Voxie Tactics: Fright Night

Voxies presents "Fright Night": 4 weeks of Magic, Mischief and Wicked Loot!

Read the Official Article Here
at voxies.io/news

Fright Night is the special Halloween event of Voxies and Voxie Tactics, running from Friday, October 13th, to Friday, November 10th. And yes, it was released on a Friday the 13th!

The event is filled to the brim with Halloween goodness and exclusive event items such as:

- New and transformed consumables enhancing player sessions with boosts and perks
- The unveiling of Class Rarity Bonuses for added strategy and fun
- The unlocking of Jack-O-Lantern Loot Boxes for surprises and valuable in-game items
- The crafting of powerful, limited-time items with two special recipes for The Arcanist's Forge
- Exclusive merchandise rewards

The New Graveyard Map

The Graveyard Map is the new battle map for the Fright Night event! The map design screams Halloween and is littered with Halloween items. The map will keep players on their toes, requiring them to think of new strategies and maneuvers to navigate through the map.

Voxie Tactics: Fright Night (Continued)

Halloween Class & Race Rarity Bonuses

A new limited-time feature is introduced in this event: in-game reward bonuses for Halloween-related classes and races and even the Ghost property! Both VOXEL earnings and item drop rates are affected by the bonus. The bonus categories are also cumulative: an Undead Zombie Voxie will get 2% bonus, while an Undead Skeleton Voxie will get 3% bonus. A higher bonus was given to rarer Halloween categories/properties of Voxies.

Category	Name	Number of Voxies	Bonus
Class	 Undead	927	1%
Class	 Necromancer	533	
Race	 Zombie	690	
Race	 Skeleton	262	2%
Ghost	 Ghost	233	
Race	 Mummy	1	

Halloween Consumables

New consumables are also introduced in the event: the max health and magic potions transformed into Halloween treats, and the new Witches Brew and Pumpkin Spiced Latte, which are the first-ever consumables in the game with a chance for either a positive or negative effect on a Voxie.

Consumable	Type	Effect	Description
 Candy Apple	Transformed	Recover Max Health	Life potion transformed
 Candy Corn	Transformed	Recover Max Magic	Mana potion transformed
 Witches Brew	New	80% chance to Full Heal / 20% chance to Poison the drinker	Mysterious brew to enhance gameplay
 Pumpkin Spiced Latte	New	80% chance to Evade buff / 20% chance to Root the drinker	A delightful surprise with every sip

The Jack-O-Lantern Loot Box and Event-Exclusive Items

The **Jack-O-Lantern** is the loot box of the Fright Night event! It can be opened for 30 VOXEL tokens in the Arcanist's Forge recipe **Trick or Treat** until December 8th. It can be obtained until November 10th (the end of the event) by:

