

**STYLISH GUITAR RIFFS AND MEMORABLE CHORUSES**

# **ROCK TONIGHT**

A red electric guitar is the central focus, completely surrounded by intense, bright orange and yellow flames. The guitar's body, neck, and headstock are visible, though partially obscured by the fire. The background is a dark, smoky gradient. The title 'ROCK TONIGHT' is written in a large, bold, distressed font that looks like weathered metal, with the letters appearing to be part of the scene. The overall aesthetic is high-energy and fiery.

# PREFACE BY VILLY KLEPPE

"ROCK TONIGHT" WAS BORN OUT OF MY LOVE FOR CATCHY ROCK SONGS. CREATING AN ALBUM WITH STYLISH GUITAR RIFFS AND STRONG CHORUSES HAS ALWAYS BEEN A DREAM OF MINE.

THROUGH ROCK TONIGHT, I AIMED TO CAPTURE THE ENERGY AND JOY THAT ROCK MUSIC BRINGS.

I HOPE YOU FEEL THAT SAME JOY AS YOU LISTEN TO EACH TRACK AND READ THROUGH THESE LYRICS.

THANK YOU TO EVERYONE WHO APPRECIATES MY MUSIC.
