## *Where the Sahyadri's Set the Rhythm*

Regarded as one of the most iconic Radisson properties in the country, Radisson Resort and Spa Lonavala is shaped by its landscape, where architecture and daily rituals move in thoughtful balance.

Framed by forested slopes and open skies, the resort is designed as a place to settle into, where the surroundings quietly lead the narrative. Architecture and terrain move in sync, allowing nature to remain present at every turn.

Stone, timber, and open corridors guide movement across the estate, creating pauses that invite stillness and reflection. Morning light finds its way onto private balconies, afternoons unfold beside a pool edged with native greens, and evenings bring a softened calm across the property.

Beyond its rooms and shared spaces, the resort offers a considered connection to Lonavala's cultural and natural context — through guided heritage encounters and dining rooted in regional traditions and seasonal produce.

Radisson Resort and Spa Lonavala stands as a contemporary retreat grounded in place — where the Sahyadris shape the stay, and simplicity leaves the strongest impression.

# SKYLIX

*A rare elevated rooftop skybar experience in the hills near Mumbai*

Set high above the resort, Skylix Rooftop offers a setting shaped by altitude, open skies and long views across the Sahyadris. Designed to move seamlessly from afternoon light to nightfall, the space captures serene sunsets and full-moon evenings as defining moments rather than backdrops.

At Skylix, gastronomy takes centre stage through a thoughtfully composed menu that draws from global culinary influences, paired with a cocktail programme crafted with precision and balance. World-class mixes are served alongside plates designed for slow dining, allowing flavour, conversation and setting to unfold at an unhurried pace.

As daylight recedes, the rooftop settles into a quieter rhythm — where moonlit skies, measured music and elevated dining come together above the valley. Skylix stands as a natural extension of Radisson Resort and Spa Lonavala, offering a higher vantage while remaining grounded in restraint and clarity.

## Message from the **EDITOR-IN-CHIEF**

### **“Honouring Our Journey, Inspiring What’s Next”**

**Dear Members,**

I wish you all the happiest New Year and extend a warm welcome to this wonderful edition of Team Spirit. It is truly an honour to be a part of this Governing Council, guided by the enthusiastic and inspiring trio of Dr. Vinay Jain – President, CA Sanjay Maloo – Hon. Gen. Secretary and Shri Sunil Kabra – Hon. Treasurer.

As Hon. Jt. Treasurer, I am pleased to share that our Club is financially strong and stable. I also express my heartfelt thanks to CFO CA Dinesh Banka for leading the Accounts team with such expertise, discipline and precision.

As Chairperson of Team Spirit, it gives me immense joy to share that over the past three years, every edition has carried its own unique theme. This edition is a beautiful walk down memory lane—an emotional rewind of cherished highlights, milestones and moments that defined these transformative three years. From emerging out of the pandemic into a digitally empowered new normal, Team Spirit too has evolved. Today, our magazine is not just in print, but also available as an e- magazine on our website and in our upgraded GSC Club App, making it accessible, modern and interactive.

We created a dedicated Senior Citizen Corner to honour and celebrate our senior members who inspire us with their daily participation in sports and wellness activities. One of our most loved editions featured multilingual articles in Hindi, Marathi, and Gujarati—re-

flecting the cultural richness of our GSC family.

Our consistent focus has been to make every edition member-centric, with maximum space dedicated to members—whether through their artistic contributions, achievements or business advertisements. Today, Team Spirit is far more than a magazine; it is a platform of visibility and opportunity for our 40,000+ elite members. Our long-standing advertisers like GM, Cello, Gold Medal, and Orthospine Centre & Physio Rehab Care, continue to benefit from this reach and proudly associate with us, making every edition commercially and creatively strong.

We also introduced a vibrant Games Corner to engage our youth and a soulful Poem Corner where members from all age groups could express themselves through the beauty of poetry.

I extend my heartfelt gratitude to Mr. Nandkumar Nair, Ms. Jiya Gaikwad, Ms. Trishhla Page and Ms. Aulicia Pereira along with their hardworking team for bringing fresh ideas, energy and innovation to every edition. Their dedication has been the backbone of our success. A very special mention to CA Sanjay Maloo ji, whose enthusiastic participation, guidance and attention to detail have ensured that every edition becomes a masterpiece, always better than the last.

With deep gratitude and renewed enthusiasm, I look forward to creating many more editions that celebrate our members, our club and our shared spirit.

### **“Together, We Become the Future - We Imagine.”**

**Dear Members,**

**A**s we usher in the dawn of a brand-new year, I extend my warmest wishes for a Happy and Joyous New Year 2026 to all our esteemed members and their families. Every new year carries the promise of renewal, but this year feels particularly special, for it follows a phase of remarkable growth, shared pride and collective achievement at GSC. Our journey over the past three years stands as a beautiful reminder of what leadership and team work can accomplish when a team moves with unity, passion and purpose.

One of the brightest feathers in our cap has undoubtedly been the extraordinary achievements in the realm of **“Additional FSI”**, marking a milestone that will be remembered for generations. Equally inspiring has been the international success of our star members viz. Chirag Shetty, Simran Singhi and our other young National & State Level Sports Achievers, whose dedication and brilliance have placed the name of our Club on a global pedestal. Their journeys ignite hope and ambition in every young sportsperson, who walks into GSC.

I congratulate CA Shilpa Lahoti for working tirelessly with her team and bringing in a series of fresh perspectives and innovation in every Team Spirit past three years. I wish the team is always motivated and keeps transforming our in-house magazine surprising us with every edition.

Our progress this year has been deeply rooted in strong governance and thoughtful stewardship. My heartfelt appreciation goes to our Hon. Gen. Secretary, CA Sanjay Maloo, whose administrative acumen and the professionalism of his team have strengthened the very backbone of the Club's Operations and Administration. The Hon. Treasurer, Shri Sunil Kabra has safeguarded the financial health of the Club with clarity and insight, ensuring the Club remains future-ready and financially robust. Our senior most team member and Chairman – Finance, CA Pradeep Banka has also led the team with defined structures and sustainability.

The cultural soul of GSC blossomed beautifully under the guidance of Vice President-I - Shri Vinod Podaar, who curated an unforgettable series of events - from enchanting evenings with iconic artists to festive gatherings that touched every member's heart. The Chairman – Religious Initiatives, CA Anil Agrawal's spiritual and devotional initiatives added grace and serenity to our calendar, while our Chairman – Housie, Library & Senior Citizen Initiatives, Shri Chandrakant Agrawal successfully organized Housie, Vintage Harmony and Library events rekindled nostalgia and connection across generations.

At the heart of our evolution lies infrastructure, modernization and digital transformation. I appreciate the Chairman Projects and Future Developments, Shri Bharat Gala for spearheading impactful renovations and up gradations like Om Peace & Harmony Yoga Centre, Ekant – Gazebo, Burn Out, Computerized Pistol Shooting Range, Sapphire Multipurpose Hall, AC Restrooms, etc. that uplifted both aesthetics and function.

Shri Mahesh Bang's (Hon. Jt. Secretary – I & Chairman – Purchase) efforts in digitization of GSC old records, barcoding inventory and enhanced systems have strengthened our internal processes, while Shri Jitendra

Gupta (Chairman – IT), has taken GSC into a new digital era with the Club App, VIRDI system, revamped website and vibrant social media presence. Equally essential has been Shri Pravin Kothari's (Hon. Jt. Secretary – I & Chairman – Maintenance) dedicated oversight of maintenance, ensuring that every corner of the Club remains efficient and welcoming.

Sports continued to beat at the heart of our Club's identity. Shri Pradeep Jain (Vice President – II & Chairman – Swimming Pool), Chairman rejuvenated the Swimming Pool facilities and encouraged senior members to embrace aquatic wellness. Ms. Rakhi Sonigra (Hon. Jt. Secretary – II & Chairperson – Indoor Sports) elevated our sporting excellence with distinguished events like the GD Birla Cup, Kanji Memorable Cup, DSO Tournaments, Gymnastic Leagues and Kung Fu Nationals. Shri Harsh Chandak (Hon. Jt. Secretary – II & Chairman – Rooms, Banquets & Marathon) strengthened Hospitality and Recreation with upgraded Rooms, strong Banquet revenue, a memorable Marathon and our very first Car Treasure Hunt. Shri Satish Agarwal (– Volleyball & Card Room) kept our Courts alive with Volleyball Leagues and Women's Throwball celebrations.

Shri Kaushik Mehta (Chairman – Cricket) advanced cricketing enthusiasm with various league events and commendable Blood Donation Drives. Shri Vivek Narsaria (Chairman – Health Club) nurtured our Health and Fitness culture through Treks, GTCL, the Fitness Fest and upgraded Health Club facilities. Shri Someel Shah (Chairman – Indoor Sports) elevated Racquet Sports with Lawn Tennis Homegala, Pickleball initiatives, Snooker and Table Tennis events and a spectacular Squash Homegala.