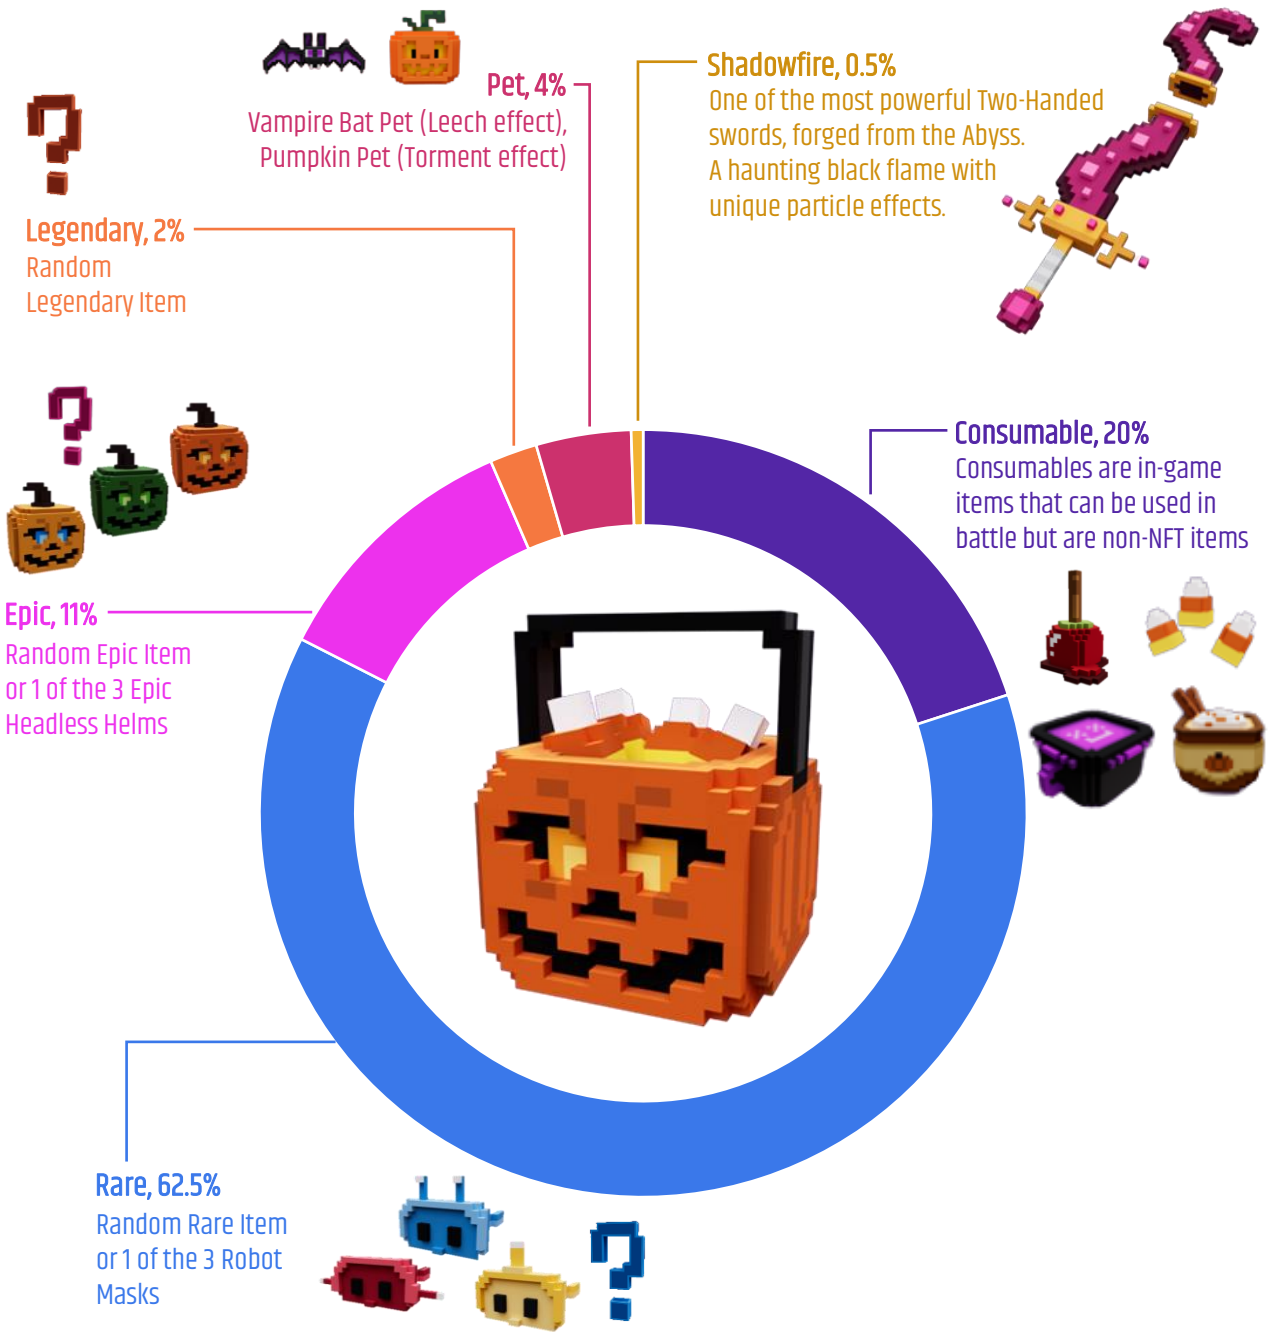

- Burning 2 rare NFT items and 30 VOXEL in the **Cauldron Mix** recipe in the Arcanist's Forge
- Dropping the boxes as in-game item drops by winning a battle in Voxie Tactics (there was an increased 3x drop rate for boxes for 24 hours starting on October 31st, ~12NN)
- Purchasing 100 USD or more worth of merch from the Voxies Merch Shop to get 1 free loot box

Voxie Tactics: Fright Night (Continued)

Opening the Jack-O-Lantern Loot Box in the Arcanist's Forge will give you a chance to get the Halloween-exclusive NFT items like new Rare and Epic Head Armor for each armor type, new Pets, and the first Weapon with in-game particle effects. Check out the details and stats of the new NFT items in the [Newly Minted NFT Items for October 2023](#) page.

Jack-O-Lantern Rewards and Chance

The NFT image of the Halloween-exclusive items also features a unique design that easily sets it apart visually from the standard design, with the event name "Fright Night" displayed on the top left and a distinctive purple background.

Voxie Tactics: Fright Night (Continued)

The Voxies Wheel of Mystery for Halloween

The **Voxies Wheel of Mystery** is a new addition to the team's regular Social Media programming and debuts in Fright Night. On a standard month, the team will spin the wheel and give away a random NFT to a random person, with Voxie Tactics players having a higher chance of winning. But during the Fright Night event, the team will instead spin the wheel every week! To join the wheel, participants have to do [Gleam.io tasks](#) like following Voxies social media, uploading a video of winning a battle in the Voxie Tactics game, and special to the Fright Night event, entering a special code that has the most entries out of all tasks. Check out the winners of the 3 Wheels of Mystery in the following section below!

Halloween Cosplay Competition

Another community contest! And this time, it's the first-ever Voxies Cosplay Competition, perfect for Halloween trick-or-treating.
