OUR VISITORS

The Club was founded on the 28th March 2023. The Club was founded by Tawhid Juneja and Richard James who was Tawhid's football manager at Welwyn Garden City FC Development where he played under him for a season and a half. Both Tawhid and Richard were keen to support local football and also their experience within non-league to build something that

they can be proud of, but also have a significant influence on. Tawhid's previous capacity was only as a player and Richard's was a manager and groundsman.

They were not sure what made them think they could build a football club from scratch but we they are, competing in their first season in the Spartan South Midlands League along with a development side, a Vets team and a great team behind the scenes on the production side and club officials side. Time will tell if we were right, however Tawhid is immensely proud of where they have come so far.

As a club, they have some very ambitious targets. They aim to achieve 7 promotions in 12 years which will take them all the way to the football league. Some say they are crazy and maybe they are,

however, they believe their ambition will drive them and ensure they are focused as a team on and off the field. Steve Jobs said, "**The people who are crazy enough to think they can change the world are the ones who do**" so if you think we are crazy, we will take that as a compliment!

Alongside their ambitions for their first team, they also aim to bring players through their development team and through their strong links with Welwyn Garden City Youth FC. These links with local clubs will hopefully strengthen over the years and they can all benefit from these partnerships.

FA CUP first round draw day is always one of the most eagerly-awaited of the Non-League calendar.

It's the day when all those dreams and aspirations of drawing a big club are realised, when cup fever really kicks in.

Every year it throws up a tie or two to whet the appetites of the minnows, but this year's helping was unlike any other.

In fact, I can honestly say that the roll of the balls - served up by Bradford City legend Stuart McCall and former Manchester United and Salford City winger Danny Webber on Monday night – were about as kind to Non-League clubs as I've ever known it to be.

Not just the odd tasty match-up to help fill a few column inches in The NLP on a Sunday, but a whole host of absolute belters to ensure we are bursting with preview ideas in the build-up to the weekend of November 2.

Of the 40 ties pulled out of the hat, 23 see a Non-League club pit their wits against their counterparts from Leagues One or Two. Eleven of those ties are at home, 12 away.

A further four are all-Non-League affairs, ensuring there'll be plenty of interest in the second round too come November 30.

While the grudge match between MK Dons and AFC Wimbledon will naturally be seen as the pick of the bunch by many, there are a number of mouth-watering ties with a strong derby feel.

Take Kettering Town, for example. The Poppies are already FA Cup folk heroes as the country's highest FA Cup goalscorers. Their 2-1 win at Farsley Celtic on Saturday extended their record to 920 – seven more than Tottenham Hotspur.

A healthy crowd gathered at the Latimer Park clubhouse on Monday night to witness their fate and they were toasting long into the night as they were handed an away tie to near neighbours Northampton Town.

Also celebrating a derby to savour were Weston-Super-Mare, who were handed an away tie at Bristol Rovers, and Alfreton Town, who will relish their short trip to face Notts County.

Elsewhere, Oldham Athletic boss Micky Mellon and striker James Norwood return to former club Tranmere Rovers, while Aldershot Town will be looking to repeat their heroics of last season when they make the trip to Bradford City's Valley Parade.

Of the Non-League home ties drumming up interest, Tamworth are getting ready for a monster clash when Huddersfield Town, winners in 1921-22, visit The Lamb, while all eyes will also be on National League North high-flyers Curzon Ashton when they host Mansfield Town.

Southend United were rewarded for their last-gasp victory over Eastleigh in the last round with a home tie against Charlton Athletic, while Boreham Wood have

(Continued on page 7)

pulled it out of the hat once again, this time landing a crunch home clash with League One Leyton Orient.

Wood's National League South rivals Chesham United were paired with League One Lincoln City, Woking pulled out struggling Cambridge United and Worthing will fancy their chances of an upset at home to Morecambe.

But the top pick must surely be Sutton United, who undoubtedly pulled out the plum draw – a home tie against big-spending League One title chasers Birmingham City at Gander Green Lane.