Ms. Tanvi Rao (Chairperson – Yoga, Performing Arts, Kid's Initiatives & Ladies Wing) brought warmth and wellbeing to our Members through Yoga Day Celebrations, Mindful Weekends, Children's events and women's mega gatherings.

In the heart of hospitality, Shri Ramakant Parasrampur (Chairman – F&B) curated delightful food experiences with a series of festivals celebrating Monsoons, Mangoes, Rajasthani Cuisine and even Coffee, Wine and Beer.

Shri Lalit Jain (Chairman- Memberships) championed our Membership Drive and Membership Transfers with heartfelt passion.

Our Member's welfare and discipline were enriched under Shri P. K. Sablok (Founder, Chairman – Bye Laws, Disciplinary & Sports Development Board), whose dedication to Sports Scholarships, Discipline, and the Coffee Table Book "AABHAR" added meaning and legacy to our institutional journey.

In the vital domain of health, Dr. Mukesh Agrawal (Chairman – Medical Cell) stood as a pillar of care by conducting Medical Seminars, CPR training and comprehensive health check-ups that reinforced our commitment to member wellbeing. He also made sure GSC has professional dedicated Doctor, Dietician and Ambulance Drivers.

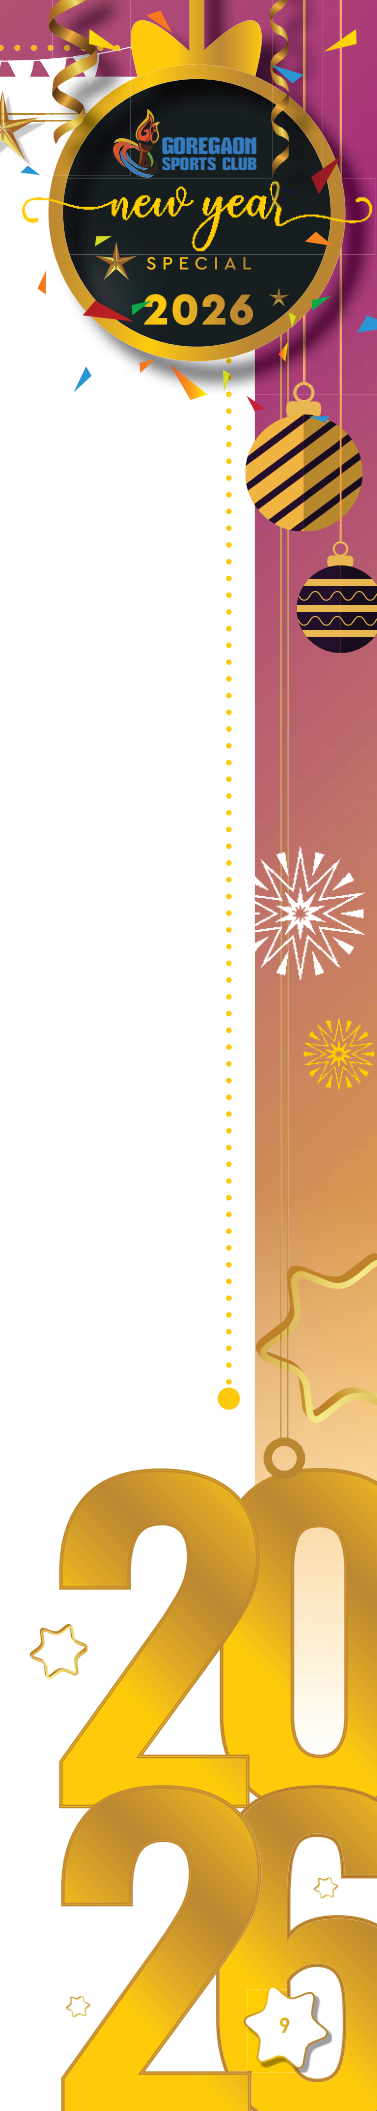

I also thank Shri Shyam Katara and Shri Rajesh Pansari, the Observation Committee Members who have supported Governing Council immensely during the past three years.

Each name, each effort, each achievement big or small, has shaped the identity of GSC. Together, you have woven a fabric of excellence, warmth and progress. As I reflect upon three years gone by, my heart fills with gratitude for every individual who stood behind our collective mission with sincerity and dedication.

As we step into 2026, let us continue to carry forward the same spirit of teamwork, of harmony and of relentless aspiration. We always remain a community that inspires uplifts and celebrates each other.

### “Vision Guided by Leadership, Delivered by Teamwork”

Dear Members,

**A**s we welcome a bright and promising New Year, I extend my heartfelt wishes for a Happy New Year to all our esteemed members and their families. May the coming year bring health, happiness and countless moments of joy.

On a personal note, I am truly happy and privileged to be part of a team led by our respected President, Dr. Vinay Jain and our dedicated Hon. Treasurer, Shri Sunil Kabra. Their guidance, vision and leadership inspire us every day to strive for perfection.

Reflecting on the past three years, I feel truly proud of the remarkable progress we have made across various fronts. Our young, dynamic and highly professional staff have been at the centre of every achievement, consistently demonstrating enthusiasm and commitment to elevating member's experience. I would especially like to appreciate the efforts of our four dedicated Head of Departments - Mr. Nandkumar Nair, Ms. Deepa Salvi, Mr. Vaibhav Manik and CA Dinesh Banka, whose leadership continues to strengthen our Club's operational front.

One of our major focus areas during this tenure has been streamlined towards administration, ensuring that GSC services are faster, smoother and more member-friendly than ever before. The success-

ful advancements in securing additional FSI, mark a significant milestone for the club and I congratulate everyone involved in this collective accomplishment.

We have continued to invest in our team through several staff welfare initiatives, creating a healthy and motivated work environment. Enhanced member and guest screening has also helped us to maintain a secure, disciplined and welcoming atmosphere across the club.

Our digital transformation has been especially noteworthy. The introduction of digital standees and LED displays has modernized communication within the premises, ensuring information is easily accessible.

Our upgraded GSC App has become a central hub for members, offering Facilities Bookings, Event Registrations, Digital IDs, Push Notifications, Wallet Transactions, Club Updates, Ticket based Member's Suggestions / Complaints and more, all of which is designed to make interactions with the club seamless, from the comfort of your homes. Additionally, our interactive GSC website now provides a user-centric experience, reflecting our commitment to innovation.

With this digitalization, we are proud to place the ultimate power directly in the hands of our members. By ensuring that almost every service and interaction is managed digitally, we have minimized the need for management interference and maximized transparency, convenience and autonomy. The power is truly with you - our members, empowering you to engage with the club on your own terms, with complete freedom and ease.

I am also delighted to share that our members are increasingly being appreciated and respected in their social and professional circles for being part of Goregaon Sports Club. The pride associated with GSC membership continues to grow, thanks to the club's reputation, culture and community spirit. With one of the best sports and recreational infra-

structures in Mumbai, our facilities stand as a benchmark, making GSC a distinguished and aspirational club to be associated with.

We were honoured to host several VIP visits, further enhancing the club's stature, while school children visits played a vital role in inspiring young minds to embrace sports. Through our Sports Development Scholarships, we remain steadfast in supporting deserving athletes and nurturing emerging talent.

The last three years have also been truly inspiring on the sporting front. We wholeheartedly congratulate Chirag Shetty for achieving the remarkable milestone of becoming World No. 1, a moment of immense pride for both the nation and GSC. We also extend our warmest congratulations to Simran Singhi for her commendable international victories,

showcasing dedication and excellence on the global stage. Additionally, we applaud all our national and state-level achievers across various disciplines, their hard work, passion and outstanding performances continue to elevate GSC's legacy in sports and inspire the next generation of sportspersons.

I also express my sincere gratitude to the Governing Council for their support and for fulfilling their responsibilities with commitment and integrity. Together, with our staff, members and committee members, we continue building a club that stands tall as a symbol of unity, progress and sporting arena.

## Message from the **HON. TREASURER**

### **“Financial wisdom, safeguards tomorrow”**

**Dear Members,**

**A** very Happy New Year to all our esteemed members and their families.

It gives me immense pleasure to extend my heartfelt greetings as we step into another promising year at GSC. I am truly honoured to serve as part of a visionary leadership team under the guidance of our dynamic President, Dr. Vinay Jain and our disciplinarian Hon. Gen. Secretary, CA Sanjay Maloo. Their foresight, energy and commitment have shaped the remarkable journey of the last three years. I express my sincere gratitude to all members of the Governing Council for their relentless hard work, innovative thinking and collaborative spirit that has made this tenure impactful.

