

CHINOISERIE DECORATING

Chinoiserie

Welcome to Chinoiserie Decorating: Timeless Elegance with a
Blue & White Twist

Step into a world where timeless elegance meets whimsical charm. Chinoiserie Decorating is your essential guide to creating a home inspired by the beauty of blue and white china, delicate ginger jars, and the graceful influence of the Orient. Whether you're styling a grandmillennial haven, freshening a coastal retreat, or simply love the romance of Chinoiserie, this book is designed to inspire your spaces with pattern, grace, and sophistication.

Inside, you'll find beautifully curated sections to help you infuse every corner of your life with Chinoiserie style—from the plush textures of throw pillows and blankets in your living room, to serene bedroom bedding and art. Entertain in style with elegant table linens, coasters, and kitchen accessories that bring flair to any gathering. Explore how to bring harmony and beauty to your interior design choices through wallpaper, fabrics, and paint colours. And don't forget your everyday essentials—take your love for Chinoiserie on the go with chic totes, and phone cases. Whether you're just beginning your Chinoiserie journey or refining a beloved aesthetic, this guide is your companion to decorating with elegance, detail, and a joyful nod to tradition.