The U's are no strangers to welcoming high-profile opponents, of course, after famously pulling out Arsene Wenger's Arsenal in the fifth round back in 2016-17.

At the time of writing, before Tuesday night's replays, Step 3 Harborough Town were the lowest ranked club left in the competition having ended Bury's cup dream in the last round.

And the Bees will relish a trip to Tonbridge Angels, of National League South, in what manager Mitch Austin describes as a "winnable tie".

Whatever happens come November 2, the eyes of the nation will be on the Non-League clubs once again with the 'three-up' brigade ready with their stats books to prove that the gap between the fourth and fifth tiers is narrower than ever.

Replays, of course, are no more hereon in, so it's a straight 90-minute shoot-out, decided by extra-time and then penalties if necessary.

Either way, the cup gods have shone on us and the stage is set for our Non-League clubs to earn a place in history. It promises to be a weekend to remember.

CLUB HISTORY

Buckingham Football Club is a football club based in Buckingham, Buckinghamshire, England. Formed by a merger of Buckingham Athletic and Buckingham United in 2023, they are currently members of the Spartan South Midlands League Division One and play at Stratford Fields.

The club was first formed in 1933 as **Buckingham Juniors**, but it was three years before a ground was found, allowing the club to enter the Brackley and District League. When they got their ground, it was originally called Timm's Meadow, before later becoming Stratford Fields. In 1939 the club adopted **Buckingham Athletic FC** as its name. It then took the club 27 years to win its first trophy when in 1960–61 they won their first trophy, the North Bucks League Shield.

In 1965 they applied and was accepted to the Hellenic League where they played in Division 1 finishing a creditable mid-table position in their first season but also won the Berks & Bucks FA Junior Cup. Their success continued and in 68/69 was promoted to the Premier Division after finishing Division runners-up.

The late 60's brought about some good success for the whole club with the Youth, Reserve and First teams all picking up trophies with the First winning the Buckinghamshire Senior Cup for the first time.

After a steady decline in fortunes in 78/79 the club returned to the North Bucks League and it wasn't until the mid-80's that further success was achieved.

This was the start of a successful period for the club and after winning the North Bucks Premier League title they moved to the South Midlands Division 1 in 1985 winning the league at their first attempt, losing only 3 games throughout the season.

However, success came too quickly, and the ground facilities were not ready for promotion to the Premier Division so they had to remain in Division 1.

The following season they were once again knocking on the door of the Premier League as they finished runners-up but a last minute hold up on planning permission once again stalled promotion. However, promotion was achieved the following year when they did the league and cup double and with correct ground grading in place the club was promoted to the Premier League for the first time.

Throughout the 90's all the teams in the club consistently won trophies

Club History continued

although the highest the first team achieved in the Premier League was in 97 when they finished 5th.

The late 90's the club struggled financially, and they made a very difficult decision to drop out of the top flight and they were placed back in Division 2. A level of stability was brought about the club and in 2003 they were promoted back to Division 1.

Once again ground grading held the club back as in 2004 they finished runners-up in Division 1 and promotion back to the Premier league was denied.

Since 05/06 a huge amount of work has taken place to upgrade the clubhouse and football facilities but unfortunately success on the field has been sparse.

In 2023 Buckingham Athletic started talks with Buckingham United to bring the two clubs together with the sole purpose of having one senior football team in the town.

Buckingham United FC were formed in 2011 with the sole aim of providing local grassroots football. This began as a single Sunday side playing in Deanshanger due to a lack of local facilities. After the first season the club moved to Tingewick but it was not until 2016 when the club finally moved into Buckingham to the new Lace Hill Sports and Community Centre. The club joined the North Bucks and District League before joining the South Midlands League Division Two in 2019. Here the club grew quickly providing grassroots football across various levels and abilities which peaked with eight teams by 2021, this included Saturday First and Reserves, Sunday League A & B sides, Veterans, Ladies along with an Under 21s and Under 18s.