From a financial perspective, the last three years reflect stability, discipline and prudent decision-making. Investments in Fixed Deposits and Perpetual Bonds, which stood at 131.22 crores as on 31st March 2024, **have grown significantly to 154.60 crores as on 31st March 2025.** Our Annual Accounts for FY 2024–25 show a revenue deficit of 5.56 crores and a cash deficit of 3.39 crores, after accounting for depreciation of 2.17 crores. These figures include extraordinary expenditures of 4.10 crores towards major repairs and maintenance, and 6.00 crores for professional consultancy associated with the Modification of the Club's Reservation from “Recreation Ground” to “Sports Complex / Gymkhana” generating Additional FSI for the

**Club. These are long-term, forward-looking commitments that strengthen the club's future infrastructure and positioning.**

I also congratulate the entire team on the monumental accomplishment of securing additional FSI, an achievement that will expand the club's infrastructure capabilities and future possibilities.

Our financial health has been consistently strong thanks to the dedicated efforts of Hon. Jt. Treasurer - CA Shilpa Lahoti and Chairman - Finance, CA Pradeep Banka. Their stewardship, financial discipline and structured working approach have played a pivotal role in ensuring transparency and accountability.

At GSC, we follow a meticulous and multi-level payment protocol, ensuring robust checks and balances. Every payment is routed through a systematic approval chain – beginning with the Assistant Manager or In-charge staff, followed by the Head of Department, the Chairman/Chairperson of the concerned department, Hon. Gen. Secretary, CFO, Internal Concurrent Auditors, Hon. Jt. Treasurer and finally, the Hon. Treasurer. This process ensures absolute transparency and financial integrity at every step.

Our commitment to sports development remains unwavering. Sports Development Board (SDB) funds have been diligently earmarked and scholarships have been awarded consistently over the last three years to support students with International, National and State-level achievements. These young achievers continue to bring honour to GSC and inspire our sporting ecosystem.

My heartfelt appreciation goes to our CFO – CA Dinesh Banka, our hardworking Internal Concurrent / Statutory Auditors and the entire GSC Accounts Team for their dedication, accuracy and tireless efforts throughout the year. Their work forms the backbone of our financial operations.

On the cultural and celebratory front, “GSC ki Holi” continues to grow into a mega

event loved by all generations, and GSC's New Year Celebration has now become a true benchmark in the city for quality, safety and unforgettable experiences. I take immense pride in sharing that the epic "Apne Apne Ram by Dr. Kumar Vishwas" will be organized for the first in Mumbai and history of GSC with great grandeur.

As we welcome 2026, I remain committed to ensuring that our financial systems stay strong, our investments stay secure and our

future remains bright.

Wishing you all a wonderful year filled with peace, prosperity and togetherness.

## Message from the **VICE PRESIDENT – I** CHAIRMAN – CULTURAL

### **“Culture is our rhythm; community is our strength”**

**Dear Members,**

**A**s we embrace New Year 2026, filled with hope and enthusiasm, I extend my heartfelt greetings to each one of you. Your support, participation and togetherness continue to make Goregaon Sports Club one of Mumbai's most vibrant and culturally rich communities.

I feel truly fortunate to serve as part of the exceptional Governing Council, led by our visionary President Dr. Vinay Jain, our committed Hon. Gen. Secretary, CA Sanjay Maloo and our martinet Hon. Treasurer, Shri Sunil Kabra. Their leadership, passion and strategic vision have shaped the remarkable cultural and social journey we have collectively experienced over the past three years.

Our Summer Coaching Camps have grown tremendously, offering our young members diverse training opportunities that blend learning with fun. This year, we proudly introduced Pickleball to the program, which was met with great enthusiasm. The camps became even more special with the presence of celebrities such as Amisha Patel, Rajeev Mehta and Manav Gohil, who felicitated our young achievers which added encouragement and delight to the participants.

One of our proudest achievements has been the transformation of GSC ki Holi into the safest and largest Holi celebration in Mumbai. With innovations such as Phoolon ki Holi, organic colours, immersive decorations and captivating performances by renowned artists including Sonu Nigam, Sukhwinder Singh, Gurdeep Mehendi and Mika Singh, the festival has become a hallmark of joy, culture and safety for all members.

Our cultural calendar has been enriched through a diverse array of soulful experiences. From the powerful performance by Kailash Kher, to the nostalgic charm of Melodies of the Golden Era, to the serenity of Sufi Night by Mujtaba Ali and the captivating evenings with Osman Mir, each event added depth to our cultural identity. During the mesmerising Osman Mir evening, we also had the privilege of hon-

ouring distinguished officers of our armed forces for their exemplary contribution to Operation Sindoor. Col. Dheeraj Kumar Gupta, Commanding Officer JAK LI, Lt. Col. Kshitiz Sen, Lt. Col. Manish Bhatt and Maj. Subham Sharma were felicitated in the presence of our members. Their courage, dedication and service to the nation filled the evening with pride and deep respect, reminding us of the valour and sacrifice that safeguard our freedom. The much-loved Gujarati drama presented by Sai Ram Dave brought laughter and storytelling to the forefront.

A significant highlight was our grand presentation of Ramleela, featuring the renowned Vindu Dara Singh in the iconic role of Hanuman. This event beautifully blended devotion, drama and artistry, leaving a lasting impression on all who attended.

For the first time in the history of GSC, we hosted an exclusive Arms & Ammunition Exhibition, where artefacts were displayed for two consecutive days. Students from Schools and colleges visited in large groups, making it a rare educational experience that sparked curiosity, patriotism and learning about armed forces and warfare.

Over the past three years, we have celebrated Environment Day with great enthusiasm, showcased stunning Bonsai displays, distributed hundreds of plants to members and conducted numerous workshops focused on awareness and conservation.

Festive traditions like Kite Flying, Makar Sankranti, Lohri & Pongal have been celebrated with immense energy and joy, marking the spirit of harvest and community bonding. Similarly, our Diwali Get-Together, introduced two years ago, has quickly become a cherished and heart-warming tradition where members meet, interact, share laughter and enjoy delicious food in a relaxed and festive setting.

None of these achievements would have been possible without the dedication and hard work of our internal teams. Our Horticulture team has nurtured the lush green kingdom of GSC with passion and precision, while our Housekeeping team has consistently managed every event - small or large - with remarkable efficiency, discipline and smiles that reflect true hospitality. Their efforts ensure that the club remains beautiful, clean and welcoming at all times.

I extend my heartfelt appreciation to Mr. Ajit Salunke and his entire team for their dedication and commitment to cleanliness & hygiene. Their work behind the scenes is the backbone of every successful cultural initiative at GSC.

## Message from the **VICE PRESIDENT – II** CHAIRMAN – SWIMMING POOL

### “Strength in every lap, pride in every member”

Dear Members,

**A**t the onset, I wish all our dear members and their families a wonderful and prosperous 2026 ahead. I feel truly happy and privileged to be a part of a dynamic team led by the powerful trio, our dearest President Dr. Vinay Jain, our dedicated Hon. Gen. Secretary CA Sanjay Maloo and our committed Hon. Treasurer Shri Sunil Kabra. Their leadership, clarity of purpose and constant encouragement motivate everyone in the Governing Council to work with passion and deliver the best for the growth of GSC.

I extend my heartfelt gratitude to all our members for their constant support, trust and enthusiasm. As the Chairman of the Swimming Pool, it is extremely overwhelming and gratifying to see members across all age groups actively using our swimming facilities. From early mornings to late evenings, the pools remain alive with energy, laughter, discipline and learning which reflect the true spirit of our club.

Our senior citizens regularly use the swimming pool, embracing aquatic fitness with admirable commitment. Our little ones enjoy the baby pool, building early confidence in water. At the same time, many of our talented young swimmers continue to train at our Olympic-size racing pool, preparing them for state-level and national-level competitions and bringing pride to the GSC sports ecosystem.

The Diving Pool has been a hub of activity as well, hosting various state-ranking tournaments, including prestigious railway meets. These events bring competitive excellence to our club and showcase the quality of our aquatic infrastructure.

As we move towards the renovation and modernization of the Swimming Pool, it is important to acknowledge that such large-scale facilities require heavy maintenance, precision and ongoing hard work. I would like to express my sincere appreciation to Mr. Nandkumar Nair and his dedicated team, with strong support from Incharge Ms. Trishhla Page and Mr. Sunil Pawar. Their efficiency, discipline and round-the-clock commitment ensure that the pool remains clean, safe and oper-

ational at all times. They also lead our lifeguard team with professionalism and vigilance. We take immense pride in the fact that we have had no major or fatal accidents at our facility—an achievement made possible by strict protocols, trained staff and a well-prepared emergency action system.

It gives me great joy to share that the long-pending leakage issue of the HDPE Pipeline of Swimming Pool has finally been resolved. This is a true reflection of dedication, patience and teamwork shown by everyone involved. What could have remained a challenge was transformed through collective effort.

Our pools are also home to numerous school swimming sessions, where children and teachers are guided with the utmost safety, care and attentiveness. This continued trust from educational institutions reflects the high standards maintained at GSC.

