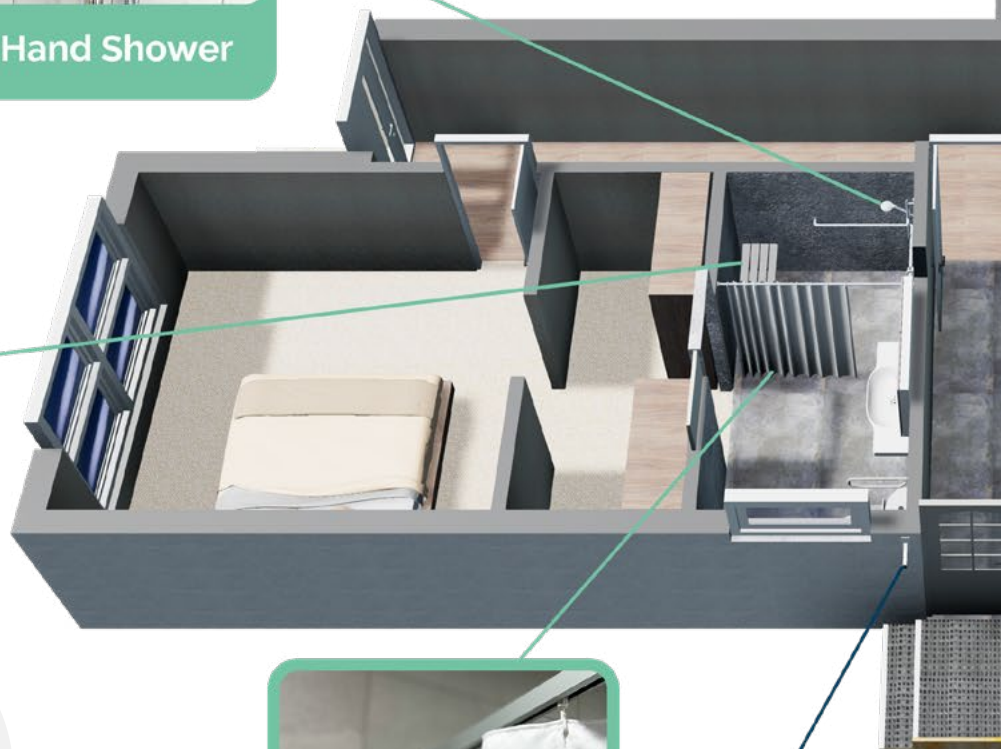

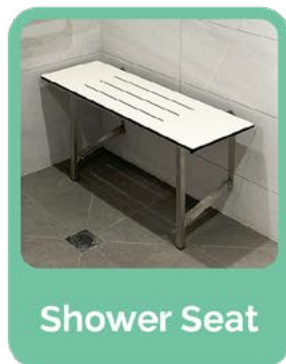

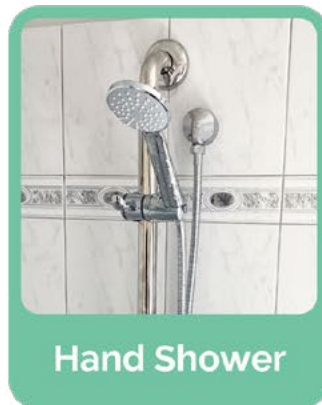

Tested Safety Products

Our products are tested to meet the highest safety standards and are designed for optimal use by the elderly and disabled.

Create an Accessible Home with Equipsy

See how Equipsy's products can enhance accessibility around the home to create a safe and independent space.