The club reached many cup finals across the teams including winning the North Bucks and District League Division One shield in 2018. In the final season under Buckingham United the ladies side really gave the club a wonderful finally winning the Northants Premier Division Title and League Cup double.

As a result of many meetings between the clubs, both Buckingham Athletic & Buckingham United formally agreed to pass the motion to combine both clubs, creating Buckingham Football Club, which now has one of the largest offerings of adult football in the region with a structured youth pathway with our strategic partners Moretonville Junior FC.

This is not an end to Buckingham Athletic or Buckingham United, this is very much a continuation in the story of these clubs and football within the town. The history of which won't be forgotten.

The ultimate aim of combining the clubs is to provide the town with a sustainable non-league football club by sharing resources, passionate volunteers, and great sporting facilities. A club with the aim of pushing up the pyramid while also providing structured football for the community, maintaining the fun and enjoyment of the game that everyone loves.

A NEW BEGINNING FOR BUCKINGHAM AS NEW PARTNERSHIP IS ANNOUNCED BUCKINGHAM FC YOUTH

NORTH BUCKS GAFFER

We caught up with Luke Davis to understand how he thought the season was going so far for our team who compete in the North Bucks Intermediate League.

Luke said: "The start of the season has gone well for us, with this being Jobe Read and mine first full season in

charge, it has been a learning curve but one that we are enjoying.

We have a young group of players that we carried over from last season and the addition of some new faces, it's been a positive start whilst they all get to gel together.

We currently sit 6th in the league and have progressed to the next round in both Cups. With such a young squad it's been nice to see some of the boys have the opportunity to play for u23 and 1st team.

Hopefully as the team gels more and we recover from some injuries that we currently have we can improve our league position even higher and continue our cup journeys.

The whole squad have been a pleasure to manage and they give 100% to the squad and club.

FROM THE GAFFER

Good afternoon all, welcome back to Stratford Fields for our latest league fixture.

A tough game ahead today, against a team who have already beaten us this season. That said we are in a much stronger position personnel wise and feel very much ready for this challenge.

Tuesdays defeat to Arlesey Town in The Challenge Trophy was used as a training exercise to give some of the squad players game time. We created plenty of chances and didn't deserve to lose by the 3-0 margin. Arlesey Town management were particularly impressed by our structure and playing style, which has resulted in a member of their squad being transferred to us for the next few weeks.

We therefore welcome centre half Brandon Beaman to the club and thank Tommy Cooney at Arlesey for his support with this new signing.

Today will also see Brandon Green feature for the first time, since joining us on dual registration from Aylesbury Utd.

We are still busy adding to the squad, whilst fine tuning the existing group and installing our methods and principles on and off the pitch. The lads have been great and I expect a good performance today against one of the league favourites.

Enjoy the game and see you in the bar after.

CLUB LIFE

Supporting Our Social Events

Are you aware that we are still holding regular social events at the club and although all have been well attended there have been tickets to spare.

This year we already had tribute acts for Adele, Fleetwood Mac, and Tom Jones which were all well received by those attending. Still to come in 2024 we have Elvis and a Soul night and tickets are still available and in 2025 we have already booked Gary Barlow and Whitney Houston.

Along with that we have a very popular Disco Bingo event which we try to hold every couple of months, although a free event entry is by ticket due to its popularity.

If you are interested in any of our social evenings then you can buy tickets online at our [ticket store](#). Go to our Web page and follow the links.

We also host the brilliant and entertaining “Buckingham Live Sessions” formerly the Buckingham Acoustic Club. It’s a great environment for all kinds of talent to take the stage. It’s also a great opportunity for folks to come along and enjoy the entertainment on offer.

A small airplane is shown in the lower right quadrant, performing a steep climb and banking to the left. The aircraft's path is traced by a thick, white, smoke-like trail that loops back up and to the left, framing the text "Bish Bash Dosh". The background is a clear, bright blue sky with a few wispy clouds.