Heartiest congratulations to our shining swimming achievers, Anika Bhatia, Sakshi Vemal, Uttkarsh Meh-ta and Abir Sheth—for their outstanding performances. Their success is the perfect example of hard work, discipline and the nurturing environment provided by GSC.

I would also like to acknowledge the continuous cooperation of the Club Catering Panel, whose efficiency and discipline have significantly contributed to the success of our club's mega events and banquet operations. Their behind-the-scenes coordination ensures that every celebration, gathering and large-scale event at GSC is executed smoothly. My heartfelt gratitude extends to Mr. Vaibhav Manik and the dedicated team led by Mr. Goapaal Meghani for their support, responsiveness and hard work throughout these past three years.

Flavours stands as our signature Veg Fine & Dine restaurant, created to offer guests a refined culinary experience grounded in purity, freshness and exceptional taste. With a thoughtfully curated vegetarian menu, Flavours celebrates the richness of regional and global cuisines while maintaining a warm and elegant dining atmosphere. Every dish is crafted with attention to detail—balancing tradition with innovation—to ensure a memorable experience for our members and their families.

As we step into 2026, I look forward to elevating our swimming facilities further and ensuring that the GSC pool remains a place of joy, learning, health and excellence for all. With your support and the commitment of our teams, I am confident that we will continue to create an environment that nurtures talent, encourages fitness and strengthens the community spirit.

## “Quiet work & strong foundation is the true backbone of GSC”

Dear Members,

I convey my New Year wishes to all our esteemed members and their families. It is truly a great privilege to be part of a progressive Governing Council led by Dr. Vinay Jain - President, CA Sanjay Maloo - Hon. Gen. Secretary and Shri Sunil Kabra - Hon. Treasurer. Their leadership has continuously inspired us to work with clarity and passion for the development of GSC.

As the Chairman of Maintenance & Repairs, I take immense pride in leading a team that is professional, dedicated and fully equipped to manage the regular wear and tear of our facilities and infrastructure. Over the past three years, our department has successfully handled a diverse range of tasks—ensuring smooth functioning of the swimming pool filtration systems, consistent up-gradation of electrical systems, improved lighting across various zones and implementation of water conservation measures throughout the club.

During mega events and major sports tournaments, our team works tirelessly behind the scenes, ensuring every operational requirement is met with precision. Whether it is banner framing, setting-up electrical points for event stages or selfie zones, managing sound systems in the banquet halls, or ensuring the smooth functioning of projectors, our team remains attentive to every detail. We collaborate

seamlessly with both the Projects Team and the Housekeeping Department, ensuring that daily operations and event preparations run efficiently and without any disruptions. Most importantly, we ensure the water supply and systems across the club remain consistent and reliable.

Our department continues to carry out ongoing repairs, preventive maintenance and important small-scale upgrades throughout the year. This consistent care is what preserves the quality and longevity of our club's infrastructure.

I extend my heartfelt thanks to Ms. Deepa Salvi for her leadership with strong support of Mr. Deep Savant and Mr. Satish Shinde. Their guidance to our team of carpenters, electricians and technical staff has ensured that every task, big or small, is handled with efficiency and professionalism.

As we move into 2026, we remain committed to strengthening our systems, enhancing maintenance standards and ensuring that every member enjoys a safe, comfortable and well-maintained club environment.

Warmest wishes for a wonderful year ahead!

## Message from the **HON. JT. SECRETARY – II** CHAIRPERSON – INDOOR SPORTS – I

### **“In every serve, GSC rises stronger”**

**Dear Members,**

I wish all my dearest friends, members and their families a very Happy New Year and a wonderful beginning to 2026. The last three years would not have been any less of a challenge without your constant encouragement and wholehearted support. I consider myself truly fortunate to be guided by the power-packed trio—Dr. Vinay Jain - President, CA Sanjay Maloo - Hon. Gen. Secretary and Shri Sunil Kabra - Hon. Treasurer. Their leadership has been a pillar of strength in every initiative we have undertaken. I also express my utmost gratitude to all fellow Sports Chairmen and Chairpersons who have worked united and to the entire Governing Council for their cooperation.

The past years have been especially rewarding for Badminton, a sport close to the heart of many GSC members. We successfully hosted several exciting tournaments, including GBL, GBL Junior, Badminton League, Group Shuttler's Challenge, and the much-loved Icon Cup, all of which brought immense enthusiasm to our GSC baddies community. We also had the privilege of organizing state-level and national-level badminton tournaments in association with BAMU. These events were further strengthened by multiple sponsorships, for which we are deeply grateful.

Our department also proudly initiated and organized the Gymnastic Homegala Series, which received overwhelming participation and appreciation. The Ladies Box Cricket and Ladies Throwball tournaments have now become annual favourites among GSC women, pro-

viding a platform for fitness, fun and friendly competition.

One of our proudest achievements was hosting GSC's first-ever National Kung Fu Tournament, graced by the presence of Govinda and Sunita Ahuja, along with a special motivational video message from Tiger Shroff. The event not only encouraged martial arts at GSC, but also showcased our ability to conduct large-scale national events with finesse.

On the infrastructure front, the Pistol Shooting Arena and Badminton Washrooms have been successfully renovated. We are pleased to share that the Badminton Hall and Gymnastic Area will undergo renovation soon. I extend heartfelt thanks to the Projects Team for their continuous commitment to upgrading our sports facilities.

As a proud tribute to Chirag Shetty and his extraordinary contribution to badminton, we have renamed our Badminton Hall as the Chirag Shetty Badminton Hall, an honour richly deserved. I would also like to congratulate Chirag Shetty, Simran Singhi, Kashika Mahajan, Ketaki Thite, and Harsh Jagdhane for their outstanding state and national achievements.

My sincere gratitude goes to Mr. Nandkumar Nair for his guidance, and to the efficient Indoor Team led by Mr. Girish Garcher with support from Mr. Suhas Mohite, whose dedication ensures smooth operations across the department. I would also like to acknowledge Ms. Jidnyasa Gaikwad, Ms. Trishhla Page and Ms. Aulicia Pereira for their valuable assistance during the Badminton and Throwball Tournaments, as well as for managing the badminton lockers with commendable discipline and care. I also appreciate our members for their cooperation and vigilance in locker usage, which greatly contributes to maintaining order and safety.

### “Fuelling dreams, inspiring talent”

Dear Members,

I warmly welcome all our members and friends to this progressive and optimistic New Year 2026. It is a great pleasure and privilege to be part of the young, dynamic and visionary Governing Council led by Dr. Vinay Jain, President, CA Sanjay Maloo, Hon. Gen. Secretary and Shri Sunil Kabra, Hon. Treasurer. It has been truly inspiring to witness the dedication of every team member, working tirelessly to provide our members with the very best experiences at GSC.

As the Chairman of Rooms, Banquets, Marathon, Adventure Sports & Youth Wing, I am delighted to share the developments and progress achieved across these domains. Our rooms have consistently achieved high occupancy, reaching almost 90% throughout the year, reflecting the growing popularity of GSC as a preferred staycation destination. We have successfully upgraded rooms with e-locks, high-speed Wi-Fi and modern amenities, ensuring every member enjoys a comfortable and stress-free stay.

Our Banquet Halls—Regal, Rhythm, and Glamourra—have evolved into vibrant revenue-generating venues, hosting numerous in-house events and member gatherings. The digital booking system ensures transparency and efficiency with minimal management interference, reflecting our vision of a fully digitalized club. I sincerely thank Mr. Jitendra Gupta and his team for making it possible for members

to book rooms and banquets conveniently from their homes, complete with wallet transactions. My gratitude also goes to Mr. Vaibhav Manik, supported by Mr. Goopaal Meghani and Mr. Vikas Mehta, for their continued support in the operations of Rooms & Banquets.

Our Half Marathon events have grown bigger and better over the past three years, with generous sponsorships from GM, Cello, Pepsi Co., and others. These marathons have become a highlight in the Western suburbs, eagerly anticipated much like the Tata Marathon. I extend my sincere thanks to Mr. Kaushik Mehta and Ms. Deepti Kale for their invaluable support in organizing this event.

We also successfully conducted GSC's first-ever Car Treasure Hunt, a fun-filled adventure that engaged our youth in problem-solving, teamwork and excitement. My heartfelt thanks go to the Youth Team from the GSC Library and Ms. Binal Patel for their guidance and support in making this event memorable.

Looking ahead, I am excited to continue enhancing member experiences across rooms, banquets, marathons, adventure sports and youth initiatives, ensuring GSC remains a hub of innovation, fun and engagement.

