IN FOCUS
PUBLISHING

In Focus Publishing is the parent company of industry focused trade publications - Business in Focus, Construction in Focus, and Manufacturing in Focus.

Our publications are your premier source for insights into North American business and industry. Through exclusive interviews and in-depth articles, we keep you informed about industry trends, success stories, and challenges. From boardrooms to factory floors to arenas for public policy, we shine a light on the stories that impact you.

Your Storytelling Partner

Our publications are published both as online magazines and high-quality, printed hard copies. By publishing online, we are able to extend readership beyond simply a one-month cycle, keeping our articles available and Google indexed for a minimum of two years. We never hide our content behind a subscription paywall, so our clients and readers can easily access and share content and reach the widest possible audience. We print and distribute a full gloss printed edition every month, and provide a complimentary copy to each of our valued feature companies and advertisers.

We also work closely with our content partners to create a digital standalone brochure with a custom front and back cover, a powerful, independent marketing tool that allows you to directly reach your audience with your company's story and any talking points you'd like to highlight.

Mitch Leathers, Senior Director of Communications

SNA Displays

“We have worked with the Business in Focus team on two articles now, and both experiences have been great. While the process has been simple and straightforward, the team has also been very flexible and receptive to input to make the articles more appropriate and accurate. Everyone has handled the sponsorship aspect of each project delicately with our partners and vendors. Additionally, the brochure created by your team is a ready-made and useful marketing tool for us to reach various target markets. Overall, we really appreciate all the work that was produced.”

“REACH VARIOUS TARGET MARKETS”

Lauren Nowicki, Chief Communications Officer

Dacon Corporation

“I’d like to express my great appreciation to you, Allison and the team for another productive endeavor. What is immediately apparent in working with FMG is the enthusiasm, dignity and grace their team brings to each project. The open collaboration between our organizations was tangible, enabling a highly technical story to come to life. Thank you for the attention you gave to our client and project. We look forward to future projects with you.”

“OPEN COLLABORATION BETWEEN ORGANIZATIONS”

Sue Burt, Marketing Director
Burt Process Equipment

“Everyone in your organization that I interacted with was responsive and professional. I was particularly impressed with the way your writer was able to use my input to produce an extremely well-written and accurate piece. Also important to me was the professional and non-intrusive way your advertising team reached out to our suppliers for support. We truly appreciated partnering with Business in Focus and look forward to using the article as a means of promoting our business and company culture to a larger audience.”

“NON-INTRUSIVE WAY [OF REACHING OUT TO] OUR SUPPLIERS”

Naomi Nikolas, Digital Marketing Coordinator
Automated Systems Design | ASD

“Scott and the entire team from FMG have shown nothing but professionalism during our time together. They provided timely updates on where we were at in the process and gave clear action items for us to complete. This made our workload virtually nonexistent, which you would never guess when looking at the finished product. Describing our business and what we do can be very challenging, but their team was able to simplify it in terms that anyone can understand. We would recommend Scott, Business in Focus, and the FMG team to anyone. Hopefully, our teams will have the opportunity to collaborate again in the future.”

Your Advertising Partner

Our philosophy is simple: the effectiveness of advertising thrives with reach and sustained exposure. At In Focus Publishing, your advertisements will enjoy extensive visibility through our monthly print and digital editions, as well as a sustained presence on our website where they will be featured for a minimum of two years. Partnering with us means access to our skilled in-house design team who can craft your advertisement at no extra cost. Plus, unlike other publications, you retain full reproduction rights for your custom advertisements beyond our platform.

At In Focus Publishing, it is our business to help promote your business. Our subscriber base is one of the strongest in the North American market, giving your ads a broad reach at a competitive price. Our informative corporate profiles and thought-provoking features grab the interest of both vendors and potential clients, bringing the two together in a winning combination for advertisers.

INTEC Energy Systems

Everybody at INTEC Engineering GmbH who was involved in the cooperation with you regarding the placement of our ad within the Polyplex publication was pleased with the way we worked together and appreciated your support and quick responses to our questions and requests. Most of all, we were glad about your free of charge advertisement design service which was a big help for us in a busy time and with a tight schedule. And when we could only send you our picture rather late and then also had some last-minute requests for modifications, we valued a lot that all of this wasn't a problem for you. We are definitely looking forward to working with you again when the opportunity arises.
