# ZIPdoûr

## Insulated Shower Door

Campervan / RV / Motorhome Shower Doors

# Explore the **ZIPdoûr**

The ZIPdoûr is designed for years of warm, draught-free showers on the road. Its layered insulation retains heat and blocks out chills, vital for winter adventures and off-grid living.

A robust double-zip construction makes for quick, watertight closure every time, while simple install and removal streamline daily van life.

Whether you're chasing the summer sun or winter snows, ZIPdoûr keeps every shower private, comfortable, and energy-efficient.

# ABOUT ZIPdour

The insulated shower door for campervans and RVs—engineered for warmth, privacy, and practical vanlife living.

ZIPdour is designed specifically for compact van bathrooms, delivering reliable waterproofing, insulation, and privacy in a lightweight, easy-to-install package. With its robust, double-waterproof zip closure and five-layer insulated screen, ZIPdour keeps water in and cold out—so you can enjoy a warm, comfortable shower wherever the road takes you.

## Available Sizes:

- Heights: 1700mm, 1800mm, 1900mm
- Widths (zip to zip): 600mm, 700mm, 800mm, 900mm

## Screen Colour/Design:

- Single insulated screen design (see product images for exact look)

## Key Features:

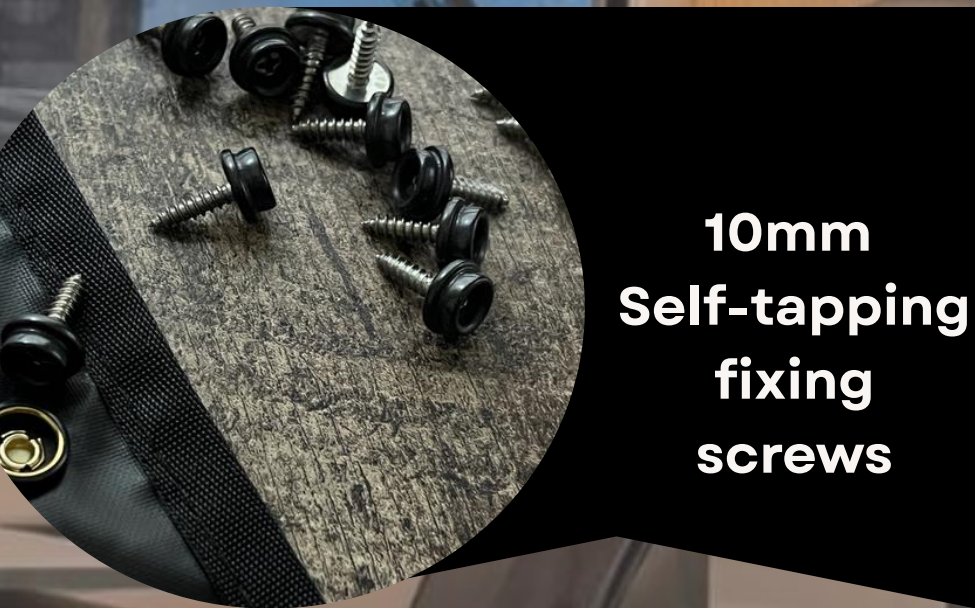

- 5-layer insulated panel for warmth and splash protection
- Double-waterproof zip closure for a secure, watertight seal
- Lightweight, durable, and easy to clean
- Quick installation—no specialist tools required
- Modern, neutral finish to suit any van interior

Upgrade your campervan or RV bathroom with ZIPdour—where smart insulation and reliable waterproofing meet the demands of life on the road.