## Message from the **FOUNDER MEMBER.** CHAIRMAN - BYE LAWS, DISCIPLINARY AND SPORTS DEVELOPMENT BOARD

### Shaping Generations Through Sports

Dear Members,

**A**t the onset, I wish you all a very Happy New Year 2026. It gives me immense joy to be part of this talented, skilled and forward-looking Governing Council, guided by the experienced and energetic trio of Dr. Vinay Jain – President, CA Sanjay Maloo – Hon. Gen. Secretary and Shri Sunil Kabra – Hon. Treasurer. Their leadership has infused discipline and purpose into every initiative we undertake.

As a Founder Member, it is truly overwhelming to witness the remarkable journey of Goregaon Sports Club over the past 46 years. From the days when the foundation was first laid to today—when GSC stands tall with the achievement of securing additional FSI—the transformation has been extraordinary. Every Governing Council, Executive Committee and Founder Members have contributed to shaping GSC into the identity and institution it proudly is today.

One of my most fulfilling experiences in recent years has been working on the Coffee Table Book – ‘Aabhar’. This book is a tribute to the legacy, emotions, achievements and timeless memories of GSC. It was heartening to see that the CTB Committee comprising of Er. K K Jain and Shri Rituraj Gupta work tirelessly, to craft an evergreen compilation of our club’s journey. I extend my sincere thanks to HOD Mr. Nandkumar Nair and his dedicated team led by Ms. Trishla Page & Ms. Jiya Gaikwad for their commitment and passion.

As the Chairman of the Bye Laws, Disciplinary and Sports Development Board, I am proud to say that GSC continues to progress with stronger systems and greater accountability. Our disciplinary board ensures that both member and staff complaints are resolved with fairness and transparency. Entry and exit regulations have been strengthened and members are now more vigilant and responsible in adhering to club rules, making GSC safer, more efficient and more member-friendly.

Our Sports Development Board continues to fuel the aspirations of young athletes by granting scholarships to deserving achievers at the State, National and International levels. Over the past quarters, we have consistently contributed close to Rs.10 lakhs towards nurturing sporting talent—an investment that strengthens the future of sports at GSC. I would like to thank all members for participating whole heartedly in motivating children in various disciplines. The screening process of the scholarships is well handled by Ms. Pooja Bhoir under the advice of HOD Mr. Nandkumar Nair, with the concerned Sports Departments.

It fills me with immense pride to congratulate our shining stars who have brought honour to GSC:

- **Shuttlers** – Chirag Shetty, Simran Singhi, Kashika Mahajan, Ketaki Thite and Harsh Jagdane
- **Table Tennis Players** – Chinmaiya Somaiya and Arnav Karnavar
- **Swimmers** – Anika Bhatia, Sakshi Vemal, Utkarsh Mehta and Abir Sheth
- **Squash Player** – Mehak Gupta

Each one of them embodies dedication, discipline and excellence—the true essence of GSC’s sporting culture.

As we step into 2026, I remain confident that with unity, commitment and discipline, our Club will continue to scale new heights while preserving its legacy and strengthening its future.

## Message from the **CHAIRMAN** – PROJECTS & FUTURE DEVELOPMENTS

### “Leading The Change, Building The Future”

**Dear Members,**

It gives me immense joy and pride to extend my warmest greetings as we step into another promising year. I am truly honoured to be a part of the Governing Council alongwith the Visionary Leadership of Dr. Vinay Jain – President, CA Sanjay Maloo – Hon. Gen. Secretary and Shri Sunil Kabra – Hon. Treasurer. Our collective guidance, commitment and strategic foresight continue to elevate GSC to new heights.

Over the past three years, GSC has experienced a period of remarkable growth and transformation. This progress is the direct result of the tireless efforts, unwavering commitment, and sustained perseverance of the entire team, who worked relentlessly—often navigating complex procedures, regulatory requirements and multiple approvals—to successfully secure additional FSI. This achievement represents not just a procedural success, but a testament to the team's dedication, strategic planning and long-term vision for the club.

Securing the additional FSI has opened significant opportunities for expansion, modernization, and future-ready infrastructural growth. Alongside several ongoing initiatives, this milestone has firmly positioned GSC as a club with one of the most advanced and well-planned infrastructures in Mumbai.

Building on this strong foundation, three different options have been developed in three different areas for GSC Future Develop-

ment Projects, which will be placed before the General body for discussion and further action.

As Chairman – Projects and Future Developments, I have had the privilege of overseeing numerous key upgrades, each designed to enhance member experience and strengthen our facilities. Some of the major developments completed include:

- The serene and rejuvenating Om Peace & Harmony Yoga Centre
- Fully refurbished Lawn Tennis Courts
- The Trending Pickleball Court
- A state-of-the-art Computerized Pistol Shooting Arena
- The modern and inviting Cookie Dough Café
- Upgraded Changing Rooms at the Chirag Shetty Badminton Hall
- Flavours – Veg Fine & Dine, offering members a new culinary experience
- The addition of the charming Baithack Café
- A comprehensive CCTV Surveillance System and centralized Server Room
- Installation of OTIS Lifts for enhanced accessibility
- The peaceful Ekant Gazebo for members seeking quiet relaxation
- The versatile Sapphire Multipurpose Hall
- A more efficient and member-focused Membership Office
- A dedicated Administration Office & Restroom at C1 & C2
- Staff Canteen Room

These upgrades are not just infrastructural changes; they are lifestyle enhancements.

Each new facility and renovation has been conceptualized with the clear objective of enriching the day-to-day experience of our members. Whether it is promoting wellness through improved sports arenas, offering serene spaces for relaxation, elevating dining experiences or ensuring smoother accessibility and safety across the Club, every development contributes to a healthier, more engaging and more fulfilling lifestyle for

our members. Our goal is to create an environment where individuals and families can enjoy world-class amenities, pursue their passions and build meaningful connections.

My health Thanks to the Project Staff Team headed by Mr. Nandkumar Nair, Mr. Rajesh Meena, Mr. Deep Sawant, Mr. Satish Shinde & Mr. Vishal Patil. Looking ahead, we are now working tirelessly on a much larger vision—giving GSC an entirely new facelift. We have collaborated with renowned international architects to bring global design standards and modern aesthetics to our Club. Major upcoming projects, including the complete renovation of the Badminton Hall and the Swimming Pool, are already in advanced

stages of planning. These developments will not only enhance our infrastructure but also create world-class spaces for sports, wellness, and community engagement.

As we move forward, our commitment remains to continuously upgrade, innovate and ensure that GSC remains a club we are all proud of.

Each program reflected our rich cultural heritage and the unity that defines us.

I sincerely thank Ms. Deepa Salvi - HOD & Mr. Devendra Mhatre for their strong support in all religious events.

### **“From Students To Senior Citizens, We Are A Club That Cares”**

**Dear Members,**

**A**s we step into a fresh year filled with new opportunities, I am pleased to extend my sincere greetings to all. Serving on the Governing Council under the motivating guidance of Dr. Vinay Jain – President, CA Sanjay Maloo - Hon. Gen. Secretary and Shri Sunil Kabra – Hon. Treasurer, is a true honour. Their continuous support, strong leadership and strategic foresight have been instrumental in shaping GSC's growth and success.

As the Chairman – Housie, Library & Senior Citizen Initiatives, it gives me immense pride to share the considerable progress and improvements we have made across these departments. We have successfully regularised week-end Housie at GSC, and over the year, we organised several exciting bumper housie events including Ram Navami Housie, Gold Housie, Silver Housie, Mega Bumper Housie, and many others. These engaging events have rewarded members with Gold, Silver, a Car, Electric Bikes, Laptops, iPhones, mega cash prizes and more. Today, GSC Housie stands as one of the most popular and eagerly awaited events in the Western Suburbs.

In the Library, we have made every effort to stay connected with our GSC Library Students. We upgraded the facility with essential enhancements such as spike guards, high-speed internet, a coffee

machine and several other small yet meaningful improvements. To encourage our young achievers, we organised multiple Student Felicitation Events, recognising excellence across various disciplines. Additionally, we hosted special literary events to inspire a culture of reading, featuring personalities like J.D. Majethia, Sudhanshu Pandey, and National Reading Coach—Amrut Deshmukh.

For our Senior Citizens—young at heart, I am delighted to share the success of our cherished initiative, Vintage Harmony. This monthly karaoke event has become a favourite among members aged 55+, creating a vibrant platform for bonding, entertainment and heartfelt connections. It is truly heart-warming to see an evening filled with smiles, music and laughter.

I extend my sincere gratitude to the dedicated team for leading these initiatives with consistency and passion. A special thanks to HOD Mr. Nandkumar Nair, whose leadership has been instrumental in keeping the team efficient, ably supported by Ms. Jiya Gaikwad & Ms. Aulicia Pereira.

## Message from the **CHAIRMAN** — F & B

### Good Taste Begins with Good Vision

Dear Members,

**A**s a New Year unfolds with renewed hope, I extend my best wishes to everyone. It is a privilege to serve on the Governing Council under the remarkable leadership of Dr. Vinay Jain – President, CA Sanjay Maloo – Hon. Gen. Secretary and Shri Sunil Kabra – Hon. Treasurer. Their relentless pursuit of excellence and strategic guidance has greatly empowered GSC.

