*Thank you for all your hard
work and amazing leadership.*

*May you be proud of the work

the difference you are making
every day!*

~Charlotte Mather-Taylor

Dear Friends,

On behalf of the Area Agency on Aging of Broward County Board of Directors, Honorary Board, Advisory Council, and staff, I would like to welcome you to our 42nd Annual Installation Dinner. This is a special evening of celebration as we honor the dedication of our Board of Directors, Advisory Council, Volunteer of the Year, Corporation of the Year and our municipal partners. We are pleased to have 5 municipalities who we are honoring here tonight.

It is because of your ongoing commitment and support that we can continue to grow our services and assist the seniors we serve in Broward County. Your partnerships enable us to provide the 10% required match to draw down the full federal and state funding grants, which we use to provide services and programs. We appreciate each and every one of you and your commitment to helping our most vulnerable seniors. Your support of our Agency helps us to fulfill our mission of empowering Broward seniors to live independently with dignity and respect and age gracefully in their own homes.

As part of our purpose, we are charged with planning, developing, coordinating, and evaluating programs; funding services, and are the prime advocate for over 476,486 year-round Broward county residents, ages 60 years and older. We provide a broad array of programs dedicated to allowing those we serve to continue to live life to their fullest potential.

I would also like to say a special thank you to our sponsors this evening for your support. We ask all of you to consider supporting those companies that support us by keeping them and their philanthropy in mind when you are shopping. Thank you again for joining us tonight and please enjoy this evening!

Sincerely,

Congratulations!

Congratulations to the 2024 Area Agency on Aging Annual Installation Dinner honorees. Your commitment to safeguarding and enhancing the lives of our senior residents has made Broward County a better place to live.

Thank you to our dedicated Board of Directors, Advisory Council, community partners, and staff for your dedication to creating a secure and supportive environment for our seniors.

Senator Nan H. Rich
Broward County Mayor

When you get to be our age, sometimes you just need to get away from bossy kids and caregivers, and just do your thing. Like hanging out with friends your own age. Playing cards and games, doing crafts and activities, and having parties and dances. You know...senior stuff.

Now don't get me wrong. I love my kids. But now that they are middle-aged, there's NO WAY that they'd ever approve of a place like The Volen Center.

We are a Proud Sponsor of the ADRC's 42nd Annual Installation Dinner
