

Beyond Your Expectations
BROKEN SOUND CLUB

Stunningly luxurious, yet surprisingly comfortable. Welcome to Broken Sound Club.

Offering exceptional service, a wide range of amenities, and a strong sense of community is what differentiates Broken Sound Club from its neighbors. Following the \$40 million renovation completed in 2023, the 130,000 sq. ft. main clubhouse boasts choices of indoor and outdoor dining, a two-acre resort style pool and Bistro, and a lifestyle-centric signature retail shop.

The renovation added an additional 30,000 sq. ft. to the main clubhouse, which includes Illuminations Ballroom with seating for up to 450 people, the creation of a brand-new ladies card room wing, which can accommodate up to 400 card players, a billiards room, two new dining venues, CIRQ Grille and Bar overlooking the 18th green of the Club Course, Zest Restaurant which serves sushi and fusion tapas, and an elevated entry design to enhance members' experience from the moment they arrive.

Two 18-Hole Championship Courses for Legendary Play

THE OLD COURSE

The Old Course opened in 1978 and measures 7,200 yards from the longest tees. The course features 7 sets of tees for different skill levels. The greens are tif-eagle grass, and the fairways are champion Bermuda grass. The Old Course is one of the few “stand-alone” golf courses in this area, meaning that it does not wind through housing areas. This hidden gem has played host to the PGA Tour Champions season opener from 2007 to 2021 and as a Charles Schwab Cup Playoff site in 2023. The PGA Tour Champions returns to the Old Course in 2025 as host of the James Hardie Pro Football Hall of Fame Invitational, a Pro-Am style format in conjunction with the NFL. PGA Tour Players who made their debut on the PGA Tour Champions while at The Old Course, Jose Maria Olazabal, Nick Price and Retief Goosen. The course underwent a complete renovation by Rees Jones and was unveiled in 2023.

CLUB COURSE

The par 72 Broken Sound Club opened in 1985. The course was originally designed by Joe Lee but received a significant overhaul in 2001 by Gene Bates, Matt Swanson, and Johnny Miller. In 2017, the Club Course again was renovated and updated and now plays to a maximum length of 7,025-yards. The layout offers vistas of generous fairways and elevated greens and this championship routing meanders its way around lakes and lagoons, presenting a challenging experience for golfers of all skill levels, although from the longest tees the course is what some call a “hard par and an easy bogey.”

The two signature golf courses are both Audubon Sanctuary Certified and GEO Certified – the international mark of sustainability assurance from the Golf Environment Organization.