As the Chairman – F&B, I am delighted to share that GSC has taken a forward-thinking approach by streamlining liquor procurement and overseeing sales directly. By sourcing alcohol in bulk, the Club secures significant supplier discounts. These savings are passed on to our members, enabling us to offer a wide selection of premium and popular beverages at prices far below the market rates. This initiative not only boosts member satisfaction, but also strengthens quality assurance and promotes responsible service.

Our culinary landscape has expanded with the launch of Flavours, a Mediterranean-themed vegetarian fine-dining restaurant that brings a refreshing new dimension to the Club's gastronomy. Alongside this, the creative combo offers at Baithack and The Cookie Dough Café, paired with the introduction of well-known brands in the Food Court, have transformed our dining scene into a lively and diverse experience. These improvements have led to a substantial increase in footfall and member participation, resulting in nearly double the revenue compared to last year.

To enhance member value, we introduced the Monday MRP initiative. Every Monday, a curated collection of premium and popular alcoholic bev-

erages is offered at MRP. This exclusive benefit has been warmly welcomed, driving early-week engagement and offering exceptional value while maintaining our high quality standards.

Continuing our mission to elevate your dining experience, we proudly reopened the newly renovated second-floor restaurant—Flavours – Veg Fine Dine by Zaika—along with the revival of Thursday Karaoke Nights. This re-imagined space reinforces our commitment to delivering top-tier culinary experiences.

I am delighted to share that consistent combo promotions at The Cookie Dough Café and Baithack have been made possible; thanks to the strong support and strategic vision of our Governing Council. The upgraded Food Court is functioning seamlessly and now features member-favorite brands such as Swamy's Idli Tiffin, British Waffles, Dinshaw's Ice Cream, JK Sweets, Talking Spoon, Rejaiv and Society Tea. Members have shown tremendous appreciation for the wide-ranging food choices available across our various dining venues at GSC.

To maintain high standards of hygiene remains central to our operations. To ensure this, we conduct comprehensive pest control and deep cleaning every alternate Monday, creating a safe, clean and comfortable environment for everyone.

For added convenience, members can now use the GSC Wallet to make payments at all Club restaurants and cafés, providing a smoother and more efficient dining experience.

I express utmost gratitude to Mr. Vaibhav Manik – HOD and Mr. Gopal Meghani and well supported by Mr. Nagesh Bhatt and Mr. Gautam Maitra.

We are committed to continually introducing fresh and innovative culinary experiences for our GSC family, catering to every taste and preference.

Lastly, the Monsoon Food Festival by Zaika was a tremendous success and we look forward to bringing you many more such vibrant events.

I extend my heartfelt gratitude to my Medical team and the dedicated GSC Staff team comprising of Ms. Jiya Gaikwad, Ms. Trishala Page and Ms. Aulicie Pereira headed by Mr. Nandkumar Nair, whose continuous efforts ensure the smooth functioning and success of all our health and medical initiatives.

## Message from the **CHAIRMAN** – IT CELL

### “Building Smarter Systems for a Smarter Tomorrow.”

Dear Members,

**W**ith the beginning of another encouraging year, my heartfelt wishes go out to each one of you. Being a member of the Governing Council under the capable guidance of Dr. Vinay Jain – President, CA Sanjay Maloo – Hon. Gen. Secretary and Shri Sunil Kabra – Hon. Treasurer is deeply gratifying. Their relentless work and visionary leadership have been pivotal in strengthening GSC's foundation.

Over the last three years, GSC has been steadily climbing the ladder of digitalization, with a strong focus on enhancing member experience, operational efficiency and security. Our goal has been simple yet ambitious—to leverage technology not just for convenience, but to create meaningful and measurable improvements in the way the Club functions and serves its members.

One of the most significant milestones in this journey has been the development of the GSC Club App. This app is designed to put the power of the Club in the hands of our members, providing seamless access to services at their fingertips. Some of the key features we have introduced and are actively developing include:

1. Ticket-Based Complaints, Feedback & Suggestions – allowing members to raise concerns, provide feedback, and track resolutions in a structured and transparent manner.
2. Ground Booking – enabling hassle-free booking of sports facilities, ensuring fair and organized access to all members.
3. Payment Integration for Annual Usage Charges – simplifying payments for all Club facilities, making it more convenient and time-efficient for members.
4. Online Payments for the Combined Activity Scheme – Platinum, Gold, and

Silver, offering an easy and transparent way for members to manage subscriptions.

5. Membership Card Application and Replacement – for damaged, lost or outdated cards, ensuring every member can access Club services without inconvenience.
6. QR Ticket System for Club Guest Entry – a secure, fast, and contactless system that enhances both convenience and security for members and their guests.
7. Daily Activity Slot Booking – covering sports, massage, and other daily activities, helping members plan and enjoy their Club experience more effectively.

Security has been a cornerstone of our digital efforts. To this end, we have implemented an advanced Facial Recognition System, VIRDI, to ensure exclusive and secure access for our members. VIRDI is a highly trusted system, even used by the New Parliament House, highlighting the level of sophistication and reliability we have brought to GSC.

Beyond apps and systems, we have modernized our physical and digital communication channels. New digital standees have been installed across the Club, providing real-time updates and information. Our social media presence is stronger than ever, ensuring members remain engaged and informed. The Club website has become more interactive, with easy navigation, updated content and seamless access to services. In addition, we proudly launched our E-Magazine, bringing news, updates, and features to members in a more sustainable and eco-friendly format.

Sustainability has also been a key focus. By reducing printed banners and embracing digital alternatives, we are not only modernizing the Club, but also contributing to a greener, more responsible environment.

I would like to extend my heartfelt gratitude to the entire IT team led by Mr. Vaibhav Manik and supported by Mr. Aniket Patil & Mr. Ganesh Sarang. The path ahead is even more exciting, as we continue to explore new technologies, enhance digital services and further integrate innovation into every aspect of GSC.

Together, we are not just embracing technology; we are reshaping the future of the Club, making it smarter, safer and more connected for every member.

## Message from the **CHAIRMAN** — CRICKET

### “Excellence on the Field, Pride in the Club”

Dear Members,

**W**ith a fresh year full of opportunities before us, I happily extend my heartfelt wishes to all. Being associated with the Governing Council, led by the inspiring trio of Dr. Vinay Jain – President, CA Sanjay Maloo – Hon. Gen. Secretary and Shri Sunil Kabra – Hon. Treasurer, is truly commendable. Their dedication and vision continue to revolutionize GSC's developmental path.

As the Chairman - Cricket, it gives me immense pleasure to share the journey of our cricket activities at GSC over the past three years—a journey filled with excitement, skill and enthusiastic participation.

The GSC T20 Cricket League has become a major highlight in our sporting calendar. From the Grand Auction to the Opening Ceremony and culminating in the Finals, each edition of the league has brought tremendous energy, competitive spirit and camaraderie among players and members alike.

Our collaboration with MCCC has been equally rewarding, with multiple tournaments such as MCCC Open, MCCC 40+, and MCCC 50+, where our GSC teams showcased remarkable talent and dedication. Additionally, the GSC 45+ Cricket League, featuring its own auction, opening ceremony, and grand finale, has been a unique platform for our senior players to stay active, competitive and engaged.

We also organized specialized events such as the 55+ Tennis Crick-

et Tournament and the Box Cricket Tournament, providing members of all age groups with the opportunity to enjoy the sport in varied formats.

I am particularly proud to mention that our GSC Cricket Team has won the MCCC Tournament twice, a testimony to the hard work, team spirit and commitment of our players. We are equally thrilled to host renowned Indian cricketers like K.L. Rahul, Varun Chakravarty and Rinku Singh at the GSC Ground for practice sessions, inspiring our members and young players alike.

We are also very happy and excited about associating with All Heart Cricket Academy with renowned coaches look after GSC Cricket Academy. This year for the first time in the history of Cricket at our club, Team GSC reached quarter-final level of Purushottam Shield. We are very hopeful in near future that GSC will be able to win a major league organised by MCA.

Beyond tournaments, our Blood Donation Camp, organized with support of Dr. Mukesh Agrawal, Chairman – Medical Cell was a resounding success, reflecting the spirit of service and community at GSC.

Our ground continues to witness consistent bookings from corporate and various clubs, further strengthening GSC's reputation as a premier sporting venue.

I would like to extend my heartfelt gratitude to Ms. Deepa Salvi HOD, Mr. Priyanshu Mishra and his dedicated team, with the steadfast support of Ms. Deepti Kale, for working in these events seamlessly and ensuring memorable experiences for all members.

Looking back at the past three years, I am inspired by the enthusiasm, dedication, and passion of our members. Let us continue to celebrate the spirit of sportsmanship, teamwork and community at GSC for many more years to come.

## Message from the **CHAIRMAN** — INDOOR SPORTS — II

### “Raising the Bar, One Game at a Time”

Dear Members,

**T**he beginning of a New Year brings hope and inspiration, and I extend my sincere wishes to all. Serving on the Governing Council, guided by the outstanding leadership of Dr. Vinay Jain – President, CA Sanjay Maloo – Hon. Gen. Secretary and Shri Sunil Kabra – Hon. Treasurer, is a privilege, I deeply value. Their dedicated work and visionary mind-set continue to uplift GSC.

As the Chairman – Indoor Sports – II, the journey has been overwhelming and exciting. One of our standout achievements was hosting the Table Tennis Premier League, an electrifying tournament that brought together our finest paddlers. The format was competitive, the game play intense and the enthusiasm from players and spectators alike made it a truly memorable event. I am especially delighted to congratulate Chinmaya Somaiya and Arnav Karnvaar for their outstanding achievements at the State Table Tennis Championships, bringing pride and recognition to GSC.

The Snooker Premier League brought a renewed sense of sophistication and class to our sports calendar, with players displaying exceptional precision, strategic depth and exemplary sportsmanship. This league has significantly elevated the standard of cue sports at GSC. Encouragingly, participation in the Snooker Homegala has grown remarkably—from just 10 participants in earlier years to over 100 this season—highlighting the rising interest and enthusiasm among our members. Further strengthening our snooker infrastructure, two new Olympic-standard snooker tables were added, ensuring world-class playing conditions.

In keeping with global sporting trends, we introduced Pickleball through both regular coaching programs and our summer camp. This fast-growing sport was embraced enthusiastically by members of all ages, adding a fresh and exciting dimension to our recreational offerings.

Our commitment to table tennis reached new milestones this year. For the first time in the history of GSC, we successfully introduced the Table Tennis Premier League,

marking a significant step forward in competitive play. The Table Tennis Homegala witnessed tremendous participation, with an impressive 600 matches played, reflecting both depth of talent and strong member engagement. To further support skill development, we recently acquired a Table Tennis Robot, providing players with advanced practice opportunities.

Lawn tennis also experienced a memorable revival. The GSC Lawn Tennis Homegala was restarted after a gap of 10 long years and saw an enthusiastic turnout of 119 participants. This resurgence was complemented by the recent renovation of the Lawn Tennis Courts, completed to the complete satisfaction of our members and reinforcing our commitment to high-quality infrastructure.

Our squash program continues to grow in strength and stature. We successfully hosted a National-Level Squash Tournament, welcoming top players from across the country to compete on our courts. Additionally, the Squash Homegala provided an inclusive and energetic platform for members to engage competitively. Renovation of the squash courts is scheduled to commence soon, further enhancing the playing experience.

Beyond these, GSC members proudly represented the Club at a National Basketball Tournament, demonstrating exceptional discipline, teamwork and skill. Their participation reflected the spirit of excellence we aim to cultivate across all sporting disciplines. Expanding our coaching initiatives, we also introduced structured coaching in Chess, reinforcing our belief in holistic development through both physical and mental sports.

Our Homegala events—including Squash, Table Tennis, Lawn Tennis, and Snooker—have become vibrant celebrations of sport, bringing together members of all ages to compete, connect and share unforgettable moments. These events remind us that sport is not merely about winning or losing; it builds character, fosters camaraderie, and creates lasting memories.

As we look ahead, infrastructure development remains a key priority. Along with the upcoming squash court renovation, we will undertake the repair and replacement of billiards and snooker tables to ensure all facilities meet the highest standards. My heartfelt thanks to Ms. Deepa Salvi and her dedicated team for their exceptional leadership, tireless efforts and unwavering commitment to delivering successful tournaments and programs year after year.

Together, let us continue raising the bar, embracing new opportunities and celebrating the incredible sporting spirit that defines GSC.

## Message from the **CHAIRMAN** — HEALTH CLUB

### “Sweat, Support, Success: Our Shared Fitness Journey”

Dear Members,

**A**s we embark on another year of promise and progress, I warmly convey my greetings to everyone. It is an honour to play a role in the Governing Council under the dynamic leadership of Dr. Vinay Jain – President, CA Sanjay Maloo – Hon. Gen. Secretary and Shri Sunil Kabra – Hon. Treasurer. Their thoughtful leadership and continuous efforts are strengthening GSC with each passing day.

Over the past three years, our Health Club has consistently been maintained to the highest standards, providing a clean, safe and motivating environment for all members. We have continuously upgraded our facilities, introducing cutting-edge fitness equipment and innovative programs that cater to diverse workout styles and goals. This commitment has attracted more youngsters than ever before, infusing the Club with vibrant energy and enthusiasm, while our experienced trainers continue to guide and inspire everyone to stay consistent and achieve their wellness goals. The use of our Steam, Sauna, Jacuzzi, and Massage facilities has also steadily grown, reflecting members' increasing focus on holistic wellness, relaxation and stress relief.

Our popular programs have evolved significantly. The Calisthenics program, building incredible functional strength using bodyweight

exercises, continues to thrive. CrossFit training, combining strength, cardio and agility in dynamic team workouts, has expanded; creating a challenging, yet supportive environment. We successfully launched our first-ever GTCL, adding a fun and competitive edge to our fitness calendar. Adventure activities, including organized treks, have brought members closer to nature and reinforced the spirit of teamwork beyond the gym.

What truly sets our Health Club apart is the fitness spirit. Every workout becomes meaningful when done alongside friends. Whether mastering pull-ups in Calisthenics, tackling a WOD in CrossFit or taking on the trails during an adventure trek, every challenge feels achievable when cheered on by teammates and every success feels sweeter when celebrated together. When setbacks occur, the supportive community lifts each other up, ensuring no one feels alone in their fitness journey. We are delighted to announce our recent association with Ayurvedam offering various therapies like Abhyangham Potli and Abhyangam Full Body at subsidized rates. They also offer free consultancy to GSC members.

We are planning initiatives that strengthen these bonds, making the Health Club more than just a gym; it's a team that succeeds together. Let us embrace team spirit in every workout: be the training partner who shows up, the cheerleader who motivates and the teammate who ensures no one is left behind.

My heartfelt gratitude goes to Ms. Deepa Salvi – HOD & Mr. Melvin Chanil along with the team.

Remember, every rep inspires others, every healthy choice encourages teammates, and every goal achieved proves that dreams are possible. Together, we are not just getting fitter; we are growing stronger as a family—physically, mentally and emotionally.

### “Celebrating Moments of Magic, Memories for Life”

Dear Members,

**A**s this promising New Year begins, I take pleasure in offering my warm wishes to everyone. Being part of the Governing Council under the steadfast leadership of Dr. Vinay Jain – President, CA Sanjay Maloo – Hon. Gen. Secretary and Shri Sunil Kabra – Hon. Treasurer is both inspiring and fulfilling. Their guidance, persistence, and forward vision have substantially fortified GSC's foundation.

As I look back on the past three years, my heart is filled with gratitude and joy. It has truly been a wonderful experience to host and curate countless events that brought us together—events that celebrated togetherness, tradition, creativity, fitness and pure happiness.

One of the brightest highlights was our dazzling “Glow & Groove” celebration—a first-of-its-kind illuminated spectacle that lit up the entire Club. The energy, the unity and the joy on everyone's face created memories that will stay with us forever.

We also witnessed deeply moving reflections from GSC's incredible women on the journey of motherhood—their grace, resilience and the beautiful way they balance multiple roles. Hearing their stories was truly inspiring and a reminder of the strength that women bring to our community.

Our Karwa Chauth celebration was another heart-warming moment, filled with beautifully choreographed performances and wholehearted participation. We thank every woman who contributed her time, creativity and spirit to make it such a meaningful and memorable evening.

For our younger members, we transformed the traditional carnival into

a magical “Christmas Wonderland,” filling the Club with festive cheer. And beyond that, we introduced joyful and creative kids' events such as Choco Palooza—a delightful, fun-filled chocolate-themed festival—along with several other engaging activities throughout the year. Seeing the laughter and excitement of our children has been the sweetest reward.

One of the most cherished initiatives has been our Mindful Weekends—a series of thoughtfully curated workshops in dance, art, movement and expression. I am delighted to share that Mindful Weekends have now become a regular, beloved program under our leadership, thanks to the enthusiastic participation of children and the continued support of parents.

Celebrating International Yoga Day with the theme “Slowing Down and Mindful Living” was a deeply enriching experience. Through calming practices and guided meditation, participants reconnected with themselves and embraced a more balanced way of living.

I am proud to have been part of the organizing team for ICC Box Cricket – Season 1, a landmark event featuring the first-ever mixed-gender teams. This brought inclusivity, camaraderie and excitement to a whole new level.

Our Mother's Day celebration was equally special, with creative painting sessions and fun-filled activities that allowed mothers and children to bond in a joyful, expressive environment.

I wholeheartedly thank to Mr. Vaibhav Manik – HOD, Ms. Binal Patel and Ms. Pooja Bhoir for their overwhelming support in every event planned.

And of course, our Mega Ladies Events—the stunning Fem Fiesta and the glamorous Glitz & Glam—were grand celebrations that showcased elegance, confidence and sisterhood at its finest. These events added spark, style and empowerment to our annual calendar.

Looking ahead, 2026 holds so much promise. I am thrilled for all the soulful, joyful, and meaningful programs, we are preparing for you. Together, we will continue to celebrate community, creativity, wellness and unity in the most beautiful ways.

SPECIAL  
2026

When I was YOUNG,  
I found it  
DIFFICULT to  
WAKE UP.

When I am OLD,  
I find it DIFFICULT  
to SLEEP.

When I was YOUNG,  
I was WAITING to HOLD  
someone's HAND.

When I am OLD,  
I am WAITING for SOMEONE  
to HOLD MY HAND.

When I was YOUNG,  
I HATED being ADVISED.  
When I am OLD,  
there is NO ONE  
around to TALK or ADVISE.

When I was YOUNG,  
I felt I was ETERNAL THINGS.  
When I am OLD,  
I know SOON it will be MY TURN.

At EXTREME STAGES of OUR LIFE,  
WE WORRY but WE DON'T REALIZE,  
LIFE NEEDS to BE EXPERIENCED.

It DOESN'T MATTER whether YOUNG or OLD,  
LIFE needs to be lived and LIVED  
WITH LOVE & LOVED ONES.

When I was YOUNG,  
I was WORRIED  
about MY PIMPLES.  
When I am OLD,

I am WORRIED  
about MY WRINKLES.

When I was YOUNG,  
I wanted my  
parents to leave me alone.

When I am OLD  
I am worried to be left alone.

When I was YOUNG,  
I ADMIRER BEAUTIFUL THINGS.

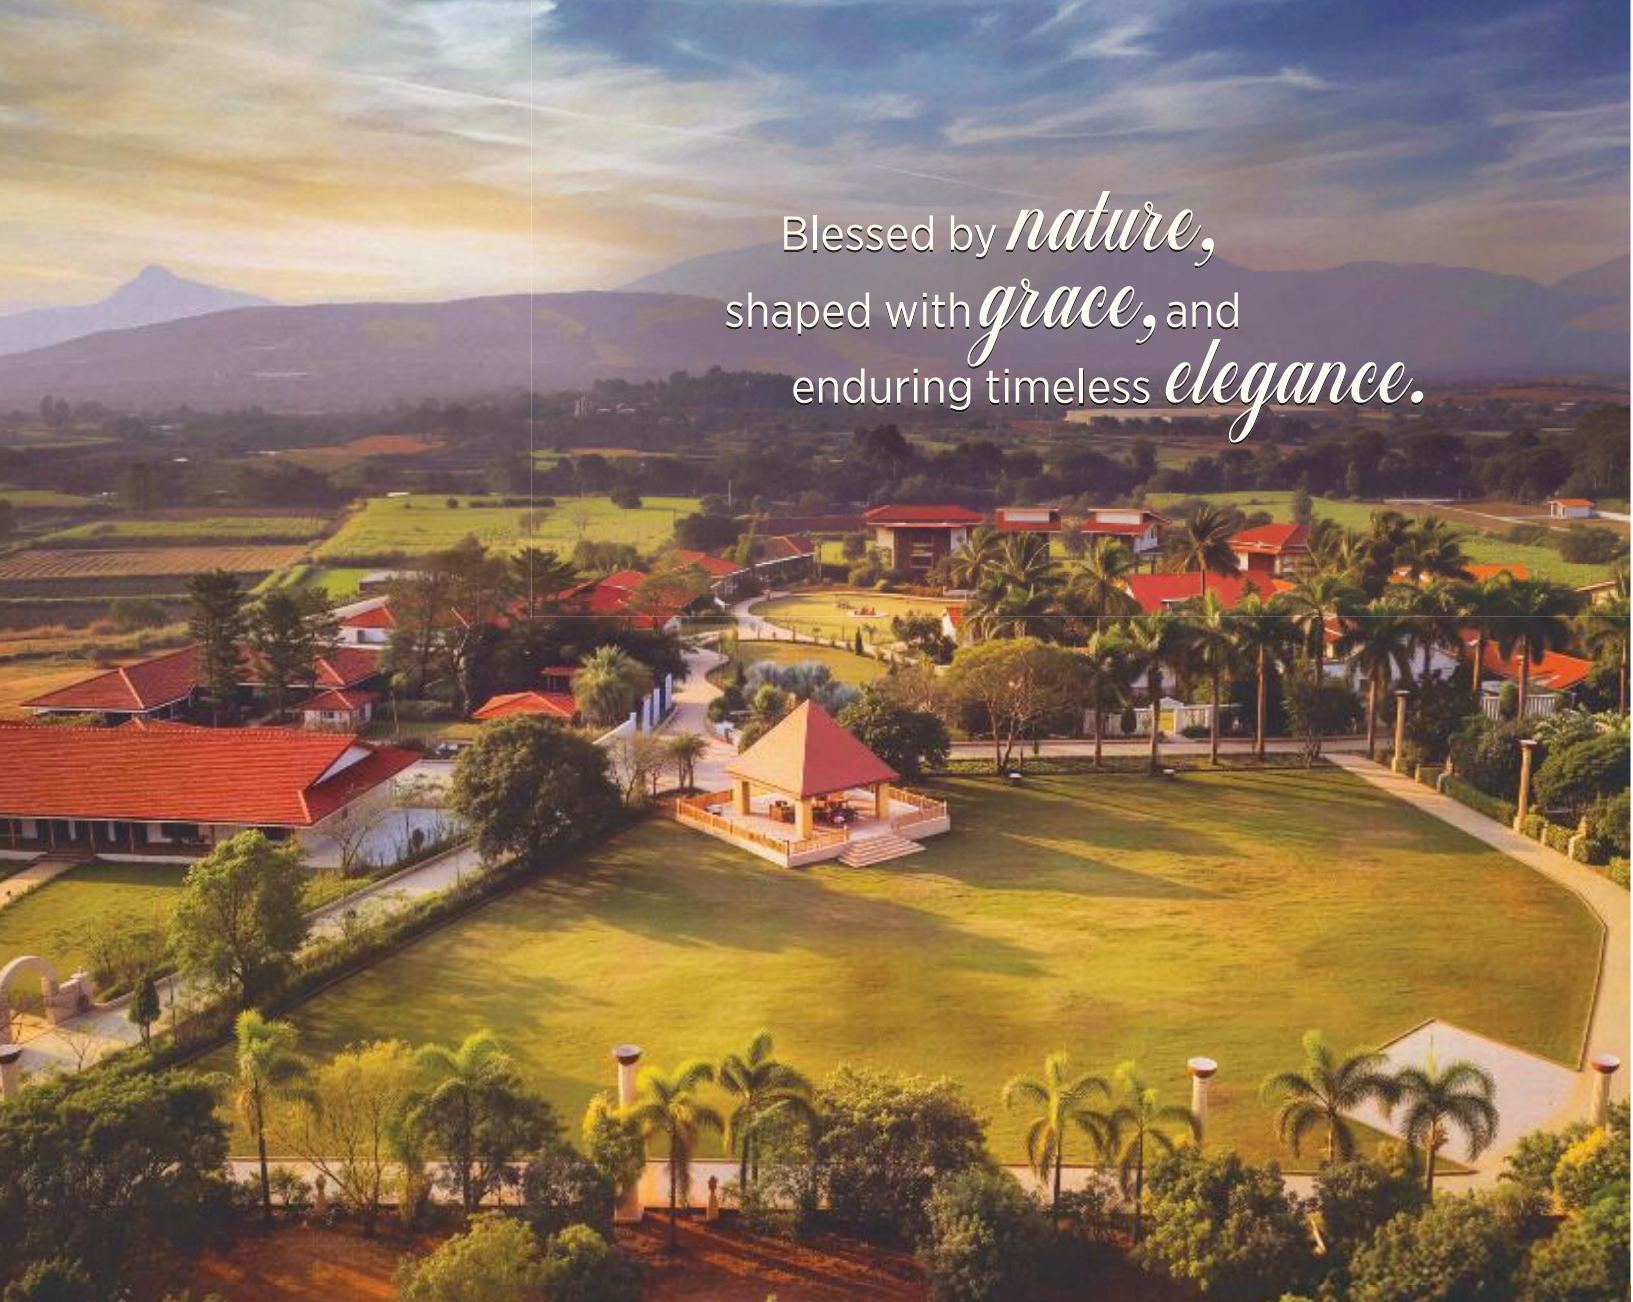

When I am OLD,  
I see BEAUTY in THINGS around ME.
